1. Section on the Dependent

1. Positive Condition

1. Section on Analysis

Root Condition

1. A mental defilement state arises dependent on a mental defilement state by root condition - dependent on greed, delusion, wrong view, sloth, restlessness, shamelessness and moral fearlessness arise; dependent on greed, delusion, wrong view, restlessness, shamelessness and moral fearlessness arise; dependent on greed, delusion, conceit, sloth, restlessness, shamelessness and moral fearlessness arise; dependent on greed, delusion, conceit, restlessness, shamelessness and moral fearlessness arise; dependent on greed, delusion, sloth, restlessness, shamelessness and moral fearlessness arise; dependent on greed, delusion, restlessness, shamelessness and moral fearlessness arise; dependent on hate, delusion, sloth, restlessness, shamelessness and moral fearlessness arise; dependent on hate, delusion, restlessness, shamelessness and moral fearlessness arise; dependent on sceptical doubt, delusion, restlessness, shamelessness and moral fearlessness arise; dependent on restlessness, delusion, shamelessness and moral fearlessness arise. (1)

A non-mental defilement state arises dependent on a mental defilement state by root condition - dependent on mental defilement, associated aggregates and consciousness-originated materiality arise. (2)

Mental defilement and non-mental defilement states arise dependent on a mental defilement state by root condition - dependent on greed, delusion, wrong view, sloth, restlessness, shamelessness and moral fearlessness and associated aggregates and consciousness-originated materiality arise (wheel). (3)

2. A non-mental defilement state arises dependent on a non-mental defilement state by root condition - dependent on one non-mental defilement aggregate, three aggregates and consciousness-originated materiality arise... etc. two aggregates...

etc. at the moment of conception... etc. dependent on aggregates, the sense-base arises; dependent on the sense-base, aggregates arise; dependent on one primary element... etc. (1)

A mental defilement state arises dependent on a non-mental defilement state by root condition - dependent on non-mental defilement aggregates, mental defilements arise. (2)

Mental defilement and non-mental defilement states arise dependent on a non-mental defilement state by root condition - dependent on one non-mental defilement aggregate, three aggregates and mental defilements and consciousness-originated materiality arise... etc. two aggregates... etc. (3)

3. A mental defilement state arises dependent on a mental defilement and non-mental defilement state by root condition - dependent on greed and associated aggregates, delusion, wrong view, sloth, restlessness, shamelessness and moral fearlessness arise (wheel). (1)

A non-mental defilement state arises dependent on a mental defilement and non-mental defilement state by root condition - dependent on one non-mental defilement aggregate and mental defilements, three aggregates and consciousness-originated materiality arise... etc. and two aggregates... etc. dependent on mental defilements and primary elements, consciousness-originated materiality arises. (2)

Mental defilement and non-mental defilement states arise dependent on a mental defilement and non-mental defilement state by root condition - dependent on one non-mental defilement aggregate and greed, three aggregates and delusion, wrong view, sloth, restlessness, shamelessness, moral fearlessness and consciousness-originated materiality arise... etc. and two aggregates... etc. (wheel, abbreviated). (3)

1. Positive Condition

2. Section on Enumeration

4. By way of root nine, by way of object nine, by way of predominance nine, by way of proximity nine, by way of contiguity nine (everywhere nine), by way of result one... etc. by way of non-disappearance nine.

2. Negative Condition

1. Section on Analysis

Non-root Condition

5. A mental defilement state arises dependent on a mental defilement state by non-root condition - dependent on sceptical doubt, delusion arises; dependent on restlessness, delusion arises. (1)

A non-mental defilement state arises dependent on a non-mental defilement state by non-root condition - dependent on one rootless non-mental defilement aggregate, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. at the rootless rebirth moment, etc. (up to non-percipient beings). (1)

A mental defilement state arises dependent on a non-mental defilement state by non-root condition - dependent on aggregates accompanied by sceptical doubt and accompanied by restlessness, delusion accompanied by sceptical doubt and accompanied by restlessness arises. (2)

A mental defilement state arises dependent on a mental defilement and non-mental defilement state by non-root condition - dependent on aggregates accompanied by sceptical doubt and sceptical doubt, delusion accompanied by sceptical doubt arises; dependent on aggregates accompanied by restlessness and restlessness, delusion accompanied by restlessness arises. (1)

Non-object Condition, etc.

6. A non-mental defilement state arises dependent on a mental defilement state by non-object condition - dependent on mental defilements, consciousness-originated materiality arises. (1)

A non-mental defilement state arises dependent on a non-mental defilement state by non-object condition - dependent on non-mental defilement aggregates, consciousness-originated materiality arises; at the moment of conception... etc. dependent on aggregates, the sense-base arises (up to non-percipient beings).(1)

A non-mental defilement state arises dependent on a mental defilement and non-mental defilement state by non-object condition - dependent on mental defilements and associated aggregates, consciousness-originated materiality arises; dependent on mental defilements and primary elements, consciousness-originated materiality arises. (1)

By non-predominance condition? By non-proximity condition... by non-contiguity condition... by non-mutuality condition... By non-decisive support condition.

Non-prenascence Condition and so on

7. A mental defilement state arises dependent on a mental defilement state by non-prenascence condition - in the immaterial-sphere of existence, dependent on greed, delusion, wrong view, sloth, restlessness, shamelessness and moral fearlessness arise; dependent on greed, delusion, wrong view, restlessness, shamelessness and moral fearlessness arise; dependent on greed, delusion, conceit, sloth, restlessness, shamelessness and moral fearlessness arise; dependent on greed, delusion, conceit, restlessness, shamelessness and moral fearlessness arise; dependent on greed, delusion, sloth, restlessness, shamelessness and moral fearlessness arise; dependent on greed, delusion, restlessness, shamelessness and moral fearlessness arise; dependent on sceptical doubt, delusion, restlessness, shamelessness and moral fearlessness arise; dependent on restlessness, delusion, shamelessness and moral fearlessness arise (in the immaterial-sphere of existence there is not hate-rooted). (1)

A non-mental defilement state arises dependent on a mental defilement state by non-prenascence condition - in the immaterial-sphere of existence, dependent on mental defilements, associated aggregates arise; dependent on mental defilements, consciousness-originated materiality arises (thus nine questions should be made), by non-postnascence condition, by non-repetition condition.

Non-kamma condition

8. A non-mental defilement state arises dependent on a mental defilement state by non-kamma condition - dependent on mental defilements, associated volition arises. (1)

A non-mental defilement state arises dependent on a non-mental defilement state by non-kamma condition - dependent on non-mental defilement aggregates, associated volition arises; external... nutriment-originated, etc. temperature-originated... etc. (1)

A non-mental defilement state arises dependent on a mental defilement and non-mental defilement state by non-kamma condition - dependent on mental defilements and associated aggregates, associated volition arises. (1) (Thus all conditions should be done.)

2. Negative Condition

2. Section on Enumeration

Pure

9. By way of non-root four, by way of non-object three, by way of non-predominance nine, by way of non-proximity three, by way of non-contiguity three, by way of non-mutuality three, by way of non-decisive support three, by way of non-prenascence nine, by way of non-postnascence nine, by way of non-repetition nine, by way of non-kamma three, by way of non-resultant nine, by way of non-nutriment one, by way of non-faculty one, by way of non-meditative absorption one, by way of non-path one, by way of the not associated three, by way of the not dissociated nine, by way of non-absence three, by way of non-disappearance three.

2. The Section on the Conascence

(Thus the other two countings and also the section on the conascence should be done.)

3. Section on the Conditions

1. Positive Condition

1. Section on Analysis

Root Condition

10. A mental defilement state arises conditioned by a mental defilement state by root condition... three (similar to dependent on).

