Root Condition

1. A trainee state arises dependent on a trainee state by root condition -dependent on one trainee aggregate, three aggregates arise... etc. two aggregates... etc. (1)

A state of neither trainee nor one beyond training arises dependent on a trainee state by root condition - dependent on trainee aggregates, consciousness-originated materiality arises. (2)

Trainee and neither trainee nor one beyond training states arise dependent on a trainee state by root condition - dependent on one trainee aggregate, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. (3)

2. A state of one beyond training arises dependent on a state of one beyond training by root condition - dependent on one aggregate of one beyond training, three aggregates arise... etc. (1)

A state of neither trainee nor one beyond training arises dependent on a state of one beyond training by root condition - dependent on aggregates of one beyond training, consciousness-originated materiality arises. (2)

States of one beyond training and neither trainee nor one beyond training arise dependent on a state of one beyond training... etc. dependent on one aggregate of one beyond training, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. (3)

3. A state of neither trainee nor one beyond training arises dependent on a state of neither trainee nor one beyond training by root condition - dependent on one aggregate of neither trainee nor one beyond training, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. at the moment of conception, etc. dependent on aggregates, the sense-base arises; dependent on the sense-base, aggregates arise; dependent on one primary element, three primary elements arise... etc. dependent on two primary elements, two primary elements arise; dependent on primary elements, consciousness-originated materiality, kamma-born materiality, and derivative materiality arise. (1)

A state of neither trainee nor one beyond training arises dependent on a trainee state and a state of neither trainee nor one beyond training by root condition - dependent on trainee aggregates and primary elements, consciousness-originated materiality

arises. (1)

A state of neither trainee nor one beyond training arises dependent on a state of one beyond training and a state of neither trainee nor one beyond training by root condition - dependent on aggregates of one beyond training and primary elements, consciousness-originated materiality arises. (1)

Object condition and so on

4. A trainee state arises dependent on a trainee state by object condition...By predominance condition (there is no conception)... By proximity condition? By contiguity condition... By conscence condition (all primary elements should be made)... By mutuality condition... By support condition... By decisive support condition... By prenatal condition? By repetition condition - dependent on one trainee aggregate, three aggregates arise... etc. two aggregates... etc.

A state of neither trainee nor one beyond training arises dependent on a state of neither trainee nor one beyond training by repetition condition - dependent on one aggregate of neither trainee nor one beyond training, three aggregates arise... etc. Two aggregates... etc. By kamma condition, by result condition - dependent on one resultant trainee aggregate, three aggregates arise... etc. two aggregates... etc. (three, should be completed in full).

A state of one beyond training arises dependent on a state of one beyond training by result condition - dependent on one aggregate of one beyond training... three.

A state of neither trainee nor one beyond training arises dependent on a state of neither trainee nor one beyond training by result condition - dependent on one resultant aggregate of neither trainee nor one beyond training, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. at the moment of conception... etc. dependent on aggregates, the sense-base arises; dependent on the sense-base, aggregates arise; dependent on one primary element... etc. (1)

A state of neither trainee nor one beyond training arises dependent on a trainee state and a state of neither trainee nor one beyond training by result condition - dependent on resultant trainee aggregates and primary elements, consciousness-originated materiality arises. (1)

A state of neither trainee nor one beyond training arises dependent on a state of one beyond training and a state of neither trainee nor one beyond training by result condition - dependent on aggregates of one beyond training and primary elements, consciousness-originated materiality arises. (1)

Nutriments condition and so on

5. A trainee state arises dependent on a trainee state by nutriment condition...By faculty condition... By condition of meditative absorption? By path condition... By association condition... By dissociation condition? By presence condition? By absence condition? By disappearance condition... By non-disappearance condition.

