Root Condition

1. A mental state leading to accumulation arises dependent on a mental state leading to accumulation by root condition - dependent on one aggregate leading to accumulation, three aggregates arise... etc. dependent on two aggregates, two aggregates arise. (1)

A mental state leading to neither accumulation nor to non-accumulation arises dependent on a mental state leading to accumulation by root condition - dependent on aggregates leading to accumulation, consciousness-originated materiality arises. (2)

Mental states leading to accumulation and leading to neither accumulation nor to non-accumulation arise dependent on a mental state leading to accumulation by root condition - dependent on one aggregate leading to accumulation, three aggregates and consciousness-originated materiality arise... etc. dependent on two aggregates, two aggregates and consciousness-originated materiality arise. (3)

2. A mental state leading to non-accumulation arises dependent on a mental state leading to non-accumulation by root condition - dependent on one aggregate leading to non-accumulation, three aggregates arise... etc. dependent on two aggregates, two aggregates arise. (1)

A mental state leading to neither accumulation nor to non-accumulation arises dependent on a mental state leading to non-accumulation by root condition - dependent on aggregates leading to non-accumulation, consciousness-originated materiality arises. (2)

Mental states leading to non-accumulation and leading to neither accumulation nor to non-accumulation arise dependent on a mental state leading to non-accumulation by root condition - dependent on one aggregate leading to non-accumulation, three aggregates and consciousness-originated materiality arise... etc. dependent on two aggregates, two aggregates and consciousness-originated materiality arise. (3)

3. A mental state leading to neither accumulation nor to non-accumulation arises dependent on a mental state leading to neither accumulation nor to non-accumulation by root condition - dependent on one aggregate leading to neither accumulation nor to non-accumulation, three aggregates and consciousness-

originated materiality arise... etc. two aggregates... etc. At the moment of conception, dependent on one aggregate leading to neither accumulation nor to non-accumulation, three aggregates and kamma-born materiality arise... etc. two aggregates... etc. dependent on aggregates, the sense-base arises; dependent on the sense-base, aggregates arise; dependent on one primary element, three primary elements arise... etc. dependent on two primary elements, two primary elements arise; dependent on primary elements, consciousness-originated materiality, kamma-born materiality, and derivative materiality arise. (1)

A mental state leading to neither accumulation nor to non-accumulation arises dependent on a mental state leading to accumulation and a mental state leading to neither accumulation nor to non-accumulation by root condition - dependent on aggregates leading to accumulation and primary elements, consciousness-originated materiality arises. (1)

A mental state leading to neither accumulation nor to non-accumulation arises dependent on a mental state leading to non-accumulation and a mental state leading to neither accumulation nor to non-accumulation by root condition - dependent on aggregates leading to non-accumulation and primary elements, consciousness-originated materiality arises. (1)

Object condition

4. A mental state leading to accumulation arises dependent on a mental state leading to accumulation by object condition - dependent on one aggregate leading to accumulation, three aggregates arise... etc. two aggregates... etc. (1)

A mental state leading to non-accumulation arises dependent on a mental state leading to non-accumulation by object condition - dependent on one aggregate leading to non-accumulation, three aggregates arise... etc. two aggregates... etc. (1)

A mental state leading to neither accumulation nor to non-accumulation arises dependent on a mental state leading to neither accumulation nor to non-accumulation by object condition - dependent on one aggregate leading to neither accumulation nor to non-accumulation, three aggregates arise... etc. dependent on two aggregates, two aggregates arise. At the moment of conception... etc. dependent on the sense-base, aggregates arise. (1)

Predominance condition

5. A mental state leading to accumulation arises dependent on a mental state leading to accumulation by predominance condition... three.

A mental state leading to non-accumulation arises dependent on a mental state leading to non-accumulation by predominance condition... three.

A mental state leading to neither accumulation nor to non-accumulation arises dependent on a mental state leading to neither accumulation nor to non-accumulation... one (there is no conception); dependent on one primary element, three primary elements arise... etc. dependent on primary elements, consciousness-originated materiality and derivative materiality arise. (1)

A mental state leading to neither accumulation nor to non-accumulation arises dependent on a mental state leading to accumulation and a mental state leading to neither accumulation nor to non-accumulation by predominance condition - dependent on aggregates leading to accumulation and primary elements, consciousness-originated materiality arises. (1)

A mental state leading to neither accumulation nor to non-accumulation arises dependent on a mental state leading to non-accumulation and a mental state leading to neither accumulation nor to non-accumulation by predominance condition - dependent on aggregates leading to non-accumulation and primary elements, consciousness-originated materiality arises. (1)

Proximity condition and so on

6. A mental state leading to accumulation arises dependent on a mental state leading to accumulation by proximity condition... By contiguity condition... By conascence condition (all primary elements should be made)... By mutuality condition (there is no consciousness-originated, no kamma-born materiality, no derivative materiality)... By support condition... By decisive support condition... By prenascent condition? By repetition condition? By kamma condition? By result condition? By nutriment condition? By faculty condition... By condition of meditative absorption? By path condition? By association condition... By dissociation condition? By presence condition? By absence condition? By disappearance condition... By non-disappearance condition...

