Root Condition

1. A mental state with a limited object arises dependent on a mental state with a limited object by root condition - dependent on one aggregate with a limited object, three aggregates arise... etc. two aggregates. At the moment of conception, dependent on one aggregate with a limited object, three aggregates arise... etc. two aggregates. (1)

A mental state with an exalted object arises dependent on a mental state with an exalted object by root condition - dependent on one aggregate with an exalted object, three aggregates arise... etc. two aggregates. At the moment of conception, with an exalted object... etc. (1)

A mental state with a limitless object arises dependent on a mental state with a limitless object by root condition - dependent on one aggregate with a limitless object, three aggregates arise... etc. two aggregates. (1)

Object condition and so on

2. A mental state with a limited object arises dependent on a mental state with a limited object by object condition... by predominance condition (in brief)... By non-disappearance condition.

1. Positive Condition

2. Section on Enumeration

3. By way of root three, by way of object three, by way of predominance three... etc. by way of non-disappearance three (so it should be counted).

Positive.

2. Negative Condition

1. Section on Analysis

Non-root Condition

4. A mental state with a limited object arises dependent on a mental state with a limited object by non-root condition - dependent on one rootless aggregate with a limited object, three aggregates arise... etc. two aggregates. At the rootless rebirth moment, dependent on one aggregate with a limited object, three aggregates arise...

etc. two aggregates, dependent on aggregates accompanied by sceptical doubt and accompanied by restlessness, delusion accompanied by sceptical doubt and accompanied by restlessness arises. (1)

A mental state with an exalted object arises dependent on a mental state with an exalted object by non-root condition - dependent on one rootless aggregate with an exalted object, three aggregates arise... etc. two aggregates, dependent on aggregates accompanied by sceptical doubt and accompanied by restlessness, delusion accompanied by sceptical doubt and accompanied by restlessness arises. (1)

A mental state with a limitless object arises dependent on a mental state with a limitless object by non-root condition - dependent on one rootless aggregate with a limitless object, three aggregates arise... etc. two aggregates. (1)

Non-predominance condition

5. A mental state with a limited object arises dependent on a mental state with a limited object by non-predominance condition - dependent on one aggregate with a limited object, three aggregates arise... etc. two aggregates. At the moment of conception... etc. (1)

A mental state with an exalted object arises dependent on a mental state with an exalted object by non-predominance condition - dependent on one aggregate with an exalted object, three aggregates arise... etc. two aggregates. At the moment of conception... etc. (1)

A mental state with a limitless object arises dependent on a mental state with a limitless object by non-predominance condition - dependent on one aggregate with a limitless object, three aggregates arise... etc. two aggregates. (1)

Non-prenascence Condition and so on

6. A mental state with a limited object arises dependent on a mental state with a limited object by non-prenascence condition - in the immaterial-sphere of existence, dependent on one aggregate with a limited object, three aggregates arise... etc. at the moment of conception... etc. (1)

A mental state with an exalted object arises dependent on a mental state with an exalted object by non-prenascence condition - in the immaterial-sphere of existence, dependent on one aggregate with an exalted object, three aggregates arise... etc. two aggregates (there is no conception with an exalted object). (1)

A mental state with a limitless object arises dependent on a mental state with a limitless object by non-prenascence condition - in the immaterial-sphere of existence, dependent on one aggregate with a limitless object, three aggregates arise... etc. two aggregates (non-postnascence condition and non-repetition condition are similar to non-predominance).

Non-kamma condition

7. A mental state with a limited object arises dependent on a mental state with a limited object by non-kamma condition - dependent on aggregates with a limited object, volition with a limited object arises. (1)

A mental state with an exalted object arises dependent on a mental state with an exalted object by non-kamma condition - dependent on aggregates with an exalted object, volition with an exalted object arises. (1)

A mental state with a limitless object arises dependent on a mental state with a limitless object by non-kamma condition - dependent on aggregates with a limitless object, volition with a limitless object arises. (1)

Non-resultant condition and so on

8. A mental state with a limited object arises dependent on a mental state with a limited object by non-resultant condition (there is no conception)... By non-condition of meditative absorption - dependent on one aggregate accompanied by five-sense-consciousnesses, three aggregates arise... etc. two aggregates... By non-path condition - dependent on one rootless aggregate with a limited object, three aggregates arise... etc. two aggregates; at the rootless rebirth moment, etc. two aggregates... etc.

