Root Condition

1. A mental fetter state arises dependent on a mental fetter state by root condition - dependent on the mental fetter of sensual lust, the mental fetter of wrong view and the mental fetter of ignorance arise; dependent on the mental fetter of sensual lust, the mental fetter of adherence to moral rules and austerities and the mental fetter of ignorance arise; dependent on the mental fetter of sensual lust, the mental fetter of conceit and the mental fetter of ignorance arise; dependent on the mental fetter of sensual lust, the mental fetter of ignorance arises; dependent on the mental fetter of aversion, the mental fetter of envy and the mental fetter of ignorance arise; dependent on the mental fetter of aversion, the mental fetter of stinginess and the mental fetter of ignorance arise; dependent on the mental fetter of aversion, the mental fetter of ignorance arises; dependent on the mental fetter of conceit, the mental fetter of lust for existence and the mental fetter of ignorance arise; dependent on the mental fetter of lust for existence, the mental fetter of ignorance arises; dependent on the mental fetter of sceptical doubt, the mental fetter of ignorance arises. (1)

A non-mental fetter state arises dependent on a mental fetter state by root condition - dependent on mental fetters, associated aggregates and consciousness-originated materiality arise. (2)

Mental fetter and non-mental fetter states arise dependent on a mental fetter state by root condition - dependent on the mental fetter of sensual lust, the mental fetter of wrong view and the mental fetter of ignorance and associated aggregates and consciousness-originated materiality arise (wheel should be bound). (3)

2. A non-mental fetter state arises dependent on a non-mental fetter state by root condition - dependent on one non-mental fetter aggregate, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. at the moment of conception... etc. dependent on aggregates, the sense-base arises; dependent on the sense-base, aggregates arise; dependent on one primary element... etc. dependent on primary elements, consciousness-originated materiality, kamma-born materiality, and derivative materiality arise. (1)

A mental fetter state arises dependent on a non-mental fetter state by root condition - dependent on non-mental fetter aggregates, mental fetters arise. (2)

Mental fetter and non-mental fetter states arise dependent on a non-mental fetter state by root condition - dependent on one non-mental fetter aggregate, three aggregates and mental fetters and consciousness-originated materiality arise... etc. two aggregates... etc. (3)

3. A mental fetter state arises dependent on a mental fetter and non-mental fetter state by root condition - dependent on the mental fetter of sensual lust and associated aggregates, the mental fetter of wrong view and the mental fetter of ignorance arise (wheel should be bound). (1)

A non-mental fetter state arises dependent on a mental fetter and non-mental fetter state by root condition - dependent on one non-mental fetter aggregate and mental fetters, three aggregates and consciousness-originated materiality arise... etc. and two aggregates... etc. (2)

Mental fetter and non-mental fetter states arise dependent on a mental fetter and non-mental fetter state by root condition - dependent on one non-mental fetter aggregate and the mental fetter of sensual lust, three aggregates and the mental fetter of wrong view and the mental fetter of ignorance and consciousness-originated materiality arise... etc. (wheel should be bound). (3)

(In object condition there is no materiality. Predominance condition is similar to root, there is no mental fetter of sceptical doubt.) By proximity condition... etc. By non-disappearance condition.

Root Condition

10. A mental fetter state arises conditioned by a mental fetter state by root condition... three (similar to dependence).

A non-mental fetter state arises conditioned by a non-mental fetter state by root condition - conditioned by one non-mental fetter aggregate, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. at the moment of conception... etc. conditioned by aggregates, the sense-base arises; conditioned by the sense-base, aggregates arise; conditioned by one primary element... etc. conditioned by primary elements, consciousness-originated materiality, kamma-born materiality, and derivative materiality arise; conditioned by the sense-base, non-mental fetter aggregates arise. (1)

A mental fetter state arises conditioned by a non-mental fetter state by root condition - conditioned by non-mental fetter aggregates, mental fetters arise; conditioned by the sense-base, mental fetters arise. (2)