Non-root Condition

8. A mental state leading to accumulation arises dependent on a mental state leading to accumulation by non-root condition - dependent on aggregates accompanied by sceptical doubt and accompanied by restlessness, delusion accompanied by sceptical doubt and accompanied by restlessness arises. (1)

A mental state leading to neither accumulation nor to non-accumulation arises

dependent on a mental state leading to neither accumulation nor to non-accumulation by non-root condition - dependent on one rootless aggregate leading to neither accumulation nor to non-accumulation, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. at the rootless rebirth moment, etc. dependent on aggregates, the sense-base arises; dependent on the sense-base, aggregates arise; one primary element... etc. external... nutriment-originated, etc. temperature-originated... for non-percipient beings, one primary element... etc. (1)

Non-object condition

9. A mental state leading to neither accumulation nor to non-accumulation arises dependent on a mental state leading to accumulation by non-object condition - dependent on aggregates leading to accumulation, consciousness-originated materiality arises. (1)

A mental state leading to neither accumulation nor to non-accumulation arises dependent on a mental state leading to non-accumulation by non-object condition - dependent on aggregates leading to non-accumulation, consciousness-originated materiality arises. (1)

A mental state leading to neither accumulation nor to non-accumulation arises dependent on a mental state leading to neither accumulation nor to non-accumulation by non-object condition - dependent on aggregates leading to neither accumulation nor to non-accumulation, consciousness-originated materiality arises. At the moment of conception... etc. dependent on aggregates, the sense-base arises... etc. one primary element... etc. external... nutriment-originated, etc. temperature-originated... for non-percipient beings... etc. (1)

A mental state leading to neither accumulation nor to non-accumulation arises dependent on a mental state leading to accumulation and a mental state leading to neither accumulation nor to non-accumulation by non-object condition - dependent on aggregates leading to accumulation and primary elements, consciousness-originated materiality arises. (1)

A mental state leading to neither accumulation nor to non-accumulation arises dependent on a mental state leading to non-accumulation and a mental state leading to neither accumulation nor to non-accumulation by non-object condition - dependent on aggregates leading to non-accumulation and primary elements, consciousness-originated materiality arises. (1)

Non-predominance condition

10. A mental state leading to accumulation arises dependent on a mental state leading to accumulation by non-predominance condition... three.

A mental state leading to non-accumulation arises dependent on a mental state leading to non-accumulation by non-predominance condition - dependent on aggregates leading to non-accumulation, predominance leading to non-accumulation arises. (1)

A mental state leading to neither accumulation nor to non-accumulation arises dependent on a mental state leading to neither accumulation nor to non-

accumulation by non-predominance condition - dependent on one aggregate leading to neither accumulation nor to non-accumulation, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. at the moment of conception... etc. dependent on aggregates, the sense-base arises; dependent on the sense-base, aggregates arise; one primary element... etc. external... nutriment-originated, etc. temperature-originated... for non-percipient beings, one primary element... etc. (1)

Root Condition

18. A mental state leading to accumulation arises conditioned by a mental state leading to accumulation by root condition - conditioned by one aggregate leading to accumulation, three aggregates arise... etc. Conditioned by two aggregates, two aggregates arise. (1)

A mental state leading to neither accumulation nor to non-accumulation arises conditioned by a mental state leading to accumulation by root condition - conditioned by aggregates leading to accumulation, consciousness-originated materiality arises. (2)

Mental states leading to accumulation and leading to neither accumulation nor to non-accumulation arise conditioned by a mental state leading to accumulation by root condition - conditioned by one aggregate leading to accumulation, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. (3)

A mental state leading to non-accumulation arises conditioned by a mental state leading to non-accumulation... three.

19. A mental state leading to neither accumulation nor to non-accumulation arises conditioned by a mental state leading to neither accumulation nor to non-accumulation by root condition - conditioned by one aggregate leading to neither accumulation nor to non-accumulation, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. at the moment of conception... etc. conditioned by aggregates, the sense-base arises; conditioned by

the sense-base, aggregates arise; conditioned by one primary element... etc.
conditioned by the sense-base, aggregates leading to neither accumulation nor to non-accumulation arise. (1)

A mental state leading to accumulation arises conditioned by a mental state leading to neither accumulation nor to non-accumulation by root condition - conditioned by the sense-base, aggregates leading to accumulation arise. (2)

A mental state leading to non-accumulation arises conditioned by a mental state leading to neither accumulation nor to non-accumulation by root condition - conditioned by the sense-base, aggregates leading to non-accumulation arise. (3)

Mental states leading to accumulation and leading to neither accumulation nor to non-accumulation arise conditioned by a mental state leading to neither accumulation nor to non-accumulation by root condition - conditioned by the sense-base, aggregates leading to accumulation arise; conditioned by primary elements, consciousness-originated materiality arises. (4)

Mental states leading to non-accumulation and leading to neither accumulation nor to non-accumulation arise conditioned by a mental state leading to neither accumulation nor to non-accumulation by root condition - conditioned by the sense-base, aggregates leading to non-accumulation arise; conditioned by primary elements, consciousness-originated materiality arises. (5)

20. A mental state leading to accumulation arises conditioned by a mental state leading to accumulation and a mental state leading to neither accumulation nor to non-accumulation by root condition - conditioned by one aggregate leading to accumulation and sense-base, three aggregates arise... etc. two aggregates... etc. (1)