A mental state with an exalted object arises dependent on a mental state with an exalted object by non-path condition - dependent on one rootless aggregate with an exalted object, three aggregates arise... etc. two aggregates. (1)

A mental state with a limitless object arises dependent on a mental state with a limitless object by non-path condition - dependent on one rootless aggregate with a limitless object, three aggregates arise... etc. two aggregates. (1)

Not dissociated condition

9. A mental state with a limited object arises dependent on a mental state with a limited object by not dissociated condition - in the immaterial-sphere of existence, dependent on one aggregate with a limited object, three aggregates arise... etc. (1)

A mental state with an exalted object arises dependent on a mental state with an exalted object by not dissociated condition - in the immaterial-sphere of existence, dependent on one aggregate with an exalted object, three aggregates arise... etc. (1)

A mental state with a limitless object arises dependent on a mental state with a limitless object by not dissociated condition - in the immaterial-sphere of existence, dependent on one aggregate with a limitless object, three aggregates arise... etc. two aggregates. (1)

2. Negative Condition

2. Section on Enumeration

10. By way of non-root three, by way of non-predominance three... etc. by way of non-prenascence three, by way of non-postnascence three, by way of non-repetition three, by way of non-kamma three, by way of non-resultant three, by way of non-meditative absorption one, by way of non-path three, by way of the not dissociated three (so it should be counted).

Negative.

3. Positive-Negative Condition

11. By way of root condition, by way of non-predominance three, by way of non-prenascence three, by way of non-postnascence three, by way of non-repetition three, by way of non-kamma three, by way of non-resultant three, by way of the not dissociated three (so it should be counted).

Positive-negative.

4. Negative-Positive Condition

Non-root dyad

12. By non-root condition, by way of object three, by way of proximity three, by way of contiguity three, by way of conscence three, by way of mutuality three, by way of support three, by way of decisive support three, by way of prenascence three, by way of repetition two, by way of action three, by way of result one, by way of nutriment three, by way of faculty three, by way of meditative absorption three, by way of path two, by way of association three, by way of dissociation three, by way of presence three, by way of absence three, by way of disappearance three, by way of non-disappearance three (so it should be counted).

Negative-positive.

1. Section on Analysis

Root Condition

13. A mental state with a limited object is a condition for a mental state with a limited object by way of root condition - roots with a limited object are a condition by way of root condition for associated aggregates. At the moment of conception, roots with a limited object are a condition by way of root condition for associated aggregates. (1)

A mental state with an exalted object is a condition for a mental state with an exalted object by way of root condition - roots with an exalted object are a condition by way of root condition for associated aggregates. At the moment of conception... etc. (1)

A mental state with a limitless object is a condition for a mental state with a limitless object by way of root condition - roots with a limitless object are a condition by way of root condition for associated aggregates. (1)

Object condition

14. A mental state with a limited object is a condition for a mental state with a limited object by way of object condition - having given a gift, having taken upon oneself morality, having performed the Observance practice, one reviews that; one reviews what was well practised before; noble ones review the defilements abandoned by way of limited object; they review the suppressed defilements; they know the defilements previously indulged in. One sees with insight the limited aggregates by way of limited object as impermanent, as suffering, as non-self, enjoys them, delights in them; referring to that, lust with a limited object arises... etc. Displeasure arises. With the knowledge of others' mental states one knows the consciousness of one possessing limited consciousness with a limited object. Limited aggregates with a limited object are a condition by way of object condition for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of rebirth according to beings' actions, for the knowledge of future events, for advertizing. (1)

A mental state with a limited object is a condition for a mental state with an exalted object by way of object condition - one reviews the divine eye, one reviews the divine ear element, one reviews the knowledge of various kinds of supernormal power with a limited object, the knowledge of others' mental states... etc. the knowledge of recollecting past lives... etc. the knowledge of rebirth according to beings' actions... etc. one reviews the knowledge of future events. One sees with insight the exalted aggregates by way of limited object as impermanent... etc. enjoys them, delights in them; referring to that, lust with an exalted object arises... etc. Displeasure arises. With the knowledge of others' mental states one knows the consciousness of one possessing exalted consciousness with a limited object. Exalted aggregates with a limited object are a condition by way of object condition for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of future events, for advertizing. (2)