Mental fetter and non-mental fetter states arise conditioned by a non-mental fetter state by root condition - conditioned by one non-mental fetter aggregate, three aggregates and mental fetters and consciousness-originated materiality arise... etc. two aggregates... etc. conditioned by the sense-base, mental fetters arise; conditioned by primary elements, consciousness-originated materiality arises; conditioned by the sense-base, mental fetters and associated aggregates arise. (3)

11. A mental fetter state arises conditioned by a mental fetter and non-mental fetter state by root condition - conditioned by the mental fetter of sensual lust and associated aggregates, the mental fetter of wrong view and the mental fetter of ignorance arise; conditioned by the mental fetter of sensual lust and sense-base, the mental fetter of wrong view and the mental fetter of ignorance arise (wheel). (1)

A non-mental fetter state arises conditioned by a mental fetter and non-mental fetter state by root condition - conditioned by one non-mental fetter aggregate and mental fetters, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. (wheel). Conditioned by mental fetters and sense-base, non-mental fetter aggregates arise. (2)

Mental fetter and non-mental fetter states arise conditioned by a mental fetter and non-mental fetter state by root condition - conditioned by one non-mental fetter aggregate and the mental fetter of sensual lust, three aggregates and the mental fetter of wrong view and the mental fetter of ignorance and consciousness-originated materiality arise, two aggregates... etc. (wheel). Conditioned by the mental fetter of sensual lust and sense-base, the mental fetter of wrong view and the mental fetter of ignorance and associated aggregates arise (wheel. Abbreviated). (3)

1. Positive Condition

1. Section on Analysis

Root Condition

15. A mental fetter state is a condition for a mental fetter state by way of root condition - mental fetter roots are a condition for associated mental fetters by way of root condition. (1)

A mental fetter state is a condition for a non-mental fetter state by way of root condition - mental fetter roots are a condition for associated aggregates and for consciousness-originated materiality by way of root condition. (2)

A mental fetter state is a condition for a mental fetter and a non-mental fetter state by way of root condition - mental fetter roots are a condition for associated aggregates, mental fetters, and for consciousness-originated materiality by way of root condition. (3)

16. A non-mental fetter state is a condition for a non-mental fetter state by way of root condition - non-mental fetter roots are a condition for associated aggregates and for consciousness-originated materiality by way of root condition; at the moment of conception... etc. (1)

Object condition

17. A mental fetter state is a condition for a mental fetter state by way of object condition - referring to a mental fetter, mental fetters arise. (The root should be made) referring to a mental fetter, non-mental fetter aggregates arise. (The root should be made) referring to a mental fetter, mental fetters and associated aggregates arise. (3)

18. A non-mental fetter state is a condition for a non-mental fetter state by way of object condition - having given a gift, morality... etc. having performed the Observance practice, one reviews that; what was well practised before... etc. meditative absorptions... etc. noble ones, having emerged from the path, review the path, fruition... etc. they review Nibbāna; Nibbāna is a condition by way of object condition for change-of-lineage, for cleansing, for the path, for fruition, for adverting; noble ones review the non-mental fetter abandoned defilements... etc. the

suppressed defilements... etc. formerly... etc. The eye... etc. the sense-base, non-mental fetter aggregates as impermanent... etc. displeasure arises; one sees materiality with the divine eye, hears sound with the divine ear element, with the knowledge of others' mental states knows the consciousness of one possessing non-mental fetter consciousness, the plane of infinite space is a condition for the plane of infinite consciousness... etc. the plane of nothingness is a condition for the plane of neither-perception-nor-non-perception, etc. the visible form sense base for eye-consciousness... etc. the touch sense base for body-consciousness... etc. non-mental fetter aggregates are a condition by way of object condition for the knowledge of various kinds of supernormal power, for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of rebirth according to beings' actions, for the knowledge of future events, for advertizing. (1)