A mental state leading to neither accumulation nor to non-accumulation arises conditioned by a mental state leading to accumulation and a mental state leading to neither accumulation nor to non-accumulation by root condition - conditioned by aggregates leading to accumulation and primary elements, consciousness-originated materiality arises. (2)

Mental states leading to accumulation and leading to neither accumulation nor to non-accumulation arise conditioned by a mental state leading to accumulation and a mental state leading to neither accumulation nor to non-accumulation by root condition - conditioned by one aggregate leading to accumulation and sense-base, three aggregates arise... etc. two aggregates... etc. conditioned by aggregates leading to accumulation and primary elements, consciousness-originated materiality arises. A mental state leading to non-accumulation arises conditioned by a mental state leading to non-accumulation and a mental state leading to neither accumulation nor to non-accumulation... three.

Object condition

21. A mental state leading to accumulation arises conditioned by a mental state leading to accumulation by object condition - conditioned by one aggregate leading to accumulation... etc. (1)

A mental state leading to non-accumulation arises conditioned by a mental state leading to non-accumulation... one.

A mental state leading to neither accumulation nor to non-accumulation arises conditioned by a mental state leading to neither accumulation nor to non-accumulation by object condition... conditioned by one aggregate leading to neither accumulation nor to non-accumulation, three aggregates arise... etc. two aggregates... etc. at the moment of conception... etc. conditioned by the sense-base, aggregates arise; conditioned by the eye sense base, eye-consciousness arises... etc. Conditioned by the body sense base, body-consciousness arises. Conditioned by the sense-base, aggregates leading to neither accumulation nor to non-accumulation arise. (1)

A mental state leading to accumulation arises conditioned by a mental state leading to neither accumulation nor to non-accumulation by object condition - conditioned by the sense-base, aggregates leading to accumulation arise. (2)

A mental state leading to non-accumulation arises conditioned by a mental state leading to neither accumulation nor to non-accumulation by object condition - conditioned by the sense-base, aggregates leading to non-accumulation arise. (3)

A mental state leading to accumulation arises conditioned by a mental state leading to accumulation and a mental state leading to neither accumulation nor to non-accumulation by object condition - conditioned by one aggregate leading to accumulation and sense-base, three aggregates arise... etc. two aggregates... etc. (1)

A mental state leading to non-accumulation arises conditioned by a mental state leading to non-accumulation and a mental state leading to neither accumulation nor to non-accumulation by object condition - conditioned by one aggregate leading to non-accumulation and sense-base, three aggregates arise... etc. two aggregates... etc. (1)

Predominance condition

22. A mental state leading to accumulation arises conditioned by a mental state leading to accumulation by predominance condition... three.

A mental state leading to non-accumulation arises conditioned by a mental state leading to non-accumulation... three.

A mental state leading to neither accumulation nor to non-accumulation arises conditioned by a mental state leading to neither accumulation nor to non-accumulation... one... etc. conditioned by the sense-base, aggregates leading to neither accumulation nor to non-accumulation arise.

A mental state leading to accumulation arises conditioned by a mental state leading to neither accumulation nor to non-accumulation... etc. (Here too the combination is similar to root).

Proximity condition and so on

23. A mental state leading to accumulation arises conditioned by a mental state leading to accumulation by proximity condition... By contiguity condition... By conascence condition? three.

A mental state leading to non-accumulation arises conditioned by a mental state leading to non-accumulation... three.

A mental state leading to neither accumulation nor to non-accumulation arises conditioned by a mental state leading to neither accumulation nor to non-accumulation by conascence condition - conditioned by one aggregate leading to neither accumulation nor to non-accumulation, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. at the moment of conception... etc. for non-percipient beings, one primary element... etc. conditioned by the eye sense base, eye-consciousness arises... etc. Conditioned by the body sense base, body-consciousness arises. Conditioned by the sense-base... etc. (1)

A mental state leading to accumulation arises conditioned by a mental state leading to neither accumulation nor to non-accumulation by conascence condition (in brief, all combinations should be made).

Mutuality condition and so on

24. A mental state leading to non-accumulation arises conditioned by a mental state leading to non-accumulation by mutuality condition... By support condition... By decisive support condition... By prenascent condition? By repetition condition? By kamma condition? By result condition? By nutriment condition? By faculty condition... By condition of meditative absorption? By path condition? By association condition... By dissociation condition? By presence condition? By absence condition? By disappearance condition... By non-disappearance condition.

Root Condition

45. A mental state leading to accumulation is a condition for a mental state leading to accumulation by way of root condition - roots leading to accumulation are a condition by way of root condition for associated aggregates. (1)

A mental state leading to accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of root condition - roots leading to accumulation are a condition by way of root condition for consciousness-originated materiality. (2)

A mental state leading to accumulation is a condition for a mental state leading to accumulation and for a mental state leading to neither accumulation nor to non-accumulation by way of root condition - roots leading to accumulation are a condition by way of root condition for associated aggregates and for consciousness-originated materiality. (3)

A mental state leading to non-accumulation is a condition for a mental state leading to non-accumulation by way of root condition... three.