15. A mental state with an exalted object is a condition for a mental state with an exalted object by way of object condition - one reviews the plane of infinite consciousness, one reviews the plane of neither-perception-nor-non-perception, one reviews the knowledge of various kinds of supernormal power with an exalted object, the knowledge of others' mental states... etc. the knowledge of recollecting past lives... etc. the knowledge of rebirth according to beings' actions... etc. one reviews the knowledge of future events. One sees with insight the exalted aggregates by way of exalted object as impermanent... etc. enjoys them, delights in them; referring to that, lust with an exalted object arises... etc. Displeasure arises. With the knowledge of others' mental states one knows the consciousness of one possessing exalted consciousness with an exalted object. Exalted aggregates with an exalted object are a condition by way of object condition for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of rebirth according to beings' actions, for the knowledge of future events, for advertizing. (1)

A mental state with an exalted object is a condition for a mental state with a limited object by way of object condition - one reviews the reviewing of the first meditative absorption... etc. one reviews the reviewing of the plane of neither-perception-nor-non-perception, one reviews the reviewing of the divine eye, one reviews the reviewing of the divine ear element, the reviewing of the knowledge of various kinds

of supernormal power... etc. the reviewing of the knowledge of others' mental states... etc. the reviewing of the knowledge of recollecting past lives... etc. the reviewing of the knowledge of rebirth according to beings' actions... etc. one reviews the reviewing of the knowledge of future events, noble ones review the abandoned defilements by way of exalted object, they review the suppressed defilements, they know the defilements previously indulged in. One sees with insight the limited aggregates by way of exalted object as impermanent... etc. enjoys them, delights in them; referring to that, lust with a limited object arises... etc. Displeasure arises. With the knowledge of others' mental states one knows the consciousness of one possessing limited consciousness with an exalted object. Limited aggregates with an exalted object are a condition by way of object condition for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of rebirth according to beings' actions, for the knowledge of future events, for advertizing. (2)

16. A mental state with a limitless object is a condition for a mental state with a limitless object by way of object condition - noble ones, having emerged from the path, review the path, review fruition. With the knowledge of others' mental states one knows the consciousness of one possessing limitless consciousness with a limitless object. Limitless aggregates with a limitless object are a condition by way of object condition for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of future events, for advertizing. (1)

A mental state with a limitless object is a condition for a mental state with a limited object by way of object condition - noble ones review the change-of-lineage, review the cleansing, review the path-review, review the fruition review, review the Nibbāna-review. One sees with insight the limited aggregates by way of limitless object as impermanent... etc. with the knowledge of others' mental states one knows the consciousness of one possessing limited consciousness with a limitless object. Limited aggregates with a limitless object are a condition by way of object condition for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of rebirth according to beings' actions, for the knowledge of future events, for advertizing. (2)

A mental state with a limitless object is a condition for a mental state with an exalted object by way of object condition - noble ones review the knowledge of others' mental states with a limitless object, review the knowledge of recollecting past lives, review the knowledge of future events. With the knowledge of others' mental states they know the consciousness of one possessing exalted consciousness with a limitless object. Exalted aggregates with a limitless object are a condition by way of object condition for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of future events, for advertizing. (3)

Predominance condition

17. A mental state with a limited object is a condition for a mental state with a limited object by way of predominance condition - object predominance, connascent predominance. Object predominance - having given a gift, having taken upon oneself morality, having performed the Observance practice, having given weight to that, one reviews; having given weight to what was well practised before, one reviews; having

given weight to limited aggregates with a limited object, one enjoys them, delights in them; having given weight to that, lust with a limited object arises, wrong view arises. Connascent predominance - predominance with a limited object is a condition by way of predominance condition for associated aggregates. (1)

A mental state with a limited object is a condition for a mental state with an exalted object by way of predominance condition. Object predominance - having given weight to the divine eye, one reviews; the divine ear element... etc. the knowledge of various kinds of supernormal power with a limited object... etc. the knowledge of others' mental states... etc. the knowledge of recollecting past lives... etc. the knowledge of rebirth according to beings' actions... etc. having given weight to the knowledge of future events, one reviews. Having given weight to exalted aggregates with a limited object, one enjoys them, delights in them; having given weight to that, lust with an exalted object arises, wrong view arises. (2)

18. A mental state with an exalted object is a condition for a mental state with an exalted object by way of predominance condition - object predominance, connascent predominance. Object predominance - having given weight to the plane of infinite consciousness, one reviews; the plane of neither-perception-nor-non-perception... etc. the knowledge of various kinds of supernormal power with an exalted object... etc. the knowledge of others' mental states... etc. the knowledge of recollecting past lives... etc. the knowledge of rebirth according to beings' actions... etc. having given weight to the knowledge of future events, one reviews. Having given weight to exalted aggregates with an exalted object, one enjoys them, delights in them; having given weight to that, lust with an exalted object arises, wrong view arises. Connascent predominance - predominance with an exalted object is a condition by way of predominance condition for associated aggregates. (1)