A non-mental fetter state is a condition for a mental fetter state by way of object condition - giving... etc. morality... etc. the Observance practice... etc. formerly... etc. meditative absorptions... etc. the eye... etc. the sense-base, one enjoys the non-mental fetter aggregates, delights in them; referring to that, lust arises... etc. Displeasure arises. (2)

A non-mental fetter state is a condition for a mental fetter and a non-mental fetter state by way of object condition - having given a gift, morality... etc. the Observance practice... etc. formerly... etc. meditative absorptions... etc. the eye... etc. the sense-base, one enjoys the non-mental fetter aggregates, delights in them; referring to that, mental fetters and aggregates associated with mental fetters arise. (3)

Mental fetter and non-mental fetter states are a condition for a mental fetter state by way of object condition... three (should be done referring to).

Predominance condition

19. A mental fetter state is a condition for a mental fetter state by way of predominance condition. Object predominance - having given weight to a mental fetter... etc. three (weighty object).

A non-mental fetter state is a condition for a non-mental fetter state by way of predominance condition - object predominance, connascent predominance. Object predominance - having given a gift, morality... etc. three (for all three object predominance, connascent predominance also should be done, all three should be analysed).

Mental fetter and non-mental fetter states are a condition for a mental fetter state by way of predominance condition. Object predominance - having given weight to a mental fetter and associated aggregates... etc. three.

Proximity condition

20. A mental fetter state is a condition for a mental fetter state by way of proximity condition - the former and former mental fetters are a condition for the latter and latter mental fetters by way of proximity condition... three.

A non-mental fetter state is a condition for a non-mental fetter state by way of proximity condition - the former and former non-mental fetter aggregates are a condition for the latter... etc. is a condition for fruition attainment by way of proximity

condition. (1)

A non-mental fetter state is a condition for a mental fetter state by way of proximity condition - the former and former non-mental fetter aggregates are a condition for the latter and latter mental fetters by way of proximity condition; adverting is a condition for mental fetters by way of proximity condition (thus two also should be made). (3)

Mental fetter and non-mental fetter states are a condition for a mental fetter state by way of proximity condition... three.

Contiguity Condition and so on

21. A mental fetter state is a condition for a mental fetter state by way of contiguity condition... nine... by way of conascence condition... nine... by way of mutuality condition... nine... by way of support condition... nine.

Decisive support condition

22. A mental fetter state is a condition for a mental fetter state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - mental fetters are a condition for mental fetters by way of decisive support condition (thus three also).

23. A non-mental fetter state is a condition for a non-mental fetter state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith one gives a gift, etc. produces attainment, mutters conceit, takes wrong view; morality... etc. wisdom, lust, etc. longing, etc. in dependence on lodging one gives a gift, etc. breaks the Community; faith, etc. lodging for faith, etc. for fruition attainment by way of decisive support condition. (1)

A non-mental fetter state is a condition for a mental fetter state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith, one mutters conceit, takes wrong view; morality... etc. in dependence on lodging one kills a living being, etc. breaks the Community; faith, etc. lodging is a condition for lust, etc. for longing by way of decisive support condition. (2)

A non-mental fetter state is a condition for a mental fetter and a non-mental fetter state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith, one mutters conceit, takes wrong view; morality... etc. in dependence on lodging one kills a living being, etc. breaks the Community; faith, etc. lodging is a condition for mental fetters and for associated aggregates by way of decisive support condition. (3)

Mental fetter and non-mental fetter states are a condition for a mental fetter state by way of decisive support condition... three.