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of root condition - roots leading to neither accumulation nor to non-accumulation are a condition by way of root condition for associated aggregates and for consciousness-originated materiality. At the moment of conception, roots leading to neither accumulation nor to non-accumulation are a condition by way of root condition for associated aggregates and for kamma-born materiality. (1)

Object condition

46. A mental state leading to accumulation is a condition for a mental state leading to accumulation by way of object condition - having given a gift, having taken upon oneself morality, having performed the Observance practice, one reviews that; one reviews what was well practised before; having emerged from meditative absorption, one reviews the meditative absorption. Learners review the abandoned defilements, they review the suppressed defilements, they know the defilements previously indulged in. Learners or worldlings see with insight the aggregates leading to accumulation as impermanent, as suffering, as non-self, enjoy them, delight in them; referring to that, lust arises, wrong view, etc. sceptical doubt, etc. restlessness, etc. displeasure arises; with the knowledge of others' mental states they know the consciousness of one possessing consciousness leading to accumulation; the wholesome of the plane of infinite space is a condition for the wholesome of the plane of infinite consciousness by way of object condition. The wholesome of the plane of nothingness is a condition for the wholesome of the plane of neither-perception-nor-non-perception, etc. Aggregates leading to accumulation are a condition by way of object condition for the knowledge of various kinds of supernormal power, for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of rebirth according to beings' actions, for the knowledge of future events. (1)

A mental state leading to accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of object condition - a Worthy One reviews the abandoned defilements, knows the defilements previously indulged in, sees with insight the aggregates leading to accumulation as impermanent, as suffering, as non-self; with the knowledge of others' mental states one knows the consciousness of one possessing consciousness leading to accumulation. Learners or worldlings see with insight the aggregates leading to accumulation as impermanent, as suffering, as non-self; when the wholesome has ceased, resultant registration arises; one enjoys the aggregates leading to accumulation, delights in them; referring to that, lust arises, etc. displeasure arises; when the unwholesome has ceased, resultant registration arises; the wholesome of the plane of infinite space is a condition by way of object condition for the resultant of the plane of infinite consciousness and for the functional. The wholesome of the plane of nothingness is a condition by way of object condition for the resultant of the plane of neither-perception-nor-non-perception and for the functional. Aggregates leading to accumulation are a condition by way of object condition for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of rebirth according to beings' actions, for the knowledge of future events, for advertizing. (2)

47. A mental state leading to non-accumulation is a condition for a mental state leading to accumulation by way of object condition - learners, having emerged from the path, review the path; with the knowledge of others' mental states they know the consciousness of one possessing consciousness leading to non-accumulation; aggregates leading to non-accumulation are a condition by way of object condition for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of future events. (1)

A mental state leading to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of object condition - a Worthy One, having emerged from the path, reviews the path; with the knowledge of others' mental states one knows the consciousness of one possessing consciousness leading to non-accumulation; aggregates leading to non-accumulation are a condition by way of object condition for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of future events, for advertizing. (2)

48. A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of object condition - a Worthy One reviews fruition, reviews Nibbāna; Nibbāna is a condition by way of object condition for fruition and for advertizing. A Worthy One sees with insight the eye as impermanent, as suffering, as non-self, the ear... etc. the sense-base... sees with insight the aggregates leading to neither accumulation nor to non-accumulation as impermanent, as suffering, as non-self; sees materiality with the divine eye; hears sound with the divine ear element; with the knowledge of others' mental states knows the consciousness of one possessing consciousness leading to neither accumulation nor to non-accumulation; the functional plane of infinite space is a condition by way of object condition for the functional plane of infinite consciousness. The functional plane of nothingness for the functional plane of neither-perception-nor-non-perception... etc. the visible form sense base for eye-consciousness... etc. the touch sense base for body-consciousness... etc. Aggregates leading to neither accumulation nor to non-accumulation are a condition by way of object condition for the knowledge of various kinds of supernormal power, for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of future events, for advertizing. (1)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to accumulation by way of object condition - learners review fruition, review Nibbāna; Nibbāna is a condition by way of object condition for change-of-lineage, for cleansing. Learners or worldlings see with insight the eye as impermanent, as suffering, as non-self, enjoy it, delight in it; referring to that, lust arises... etc. Displeasure arises. The ear... etc. the sense-base... see with insight the aggregates leading to neither accumulation nor to non-accumulation as impermanent, as suffering, as non-self, enjoy them, delight in them; referring to that, lust arises, wrong view arises, sceptical doubt... etc. restlessness, etc. displeasure... etc. they see materiality with the divine eye, they hear sound with the divine ear element, with the knowledge of others' mental states they know the consciousness of one possessing consciousness leading to neither accumulation nor to non-accumulation; aggregates leading to neither accumulation nor to non-accumulation are a condition by way of object condition for the knowledge of various kinds of supernormal power, for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of future events. (2)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to non-accumulation by way of object condition - Nibbāna is a condition by way of object condition for the path. (3)

Predominance condition

49. A mental state leading to accumulation is a condition for a mental state leading to accumulation by way of predominance condition - object predominance, connascent predominance. Object predominance - having given a gift, having taken upon oneself morality, having performed the Observance practice, having given weight to that, one reviews; having given weight to what was well practised before, one reviews; having emerged from meditative absorption, having given weight to the meditative absorption, one reviews; having given weight to aggregates leading to accumulation, one enjoys them, delights in them; having given weight to that, lust arises, wrong view arises. Connascent predominance - predominance leading to accumulation is a condition by way of predominance condition for associated aggregates. (1)