A mental state with an exalted object is a condition for a mental state with a limited object by way of predominance condition. Object predominance - having given weight to the reviewing of the first meditative absorption, one reviews... etc. having given weight to the reviewing of the knowledge of future events, one reviews. Having given weight to limited aggregates with an exalted object, one enjoys them, delights in them; having given weight to that, lust with a limited object arises, wrong view arises. (2)

19. A mental state with a limitless object is a condition for a mental state with a limitless object by way of predominance condition - object predominance, connascent predominance. Object predominance - Noble ones, having emerged from the path, having given weight to the path, review; having given weight to fruition, review. Connascent predominance - limitless object predominance is a condition by way of predominance condition for associated aggregates. (1)

A mental state with a limitless object is a condition for a mental state with a limited object by way of predominance condition. Object predominance - Learners, having given weight to the change-of-lineage, review; having given weight to the cleansing, review; having given weight to the path-review, review; having given weight to the fruition review, review; having given weight to the Nibbāna-review, review. (2)

A mental state with a limitless object is a condition for a mental state with an exalted object by way of predominance condition. Object predominance - Learners, having

given weight to the knowledge of others' mental states with a limitless object, review. The knowledge of recollecting past lives... etc. having given weight to the knowledge of future events, review. (3)

Proximity condition

20. A mental state with a limited object is a condition for a mental state with a limited object by way of proximity condition - the former and former aggregates with a limited object are a condition by way of proximity condition for the latter and latter aggregates with a limited object. (1)

A mental state with a limited object is a condition for a mental state with an exalted object by way of proximity condition - death consciousness with a limited object is a condition by way of proximity condition for rebirth consciousness with an exalted object. Life-continuum with a limited object is a condition by way of proximity condition for advertizing with an exalted object. Aggregates with a limited object are a condition by way of proximity condition for emergence with an exalted object. (2)

A mental state with a limited object is a condition for a mental state with a limitless object by way of proximity condition - life-continuum with a limited object is a condition by way of proximity condition for advertizing with a limitless object. Conformity with a limited object for change-of-lineage, etc. conformity for cleansing, etc. conformity is a condition by way of proximity condition for fruition attainment. (3)

21. A mental state with an exalted object is a condition for a mental state with an exalted object by way of proximity condition - the former and former aggregates with an exalted object are a condition by way of proximity condition for the latter and latter aggregates with an exalted object. (1)

A mental state with an exalted object is a condition for a mental state with a limited object by way of proximity condition - death consciousness with an exalted object is a condition by way of proximity condition for rebirth consciousness with a limited object. Life-continuum with an exalted object is a condition by way of proximity condition for advertizing with a limited object. Aggregates with an exalted object are a condition by way of proximity condition for emergence with a limited object. (2)

A mental state with an exalted object is a condition for a mental state with a limitless object by way of proximity condition - life-continuum with an exalted object is a condition by way of proximity condition for advertizing with a limitless object. Conformity with an exalted object for change-of-lineage, etc. conformity for cleansing, etc. conformity for fruition attainment, etc. for one emerging from cessation, the plane of neither-perception-nor-non-perception is a condition by way of proximity condition for fruition attainment. (3)

22. A mental state with a limitless object is a condition for a mental state with a limitless object by way of proximity condition - the former and former aggregates with a limitless object are a condition by way of proximity condition for the latter and latter aggregates with a limitless object. Change-of-lineage for the path, etc. cleansing for the path, etc. the path for fruition, etc. fruition is a condition by way of proximity condition for fruition. (1)

A mental state with a limitless object is a condition for a mental state with a limited object by way of proximity condition - path-review for emergence with a limited object, etc. fruition review for emergence with a limited object, etc. Nibbāna-review for emergence with a limited object, etc. knowledge of others' mental states with a limitless object for emergence with a limited object, etc. knowledge of recollecting past lives for emergence with a limited object, etc. knowledge of future events for emergence with a limited object, etc. fruition is a condition by way of proximity condition for emergence with a limited object. (2)

A mental state with a limitless object is a condition for a mental state with an exalted object by way of proximity condition - path-review for emergence with an exalted object, etc. fruition review for emergence with an exalted object, etc. Nibbāna-review for emergence with an exalted object, etc. fruition is a condition by way of proximity condition for emergence with an exalted object. (3)

Contiguity condition

23. A mental state with a limited object is a condition for a mental state with a limited object by way of contiguity condition (similar to proximity).