A non-mental defilement state arises conditioned by a non-mental defilement state by root condition - conditioned by one non-mental defilement aggregate, three aggregates arise... etc. (up to internal primary elements) conditioned by the sense-base, non-mental defilement aggregates arise. (1)

A mental defilement state arises conditioned by a non-mental defilement state by root condition - conditioned by non-mental defilement aggregates, mental defilements arise; conditioned by the sense-base, mental defilements arise. (2)

Mental defilement and non-mental defilement states arise conditioned by a non-mental defilement state by root condition - conditioned by one non-mental defilement

aggregate, three aggregates and mental defilements and consciousness-originated materiality arise... etc. two aggregates... etc. conditioned by the sense-base, mental defilements arise; conditioned by primary elements, consciousness-originated materiality arises; conditioned by the sense-base, mental defilements and associated aggregates arise. (3)

11. A mental defilement state arises conditioned by a mental defilement and non-mental defilement state by root condition - conditioned by greed and associated aggregates, delusion, wrong view, sloth, restlessness, shamelessness and moral fearlessness arise (wheel). Conditioned by greed and sense-base, mental defilements arise. (1)

A non-mental defilement state arises conditioned by a mental defilement and non-mental defilement state by root condition - conditioned by one non-mental defilement aggregate and mental defilement, three aggregates and consciousness-originated materiality arise... etc. and two aggregates... etc. conditioned by mental defilements and primary elements, consciousness-originated materiality arises; conditioned by mental defilements and sense-base, non-mental defilement aggregates arise. (2)

Mental defilement and non-mental defilement states arise conditioned by a mental defilement and non-mental defilement state by root condition - conditioned by one non-mental defilement aggregate and greed, three aggregates and delusion, wrong view, sloth, restlessness, shamelessness, moral fearlessness and consciousness-originated materiality arise... etc. and two aggregates... etc. (wheel). Conditioned by greed and sense-base, delusion, wrong view, sloth, restlessness, shamelessness, moral fearlessness and associated aggregates arise (wheel). (3)

(In object condition, in the non-mental defilement root, the five sense consciousnesses should be done.)

1. Positive Condition

2. Section on Enumeration

12. By way of root nine, by way of object nine, by way of predominance nine (everywhere nine), by way of result one... etc. by way of non-disappearance nine.

2. Negative Condition

1. Section on Analysis

Non-root Condition

13. A mental defilement state arises conditioned by a mental defilement state by non-root condition - conditioned by sceptical doubt, delusion accompanied by sceptical doubt arises; conditioned by restlessness, delusion accompanied by restlessness arises. (1)

A non-mental defilement state arises conditioned by a non-mental defilement state by non-root condition (up to non-percipient beings) - conditioned by the eye sense base, eye-consciousness arises... etc. The body sense base... etc. conditioned by the sense-base, rootless non-mental defilement aggregates arise. (1)

A mental defilement state arises conditioned by a non-mental defilement state by non-root condition - conditioned by aggregates accompanied by sceptical doubt and accompanied by restlessness and the sense-base, delusion accompanied by sceptical doubt and accompanied by restlessness arises. (2)

A mental defilement state arises conditioned by a mental defilement and non-mental defilement state by non-root condition - conditioned by sceptical doubt and associated aggregates and the sense-base, delusion accompanied by sceptical doubt arises; conditioned by restlessness and associated aggregates and the sense-base, delusion accompanied by restlessness arises (in brief). (1)

2. Negative Condition

2. Section on Enumeration

14. By way of non-root four, by way of non-object three, by way of non-predominance nine... etc. by way of non-kamma three, by way of non-resultant nine, by way of non-nutriments one... etc. by way of non-disappearance three.

4. The Section on Support

(Thus the other two countings and also the section on the support should be done.)

5. The Section on the Conjoined

1-4. Positive Condition and so on

15. A mental defilement state arises conjoined with a mental defilement state by root condition - conjoined with greed, delusion, wrong view, sloth, restlessness, shamelessness and moral fearlessness. (Wheel. Thus nine questions should be made.)

By way of root nine, by way of object nine (everywhere nine), by way of result one... etc. by way of non-disappearance nine.

Positive.

A mental defilement state arises conjoined with a mental defilement state by non-root condition (thus non-root questions four should be made.)

By way of non-root four, by way of non-predominance nine, by way of non-prenascence nine, by way of non-postnascence nine, by way of non-repetition nine, by way of non-kamma three, by way of non-resultant nine, by way of non-meditative absorption one, by way of non-path one, by way of the not dissociated nine.

Negative.

6. The Section on the Associated

(Thus the other two countings and also the section on the associated should be done.)

7. Section on Questions

1. Positive Condition

1. Section on Analysis

Root Condition

16. A mental defilement state is a condition for a mental defilement state by way of root condition - mental defilement roots are a condition by way of root condition for associated mental defilements. (The root should be asked.) Mental defilement roots are a condition by way of root condition for associated aggregates and for consciousness-originated materiality. (The root should be asked.) Mental defilement roots are a condition by way of root condition for associated aggregates, for mental defilements, and for consciousness-originated materiality. (3)

A non-mental defilement state is a condition for a non-mental defilement state by way of root condition - non-mental defilement roots are a condition by way of root condition for associated aggregates and for consciousness-originated materiality; at the moment of conception... etc. (1)

Object condition

17. A mental defilement state is a condition for a mental defilement state by way of object condition - referring to mental defilements, mental defilements arise. (The root should be asked.) Referring to mental defilements, non-mental defilement aggregates arise. (The root should be asked.) Referring to mental defilements, mental defilements and associated aggregates arise. (3)

18. A non-mental defilement state is a condition for a non-mental defilement state by way of object condition - giving... etc. morality... etc. the Observance practice... etc. what was well practised before... etc. having emerged from meditative absorption, one reviews the meditative absorption, enjoys it, delights in it; referring to that, lust... etc. wrong view... etc. sceptical doubt, etc. restlessness, etc. displeasure arises; noble ones, having emerged from the path... etc. is a condition by way of object condition for fruition, for advertizing; the eye... etc. the sense-base, the non-mental defilement aggregates as impermanent... etc. displeasure arises; one sees materiality with the divine eye, hears sound with the divine ear element... etc. is a condition by way of object condition for the knowledge of future events, for advertizing. (1)

A non-mental defilement state is a condition for a mental defilement state by way of object condition - giving... etc. having emerged from meditative absorption, one enjoys the meditative absorption, delights in it; referring to that, lust... etc. wrong view... etc. sceptical doubt, etc. restlessness arises; when the meditative absorption has declined, displeasure arises for one who is remorseful; the eye... etc. the sense-base, one enjoys the non-mental defilement aggregates, delights in them; referring to that, lust... etc. Displeasure arises. (2)

A non-mental defilement state is a condition for a mental defilement state and a non-mental defilement state by way of object condition - giving... etc. having emerged from meditative absorption... etc. the eye... etc. the sense-base, one enjoys the non-mental defilement aggregates, delights in them; referring to that, mental defilements and associated aggregates arise. (3)

Mental defilement and non-mental defilement states are a condition for a mental defilement state by way of object condition... three.

Predominance condition

19. A mental defilement state is a condition for a mental defilement state by way of predominance condition. Object predominance - having given weight to mental defilements, mental defilements arise... three (by way of object predominance only). (3)

A non-mental defilement state is a condition for a non-mental defilement state by way of predominance condition - object predominance, connascent predominance. Object predominance - giving... etc. morality... etc. having performed the Observance practice, having given weight to that, one reviews, enjoys it, delights in it; having given weight to that, lust arises, wrong view arises; formerly... etc. meditative absorptions... etc. noble ones, having emerged from the path, having given weight to the path, review... etc. is a condition for fruition by way of predominance condition; the eye... etc. the sense-base, having given weight to non-mental defilement aggregates, one enjoys them, delights in them; having given weight to that, lust arises, wrong view arises. Connascent predominance - non-mental defilement predominance is a condition by way of predominance condition for associated aggregates and for consciousness-originated materiality. (1)

A non-mental defilement state is a condition for a mental defilement state by way of predominance condition - object predominance, connascent predominance. Object predominance - giving... etc. thus meditative absorption... etc. the eye... etc. the sense-base, having given weight to non-mental defilement aggregates, one enjoys them, delights in them; having given weight to that, lust arises, wrong view arises. Connascent predominance - non-mental defilement predominance is a condition by way of predominance condition for associated mental defilements. (2)