A mental state leading to accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of predominance condition. Connascent predominance - predominance leading to accumulation is a condition by way of predominance condition for consciousness-originated materiality. (2)

A mental state leading to accumulation is a condition for a mental state leading to accumulation and for a mental state leading to neither accumulation nor to non-accumulation by way of predominance condition. Connascent predominance - predominance leading to accumulation is a condition by way of predominance condition for associated aggregates and for consciousness-originated materiality. (3)

50. A mental state leading to non-accumulation is a condition for a mental state leading to non-accumulation by way of predominance condition. Connascent predominance - predominance leading to non-accumulation is a condition by way of predominance condition for associated aggregates. (1)

A mental state leading to non-accumulation is a condition for a mental state leading to accumulation by way of predominance condition. Object predominance - Learners, having emerged from the path, having given weight to the path, review. (2)

A mental state leading to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of predominance condition - object predominance, connascent predominance. Object predominance - a Worthy One, having emerged from the path, having given weight to the path, reviews. Connascent predominance - predominance leading to non-accumulation is a condition by way of predominance condition for consciousness-originated materiality. (3)

A mental state leading to non-accumulation is a condition for a mental state leading to non-accumulation and for a mental state leading to neither accumulation nor to non-accumulation by way of predominance condition. Connascent predominance - predominance leading to non-accumulation is a condition by way of predominance condition for associated aggregates and for consciousness-originated materiality. (4)

51. A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of predominance condition - object predominance, connascent predominance. Object predominance - a Worthy One, having given weight to fruition, reviews; having given weight to Nibbāna, reviews; Nibbāna is a condition by way of predominance

condition for fruition. Connascent predominance - predominance leading to neither accumulation nor to non-accumulation is a condition by way of predominance condition for associated aggregates and for consciousness-originated materiality. (1)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to accumulation by way of predominance condition. Object predominance - learners, having given weight to fruition, review; having given weight to Nibbāna, review; Nibbāna is a condition by way of predominance condition for change-of-lineage, for cleansing. Having given weight to the eye, one enjoys it... etc. the sense-base... having given weight to aggregates leading to neither accumulation nor to non-accumulation, one enjoys them, delights in them; having given weight to that, lust arises, wrong view arises. (2)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to non-accumulation by way of predominance condition. Object predominance - Nibbāna is a condition by way of predominance condition for the path. (3)

Proximity condition

52. A mental state leading to accumulation is a condition for a mental state leading to accumulation by way of proximity condition - the former and former aggregates leading to accumulation are a condition by way of proximity condition for the latter and latter aggregates leading to accumulation. Conformity for change-of-lineage, etc. conformity is a condition by way of proximity condition for cleansing. (1)

A mental state leading to accumulation is a condition for a mental state leading to non-accumulation by way of proximity condition - change-of-lineage for the path, etc. cleansing is a condition by way of proximity condition for the path. (2)

A mental state leading to accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of proximity condition - aggregates leading to accumulation are a condition by way of proximity condition for emergence. For learners, conformity for fruition attainment, for one emerging from cessation, the wholesome of the plane of neither-perception-nor-non-perception is a condition by way of proximity condition for fruition attainment. (3)

A mental state leading to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of proximity condition - the path is a condition by way of proximity condition for fruition. (1)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of proximity condition - the former and former aggregates leading to neither accumulation nor to non-accumulation are a condition by way of proximity condition for the latter and latter aggregates leading to neither accumulation nor to non-accumulation. Life-continuum for adverting, etc. the functional for emergence, etc. for an Arahant, conformity for fruition attainment, etc. for one emerging from cessation, the functional of the plane of neither-perception-nor-non-perception is a condition by way of proximity condition for fruition attainment. (1)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to accumulation by way of proximity condition - adverting is a condition by way of proximity condition for aggregates leading to accumulation. (2)

Contiguity Condition and so on

53. A mental state leading to accumulation is a condition for a mental state leading to accumulation by way of contiguity condition, etc. (Similar to proximity.) (In the conascence condition, in the section on the dependent, similar to the section on the conascence, nine questions. In the mutuality condition, in the section on the dependent, similar to mutuality, three. In the support condition, in the section on the conditions, similar to the section on the support. For there is no separate combination of even four. Thirteen questions.)

Decisive support condition

54. A mental state leading to accumulation is a condition for a mental state leading to accumulation by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith leading to accumulation one gives a gift, morality, etc. the Observance practice... etc. thus meditative absorption... etc. insight, etc. direct knowledge, etc. produces attainment, mutters conceit, takes wrong view, morality leading to accumulation... the heard... generosity... wisdom... lust... hate... delusion... conceit... wrong view... in dependence on longing one gives a gift. Morality, etc. the Observance practice... etc. thus meditative absorption... etc. insight, etc. direct knowledge, etc. attainment, etc. kills a living being, etc. breaks the monastic community. Faith leading to accumulation, etc. wisdom, lust, etc. longing is a condition for faith leading to accumulation, etc. for wisdom, for lust, etc. for longing by way of decisive support condition. The preliminary work for the first meditative absorption is a condition by way of decisive support condition for the first meditative absorption, etc. The preliminary work for the plane of neither-perception-nor-non-perception is a condition by way of decisive support condition for the plane of neither-perception-nor-non-perception. The first meditative absorption is a condition for the second meditative absorption, etc. The plane of nothingness is a condition by way of decisive support condition for the plane of neither-perception-nor-non-perception. (1)