Conascence Condition and so on

24. A mental state with a limited object is a condition for a mental state with a limited object by way of conascence condition... by way of mutuality condition... by way of support condition... three (should be made similar to the section on the dependent).

Decisive support condition

25. A mental state with a limited object is a condition for a mental state with a limited object by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith with a limited object one gives a gift, morality, etc. the Observance practice... etc. produces meditative absorption with a limited object, insight, etc. direct knowledge, etc. produces attainment, mutters conceit, takes wrong view. Morality with a limited object, etc. wisdom... lust, hate... delusion... conceit... wrong view... longing... bodily pleasure, etc. in dependence on bodily pain one gives a gift, morality, etc. the Observance practice... etc. produces meditative absorption with a limited object, insight, etc. direct knowledge, etc. produces attainment, kills a living being, etc. breaks the monastic community. Faith with a limited object, etc. wisdom, lust, etc. longing, bodily pleasure... bodily pain, etc. for faith with a limited object, etc. for wisdom, for lust, etc. for longing, for bodily pleasure, for bodily pain by way of decisive support condition. (1)

A mental state with a limited object is a condition for a mental state with an exalted object by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith with a limited object one produces meditative absorption with an exalted object, insight, etc. direct knowledge, etc. produces attainment, mutters conceit, takes wrong view. Morality with a limited object, etc. wisdom... lust, etc. longing... in dependence on bodily pleasure, bodily pain one produces meditative

absorption with an exalted object, insight, etc. direct knowledge, etc. produces attainment, mutters conceit, takes wrong view. Faith with a limited object, etc. bodily pleasure, bodily pain is a condition for faith with an exalted object, etc. for wisdom, for lust, etc. for longing by way of decisive support condition.(2)

A mental state with a limited object is a condition for a mental state with a limitless object by way of decisive support condition - proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith with a limited object one produces meditative absorption with a limitless object, the path, etc. direct knowledge, etc. produces attainment. Morality with a limited object, etc. wisdom, lust, etc. in dependence on bodily pleasure, bodily pain one produces meditative absorption with a limitless object, the path... direct knowledge... produces attainment. Faith with a limited object, etc. bodily pleasure, bodily pain is a condition for faith with a limitless object, etc. is a condition by way of decisive support condition for wisdom. (3)

26. A mental state with an exalted object is a condition for a mental state with an exalted object by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith with an exalted object one produces meditative absorption with an exalted object, insight... direct knowledge... produces attainment, mutters conceit, takes wrong view. Morality with an exalted object, etc. wisdom, lust, etc. in dependence on longing one produces meditative absorption with an exalted object, etc. takes wrong view. Faith with an exalted object, etc. wisdom, lust, etc. longing is a condition for faith with an exalted object, etc. for longing by way of decisive support condition. (1)

A mental state with an exalted object is a condition for a mental state with a limited object by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith with an exalted object one gives a gift, takes upon oneself morality, performs the Observance practice, produces meditative absorption with a limited object, insight... direct knowledge... produces attainment, mutters conceit, takes wrong view. Morality with an exalted object, etc. in dependence on longing one gives a gift, etc. takes wrong view. Faith with an exalted object, etc. longing is a condition for faith with a limited object, etc. for longing, for bodily pleasure, for bodily pain by way of decisive support condition. (2)

A mental state with an exalted object is a condition for a mental state with a limitless object by way of decisive support condition - proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith with an exalted object one produces meditative absorption with a limitless object, the path... direct knowledge... produces attainment. Morality with an exalted object, etc. in dependence on longing one produces meditative absorption with a limitless object, etc. produces attainment. Faith with an exalted object, etc. longing is a condition for faith with a limitless object, etc. for wisdom by way of decisive support condition. (3)

27. A mental state with a limitless object is a condition for a mental state with a limitless object by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in

dependence on faith with a limitless object one produces meditative absorption with a limitless object, the path... direct knowledge... produces attainment. Morality with a limitless object, etc. in dependence on wisdom one produces meditative absorption with a limitless object. The path, etc. direct knowledge, etc. produces attainment. Faith with a limitless object, etc. wisdom is a condition for faith with a limitless object, etc. for wisdom, for the path, for fruition attainment by way of decisive support condition. (1)