Non-root Condition

7. A state of neither trainee nor one beyond training arises dependent on a state of neither trainee nor one beyond training by non-root condition - dependent on one rootless aggregate of neither trainee nor one beyond training, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. at the rootless rebirth moment, etc. dependent on aggregates, the sense-base arises; dependent on the sense-base, aggregates arise; dependent on one primary element... etc. external... nutriment-originated, etc. temperature-originated... for non-percipient beings, one primary element... etc. dependent on aggregates accompanied by sceptical doubt and accompanied by restlessness, delusion accompanied by sceptical doubt and accompanied by restlessness arises. (1)

Non-object condition

8. A state of neither trainee nor one beyond training arises dependent on a trainee state by non-object condition - dependent on trainee aggregates, consciousness-originated materiality arises. (1)

A state of neither trainee nor one beyond training arises dependent on a state of one beyond training by non-object condition - dependent on aggregates of one beyond training, consciousness-originated materiality arises. (1)

A state of neither trainee nor one beyond training arises dependent on a state of neither trainee nor one beyond training by non-object condition - dependent on aggregates of neither trainee nor one beyond training, consciousness-originated materiality arises... etc. at the moment of conception... etc. dependent on aggregates, the sense-base arises... etc. one primary element... etc. for non-percipient beings... etc. (1)

A state of neither trainee nor one beyond training arises dependent on a trainee state and a state of neither trainee nor one beyond training by non-object condition - dependent on trainee aggregates and primary elements, consciousness-originated materiality arises. (1)

A state of neither trainee nor one beyond training arises dependent on a state of one beyond training and a state of neither trainee nor one beyond training by non-object condition - dependent on aggregates of one beyond training and primary elements, consciousness-originated materiality arises. (1)

Non-predominance Condition and so on

9. A trainee state arises dependent on a trainee state by non-predominance condition - dependent on trainee aggregates, trainee predominance arises. (1)

A state of one beyond training arises dependent on a state of one beyond training by non-predominance condition - dependent on aggregates of one beyond training, predominance of one beyond training arises. (1)

A state of neither trainee nor one beyond training arises dependent on a state of neither trainee nor one beyond training by non-predominance condition... (complete in full, conception and primary elements, all) By non-proximity condition... by non-contiguity condition... by non-mutuality condition... By non-decisive support condition? By non-prenascence condition? seven (similar to the triad of wholesome)... By non-postnascence condition... etc. By non-repetition condition. Dependent on one resultant trainee aggregate, three aggregates arise... etc. two aggregates... etc. (1)

10. A state of neither trainee nor one beyond training arises dependent on a trainee state by non-repetition condition - dependent on trainee aggregates, consciousness-originated materiality arises. (2)

Trainee and neither trainee nor one beyond training states arise dependent on a trainee state by non-repetition condition - dependent on one resultant trainee aggregate, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. (3)

A state of one beyond training arises dependent on a state of one beyond training... three.

A state of neither trainee nor one beyond training arises dependent on a state of neither trainee nor one beyond training by non-repetition condition... neither trainee nor one beyond training (one, complete, trainee and neither trainee nor one beyond training, combination complete, two also should be made. Nine) by non-kamma condition - dependent on trainee aggregates, trainee volition arises.

A state of neither trainee nor one beyond training arises dependent on a state of neither trainee nor one beyond training by non-kamma condition - dependent on aggregates of neither trainee nor one beyond training, volition of neither trainee nor one beyond training arises; external... nutriment-originated, etc. temperature-originated... one primary element... etc.

Non-result condition

11. A trainee state arises dependent on a trainee state by non-resultant condition - dependent on one trainee aggregate, three aggregates arise... etc. (1)

A state of neither trainee nor one beyond training arises dependent on a trainee state by non-resultant condition - dependent on trainee aggregates, consciousness-originated materiality arises. (2)

Trainee and neither trainee nor one beyond training states arise dependent on a trainee state by non-resultant condition - dependent on one trainee aggregate, three aggregates and consciousness-originated materiality arise... etc. (3)

12. A state of neither trainee nor one beyond training arises dependent on a state of neither trainee nor one beyond training by non-resultant condition (should be completed in full, there is no conception).

A state of neither trainee nor one beyond training arises dependent on a trainee state and a state of neither trainee nor one beyond training by non-resultant condition - dependent on trainee aggregates and primary elements, consciousness-originated materiality arises. (1)

Non-nutriments condition, etc.

13. A state of neither trainee nor one beyond training arises dependent on a state of neither trainee nor one beyond training by non-nutriments condition... By non-faculty condition? By non-condition of meditative absorption? By non-path condition.

Not associated condition

14. A state of neither trainee nor one beyond training arises dependent on a trainee state by not associated condition... etc. (Similar to non-object condition).

Non-dissociation Condition, etc.