A non-mental defilement state is a condition for a mental defilement state and a non-mental defilement state by way of predominance condition - object predominance, connascent predominance. Object predominance - giving... etc. thus meditative absorption... etc. the eye... etc. the sense-base, having given weight to the non-mental defilement aggregates, one enjoys them, delights in them; having given weight to that, mental defilements and associated aggregates arise. Connascent predominance - non-mental defilement predominance is a condition by way of predominance condition for associated aggregates, for mental defilements, and for consciousness-originated materiality. (3)

Mental defilement and non-mental defilement states are a condition for a mental defilement state by way of predominance condition... three (by way of object predominance only). (3)

Proximity condition and so on

20. A mental defilement state is a condition for a mental defilement state by way of proximity condition - the former and former mental defilements are a condition for the latter and latter mental defilements by way of proximity condition. (The root should be made.) The former and former mental defilements are a condition for the latter and latter non-mental defilement aggregates by way of proximity condition; mental defilements are a condition for emergence by way of proximity condition. (The

root should be made.) The former and former mental defilements are a condition for the latter and latter mental defilements and for associated aggregates by way of proximity condition. (3)

21. A non-mental defilement state is a condition for a non-mental defilement state by way of proximity condition - the former and former non-mental defilement aggregates are a condition for the latter and latter non-mental defilement aggregates by way of proximity condition, etc. is a condition for fruition attainment by way of proximity condition. (The root should be made.) The former and former non-mental defilement aggregates are a condition for the latter and latter mental defilements by way of proximity condition; advertent is a condition for mental defilements by way of proximity condition. (The root should be made.) The former and former non-mental defilement aggregates are a condition for the latter and latter mental defilements and for associated aggregates by way of proximity condition; advertent is a condition for mental defilements and for associated aggregates by way of proximity condition. (3)

22. Mental defilement and non-mental defilement states are a condition for a mental defilement state by way of proximity condition - the former and former mental defilements and associated aggregates are a condition for the latter and latter mental defilements by way of proximity condition. (The root should be made.) The former and former mental defilements and associated aggregates are a condition for the latter and latter non-mental defilement aggregates by way of proximity condition; mental defilements and associated aggregates are a condition for emergence by way of proximity condition. (The root should be made.) The former and former mental defilements and associated aggregates are a condition for the latter and latter mental defilements and for associated aggregates by way of proximity condition. (3)

By way of contiguity condition, by way of consensuality condition, by way of mutuality condition, by way of support condition.

Decisive support condition

23. A mental defilement state is a condition for a mental defilement state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - mental defilements are a condition for mental defilements by way of decisive support condition... three.

24. A non-mental defilement state is a condition for a non-mental defilement state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith one gives a gift, etc. mutters conceit, takes wrong view; morality... etc. wisdom... lust... hate... delusion... conceit... wrong view... longing... bodily pleasure, etc. in dependence on lodging one gives a gift, etc. breaks the Community; faith, etc. lodging for faith, etc. for fruition attainment by way of decisive support condition. (1)

A non-mental defilement state is a condition for a mental defilement state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith one mutters conceit... takes a view; morality... etc. in dependence on lodging one kills a living being, etc. breaks the Community; faith, etc. lodging is a condition for mental defilements by way of decisive support condition. (2)

A non-mental defilement state is a condition for a mental defilement state and a non-mental defilement state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith one mutters conceit... takes a view; morality... etc. in dependence on lodging one kills a living being, etc. breaks the Community; faith, etc. lodging is a condition for mental defilements and for associated aggregates by way of decisive support condition. (3)

Mental defilement and non-mental defilement states are a condition for a mental defilement state by way of decisive support condition... three.

Prenascence condition

25. A non-mental defilement state is a condition for a non-mental defilement state by way of pre-nascence condition - object pre-nascence, sense-organ pre-nascence. Object pre-nascence - the eye... etc. the sense-base as impermanent... etc. displeasure arises; sees materiality with the divine eye; hears sound with the divine ear element. The visible form sense base is a condition by way of object condition for eye-consciousness... etc. the touch sense base for body-consciousness... etc. Sense-organ pre-nascence - the eye sense base for eye-consciousness... etc. the body sense base for body-consciousness... etc. the sense-base is a condition for non-mental defilement aggregates by way of pre-nascence condition. (1)

A non-mental defilement state is a condition for a mental defilement state by way of pre-nascence condition - object pre-nascence, sense-organ pre-nascence. Object pre-nascence - the eye... etc. One enjoys the sense-base, delights in it; referring to that, lust... etc. Displeasure arises. Sense-organ pre-nascence - the sense-base is a condition for mental defilements by way of pre-nascence condition. (2)

A non-mental defilement state is a condition for a mental defilement state and a non-mental defilement state by way of pre-nascence condition - object pre-nascence, sense-organ pre-nascence. Object pre-nascence - the eye... etc. one enjoys the sense-base, delights in it; referring to that, mental defilements and associated aggregates arise. Sense-organ pre-nascence - the sense-base is a condition for mental defilements and for associated aggregates by way of pre-nascence condition. (3)

Postnascence and Repetition Conditions

26. A mental defilement state is a condition for a non-mental defilement state by way of post-nascence condition (in brief). (1)

A non-mental defilement state is a condition for a non-mental defilement state by way of post-nascence condition (in brief). (1)

Mental defilement and non-mental defilement states are a condition for a non-mental defilement state by way of post-nascence condition (in brief), it is a condition by way of repetition condition... nine.

Kamma condition

27. A non-mental defilement state is a condition for a non-mental defilement state by way of kamma condition - conascence, asynchronous. Conascence - non-mental defilement volition is a condition by way of kamma condition for associated

aggregates and for consciousness-originated materiality; at the moment of conception... etc. Asynchronous - non-mental defilement volition is a condition by way of kamma condition for resultant aggregates and for kamma-born materiality. (1)

A non-mental defilement state is a condition for a mental defilement state by way of kamma condition - non-mental defilement volition is a condition by way of kamma condition for mental defilements. (2)

A non-mental defilement state is a condition for a mental defilement state and a non-mental defilement state by way of kamma condition - non-mental defilement volition is a condition by way of kamma condition for associated aggregates, for mental defilements, and for consciousness-originated materiality. (3)

Result Condition etc.

28. A non-mental defilement state is a condition for a non-mental defilement state by way of result condition... one... by way of nutriment condition... three... by way of faculty condition... three... by way of condition of meditative absorption... three... by way of path condition... nine... by way of associated condition... nine.

Dissociation condition

29. A mental defilement state is a condition for a non-mental defilement state by way of dissociated condition - conascence, postnascence (in brief). (1)

A non-mental defilement state is a condition for a non-mental defilement state by way of dissociated condition - conascence, prenascence, postnascence (in brief). (1)

A non-mental defilement state is a condition for a mental defilement state by way of dissociated condition. Prenascence - the sense-base is a condition for mental defilements by way of dissociated condition. (2)

A non-mental defilement state is a condition for a mental defilement state and a non-mental defilement state by way of dissociated condition. Prenascence - the sense-base is a condition for mental defilements and for associated aggregates by way of dissociated condition. (3)

Mental defilement and non-mental defilement states are a condition for a non-mental defilement state by way of dissociated condition - conascence, postnascence (in brief. Should be expanded.)

Presence Condition and so on

30. A mental defilement state is a condition for a mental defilement state by way of presence condition... one (similar to dependence). (1)

A mental defilement state is a condition for a non-mental defilement state by way of presence condition - conascence, postnascence (in brief). (2)

A mental defilement state is a condition for a mental defilement and a non-mental defilement state by way of presence condition (similar to dependence). (3)

A non-mental defilement state is a condition for a non-mental defilement state by way of presence condition - conascence, prenascence, postnascence, nutriment, faculty (in brief). (1)

A non-mental defilement state is a condition for a mental defilement state by way of presence condition - consciousness, pre-nascence (in brief). Consciousness is similar to consciousness, pre-nascence is similar to pre-nascence.) (2)

A non-mental defilement state is a condition for a mental defilement and a non-mental defilement state by way of presence condition - consciousness, pre-nascence (consciousness is similar to consciousness, pre-nascence is similar to pre-nascence.) (3)

31. Mental defilement and non-mental defilement states are a condition for a mental defilement state by way of presence condition - consciousness, pre-nascence.