Prenascence condition

24. A non-mental fetter state is a condition for a non-mental fetter state by way of prenascent condition - object prenascent, sense-organ prenascent. Object prenascent - the eye... etc. the sense-base as impermanent... etc. displeasure arises; One sees materiality with the divine eye, hears sound with the divine ear element, the visible form sense base for eye-consciousness... etc. the touch sense base for body-consciousness... etc. Sense-organ prenascent - the eye sense base for eye-consciousness... etc. the body sense base for body-consciousness... etc. the sense-base is a condition for non-mental fetter aggregates by way of prenascent condition. (1)

A non-mental fetter state is a condition for a mental fetter state by way of prenascent condition - object prenascent, sense-organ prenascent. Object prenascent - the eye... etc. One enjoys the sense-base, delights in it; referring to that, lust arises... etc. Displeasure arises. Sense-organ prenascent - the sense-base is a condition for mental fetters by way of prenascent condition. (2)

A non-mental fetter state is a condition for a mental fetter and a non-mental fetter state by way of prenascent condition - object prenascent, sense-organ prenascent. Object prenascent - the eye... etc. One enjoys the sense-base, delights in it; referring to that, mental fetters and associated aggregates arise. Sense-organ prenascent - the sense-base is a condition for mental fetters and for associated aggregates by way of prenascent condition. (3)

Postnascent condition

25. A mental fetter state is a condition for a non-mental fetter state by way of postnascent condition... one.

A non-mental fetter state is a condition for a non-mental fetter state by way of postnascent condition... etc. (1)

Mental fetter and non-mental fetter states are a condition for a non-mental fetter state by way of postnascent condition... etc. (1)

Repetition condition

26. A mental fetter state is a condition for a mental fetter state by way of repetition condition... nine.

Kamma Condition, etc.

27. A non-mental fetter state is a condition for a non-mental fetter state by way of kamma condition... three... by way of result condition... one... by way of nutriment condition... three... by way of faculty condition... three... by way of condition of meditative absorption... three... by way of path condition... nine... by way of associated condition... nine.

Dissociation condition

28. A mental fetter state is a condition for a non-mental fetter state by way of dissociated condition - consciousness, postnascent (to be analysed). (1)

A non-mental fetter state is a condition for a non-mental fetter state by way of dissociated condition - consciousness, prenascent, postnascent (to be analysed). (1)

A non-mental fetter state is a condition for a mental fetter state by way of dissociated condition. Prenascence - the sense-base is a condition for mental fetters by way of dissociated condition. (2)

A non-mental fetter state is a condition for a mental fetter and a non-mental fetter state by way of dissociated condition. Prenascence - the sense-base is a condition for mental fetters and for associated aggregates by way of dissociated condition. (3)

Mental fetter and non-mental fetter states are a condition for a non-mental fetter state by way of dissociated condition - conascence, postnascence (to be analysed). (1)

Presence condition

29. A mental fetter state is a condition for a mental fetter state by way of presence condition... one (similar to dependence). (1)

A mental fetter state is a condition for a non-mental fetter state by way of presence condition - conascence, postnascence (in brief). (2)

A mental fetter state is a condition for a mental fetter and a non-mental fetter state by way of presence condition (similar to dependence). (3)

30. A non-mental fetter state is a condition for a non-mental fetter state by way of presence condition - conascence, prenascence, postnascence, nutriment, faculty (in brief). (1)

A non-mental fetter state is a condition for a mental fetter state by way of presence condition - conascence, prenascence. Conascence - non-mental fetter aggregates are a condition for associated mental fetters by way of presence condition. Prenascence - the eye... etc. One enjoys the sense-base, delights in it; referring to that, lust arises... etc. displeasure arises; the sense-base is a condition for mental fetters by way of presence condition. (2)

A non-mental fetter state is a condition for a mental fetter and a non-mental fetter state by way of presence condition - conascence, prenascence. Conascence - non-mental fetter... etc. (in brief, similar to mental corruptions). (3)

31. Mental fetter and non-mental fetter states are a condition for a mental fetter state by way of presence condition - conascence, prenascence (similar to mental corruption). (1)

Mental fetter and non-mental fetter states are a condition for a non-mental fetter state by way of presence condition - conascence, prenascence, postnascence, nutriment, faculty (to be analysed, similar to mental corruption). (2)

Mental fetter and non-mental fetter states are a condition for a mental fetter and a non-mental fetter state by way of presence condition - conascence, prenascence (to be analysed, similar to mental corruption). (3)

Root Condition

51. A mental state associated with mental fetters arises conditioned by a mental state associated with mental fetters by root condition... three (similar to dependence).