A trainee state arises dependent on a trainee state by not dissociated condition. In the immaterial-sphere of existence, dependent on one trainee aggregate, three aggregates arise... etc. (1)

A state of one beyond training arises dependent on a state of one beyond training by not dissociated condition - in the immaterial-sphere of existence, dependent on one aggregate of one beyond training, three aggregates arise... etc. (1)

A state of neither trainee nor one beyond training arises dependent on a state of neither trainee nor one beyond training by not dissociated condition - in the immaterial-sphere of existence, dependent on one aggregate of neither trainee nor one beyond training, three aggregates arise... etc. external... nutriment-originated, etc. temperature-originated... for non-percipient beings... etc. By non-absence condition? By non-disappearance condition.

Nibbāna is a condition by way of object condition for change-of-lineage, for cleansing, for adverting. Noble ones review the abandoned defilements, they review the suppressed defilements, they know the defilements previously indulged in; they see with insight the eye as impermanent, as suffering, as non-self,

enjoy it, delight in it; referring to that, lust arises... etc. displeasure arises, the ear... etc. the sense-base, the aggregates of neither trainee nor one beyond training, they see with insight as impermanent, as suffering, as non-self, enjoy them... etc. displeasure arises; sees materiality with the divine eye; hears sound with the divine ear element; with the knowledge of others' mental states knows the consciousness of one possessing consciousness of neither trainee nor one beyond training; the plane of infinite space is a condition for the plane of infinite consciousness... etc. the plane of nothingness is a condition by way of object condition for the plane of neither-perception-nor-non-perception. The visible form sense base is a condition by way of object condition for eye-consciousness... etc. the touch sense base for body-consciousness... etc. aggregates of neither trainee nor one beyond training are a condition by way of object condition for the knowledge of various kinds of supernormal power, for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of rebirth according to beings' actions, for the knowledge of future events, for adverting. (1)

A state of neither trainee nor one beyond training is a condition for a trainee state by way of object condition - Nibbāna is a condition by way of object condition for the path, for trainee fruition. (2)

A state of neither trainee nor one beyond training is a condition for a state of one beyond training by way of object condition - Nibbāna is a condition by way of object condition for fruition of one beyond training. (3)

Predominance condition

45. A trainee state is a condition for a trainee state by way of predominance condition. Connascent predominance - trainee predominance is a condition by way of predominance condition for associated aggregates. (1)

A trainee state is a condition for a state of neither trainee nor one beyond training by way of predominance condition. Object predominance, connascent predominance. Object predominance - Noble ones, having emerged from the path, having given weight to the path, review; having given weight to trainee fruition, review. Connascent predominance - trainee predominance is a condition by way of predominance condition for consciousness-originated materiality. (2)

A trainee state is a condition for a trainee state and for a state of neither trainee nor one beyond training by way of predominance condition. Connascent predominance - trainee predominance is a condition by way of predominance condition for associated aggregates and for consciousness-originated materiality. (3)

46. A state of one beyond training is a condition for a state of one beyond training by way of predominance condition. Connascent predominance - predominance of one beyond training is a condition by way of predominance condition for associated aggregates. (1)

A state of one beyond training is a condition for a state of neither trainee nor one beyond training by way of predominance condition - object predominance, connascent predominance. Object predominance - a Worthy One, having given weight to fruition of one beyond training, reviews. Connascent predominance - predominance of one beyond training is a condition by way of predominance condition for

consciousness-originated materiality. (2)

A state of one beyond training is a condition for a state of one beyond training and for a state of neither trainee nor one beyond training by way of predominance condition. Connascent predominance - predominance of one beyond training is a condition by way of predominance condition for associated aggregates and for consciousness-originated materiality. (3)

47. A state of neither trainee nor one beyond training is a condition for a state of neither trainee nor one beyond training by way of predominance condition - object predominance, connascent predominance. Object predominance - having given a gift, having taken upon oneself morality, having performed the Observance practice, having given weight to that, one reviews; having given weight to what was well practised before, one reviews; having emerged from meditative absorption, having given weight to the meditative absorption, one reviews; noble ones, having given weight to Nibbāna, review; Nibbāna is a condition by way of predominance condition for change-of-lineage, for cleansing. Having given weight to the eye, one enjoys it, delights in it; having given weight to that, lust arises, wrong view arises. The ear... etc. the sense-base, having given weight to the aggregates of neither trainee nor one beyond training, one enjoys them, delights in them; having given weight to that, lust arises, wrong view arises. Connascent predominance - predominance of neither trainee nor one beyond training is a condition by way of predominance condition for associated aggregates and for consciousness-originated materiality. (1)