Consciousness - greed and associated aggregates are a condition for delusion, wrong view, sloth, restlessness, shamelessness and moral fearlessness by way of presence condition (wheel). Consciousness - greed and the sense-base are a condition for delusion, wrong view, sloth, restlessness, shamelessness and moral fearlessness by way of presence condition (wheel). (1)

Mental defilement and non-mental defilement states are a condition for a non-mental defilement state by way of presence condition - consciousness, pre-nascence, post-nascence, nutriment, faculty. Consciousness - one non-mental defilement aggregate and mental defilement are a condition for three aggregates and for consciousness-originated materiality by way of presence condition... etc. two aggregates and... etc. Consciousness - mental defilements and primary elements are a condition for consciousness-originated materiality by way of presence condition. Consciousness - mental defilements and the sense-base are a condition for non-mental defilement aggregates by way of presence condition. Post-nascence - mental defilements and associated aggregates are a condition for this pre-nascent body by way of presence condition. Post-nascence - mental defilements and associated aggregates and edible food are a condition for this body by way of presence condition. Post-nascence - mental defilements and associated aggregates and the material life faculty are a condition for kamma-born materiality by way of presence condition. (2)

Mental defilement and non-mental defilement states are a condition for a mental defilement and a non-mental defilement state by way of presence condition - consciousness, pre-nascence. Consciousness - one non-mental defilement aggregate and greed are a condition for three aggregates and for consciousness-originated materiality and for delusion, wrong view, sloth, restlessness, shamelessness and moral fearlessness by way of presence condition... etc. two aggregates and... etc. Consciousness - greed and the sense-base are a condition for delusion, wrong view, sloth, restlessness, shamelessness and moral fearlessness and for associated aggregates by way of presence condition (wheel). (3)

By way of absence condition... by way of disappearance condition... by way of non-disappearance condition.

1. Positive Condition

2. Section on Enumeration

Pure

32. By way of root four, by way of object nine, by way of predominance nine, by way of proximity nine, by way of contiguity nine, by way of conascence nine, by way of mutuality nine, by way of support nine, by way of decisive support nine, by way of prenascent three, by way of postnascent three, by way of repetition nine, by way of action three, by way of result one, by way of nutriment three, by way of faculty three, by way of meditative absorption three, by way of path nine, by way of association nine, by way of dissociation five, by way of presence nine, by way of absence nine, by way of disappearance nine, by way of non-disappearance nine.

Negative Extraction

33. A mental defilement state is a condition for a mental defilement state by way of object condition... by way of conascence condition... by way of decisive support condition. (1)

A mental defilement state is a condition for a non-mental defilement state by way of object condition... by way of conascence condition... by way of decisive support condition... by way of postnascent condition. (2)

A mental defilement state is a condition for a mental defilement state and a non-mental defilement state by way of object condition... by way of conascence condition... by way of decisive support condition. (3)

34. A non-mental defilement state is a condition for a non-mental defilement state by way of object condition... by way of conascence condition... by way of decisive support condition... by way of prenascent condition... by way of postnascent condition... by way of kamma condition... by way of nutriment condition... by way of faculty condition. (1)

A non-mental defilement state is a condition for a mental defilement state by way of object condition... by way of conascence condition... by way of decisive support condition... by way of prenascent condition. (2)

A non-mental defilement state is a condition for a mental defilement state and a non-mental defilement state by way of object condition... by way of conascence condition... by way of decisive support condition... by way of prenascent condition. (3)

35. Mental defilement and non-mental defilement states are a condition for a mental defilement state by way of object condition... by way of conascence condition... by way of decisive support condition. (1)

Mental defilement and non-mental defilement states are a condition for a non-mental defilement state by way of object condition... by way of conascence condition... by way of decisive support condition... by way of postnascent condition. (2)

Mental defilement and non-mental defilement states are a condition for a mental defilement and a non-mental defilement state by way of object condition... by way of conascence condition... by way of decisive support condition. (3)

2. Negative Condition

2. Section on Enumeration

36. By way of non-root nine, by way of non-object nine, by way of non-predominance nine (everywhere nine), by way of non-non-disappearance nine.

3. Positive-Negative Condition

37. By root condition: by way of non-object four, by way of non-predominance four, by way of non-proximity four, by way of non-contiguity four, by way of non-mutuality two, by way of non-decisive support four (everywhere four), by way of the not associated two, by way of the not dissociated four, by way of non-absence four, by way of non-disappearance four.

4. Negative-Positive Condition

38. By non-root condition, by way of object nine, by way of predominance nine (conformity matrix should be made)... etc. by way of non-disappearance nine.

The mental defilement dyad is finished.

76. Subject to Defilement Dyad

1. Section on the Dependent

39. A state subject to defilement arises dependent on a state subject to defilement by root condition (as the mundane dyad, thus the difference.)

The subject to defilement dyad is finished.

77. Defiled Dyad

1. Section on the Dependent

1. Positive Condition

1. Section on Analysis

Root Condition

40. A defiled mental state arises dependent on a defiled mental state by root condition - dependent on one defiled aggregate, three aggregates arise... etc. two aggregates... etc. (1)

An undefiled mental state arises dependent on a defiled mental state by root condition - dependent on defiled aggregates, consciousness-originated materiality arises. (2)

Defiled and undefiled mental states arise dependent on a defiled mental state by root condition - dependent on one defiled aggregate, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. (3)

An undefiled mental state arises dependent on an undefiled mental state by root condition - dependent on one undefiled aggregate, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. at the moment of conception... etc. dependent on aggregates, the sense-base arises; dependent on the sense-base, aggregates arise; dependent on one primary element... etc. (1)

An undefiled mental state arises dependent on a defiled and an undefiled mental state by root condition - dependent on defiled aggregates and primary elements, consciousness-originated materiality arises (abbreviated). (1)

1. Positive Condition

2. Section on Enumeration

41. By way of root five, by way of object two, by way of predominance five, by way of proximity two, by way of contiguity two, by way of conascence five, by way of mutuality two, by way of support five, by way of decisive support two, by way of prenascent two, by way of repetition two, by way of action five, by way of result one, by way of nutriment five (in brief), by way of non-disappearance five.

2. Negative Condition

1. Section on Analysis

Non-root Condition

42. A defiled mental state arises dependent on a defiled mental state by non-root condition - dependent on aggregates accompanied by sceptical doubt and accompanied by restlessness, delusion accompanied by sceptical doubt and accompanied by restlessness arises. (1)

An undefiled mental state arises dependent on an undefiled mental state by non-root condition - dependent on one rootless undefiled aggregate, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. at the rootless rebirth moment, etc. (up to non-percipient beings). (1)

1. Negative Condition

2. Section on Enumeration

43. By way of non-root two, by way of non-object three, by way of non-predominance five, by way of non-proximity three, by way of non-contiguity three, by way of non-mutuality three, by way of non-decisive support three, by way of non-prenascent four, by way of non-postnascent five, by way of non-repetition five, by way of non-kamma two, by way of non-resultant five, by way of non-nutriment one, by way of non-faculty one, by way of non-meditative absorption one, by way of non-path one, by way of the not associated three, by way of the not dissociated two, by way of non-absence three, by way of non-disappearance three.

2. The Section on the Conascence

(Thus the other two countings and also the section on the conascence should be done.)

3. Section on the Conditions

1. Positive Condition

1. Section on Analysis

Root Condition

44. A defiled mental state arises conditioned by a defiled mental state by root condition... three (similar to dependence).