A mental state dissociated from mental fetters arises conditioned by a mental state dissociated from mental fetters by root condition (up to conception), one primary element... etc. conditioned by the sense-base, aggregates dissociated from mental fetters arise; conditioned by the sense-base, delusion accompanied by restlessness arises. (1)

A mental state associated with mental fetters arises conditioned by a mental state dissociated from mental fetters by root condition - conditioned by the sense-base, aggregates associated with mental fetters arise; conditioned by delusion accompanied by restlessness, associated aggregates arise. (2)

Mental states associated with mental fetters and dissociated from mental fetters arise conditioned by a mental state dissociated from mental fetters by root condition - conditioned by the sense-base, aggregates associated with mental fetters arise; conditioned by primary elements, consciousness-originated materiality arises; conditioned by delusion accompanied by restlessness, associated aggregates and consciousness-originated materiality arise. (3)

52. A mental state associated with mental fetters arises conditioned by a mental state associated with mental fetters and a mental state dissociated from mental fetters by root condition - conditioned by one aggregate associated with mental fetters and sense-base, three aggregates arise... etc. two aggregates... etc. conditioned by one aggregate accompanied by restlessness and delusion, three aggregates arise... etc. two aggregates... etc. (1)

A mental state dissociated from mental fetters arises conditioned by a mental state associated with mental fetters and a mental state dissociated from mental fetters by root condition - conditioned by aggregates associated with mental fetters and primary elements, consciousness-originated materiality arises; conditioned by aggregates accompanied by restlessness and delusion, consciousness-originated materiality arises. (3)

67. A mental state dissociated from mental fetters is a condition for a mental state dissociated from mental fetters by way of root condition - roots dissociated from mental fetters are a condition for associated aggregates and for consciousness-originated materiality by way of root condition; delusion accompanied by restlessness is a condition for consciousness-originated materiality by way of root condition; at the moment of conception... etc. (1)

A mental state dissociated from mental fetters is a condition for a mental state associated with mental fetters by way of root condition - delusion accompanied by restlessness is a condition by way of root condition for associated aggregates. (2)

A mental state dissociated from mental fetters is a condition for a mental state associated with mental fetters and a mental state dissociated from mental fetters by way of root condition - delusion accompanied by restlessness is a condition by way of root condition for associated aggregates and for consciousness-originated materiality. (3)

Object condition

68. A mental state associated with mental fetters is a condition for a mental state associated with mental fetters by way of object condition - referring to aggregates associated with mental fetters, aggregates associated with mental fetters arise. (The root should be made) referring to aggregates associated with mental fetters, aggregates dissociated from mental fetters and delusion arise. (The root should be made) referring to aggregates associated with mental fetters, aggregates accompanied by restlessness and delusion arise. (3)

69. A mental state dissociated from mental fetters is a condition for a mental state dissociated from mental fetters by way of object condition - having given a gift,

morality... etc. having performed the Observance practice, one reviews that; what was well practised before... etc. meditative absorptions... etc. noble ones, having emerged from the path, review the path, review fruition, review Nibbāna; Nibbāna is a condition by way of object condition for change-of-lineage, for cleansing, for the path, for fruition, for adverting; noble ones review the abandoned defilements dissociated from mental fetters, they review the suppressed defilements, they know the defilements previously indulged in, the eye... etc. the sense-base, aggregates dissociated from mental fetters and delusion as impermanent... etc. one sees with insight, etc. one sees materiality with the divine eye, hears sound with the divine ear element, with the knowledge of others' mental states knows the consciousness of one possessing consciousness dissociated from mental fetters; the plane of infinite space is a condition for the plane of infinite consciousness... etc. the visible form sense base... etc. the touch sense base... etc. Aggregates dissociated from mental fetters are a condition by way of object condition for the knowledge of various kinds of supernormal power, for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of rebirth according to beings' actions, for the knowledge of future events, for adverting, and for delusion. (1)