A state of neither trainee nor one beyond training is a condition for a trainee state by way of predominance condition. Object predominance - Nibbāna is a condition by way of predominance condition for the path, for trainee fruition. (2)

A state of neither trainee nor one beyond training is a condition for a state of one beyond training by way of predominance condition. Object predominance - Nibbāna is a condition by way of predominance condition for fruition of one beyond training. (3)

Proximity condition

48. A trainee state is a condition for a trainee state by way of proximity condition - the former and former trainee aggregates are a condition by way of proximity condition for the latter and latter trainee aggregates. The path for trainee fruition, etc. trainee fruition is a condition by way of proximity condition for trainee fruition.(1)

A trainee state is a condition for a state of one beyond training by way of proximity condition - the path is a condition by way of proximity condition for the fruition of one beyond training. (2)

A trainee state is a condition for a state of neither trainee nor one beyond training by way of proximity condition - trainee fruition is a condition by way of proximity condition for emergence. (3)

49. A state of one beyond training is a condition for a state of one beyond training by way of proximity condition - the former and former aggregates of one beyond training are a condition by way of proximity condition for the latter and latter aggregates of one beyond training. Fruition of one beyond training is a condition by way of proximity condition for fruition of one beyond training. (1)

A state of one beyond training is a condition for a state of neither trainee nor one beyond training by way of proximity condition - fruition of one beyond training is a condition by way of proximity condition for emergence. (2)

50. A state of neither trainee nor one beyond training is a condition for a state of neither trainee nor one beyond training by way of proximity condition - the former and former aggregates of neither trainee nor one beyond training are a condition for the latter and latter aggregates of neither trainee nor one beyond training... etc. Conformity for change-of-lineage, etc. conformity for cleansing, etc. adverting is a condition by way of proximity condition for aggregates of neither trainee nor one beyond training. (1)

A state of neither trainee nor one beyond training is a condition for a trainee state by way of proximity condition - change-of-lineage for the path, etc. cleansing for the path, etc. conformity for a learner's fruition attainment, etc. for one emerging from cessation, the wholesome of the plane of neither-perception-nor-non-perception is a condition by way of proximity condition for a trainee's fruition attainment. (2)

A state of neither trainee nor one beyond training is a condition for a state of one beyond training by way of proximity condition - conformity for a fruition attainment of one beyond training, etc. for one emerging from cessation, the functional of the plane of neither-perception-nor-non-perception is a condition by way of proximity condition for a fruition attainment of one beyond training. (3)

Contiguity condition

51. A trainee state is a condition for a trainee state by way of contiguity condition, etc. (Similar to proximity, eight questions.)

Conascence Condition and so on

52. A trainee state is a condition for a trainee state by way of conascence condition... etc. (Similar to conascence in the section on the dependent, nine questions) by way of mutuality condition (similar to mutuality in the section on the dependent, three. In the support condition, similar to the support condition in the triad of wholesome, thirteen questions).

Decisive support condition

53. A trainee state is a condition for a trainee state by way of decisive support condition - proximity decisive support, natural decisive support, etc. Natural decisive support - The first path is a condition for the second path by way of decisive support condition. The second path is a condition by way of decisive support condition for the third path. The third path is a condition by way of decisive support condition for the fourth path. The path is a condition for a trainee's fruition attainment by way of decisive support condition. (1)

A trainee state is a condition for a state of one beyond training by way of decisive support condition - proximity decisive support, natural decisive support, etc. Natural decisive support - The path is a condition for fruition attainment of one beyond training by way of decisive support condition. (2)

A trainee state is a condition for a state of neither trainee nor one beyond training by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - Noble ones, in dependence on the path, produce unarisen wholesome attainment, attain arisen attainment, see with insight activities as impermanent, etc. The path is a condition for noble ones' analytical knowledge of meaning, etc. analytical knowledge of discernment, for skill in the possible and impossible by way of decisive support condition. A trainee's fruition attainment is a condition for bodily pleasure by way of decisive support condition. (3)