An undefiled mental state arises conditioned by an undefiled mental state by root condition - conditioned by one undefiled aggregate, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. at the moment of conception... etc. (up to internal primary elements) conditioned by the sense-base, undefiled aggregates arise. (1)

An undefiled mental state arises conditioned by a defiled mental state by root condition - conditioned by the sense-base, defiled aggregates arise. (2)

Defiled and undefiled mental states arise conditioned by an undefiled mental state by root condition - conditioned by the sense-base, defiled aggregates arise; conditioned by primary elements, consciousness-originated materiality arises. (3)

45. A defiled mental state arises conditioned by a defiled and an undefiled mental state by root condition - conditioned by one defiled aggregate and sense-base, three aggregates arise... etc. and two aggregates... etc. (1)

An undefiled mental state arises conditioned by a defiled and an undefiled mental state by root condition - conditioned by defiled aggregates and primary elements, consciousness-originated materiality arises. (2)

Defiled and undefiled mental states arise conditioned by a defiled and an undefiled mental state by root condition - conditioned by one defiled aggregate and sense-base, three aggregates arise... etc. and two aggregates... etc. conditioned by defiled aggregates and primary elements, consciousness-originated materiality arises (in brief). (3)

1. Positive Condition

2. Section on Enumeration

46. By way of root nine, by way of object four, by way of predominance nine, by way of proximity four, by way of contiguity four, by way of conascence nine, by way of mutuality four, by way of support nine, by way of decisive support four, by way of pre-nascence four, by way of repetition four, by way of action nine, by way of result one, by way of nutriment nine, by way of faculty nine... etc. by way of disappearance four, by way of non-disappearance nine.

2. Negative Condition

1. Section on Analysis

Non-root Condition

47. A defiled mental state arises conditioned by a defiled mental state by non-root condition - conditioned by aggregates accompanied by sceptical doubt and accompanied by restlessness, delusion accompanied by sceptical doubt and accompanied by restlessness arises. (1)

An undefiled mental state arises conditioned by an undefiled mental state by non-root condition - rootless undefiled... etc. (up to non-percipient beings) conditioned by the eye sense base, eye-consciousness arises... etc. conditioned by the body sense base, body-consciousness arises; conditioned by the sense-base, rootless undefiled aggregates arise. (1)

A defiled mental state arises conditioned by an undefiled mental state by non-root condition - conditioned by the sense-base, delusion accompanied by sceptical doubt and accompanied by restlessness arises. (2)

A defiled mental state arises conditioned by a defiled and an undefiled mental state by non-root condition - conditioned by aggregates accompanied by sceptical doubt and accompanied by restlessness and the sense-base, delusion accompanied by sceptical doubt and accompanied by restlessness arises. (1)

2. Negative Condition

2. Section on Enumeration

48. By way of non-root four, by way of non-object three, by way of non-predominance nine, by way of non-proximity three, by way of non-contiguity three, by way of non-mutuality three, by way of non-decisive support three, by way of non-prenascence four, by way of non-postnascence nine, by way of non-repetition nine, by way of non-kamma four, by way of non-resultant nine, by way of non-nutriments one, by way of non-faculty one, by way of non-meditative absorption one, by way of non-path one, by way of the not associated three, by way of the not dissociated two, by way of non-absence three, by way of non-disappearance three.

4. The Section on Support

(Thus the other two countings and also the section on the support should be done.)

5. The Section on the Conjoined

1-4. Positive Condition and so on

Root Condition

49. A defiled mental state arises conjoined with a defiled mental state by root condition - conjoined with one defiled aggregate, three aggregates arise... etc. Two aggregates... etc. (1)

An undefiled mental state arises conjoined with an undefiled mental state by root condition - conjoined with one undefiled aggregate, three aggregates arise... etc. two aggregates... etc. at the moment of conception... etc. (1)

By way of root two, by way of object two, by way of predominance two (everywhere two), by way of result one... etc. by way of non-disappearance two.

Positive.

50. A defiled mental state arises conjoined with a defiled mental state by non-root condition - conjoined with aggregates accompanied by sceptical doubt and accompanied by restlessness, delusion accompanied by sceptical doubt and

accompanied by restlessness arises. (1)

An undefiled mental state arises conjoined with an undefiled mental state by non-root condition - conjoined with one rootless undefiled aggregate, three aggregates arise... etc. two aggregates... etc. at the rootless rebirth moment, etc. (1)

By way of non-root two, by way of non-predominance two, by way of non-prenascence two, by way of non-postnascence two, by way of non-repetition two, by way of non-kamma two, by way of non-resultant two, by way of non-meditative absorption one, by way of non-path one, by way of the not dissociated two.

Negative.

6. The Section on the Associated

(Thus the other two countings and also the section on the associated should be done.)

7. Section on Questions

1. Positive Condition

1. Section on Analysis

Root Condition

51. A defiled mental state is a condition for a defiled mental state by way of root condition - defiled roots are a condition by way of root condition for associated aggregates. (1)

A defiled mental state is a condition for an undefiled mental state by way of root condition - defiled roots are a condition by way of root condition for consciousness-originated materiality. (2)

A defiled mental state is a condition for a defiled and an undefiled mental state by way of root condition - defiled roots are a condition by way of root condition for associated aggregates and for consciousness-originated materiality. (3)

An undefiled mental state is a condition for an undefiled mental state by way of root condition - undefiled roots are a condition by way of root condition for associated aggregates and for consciousness-originated materiality; at the moment of conception... etc. (1)

Object condition

52. A defiled mental state is a condition for a defiled mental state by way of object condition - one enjoys lust, delights in it; referring to that, lust arises, wrong view arises; sceptical doubt, etc. restlessness, etc. displeasure arises; one enjoys wrong view, etc. (similar to the triad of wholesome); Referring to sceptical doubt, etc. Referring to restlessness, etc. displeasure arises; wrong view... etc. sceptical doubt, etc. restlessness arises. (1)

A defiled mental state is a condition for an undefiled mental state by way of object condition - noble ones review the abandoned defilements, the suppressed defilements... etc. what was previously indulged in... etc. they see with insight the defiled aggregates as impermanent, etc. with the knowledge of others' mental states

one knows the consciousness of one possessing defiled consciousness; defiled aggregates are a condition by way of object condition for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of rebirth according to beings' actions, for the knowledge of future events, for advertizing. (2)

53. An undefiled mental state is a condition for an undefiled mental state by way of object condition - giving... etc. morality... etc. the Observance practice... etc. formerly... etc. having emerged from meditative absorption, one reviews the meditative absorption; noble ones, having emerged from the path, review the path... etc. is a condition by way of object condition for advertizing; the eye... etc. the sense-base, the undefiled aggregates as impermanent... etc. one sees with insight; one sees materiality with the divine eye... etc. is a condition by way of object condition for the knowledge of future events, for advertizing. (1)

An undefiled mental state is a condition for a defiled mental state by way of object condition - giving... etc. morality... etc. having emerged from meditative absorption... etc. the eye... etc. the sense-base, one enjoys the undefiled aggregates, delights in them; referring to that, lust... etc. Displeasure arises. (2)

Predominance condition

54. A defiled mental state is a condition for a defiled mental state by way of predominance condition - object predominance, connascent predominance. Object predominance - having given weight to lust, one enjoys it, delights in it; having given weight to that, lust arises, wrong view arises; having given weight to wrong view, one enjoys it, delights in it; having given weight to that, lust arises, wrong view arises. Connascent predominance - defiled predominance is a condition by way of predominance condition for associated aggregates. (1)

A defiled mental state is a condition for an undefiled mental state by way of predominance condition. Connascent predominance - defiled predominance is a condition by way of predominance condition for consciousness-originated materiality. (2)

A defiled mental state is a condition for a defiled and an undefiled mental state by way of predominance condition. Connascent predominance - defiled predominance is a condition by way of predominance condition for associated aggregates and for consciousness-originated materiality. (3)

55. An undefiled mental state is a condition for an undefiled mental state by way of predominance condition - object predominance, connascent predominance. Object predominance - giving... etc. morality... etc. the Observance practice... etc. formerly... etc. having emerged from meditative absorption, having given weight to the meditative absorption, one reviews; noble ones, having emerged from the path, having given weight to the path, review... etc. Nibbāna is a condition for fruition by way of predominance condition. Connascent predominance - undefiled predominance is a condition by way of predominance condition for associated aggregates and for consciousness-originated materiality. (1)