A mental state dissociated from mental fetters is a condition for a mental state associated with mental fetters by way of object condition - having given a gift, morality... etc. the Observance practice... etc. what was well practised before... etc. having emerged from meditative absorption, the meditative absorption... etc. the eye... etc. One enjoys the sense-base, aggregates dissociated from mental fetters and delusion, delights in it; referring to that, lust arises... etc. Displeasure arises. (2)

A mental state dissociated from mental fetters is a condition for a mental state associated with mental fetters and a mental state dissociated from mental fetters by way of object condition - the eye... etc. referring to the sense-base, aggregates dissociated from mental fetters and delusion, aggregates accompanied by restlessness and delusion arise. (3)

70. Mental states associated with mental fetters and dissociated from mental fetters are a condition for a mental state associated with mental fetters by way of object condition - referring to aggregates accompanied by restlessness and delusion, aggregates associated with mental fetters arise. (The root should be made) referring to aggregates accompanied by restlessness and delusion, aggregates dissociated from mental fetters and delusion arise. (The root should be made) referring to aggregates accompanied by restlessness and delusion, aggregates accompanied by restlessness and delusion arise. (3)

Predominance condition

71. A mental state associated with mental fetters is a condition for a mental state associated with mental fetters by way of predominance condition - object predominance, connascent predominance. Object predominance - lust, etc. having given weight to wrong view, one enjoys it, delights in it; having given weight to that, lust arises, wrong view arises. Connascent predominance - predominance associated with mental fetters is a condition for associated aggregates by way of predominance condition. (1)

A mental state associated with mental fetters is a condition for a mental state

dissociated from mental fetters by way of predominance condition. Connascent predominance - predominance associated with mental fetters is a condition for consciousness-originated materiality by way of predominance condition. (2)

A mental state associated with mental fetters is a condition for a mental state associated with mental fetters and a mental state dissociated from mental fetters by way of predominance condition. Connascent predominance - predominance associated with mental fetters is a condition for associated aggregates and for consciousness-originated materiality by way of predominance condition. (3)

72. A mental state dissociated from mental fetters is a condition for a mental state dissociated from mental fetters by way of predominance condition - object predominance, connascent predominance. Object predominance - having given a gift, morality... etc. having performed the Observance practice, having given weight to that, one reviews; what was well practised before... etc. meditative absorptions... etc. noble paths... etc. fruition... etc. Nibbāna... etc. Nibbāna is a condition by way of predominance condition for change-of-lineage, for cleansing, for the path, for fruition. Connascent predominance - predominance dissociated from mental fetters is a condition by way of predominance condition for associated aggregates and for consciousness-originated materiality. (1)

A mental state dissociated from mental fetters is a condition for a mental state associated with mental fetters by way of predominance condition. Object predominance - having given a gift, morality... etc. having performed the Observance practice, having given weight to that, one enjoys it, delights in it; having given weight to that, lust arises, wrong view arises; what was well practised before... etc. meditative absorptions... etc. the eye... etc. having given weight to the sense-base, to aggregates dissociated from mental fetters, one enjoys them, delights in them; having given weight to that, lust arises, wrong view arises. (2)

Proximity condition

73. A mental state associated with mental fetters is a condition for a mental state associated with mental fetters by way of proximity condition - the former and former aggregates associated with mental fetters are a condition by way of proximity condition for the latter and latter aggregates associated with mental fetters. (1)