54. A state of one beyond training is a condition for a state of one beyond training by way of decisive support condition. Proximity decisive support - the former and former aggregates of one beyond training are a condition for the latter and latter aggregates of one beyond training... etc. Fruition of one beyond training is a condition for fruition of one beyond training by way of decisive support condition. (1)

A state of one beyond training is a condition for a state of neither trainee nor one beyond training by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - fruition attainment of one beyond training is a condition for bodily pleasure by way of decisive support condition. (2)

55. A state of neither trainee nor one beyond training is a condition for a state of neither trainee nor one beyond training by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith of neither trainee nor one beyond training one gives a gift. Morality, etc. the Observance practice... etc. thus meditative absorption... etc. insight, etc. direct knowledge, etc. produces attainment, mutters conceit, takes wrong view. Morality of neither trainee nor one beyond training, etc. wisdom... lust, etc. longing... bodily pleasure, etc. climate, etc. food, etc. in dependence on lodging one gives a gift, morality, etc. produces attainment, kills a living being, etc. breaks the monastic community. Faith of neither trainee nor one beyond training, etc. wisdom, lust, etc. longing, bodily pleasure, etc. lodging is a condition for faith of neither trainee nor one beyond training, etc. for wisdom, for lust, etc. for longing, for bodily pleasure, for bodily pain by way of decisive support condition. The preliminary work for the first meditative absorption is a condition by way of decisive support condition for the first meditative absorption, etc. the preliminary work for the plane of neither-perception-nor-non-perception is a condition for the plane of neither-perception-nor-non-perception, etc. The first meditative absorption is a condition by way of decisive support condition for the second meditative absorption, etc. The plane of nothingness is a condition by way of decisive support condition for the plane of neither-perception-nor-non-perception. (1)

A state of neither trainee nor one beyond training is a condition for a trainee state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - the preliminary work for the first path is a condition for the first path by way of decisive support condition, etc. The preliminary work for the fourth path is a condition by way of decisive support condition for the fourth path. (2)

A state of neither trainee nor one beyond training is a condition for a state of one beyond training by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - bodily pleasure, etc. bodily pain, etc. climate, etc. food, etc. lodging is a condition for fruition attainment of one beyond training by way of decisive support condition. (3)

Prenascence condition

56. A state of neither trainee nor one beyond training is a condition for a state of neither trainee nor one beyond training by way of prenascent condition - object prenascent, sense-organ prenascent. Object prenascent - one sees with insight the eye as impermanent... etc. enjoys them, delights in them; referring to that, lust arises... etc. Displeasure arises. The ear... etc. one sees with insight the sense-base as impermanent, as suffering, as non-self... etc. displeasure arises; sees materiality with the divine eye; hears sound with the divine ear element; the visible form sense base for eye-consciousness... etc. The touch sense base is a condition for body-consciousness by way of prenascent condition. Sense-organ prenascent - the eye sense base for eye-consciousness... etc. the body sense base for body-consciousness, the sense-base is a condition for aggregates of neither trainee nor one beyond training by way of prenascent condition. (1)

A state of neither trainee nor one beyond training is a condition for a trainee state by way of prenascent condition. Sense-organ prenascent - the sense-base is a condition for trainee aggregates by way of prenascent condition. (2)

A state of neither trainee nor one beyond training is a condition for a state of one beyond training by way of prenascent condition. Sense-organ prenascent - the sense-base is a condition for aggregates of one beyond training by way of prenascent condition. (3)

Postnascent condition

57. A trainee state is a condition for a state of neither trainee nor one beyond training by way of postnascent condition - postnascent trainee aggregates are a condition for this prenascent body by way of postnascent condition. (1)

A state of one beyond training is a condition for a state of neither trainee nor one beyond training by way of postnascent condition - postnascent aggregates of one beyond training are a condition for this prenascent body by way of postnascent condition. (1)

A state of neither trainee nor one beyond training is a condition for a state of neither trainee nor one beyond training by way of postnascent condition - postnascent aggregates of neither trainee nor one beyond training are a condition for this prenascent body by way of postnascent condition. (1)