An undefiled mental state is a condition for a defiled mental state by way of predominance condition. Object predominance - giving... etc. morality... etc. the

Observance practice... etc. formerly... etc. having emerged from meditative absorption... etc. the eye... etc. the sense-base, having given weight to undefiled aggregates, one enjoys them, delights in them; having given weight to that, lust arises, wrong view arises. (2)

Proximity condition and so on

56. A defiled mental state is a condition for a defiled mental state by way of proximity condition - the former and former defiled aggregates are a condition for the latter and latter defiled aggregates by way of proximity condition. (1)

A defiled mental state is a condition for an undefiled mental state by way of proximity condition - defiled aggregates are a condition for emergence by way of proximity condition. (2)

57. An undefiled mental state is a condition for an undefiled mental state by way of proximity condition - the former and former undefiled aggregates are a condition for the latter and latter undefiled aggregates... etc. is a condition for fruition attainment by way of proximity condition. (1)

An undefiled mental state is a condition for a defiled mental state by way of proximity condition - adverting is a condition for defiled aggregates by way of proximity condition. (2)

By way of contiguity condition... four... by way of conascence condition... five... by way of mutuality condition... two... by way of support condition... seven.

Decisive support condition

58. A defiled mental state is a condition for a defiled mental state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on lust one kills a living being, etc. breaks the Community, in dependence on hate, etc. in dependence on longing one kills a living being, etc. breaks the Community, lust, etc. longing is a condition for lust, etc. for longing by way of decisive support condition. (1)

A defiled mental state is a condition for an undefiled mental state by way of decisive support condition - proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on lust one gives a gift, etc. produces attainment, in dependence on hate, etc. in dependence on longing one gives a gift, etc. produces attainment, lust, etc. longing is a condition for faith, etc. for wisdom, for bodily pleasure, for bodily pain... for the path, for fruition attainment by way of decisive support condition. (2)

59. An undefiled mental state is a condition for an undefiled mental state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith one gives a gift, etc. produces attainment; morality... etc. wisdom, bodily pleasure... bodily pain, etc. climate, etc. food, etc. in dependence on lodging one gives a gift, etc. produces attainment; faith, etc. lodging for faith, etc. for fruition attainment by way of decisive support condition. (1)

An undefiled mental state is a condition for a defiled mental state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith, one mutters conceit, takes wrong view; morality... etc. wisdom... bodily pleasure, etc. bodily pain, etc. climate, etc. food, etc. in dependence on lodging one kills a living being, etc. breaks the Community; faith, etc. lodging is a condition for lust, etc. for longing by way of decisive support condition. (2)

Prenascence condition

60. An undefiled mental state is a condition for an undefiled mental state by way of prenascence condition - object prenascence, sense-organ prenascence (in brief). An undefiled mental state is a condition for a defiled mental state by way of prenascence condition - object prenascence, sense-organ prenascence (in brief). (2)

Postnascence and Repetition Conditions

61. A defiled mental state is a condition for an undefiled mental state by way of postnascence condition (in brief). An undefiled mental state is a condition for an undefiled mental state by way of postnascence condition (in brief). ...It is a condition by way of repetition condition... two.

Kamma condition

62. A defiled mental state is a condition for a defiled mental state by way of kamma condition - defiled volition is a condition by way of kamma condition for associated aggregates. (1)

A defiled mental state is a condition for an undefiled mental state by way of kamma condition - conascence, asynchronous. Conascence - defiled volition is a condition by way of kamma condition for consciousness-originated materiality. Asynchronous - defiled volition is a condition by way of kamma condition for resultant aggregates and for kamma-born materiality. (The root should be made.) Defiled volition is a condition by way of kamma condition for associated aggregates and for consciousness-originated materiality. (3)

An undefiled mental state is a condition for an undefiled mental state by way of kamma condition - conascence, asynchronous. Conascence - undefiled volition is a condition by way of kamma condition for associated aggregates and for consciousness-originated materiality; at the moment of conception... etc. Asynchronous - undefiled volition is a condition by way of kamma condition for resultant aggregates and for kamma-born materiality. (1)

Result Condition etc.

63. An undefiled mental state is a condition for an undefiled mental state by way of result condition... one.

A defiled mental state is a condition for a defiled mental state by way of nutriment condition... by way of faculty condition... by way of condition of meditative absorption... by way of path condition... It is a condition by way of associated condition.

Dissociation condition

64. A defiled mental state is a condition for an undefiled mental state by way of dissociated condition - conascence, postnascence (in brief). (1)

An undefiled mental state is a condition for an undefiled mental state by way of dissociated condition - conascence, prenascence, postnascence (in brief). (1)

An undefiled mental state is a condition for a defiled mental state by way of dissociated condition. Prenascence - the sense-base is a condition for defiled aggregates by way of dissociated condition. (2)

Presence Condition and so on

65. A defiled mental state is a condition for a defiled mental state by way of presence condition... one (similar to the section on the dependent). A defiled mental state is a condition for an undefiled mental state by way of presence condition - conascence, postnascence (in brief). A defiled mental state is a condition for a defiled and an undefiled mental state by way of presence condition (similar to dependence). (3)

An undefiled mental state is a condition for an undefiled mental state by way of presence condition - conascence, prenascence, postnascence, nutriment, faculty (in brief). An undefiled mental state is a condition for a defiled mental state by way of presence condition - prenascence (in brief). (2)

66. A defiled and an undefiled mental state is a condition for a defiled mental state by way of presence condition - conascence, prenascence. Conascence - one defiled aggregate and the sense-base are a condition for three aggregates by way of presence condition, etc. two aggregates and... etc. (Abbreviated). (1)

A defiled and an undefiled mental state is a condition for an undefiled mental state by way of presence condition - conascence, postnascence, nutriment, faculty.

Conascence - the defiled aggregates and the primary elements are a condition for consciousness-originated materiality by way of presence condition. Postnascence - the defiled aggregates and edible food are a condition for this body by way of presence condition. Postnascence - the defiled aggregates and the material life faculty are a condition for kamma-born materiality by way of presence condition. (2)

By way of absence condition... by way of disappearance condition... by way of non-disappearance condition.

1. Positive Condition

2. Section on Enumeration

Pure

67. By way of root four, by way of object four, by way of predominance five, by way of proximity four, by way of contiguity four, by way of conascence five, by way of mutuality two, by way of support seven, by way of decisive support four, by way of prenascence two, by way of postnascence two, by way of repetition two, by way of action four, by way of result one, by way of nutriment four, by way of faculty four, by

way of meditative absorption four, by way of path four, by way of association two, by way of dissociation three, by way of presence seven, by way of absence four, by way of disappearance four, by way of non-disappearance seven.

2. Negative Extraction

68. A defiled mental state is a condition for a defiled mental state by way of object condition... by way of consciousness condition... by way of decisive support condition. (1)

A defiled mental state is a condition for an undefiled mental state by way of object condition... by way of consciousness condition... by way of decisive support condition... by way of postnascence condition... by way of kamma condition. (2)

A defiled mental state is a condition for a defiled and an undefiled mental state by way of consciousness condition. (3)

69. An undefiled mental state is a condition for an undefiled mental state by way of object condition... by way of consciousness condition... by way of decisive support condition... by way of pre-nascence condition... by way of postnascence condition... by way of kamma condition... by way of nutriment condition... by way of faculty condition. (1)

An undefiled mental state is a condition for a defiled mental state by way of object condition... by way of decisive support condition... by way of pre-nascence condition. (2)

A defiled and an undefiled mental state are conditions for a defiled mental state by way of consciousness... pre-nascence. (1)

A defiled and an undefiled mental state are conditions for an undefiled mental state by way of consciousness... postnascence... nutriment... faculty. (2)

2. Negative Condition

2. Section on Enumeration

Pure

70. By way of non-root seven, by way of non-object seven, by way of non-predominance seven, by way of non-proximity seven, by way of non-contiguity seven, by way of non-consciousness five, by way of non-mutuality five, by way of non-support five, by way of non-decisive support seven, by way of non-pre-nascence six, by way of non-postnascence seven... etc. by way of non-path seven, by way of the not associated five, by way of the not dissociated four, by way of non-presence four, by way of non-absence seven, by way of non-disappearance seven, by way of non-non-disappearance four.