A mental state leading to accumulation is a condition for a mental state leading to non-accumulation by way of decisive support condition - proximity decisive support, natural decisive support, etc. Natural decisive support - the preliminary work for the first path is a condition for the first path, etc. The preliminary work for the fourth path is a condition by way of decisive support condition for the fourth path. (2)

A mental state leading to accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of decisive support condition - proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith leading to accumulation one scorches and torments oneself, one experiences suffering rooted in search. Morality leading to accumulation, etc. wisdom. Lust, etc. in dependence on longing one scorches and torments oneself, one experiences suffering rooted in search. Faith leading to accumulation, etc. wisdom.

Lust, etc. longing is a condition for bodily pleasure, for bodily pain, for fruition attainment by way of decisive support condition. Wholesome-unwholesome action is a condition for resultant by way of decisive support condition. (3)

55. A mental state leading to non-accumulation is a condition for a mental state leading to non-accumulation by way of decisive support condition. Natural decisive support - The first path for the second path, etc. the third path is a condition for the fourth path by way of decisive support condition. (1)

A mental state leading to non-accumulation is a condition for a mental state leading to accumulation by way of decisive support condition - object decisive support, natural decisive support, etc. Natural decisive support - Learners, in dependence on the path, produce unarisen wholesome attainment, attain arisen attainment, see with insight activities as impermanent, as suffering, as non-self, the path is a condition for learners' analytical knowledge of meaning, etc. analytical knowledge of discernment, and skill in the possible and impossible by way of decisive support condition. (2)

A mental state leading to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - A Worthy One, in dependence on the path, produces an unarisen functional attainment, attains an arisen one, etc. for skill in the possible and impossible by way of decisive support condition. The path is a condition for fruition attainment by way of decisive support condition. (3)

56. A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on bodily pleasure one scorches and torments oneself, one experiences suffering rooted in search. Bodily pain, etc. climate, etc. food, etc. in dependence on lodging one scorches and torments oneself, etc. bodily pleasure, etc. bodily pain, etc. climate, etc. food, etc. lodging is a condition for bodily pleasure, for bodily pain, for fruition attainment by way of decisive support condition. A Worthy One, in dependence on bodily pleasure, produces an unarisen functional attainment, etc. sees with insight. Bodily pain, etc. climate, etc. food, etc. in dependence on lodging, etc. sees with insight. (1)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to accumulation by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on bodily pleasure one gives a gift, etc. produces attainment, kills a living being, etc. breaks the monastic community. Bodily pain, etc. climate, etc. food, etc. in dependence on lodging one gives a gift, etc. breaks the monastic community, bodily pleasure, etc. lodging is a condition for faith leading to accumulation, etc. for wisdom, for lust, etc. for longing by way of decisive support condition. (2)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to non-accumulation by way of decisive support condition - object decisive support, natural decisive support, etc. Natural decisive support - in dependence on bodily pleasure one produces the path. Bodily pain, etc. in dependence on lodging one produces the path, bodily pleasure, bodily pain, etc. lodging is a condition for the path by way of decisive support condition.(3)

Prenascence condition

57. A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of prenascence condition - object prenascence, sense-organ prenascence. Object prenascence - A Worthy One the eye... etc. sees with insight the sense-base as impermanent, as suffering, as non-self; sees materiality with the divine eye; hears sound with the divine ear element; the visible form sense base for eye-consciousness... etc. The touch sense base is a condition for body-consciousness by way of prenascence condition. Sense-organ prenascence - the eye sense base for eye-consciousness... etc. the body sense base for body-consciousness... etc. the sense-base is a condition for aggregates leading to neither accumulation nor to non-accumulation by way of prenascence condition. (1)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to accumulation by way of prenascence condition - object prenascence, sense-organ prenascence. Object prenascence - Learners or worldlings the eye... etc. they see with insight the sense-base as impermanent, as suffering, as non-self, enjoy it, delight in it; referring to that, lust arises... etc. displeasure arises; sees materiality with the divine eye; hears sound with the divine ear element. Sense-organ prenascence - the sense-base is a condition for aggregates leading to accumulation by way of prenascence condition. (2)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to non-accumulation by way of prenascence condition. Sense-organ prenascence - the sense-base is a condition for aggregates leading to non-accumulation by way of prenascence condition. (3)

Postnascence condition

58. A mental state leading to accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of postnascence condition - postnascent aggregates leading to accumulation are a condition for this prenascent body by way of postnascence condition. (1)

A mental state leading to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of postnascence condition - postnascent aggregates leading to non-accumulation are a condition for this prenascent body by way of postnascence condition. (1)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of postnascence condition - postnascent aggregates leading to neither accumulation nor

to non-accumulation are a condition for this prenascent body by way of postnascence condition.