Repetition condition

58. A state of neither trainee nor one beyond training is a condition for a state of neither trainee nor one beyond training by way of repetition condition - the former and former aggregates of neither trainee nor one beyond training are a condition by

way of repetition condition for the latter and latter aggregates of neither trainee nor one beyond training. Conformity for change-of-lineage, etc. conformity is a condition by way of repetition condition for cleansing. (1)

A state of neither trainee nor one beyond training is a condition for a trainee state by way of repetition condition - change-of-lineage for the path, etc. cleansing is a condition by way of repetition condition for the path. (2)

Kamma condition

59. A trainee state is a condition for a trainee state by way of kamma condition - conascence, asynchronous. Conascence - trainee volition is a condition by way of kamma condition for associated aggregates. Asynchronous - trainee volition is a condition by way of kamma condition for resultant trainee aggregates. (1)

A trainee state is a condition for a state of one beyond training by way of kamma condition. Asynchronous - trainee volition is a condition by way of kamma condition for aggregates of one beyond training. (2)

A trainee state is a condition for a state of neither trainee nor one beyond training by way of kamma condition. Conascence - trainee volition is a condition by way of kamma condition for consciousness-originated materiality. (3)

A trainee state is a condition for a trainee state and for a state of neither trainee nor one beyond training by way of kamma condition - trainee volition is a condition by way of kamma condition for associated aggregates and for consciousness-originated materiality. (4)

60. A state of one beyond training is a condition for a state of one beyond training by way of kamma condition - volition of one beyond training is a condition by way of kamma condition for associated aggregates. (1)

A state of one beyond training is a condition for a state of neither trainee nor one beyond training by way of kamma condition - volition of one beyond training is a condition by way of kamma condition for consciousness-originated materiality. (2)

A state of one beyond training is a condition for a state of one beyond training and for a state of neither trainee nor one beyond training by way of kamma condition - volition of one beyond training is a condition by way of kamma condition for associated aggregates and for consciousness-originated materiality. (3)

61. A state of neither trainee nor one beyond training is a condition for a state of neither trainee nor one beyond training by way of kamma condition - conascence, asynchronous. Conascence - volition of neither trainee nor one beyond training is a condition by way of kamma condition for associated aggregates and for consciousness-originated materiality. At the moment of conception... etc. Asynchronous - volition of neither trainee nor one beyond training is a condition by way of kamma condition for resultant aggregates of neither trainee nor one beyond training and for kamma-born materiality. (1)

Result condition

62. A trainee state is a condition for a trainee state by way of result condition -one resultant trainee aggregate is a condition for three aggregates... etc. (three with trainee as root).

A state of one beyond training is a condition for a state of one beyond training by way of result condition - one aggregate of one beyond training is a condition for three aggregates... etc. (three with one beyond training as root).

A state of neither trainee nor one beyond training is a condition for a state of neither trainee nor one beyond training by way of result condition - one resultant aggregate of neither trainee nor one beyond training is a condition for three aggregates... etc. at the moment of conception... etc. the aggregates are a condition for the sense-base by way of result condition. (1)

Nutriment condition and so on

63. A trainee state is a condition for a trainee state by way of nutriment condition... by way of faculty condition... by way of condition of meditative absorption... by way of path condition... It is a condition by way of associated condition, etc.

Dissociation condition

64. A trainee state is a condition for a state of neither trainee nor one beyond training by way of dissociated condition - conascence, postnascence. Conascence - trainee aggregates are a condition for consciousness-originated materiality by way of dissociated condition. Postnascence - trainee aggregates are a condition for this prenascent body by way of dissociated condition (1).

A state of one beyond training is a condition for a state of neither trainee nor one beyond training by way of dissociated condition - conascence, postnascence (similar to trainee).