3. Positive-Negative Condition

71. By root condition: by way of non-object four, by way of non-predominance four, by way of non-proximity four, by way of non-contiguity four, by way of non-mutuality two, by way of non-decisive support four... etc. by way of the not associated two, by

way of the not dissociated two, by way of non-absence four, by way of non-disappearance four.

4. Negative-Positive Condition

72. By non-root condition, by way of object four, by way of predominance five (conformity matrix)... etc. by way of non-disappearance seven.

The defiled dyad is finished.

78. Associated with Mental Defilements Dyad

1. Section on the Dependent

73. A mental state associated with mental defilements arises dependent on a mental state associated with mental defilements by root condition - dependent on one aggregate associated with mental defilements, three aggregates arise... etc. two aggregates... etc. (1)

A mental state dissociated from mental defilements arises dependent on a mental state associated with mental defilements by root condition - dependent on aggregates associated with mental defilements, consciousness-originated materiality arises. (2)

(The associated with mental defilements dyad is similar to the defiled dyad, the difference.)

The associated with mental defilements dyad is finished.

79. The Mental Defilement and Subject to Defilement Dyad

1. Section on the Dependent

Root Condition

74. A state that is both mental defilement and subject to defilement arises dependent on a state that is both mental defilement and subject to defilement by root condition - dependent on greed, delusion, wrong view, sloth, restlessness, shamelessness and moral fearlessness arise (wheel). (1)

A state that is subject to defilement but not mental defilement arises dependent on a state that is both mental defilement and subject to defilement by root condition - dependent on mental defilements, associated aggregates and consciousness-originated materiality arise. (2)

States that are both mental defilement and subject to defilement and subject to defilement but not mental defilement arise dependent on a state that is both mental defilement and subject to defilement by root condition - dependent on greed, delusion, wrong view, sloth, restlessness, shamelessness and moral fearlessness and associated aggregates and consciousness-originated materiality arise. (3)

2-6. Conascence-Condition-Support-Conjoined-Associated Sections

(Thus the section on the dependent, the section on the conascence, the section on the conditions, the section on the support, the section on the conjoined, and the section on the associated are similar to the mental defilement dyad. The difference. The touching is different.)

7. Section on Questions

1. Positive Condition

1. Section on Analysis

Root Condition

75. A state that is both mental defilement and subject to defilement is a condition for a state that is both mental defilement and subject to defilement by way of root condition - mental defilement and subject to defilement roots are a condition for associated mental defilements by way of root condition (thus four, similar to the mental defilement dyad.) (4)

Object condition

76. A state that is both mental defilement and subject to defilement is a condition for a state that is both mental defilement and subject to defilement by way of object condition - referring to mental defilements, mental defilements arise. (The root should be made.) Referring to mental defilements, aggregates that are subject to defilement but not mental defilements arise. (The root should be made.) Referring to mental defilements, mental defilements and associated aggregates arise. (3)

77. A state that is subject to defilement but not mental defilement is a condition for a state that is subject to defilement but not mental defilement by way of object condition - giving... etc. morality... etc. the Observance practice... etc. what was well practised before... etc. having emerged from meditative absorption, one reviews the meditative absorption, enjoys it, delights in it; referring to that, lust arises... etc. restlessness arises; when the meditative absorption has declined, displeasure arises for one who is remorseful; noble ones review the change-of-lineage, they review the cleansing, the eye... etc. the sense-base, the aggregates that are subject to defilement but not mental defilement as impermanent... etc. displeasure arises; one sees materiality with the divine eye... etc. is a condition by way of object condition for advertent (the other two are similar to the mental defilement dyad, and the combination objects are also similar to the mental defilement dyad).

Predominance condition

78. A state that is both mental defilement and subject to defilement is a condition for a state that is both mental defilement and subject to defilement by way of predominance condition - object predominance... three.

A state that is subject to defilement but not mental defilement is a condition for a state that is subject to defilement but not mental defilement by way of predominance condition - object predominance, connascent predominance. Object predominance - giving... etc. morality... etc. the Observance practice... etc. what was well practised before... etc. having emerged from meditative absorption, having given weight to the meditative absorption, one reviews; learners, having given weight to the change-of-

lineage, review; having given weight to the cleansing, they review; the eye... etc. having given weight to the sense-base, the aggregates that are subject to defilement but not mental defilement, aggregates that are subject to defilement but not mental defilement arise. Connascent predominance - subject to defilement but not mental defilement predominance is a condition by way of predominance condition for associated aggregates and for consciousness-originated materiality. (The other two are also similar to the mental defilement dyad. Combination predominance also.)

Proximity condition and so on

79. A state that is both mental defilement and subject to defilement is a condition for a state that is both mental defilement and subject to defilement by way of proximity condition, etc. Three (similar to the mental defilement dyad).

A state that is subject to defilement but not mental defilement is a condition for a state that is subject to defilement but not mental defilement by way of proximity condition - the former and former aggregates that are subject to defilement but not mental defilements are a condition for the latter and latter aggregates that are subject to defilement but not mental defilements by way of proximity condition; Conformity for change-of-lineage, etc. conformity for cleansing, etc. advertizing is a condition for aggregates that are subject to defilement but not mental defilements by way of proximity condition.

(The other two proximity conditions are similar to the mental defilement dyad, the difference. The combination proximity conditions and also all conditions are similar to the mental defilement dyad, the difference. In decisive support there is no supramundane, this dyad is similar to the mental defilement dyad, the difference.)

The mental defilement and subject to defilement dyad is finished.

80. The Mental Defilement and Defiled Dyad

1. Section on the Dependent

1. Positive Condition

1. Section on Analysis

Root Condition

80. A mental state that is both mental defilement and defiled arises dependent on a mental state that is both mental defilement and defiled by root condition - dependent on greed, delusion, wrong view, sloth, restlessness, shamelessness and moral fearlessness arise (wheel). (1)

A mental state that is defiled but not mental defilement arises dependent on a mental state that is both mental defilement and defiled by root condition - dependent on mental defilements, associated aggregates arise. (2)

Mental states that are both mental defilement and defiled and defiled but not mental defilement arise dependent on a mental state that is both mental defilement and defiled by root condition - dependent on greed, delusion, wrong view, sloth, restlessness, shamelessness and moral fearlessness and associated aggregates arise (wheel). (3)

81. A mental state that is defiled but not mental defilement arises dependent on a mental state that is defiled but not mental defilement by root condition - dependent on one aggregate that is defiled but not mental defilement, three aggregates arise... etc. two aggregates... etc. (1)

A mental state that is both mental defilement and defiled arises dependent on a mental state that is defiled but not mental defilement by root condition - dependent on aggregates that are defiled but not mental defilement, mental defilements arise. (2)

Mental states that are both mental defilement and defiled and defiled but not mental defilement arise dependent on a mental state that is defiled but not mental defilement by root condition - dependent on one aggregate that is defiled but not mental defilement, three aggregates and mental defilements arise... etc. two aggregates... etc. (3)

82. A mental state that is both mental defilement and defiled arises dependent on a mental state that is both mental defilement and defiled and a mental state that is defiled but not mental defilement by root condition - dependent on greed and associated aggregates, delusion, wrong view, sloth, restlessness, shamelessness and moral fearlessness arise (wheel). (1)

A mental state that is defiled but not mental defilement arises dependent on a mental state that is both mental defilement and defiled and a mental state that is defiled but not mental defilement by root condition - dependent on one aggregate that is defiled but not mental defilement and mental defilements, three aggregates arise... etc. and two aggregates... etc. (2)

Mental states that are both mental defilement and defiled and defiled but not mental defilement arise dependent on a mental state that is both mental defilement and defiled and a mental state that is defiled but not mental defilement by root condition - dependent on one aggregate that is defiled but not mental defilement and greed, three aggregates and delusion, wrong view, sloth, restlessness, shamelessness and moral fearlessness arise... etc. and two aggregates... etc. (wheel). (3)

1. Positive Condition

2. Section on Enumeration

83. By way of root nine, by way of object nine (everywhere nine), by way of action nine, by way of nutriment nine... etc. by way of non-disappearance nine.