Repetition condition

59. A mental state leading to accumulation is a condition for a mental state leading to accumulation by way of repetition condition - the former and former aggregates leading to accumulation are a condition by way of repetition condition for the latter and latter aggregates leading to accumulation. Conformity for change-of-lineage, etc. conformity is a condition by way of repetition condition for cleansing. (1)

A mental state leading to accumulation is a condition for a mental state leading to non-accumulation by way of repetition condition - change-of-lineage for the path, etc. cleansing is a condition by way of repetition condition for the path. (2)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of repetition condition - the former and former aggregates leading to neither accumulation nor to non-accumulation are a condition by way of repetition condition for the latter and latter aggregates leading to neither accumulation nor to non-accumulation. (1)

Kamma condition

60. A mental state leading to accumulation is a condition for a mental state leading to accumulation by way of kamma condition - volition leading to accumulation is a condition by way of kamma condition for associated aggregates. (1)

A mental state leading to accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of kamma condition - conascence, asynchronous. Conascence - volition leading to accumulation is a condition by way of kamma condition for consciousness-originated materiality. Asynchronous - volition leading to accumulation is a condition by way of kamma condition for resultant aggregates and for kamma-born materiality. (2)

A mental state leading to accumulation is a condition for a mental state leading to accumulation and for a mental state leading to neither accumulation nor to non-accumulation by way of kamma condition - volition leading to accumulation is a condition by way of kamma condition for associated aggregates and for consciousness-originated materiality. (3)

61. A mental state leading to non-accumulation is a condition for a mental state leading to non-accumulation by way of kamma condition - volition leading to non-accumulation is a condition by way of kamma condition for associated aggregates. (1)

A mental state leading to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of kamma condition - conascence, asynchronous. Conascence - volition leading to non-accumulation is a condition by way of kamma condition for consciousness-originated materiality. Asynchronous - volition leading to non-accumulation is a condition by way of kamma condition for resultant aggregates. (2)

A mental state leading to non-accumulation is a condition for a mental state leading to non-accumulation and for a mental state leading to neither accumulation nor to non-accumulation by way of kamma condition - volition leading to non-accumulation is a condition by way of kamma condition for associated aggregates and for consciousness-originated materiality. (3)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of kamma condition - volition leading to neither accumulation nor to non-accumulation is a condition by way of kamma condition for associated aggregates and for consciousness-originated materiality. At the moment of conception, volition leading to neither accumulation nor to non-accumulation is a condition by way of kamma condition for associated aggregates and for kamma-born materiality. (1)

Result condition

62. A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of result condition - one resultant aggregate leading to neither accumulation nor to non-accumulation is a condition for three aggregates... etc. at the moment of conception... etc. the aggregates are a condition for the sense-base by way of result condition. (1)

Nutriments condition and so on

63. A mental state leading to accumulation is a condition for a mental state leading to accumulation by way of nutriment condition etc. by way of faculty condition... by way of condition of meditative absorption... by way of path condition... It is a condition by way of associated condition.

Dissociation condition

64. A mental state leading to accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of dissociated condition - conascence, postnascence. Conascence - aggregates leading to accumulation are a condition for consciousness-originated materiality by way of dissociated condition. Postnascence - aggregates leading to accumulation are a condition for this prenascent body by way of dissociated condition. (1)

A mental state leading to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of dissociated condition - conascence, postnascence. Conascence - aggregates leading to non-accumulation are a condition for consciousness-originated materiality by way of dissociated condition. Postnascence - aggregates leading to non-accumulation are a condition for this prenascent body by way of dissociated condition. (1)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of dissociated condition - conascence, prenascent, postnascence. Conascence - aggregates leading to neither accumulation nor to non-accumulation are a condition for consciousness-originated materiality by way of dissociated condition. At the moment of conception, aggregates leading to neither accumulation nor to non-

accumulation are a condition for kamma-born materiality by way of dissociated condition. The aggregates are a condition for the sense-base by way of dissociated condition. The sense-base is a condition for the aggregates by way of dissociated condition. Prenascence - the eye sense base for eye-consciousness... etc. the body sense base for body-consciousness... etc. the sense-base is a condition for aggregates leading to neither accumulation nor to non-accumulation by way of dissociated condition. Postnascence - aggregates leading to neither accumulation nor to non-accumulation for this prenascent body... etc. (1)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to accumulation by way of dissociated condition. Prenascence - the sense-base is a condition for aggregates leading to accumulation by way of dissociated condition. (2)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to non-accumulation by way of dissociated condition. Prenascence - the sense-base is a condition for aggregates leading to non-accumulation by way of dissociated condition. (3)

Presence Condition and so on

65. A mental state leading to accumulation is a condition for a mental state leading to accumulation by way of presence condition - one aggregate leading to accumulation is a condition for three aggregates... etc. (1)

A mental state leading to accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of presence condition - conascence, postnascence. Conascence - aggregates leading to accumulation are a condition for consciousness-originated materiality by way of presence condition. Postnascence - aggregates leading to accumulation are a condition for this prenascent body by way of presence condition. (2)

A mental state leading to accumulation is a condition for a mental state leading to accumulation and for a mental state leading to neither accumulation nor to non-accumulation by way of presence condition - one aggregate leading to accumulation is a condition for three aggregates and for consciousness-originated materiality by way of presence condition... etc. two aggregates... etc. (3)

A mental state leading to non-accumulation... three (should be made by the method of leading to accumulation).