A state of neither trainee nor one beyond training is a condition for a state of neither trainee nor one beyond training by way of dissociated condition - conascence, prenascence, postnascence. Conascence - aggregates of neither trainee nor one beyond training are a condition for consciousness-originated materiality by way of dissociated condition. At the moment of conception, aggregates of neither trainee nor one beyond training are a condition for kamma-born materiality by way of dissociated condition. The aggregates are a condition for the sense-base by way of dissociated condition. The sense-base is a condition for the aggregates by way of dissociated condition. Prenascence - the eye sense base for eye-consciousness... etc. the body sense base for body-consciousness, the sense-base is a condition for aggregates of neither trainee nor one beyond training by way of dissociated condition. Postnascence - aggregates of neither trainee nor one beyond training are a condition for this prenascent body by way of dissociated condition. (1)

A state of neither trainee nor one beyond training is a condition for a trainee state by way of dissociated condition. Prenascence - the sense-base is a condition for trainee aggregates by way of dissociated condition. (2)

A state of neither trainee nor one beyond training is a condition for a state of one beyond training by way of dissociated condition. Prenascence - the sense-base is a condition for aggregates of one beyond training by way of dissociated condition. (3)

Presence condition

65. A trainee state is a condition for a trainee state by way of presence condition - one trainee aggregate is a condition for three aggregates... etc. (1)

A trainee state is a condition for a state of neither trainee nor one beyond training by way of presence condition - conascence, postnascence. Conascence - trainee aggregates are a condition for consciousness-originated materiality by way of presence condition. Postnascence - trainee aggregates are a condition for this prenascent body by way of presence condition. (2)

A trainee state is a condition for a trainee state and for a state of neither trainee nor one beyond training by way of presence condition - one trainee aggregate is a condition for three aggregates and for consciousness-originated materiality by way of presence condition... etc. two aggregates... etc. (3)

A state of one beyond training is a condition for a state of one beyond training by way of presence condition... etc. three (similar to trainee).

66. A state of neither trainee nor one beyond training is a condition for a state of neither trainee nor one beyond training by way of presence condition - conascence, prenascence, postnascence, nutriment, faculty. Conascence - one aggregate of neither trainee nor one beyond training is a condition for three aggregates and for consciousness-originated materiality by way of presence condition... etc. two aggregates... etc. at the moment of conception... etc. The aggregates are a condition for the sense-base by way of presence condition. The sense-base is a condition for the aggregates by way of presence condition, one primary element... etc. external... etc. for non-percipient beings... etc. Prenascence - one sees with insight the eye as impermanent, as suffering, as non-self; enjoys it, delights in it; referring to that, lust arises... etc. Displeasure arises. The ear... etc. the sense-base as impermanent... etc. sees with insight; sees materiality with the divine eye; hears sound with the divine ear element; the visible form sense base for eye-consciousness... etc. the touch sense base for body-consciousness... etc. the eye sense base for eye-consciousness... etc. the body sense base for body-consciousness... the sense-base is a condition for aggregates of neither trainee nor one beyond training by way of presence condition. Postnascence - aggregates of neither trainee nor one beyond training are a condition for this prenascent body by way of presence condition. Edible food is a condition for this body by way of presence condition. The material life faculty is a condition for kamma-born materiality by way of presence condition. (1)

A state of neither trainee nor one beyond training is a condition for a trainee state by way of presence condition. Prenascence - the sense-base is a condition for trainee aggregates by way of presence condition. (2)

A state of neither trainee nor one beyond training is a condition for a state of one beyond training by way of presence condition. Prenascence - the sense-base is a condition for aggregates of one beyond training by way of presence condition. (3)

67. Trainee and neither trainee nor one beyond training states are a condition for a trainee state by way of presence condition - conascence, prenascent. Conascence - one trainee aggregate and the sense-base are a condition for three aggregates by way of presence condition... etc. two aggregates... etc. (1)

Trainee and neither trainee nor one beyond training states are a condition for a state of neither trainee nor one beyond training by way of presence condition - conascence, postnascence, nutriment, faculty. Conascence - trainee aggregates and the primary elements are a condition for consciousness-originated materiality by way of presence condition. Postnascence - trainee aggregates and edible food are a condition for this body by way of presence condition. Postnascence - trainee aggregates and the material life faculty are a condition for kamma-born materiality by way of presence condition. (2)

A state of one beyond training and neither trainee nor one beyond training states are a condition for a state of one beyond training by way of presence condition... etc. (two questions should be made, similar to trainee).

1. Positive Condition

2. Section on Enumeration

68. By way of root seven, by way of object five, by way of predominance nine, by way of proximity eight, by way of contiguity eight, by way of conascence nine, by way of mutuality three, by way of support thirteen, by way of decisive support eight, by way of prenascent three, by way of postnascence three, by way of repetition two, by way of action eight, by way of result, by way of nutriment, by way of faculty, by way of meditative absorption, by way of path seven, by way of association three, by way of dissociation five, by way of presence thirteen, by way of absence eight, by way of disappearance eight, by way of non-disappearance thirteen (so it should be counted).

