Mind-object sense base, element of phenomena, then life, mentality-materiality;

The six sense bases, birth, ageing and death, and two triads are not obtained.

Seven in the first intermediate, and ten in the cluster, in the last;

Fourteen and six at the top - thus these forty-seven phenomena;

Are not obtained in eradication, and by the empty question.

The exposition of the terms "included" and "not included" by what is dissociated is fourteenth.

The Treatise on Elements is finished.