66. A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of presence condition - conascence, prenascence, postnascence, nutriment, faculty. Conascence - one aggregate leading to neither accumulation nor to non-accumulation is a condition for three aggregates and for consciousness-originated materiality by way of presence condition... etc. two aggregates... etc. at the moment of conception... etc. The aggregates are a condition for the sense-base by way of presence condition. The sense-base is a condition for the aggregates by way of presence condition. One primary element... etc. external... nutriment-originated, etc. temperature-originated... for non-percipient beings... etc. Prenascence - A Worthy One the eye... etc. sees with insight the sense-base as impermanent, as suffering, as

non-self; sees materiality with the divine eye; hears sound with the divine ear element; the visible form sense base for eye-consciousness... etc. the touch sense base for body-consciousness... etc. the eye sense base for eye-consciousness... etc. the body sense base for body-consciousness... etc. the sense-base is a condition for aggregates leading to neither accumulation nor to non-accumulation by way of presence condition. Postnascence - aggregates leading to neither accumulation nor to non-accumulation are a condition for this prenascent body by way of presence condition. Edible food for this body... etc. the material life faculty for kamma-born materiality... etc. (1)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to accumulation by way of presence condition. Prenascence - Learners or worldlings see with insight the eye as impermanent, as suffering, as non-self, enjoy it, delight in it; referring to that, lust... etc. displeasure arises, the ear... etc. the sense-base as impermanent... etc. they see with insight, enjoy, delight in; referring to that, lust... etc. displeasure arises; sees materiality with the divine eye; hears sound with the divine ear element; the sense-base is a condition for aggregates leading to accumulation by way of presence condition. (2)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to non-accumulation by way of presence condition. Prenascence - the sense-base is a condition for aggregates leading to non-accumulation by way of presence condition. (3)

67. Mental states leading to accumulation and leading to neither accumulation nor to non-accumulation are a condition for a mental state leading to accumulation by way of presence condition - consciousness, prenascent. Consciousness - one aggregate leading to accumulation and the sense-base are a condition for three aggregates by way of presence condition... etc. two aggregates... etc. (1)

Mental states leading to accumulation and leading to neither accumulation nor to non-accumulation are a condition for a mental state leading to neither accumulation nor to non-accumulation by way of presence condition - consciousness, postnascence, nutriment, faculty. Consciousness - aggregates leading to accumulation and the primary elements are a condition for consciousness-originated materiality by way of presence condition. Postnascence - aggregates leading to accumulation and edible food are a condition for this body by way of presence condition. Postnascence - aggregates leading to accumulation and the material life faculty are a condition for kamma-born materiality by way of presence condition. (2)

Mental states leading to non-accumulation and leading to neither accumulation nor to non-accumulation are a condition for a mental state leading to non-accumulation by way of presence condition (two should be made according to the method shown), by way of absence condition, by way of disappearance condition, by way of non-disappearance condition.

Negative Extraction

69. A mental state leading to accumulation is a condition for a mental state leading to accumulation by way of object condition... by way of conascence condition... by way of decisive support condition. (1)

A mental state leading to accumulation is a condition for a mental state leading to non-accumulation by way of decisive support condition. (2)

A mental state leading to accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of object condition... by way of conascence condition... by way of decisive support condition... by way of postnatal condition... by way of kamma condition. (3)

A mental state leading to accumulation is a condition for a mental state leading to accumulation and for a mental state leading to neither accumulation nor to non-accumulation by way of conascence condition. (4)

70. A mental state leading to non-accumulation is a condition for a mental state leading to non-accumulation by way of conascence condition... by way of decisive support condition. (1)

A mental state leading to non-accumulation is a condition for a mental state leading to accumulation by way of object condition... by way of decisive support condition. (2)

A mental state leading to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of object condition... by way of conascence condition... by way of decisive support condition... by way of postnatal condition. (3)

A mental state leading to non-accumulation is a condition for a mental state leading to non-accumulation and for a mental state leading to neither accumulation nor to non-accumulation by way of conascence condition. (4)

71. A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to neither accumulation nor to non-accumulation by way of object condition... by way of conascence condition... by way of decisive support condition... by way of prenatal condition... by way of postnatal condition... by way of nutriment condition... by way of faculty condition. (1)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to accumulation by way of object condition... by way of decisive support condition... by way of prenatal condition. (2)

A mental state leading to neither accumulation nor to non-accumulation is a condition for a mental state leading to non-accumulation by way of decisive support condition... by way of prenatal condition. (3)

72. Mental states leading to accumulation and leading to neither accumulation nor to non-accumulation are a condition for a mental state leading to accumulation by way of conascence, prenatal condition. (1)

Mental states leading to accumulation and leading to neither accumulation nor to non-accumulation are a condition for a mental state leading to neither accumulation nor to non-accumulation by way of conascence, postnascence, nutriment, faculty. (2)

Mental states leading to non-accumulation and leading to neither accumulation nor to non-accumulation are a condition for a mental state leading to non-accumulation by way of conascence, prenatal condition. (1)

Mental states leading to non-accumulation and leading to neither accumulation nor to non-accumulation are a condition for a mental state leading to neither accumulation nor to non-accumulation by way of conascence, postnascence, nutriment, faculty. (2)