Positive.

2. Negative Extraction

69. A trainee state is a condition for a trainee state by way of conascence condition... by way of decisive support condition. (1)

A trainee state is a condition for a state of one beyond training by way of decisive support condition. (2)

A trainee state is a condition for a state of neither trainee nor one beyond training by way of object condition... by way of conascence condition... by way of decisive support condition... by way of postnascence condition. (3)

A trainee state is a condition for a trainee state and for a state of neither trainee nor one beyond training by way of conascence condition. (4)

70. A state of one beyond training is a condition for a state of one beyond training by way of conascence condition... by way of decisive support condition. (1)

A state of one beyond training is a condition for a state of neither trainee nor one beyond training by way of object condition... by way of conascence condition... by way of decisive support condition... by way of postnascence condition. (2)

A state of one beyond training is a condition for a state of one beyond training and for a state of neither trainee nor one beyond training by way of conascence condition. (3)

71. A state of neither trainee nor one beyond training is a condition for a state of neither trainee nor one beyond training by way of object condition... by way of conascence condition... by way of decisive support condition... by way of prenascent condition... by way of postnascent condition... by way of kamma condition... by way of nutriment condition... by way of faculty condition. (1)

A state of neither trainee nor one beyond training is a condition for a trainee state by way of decisive support condition... by way of prenascent condition. (2)

A state of neither trainee nor one beyond training is a condition for a state of one beyond training by way of decisive support condition... by way of prenascent condition. (3)

72. Trainee and neither trainee nor one beyond training states are a condition for a trainee state by way of conascence, prenascent. (1)

Trainee and neither trainee nor one beyond training states are a condition for a state of neither trainee nor one beyond training by way of conascence, postnascent, nutriment, faculty. (2)

A state of one beyond training and neither trainee nor one beyond training states are a condition for a state of one beyond training by way of conascence, prenascent. (1)

A state of one beyond training and neither trainee nor one beyond training states are a condition for a state of neither trainee nor one beyond training by way of conascence, postnascent, nutriment, faculty. (2)

2. Negative Condition

2. Section on Enumeration

73. By way of non-root fourteen, by way of non-object, by way of non-predominance, by way of non-proximity, by way of non-contiguity fourteen, by way of non-conascence ten, by way of non-mutuality ten, by way of non-support ten, by way of non-decisive support thirteen, by way of non-prenascent twelve, by way of non-postnascent fourteen, by way of non-repetition, by way of non-kamma fourteen, by way of non-resultant twelve, by way of non-nutriment, by way of non-faculty, by way of non-meditative absorption, by way of non-path fourteen, by way of the not associated ten, by way of the not dissociated eight, by way of non-presence eight, by way of non-absence fourteen, by way of non-disappearance fourteen, by way of non-non-disappearance eight (thus it should be counted).

Negative.

3. Positive-Negative Condition

Root dyad

74. By root condition: by way of non-object seven, by way of non-predominance seven, by way of non-proximity seven, by way of non-contiguity seven, by way of non-mutuality three, by way of non-decisive support, by way of non-prenascent, by

way of non-postnascence, by way of non-repetition, by way of non-kamma seven, by way of non-resultant four, by way of non-nutriments, by way of non-faculty, by way of non-meditative absorption, by way of non-path seven, by way of the not associated three, by way of the not dissociated three, by way of non-absence seven, by way of non-disappearance seven (so it should be counted).

Positive-negative.

4. Negative-Positive Condition

Non-root dyad

75. By way of non-root condition, by way of object five, by way of predominance nine, by way of proximity eight, by way of contiguity eight, by way of conscence nine, by way of mutuality three, by way of support thirteen, by way of decisive support eight, by way of pre-nascence three, by way of postnascence three, by way of repetition two, by way of action eight, by way of result, by way of nutriment, by way of faculty, by way of meditative absorption, by way of path seven, by way of association three, by way of dissociation five, by way of presence thirteen, by way of absence eight, by way of disappearance eight, by way of non-disappearance thirteen (so it should be counted).

Negative-positive.
