The Guide

1. The Summary Section

That which the world venerates, the guardian of the world always pays homage to;
This excellent Dispensation of the best of men should be known by the wise.

The discourse has twelve terms, all that - both phrasing and meaning;
Both should be cognised - what is the meaning, which is the phrasing?

The Guide has sixteen guides, five methods - the search for the Dispensation;
Eighteen root terms, pointed out by Mahākaccāna.

The guides are the investigation of phrasing, the three methods of the discourse and the meaning of the discourse;
Both are comprehended - it is called a discourse according to the discourse.

Both the Teaching and what is taught should be cognised;
Therein this is the sequence - the ninefold search for discourses.

The Summary Section.