2. Negative Condition

1. Section on Analysis

Non-root Condition

84. A mental state that is both mental defilement and defiled arises dependent on a mental state that is both mental defilement and defiled by non-root condition - dependent on sceptical doubt, delusion accompanied by sceptical doubt arises; dependent on restlessness, delusion accompanied by restlessness arises. (1)

A mental state that is both mental defilement and defiled arises dependent on a mental state that is defiled but not mental defilement by non-root condition - dependent on aggregates accompanied by sceptical doubt and accompanied by restlessness, delusion accompanied by sceptical doubt and accompanied by restlessness arises. (1)

A mental state that is both mental defilement and defiled arises dependent on a mental state that is both mental defilement and defiled and a mental state that is defiled but not mental defilement by non-root condition - dependent on aggregates accompanied by sceptical doubt and accompanied by restlessness and sceptical doubt and restlessness, delusion accompanied by sceptical doubt and accompanied by restlessness arises. (1)

2. Negative Condition

2. Section on Enumeration

85. By way of non-root three, by way of non-predominance nine, by way of non-prenascence nine, by way of non-postnascence nine, by way of non-repetition nine, by way of non-kamma three, by way of non-resultant nine, by way of the not dissociated nine.

2-6. Conascence-Condition-Support-Conjoined-Associated Sections

(Thus the other two countings and also the section on the conascence, the section on the conditions, the section on the support, the section on the conjoined, and the section on the associated are also similar to the section on the dependent.)

7. Section on Questions

1. Positive Condition

1. Section on Analysis

Root Condition

86. A mental state that is both mental defilement and defiled is a condition for a mental state that is both mental defilement and defiled by way of root condition - mental defilement and defiled roots are a condition for associated mental defilements by way of root condition. (1)

A mental state that is both mental defilement and defiled is a condition for a mental state that is defiled but not mental defilement by way of root condition - mental defilement and defiled roots are a condition for associated aggregates by way of root condition.

A mental state that is both mental defilement and defiled is a condition for a mental state that is both mental defilement and defiled and for a mental state that is defiled but not mental defilement by way of root condition - mental defilement and defiled roots are a condition for associated aggregates and for mental defilements by way of root condition. (3)

Object condition

87. A mental state that is both mental defilement and defiled is a condition for a mental state that is both mental defilement and defiled by way of object condition - referring to mental defilements, mental defilements arise. (The root should be made.) Referring to mental defilements, aggregates that are defiled but not mental defilements arise. (The root should be made.) Referring to mental defilements, mental defilements and associated aggregates arise. (3)

88. A mental state that is defiled but not mental defilement is a condition for a mental state that is defiled but not mental defilement by way of object condition - referring to aggregates that are defiled but not mental defilements, aggregates that are defiled but not mental defilements arise. (The root should be made.) Referring to aggregates that are defiled but not mental defilements, mental defilements arise. (The root should be made.) Referring to aggregates that are defiled but not mental defilements, mental defilements and associated aggregates arise. (3)

(The other three should also be done.)

Predominance condition

89. A mental state that is both mental defilement and defiled is a condition for a mental state that is both mental defilement and defiled by way of predominance condition - object predominance... three.

A mental state that is defiled but not mental defilement is a condition for a mental state that is defiled but not mental defilement by way of predominance condition - object predominance, connascent predominance. Object predominance - having given weight to the aggregates that are defiled but not mental defilement... etc. three. (The two predominances should also be made three, the other two should also be made three.)

Proximity condition and so on

90. A mental state that is both mental defilement and defiled is a condition for a mental state that is both mental defilement and defiled by way of proximity condition (nine should also be made, there is neither advertent nor emergence)... by way of contiguity condition... by way of conscence condition... by way of mutuality condition... by way of support condition... by way of decisive support condition... nine questions (there is neither prenascent condition nor postnascent condition)... is a condition by way of repetition condition.

Kamma Condition, etc.

91. A mental state that is defiled but not mental defilement is a condition for a mental state that is defiled but not mental defilement by way of kamma condition - volition that is defiled but not mental defilement is a condition by way of kamma condition for associated aggregates. (1)

A mental state that is defiled but not mental defilement is a condition for a mental state that is both mental defilement and defiled by way of kamma condition - volition that is defiled but not mental defilement is a condition by way of kamma condition for associated mental defilements. (2)

A mental state that is defiled but not mental defilement is a condition for a mental state that is both mental defilement and defiled and for a mental state that is defiled but not mental defilement by way of kamma condition - volition that is defiled but not mental defilement is a condition by way of kamma condition for associated aggregates and for mental defilements. (3)

By way of nutriment condition... three... by way of faculty condition... three... by way of condition of meditative absorption... three... by way of path condition... nine... by way of associated condition... nine... by way of presence condition... nine... by way of absence condition... by way of disappearance condition... by way of non-disappearance condition... nine.

1. Positive Condition

2. Section on Enumeration

Pure

92. By way of root three, by way of object nine, by way of predominance nine, by way of proximity nine, by way of contiguity nine, by way of conascence nine, by way of mutuality nine, by way of support nine, by way of decisive support nine, by way of repetition nine, by way of action three, by way of nutriment three, by way of faculty three, by way of meditative absorption three, by way of path nine, by way of association nine, by way of presence nine, by way of absence nine, by way of disappearance nine, by way of non-disappearance nine.

Negative Extraction

93. A mental state that is both mental defilement and defiled is a condition for a mental state that is both mental defilement and defiled by way of object condition... by way of conascence condition... by way of decisive support condition. (Nine also, only three terms should be made.)

2. Negative Condition

2. Section on Enumeration

94. By way of non-root nine, by way of non-object nine (everywhere nine), by way of non-non-disappearance nine.

3. Positive-Negative Condition

95. By root condition: by way of non-object three, by way of non-predominance three, by way of non-proximity three, by way of non-contiguity three, by way of non-decisive support three... etc. by way of non-path three... etc. by way of the not dissociated three, by way of non-absence three, by way of non-disappearance three.

4. Negative-Positive Condition

96. By non-root condition, by way of object nine (conformity matrix should be made)... etc. by way of non-disappearance nine.

The mental defilement and defiled dyad is finished.

81. Mental Defilement and Associated with Mental Defilements Dyad

1. Section on the Dependent

97. A mental state that is both mental defilement and associated with mental defilements arises dependent on a mental state that is both mental defilement and associated with mental defilements by root condition - dependent on greed, delusion, wrong view, sloth, restlessness, shamelessness and moral fearlessness arise. (Similar to the mental defilement-defiled dyad, the difference, all sections.)

The mental defilement and associated with mental defilements dyad is finished.

82. Dissociated from Mental Defilements and Subject to Defilement Dyad

1. Section on the Dependent

98. A mental state dissociated from mental defilements and subject to defilement arises dependent on a mental state dissociated from mental defilements and subject to defilement by root condition - dependent on one aggregate dissociated from mental defilements and subject to defilement, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc.

(As the mundane dyad, thus the difference.)

The dissociated from mental defilements and subject to defilement dyad is finished.

The mental defilement cluster is finished.

ABOUT THIS TRANSLATION

This translation is part of the PaliVerse Project - the first complete, unified English translation of the Pāli Canon together with its Commentaries (Aṭṭhakathā) and Subcommentaries (Tīkā), accompanied by interactive study tools. PaliVerse is an ongoing project. The AI translations are continuously improved through experts' revisions and feedback. This text is the latest translation as of the date of download.

PDF Creation Date: 16 August 2026