A mental state with a limitless object is a condition for a mental state with a limited object by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith with a limitless object one gives a gift, takes upon oneself morality, performs the Observance practice, produces meditative absorption with a limited object, insight... direct knowledge... produces attainment. Morality with a limitless object, etc. in dependence on wisdom one gives a gift, etc. produces attainment. Faith with a limitless object, etc. wisdom is a condition for faith with a limited object, etc. for wisdom, for bodily pleasure, for bodily pain by way of decisive support condition. (2)

A mental state with a limitless object is a condition for a mental state with an exalted object by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith with a limitless object one produces meditative absorption with an exalted object, insight... direct knowledge... produces attainment. Morality with a limitless object, etc. in dependence on wisdom one produces meditative absorption with an exalted object, insight... direct knowledge... produces attainment. Faith with a limitless object, etc. wisdom is a condition for faith with an exalted object, etc. is a condition by way of decisive support condition for wisdom. (3)

Repetition condition

28. A mental state with a limited object is a condition for a mental state with a limited object by way of repetition condition - the former and former aggregates with a limited object are a condition by way of repetition condition for the latter and latter aggregates with a limited object. (1)

A mental state with a limited object is a condition for a mental state with a limitless object by way of repetition condition - conformity with a limited object for change-of-lineage, etc. conformity is a condition by way of repetition condition for cleansing. (2)

29. A mental state with an exalted object is a condition for a mental state with an exalted object by way of repetition condition - the former and former aggregates with an exalted object are a condition by way of repetition condition for the latter and latter aggregates with an exalted object. (1)

A mental state with an exalted object is a condition for a mental state with a limitless object by way of repetition condition - conformity with an exalted object for change-of-lineage, etc. conformity is a condition by way of repetition condition for cleansing. (2)

30. A mental state with a limitless object is a condition for a mental state with a limitless object by way of repetition condition - the former and former aggregates

with a limitless object are a condition by way of repetition condition for the latter and latter aggregates with a limitless object. Change-of-lineage for the path, etc. cleansing is a condition by way of repetition condition for the path. (1)

Kamma condition

31. A mental state with a limited object is a condition for a mental state with a limited object by way of kamma condition - conascence, asynchronous. Conascence - volition with a limited object is a condition by way of kamma condition for associated aggregates. At the moment of conception... etc. Asynchronous - volition with a limited object is a condition by way of kamma condition for resultant aggregates with a limited object. (1)

A mental state with an exalted object is a condition for a mental state with an exalted object by way of kamma condition - conascence, asynchronous. Conascence - volition with an exalted object is a condition by way of kamma condition for associated aggregates. At the moment of conception... etc. Asynchronous - volition with an exalted object is a condition by way of kamma condition for resultant aggregates with an exalted object. (1)

A mental state with an exalted object is a condition for a mental state with a limited object by way of kamma condition. Asynchronous - volition with an exalted object is a condition by way of kamma condition for resultant aggregates with a limited object. (2)

32. A mental state with a limitless object is a condition for a mental state with a limitless object by way of kamma condition - conascence, asynchronous. Conascence - volition with a limitless object is a condition by way of kamma condition for associated aggregates. Asynchronous - volition with a limitless object is a condition by way of kamma condition for resultant aggregates with a limitless object. (1)

A mental state with a limitless object is a condition for a mental state with a limited object by way of kamma condition. Asynchronous - volition with a limitless object is a condition by way of kamma condition for resultant aggregates with a limited object. (2)

Result Condition etc.

33. A mental state with a limited object is a condition for a mental state with a limited object by way of result condition... by way of nutriment condition... by way of faculty condition... by way of condition of meditative absorption... by way of path condition... by way of associated condition... by way of presence condition... by way of absence condition... by way of disappearance condition... by way of non-disappearance condition.

1. Positive Condition

2. Section on Enumeration

34. By way of root three, by way of object seven, by way of predominance seven, by way of proximity nine, by way of contiguity nine, by way of conascence three, by way of mutuality three, by way of support three, by way of decisive support nine, by way of repetition five, by way of action five, by way of result three, by way of nutriment

three, by way of faculty, by way of meditative absorption, by way of path, by way of association, by way of presence three, by way of absence nine, by way of disappearance nine, by way of non-disappearance three (thus it should be counted).

Positive.

Negative Extraction

35. A mental state with a limited object is a condition for a mental state with a limited object by way of object condition... by way of consciousness condition... by way of decisive support condition... by way of kamma condition. (1)

A mental state with a limited object is a condition for a mental state with an exalted object by way of object condition... by way of decisive support condition. (2)