A mental state associated with mental fetters is a condition for a mental state dissociated from mental fetters by way of proximity condition - the former and former aggregates accompanied by restlessness are a condition by way of proximity condition for the latter and latter delusion accompanied by restlessness; aggregates associated with mental fetters are a condition by way of proximity condition for emergence. (2)

A mental state associated with mental fetters is a condition for a mental state associated with mental fetters and a mental state dissociated from mental fetters by way of proximity condition - the former and former aggregates accompanied by restlessness are a condition by way of proximity condition for the latter and latter aggregates accompanied by restlessness and for delusion. (3)

74. A mental state dissociated from mental fetters is a condition for a mental state dissociated from mental fetters by way of proximity condition - the former and former delusion accompanied by restlessness is a condition by way of proximity condition for the latter and latter delusion accompanied by restlessness; the former and former aggregates dissociated from mental fetters are a condition for the latter... etc. is a condition for fruition attainment by way of proximity condition. (1)

A mental state dissociated from mental fetters is a condition for a mental state associated with mental fetters by way of proximity condition - the former and former delusion accompanied by restlessness is a condition by way of proximity condition for the latter and latter aggregates accompanied by restlessness; advertent is a condition by way of proximity condition for aggregates associated with mental fetters. (2)

A mental state dissociated from mental fetters is a condition for a mental state associated with mental fetters and a mental state dissociated from mental fetters by way of proximity condition - the former and former delusion accompanied by restlessness is a condition by way of proximity condition for the latter and latter aggregates accompanied by restlessness and for delusion; advertent is a condition by way of proximity condition for aggregates accompanied by restlessness and for delusion. (3)

75. Mental states associated with mental fetters and dissociated from mental fetters are a condition for a mental state associated with mental fetters by way of proximity condition - the former and former aggregates accompanied by restlessness and delusion are a condition by way of proximity condition for the latter and latter aggregates accompanied by restlessness. (1)

Mental states associated with mental fetters and dissociated from mental fetters are a condition for a mental state dissociated from mental fetters by way of proximity condition - the former and former aggregates accompanied by restlessness and delusion are a condition by way of proximity condition for the latter and latter delusion accompanied by restlessness; aggregates accompanied by restlessness and delusion are a condition by way of proximity condition for emergence. (2)

Mental states associated with mental fetters and dissociated from mental fetters are a condition for a mental state associated with mental fetters and a mental state dissociated from mental fetters by way of proximity condition - the former and former aggregates accompanied by restlessness and delusion are a condition by way of proximity condition for the latter and latter aggregates accompanied by restlessness and for delusion. (3)

Contiguity Condition and so on

76. A mental state associated with mental fetters is a condition for a mental state associated with mental fetters by way of contiguity condition... nine... by way of consensibility condition... nine... by way of mutuality condition... six... by way of support condition... nine.

Decisive support condition

77. A mental state associated with mental fetters is a condition for a mental state associated with mental fetters by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - aggregates associated with mental fetters are a condition for aggregates associated with mental fetters by way of decisive support condition. (1)

A mental state associated with mental fetters is a condition for a mental state dissociated from mental fetters by way of decisive support condition - proximity decisive support, natural decisive support, etc. Natural decisive support - aggregates associated with mental fetters are a condition for aggregates dissociated from mental fetters and for delusion by way of decisive support condition. (2)

A mental state associated with mental fetters is a condition for a mental state associated with mental fetters and a mental state dissociated from mental fetters by way of decisive support condition - proximity decisive support, natural decisive support, etc. Natural decisive support - aggregates associated with mental fetters are a condition for aggregates accompanied by restlessness and for delusion by way of decisive support condition. (3)

78. A mental state dissociated from mental fetters is a condition for a mental state dissociated from mental fetters by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith one gives a gift, etc. produces attainment; morality... etc. wisdom... bodily pleasure, etc. bodily pain, etc. climate, etc. food, etc. in dependence on lodging and delusion one gives a gift, etc. produces attainment; faith, etc. lodging and delusion are conditions for faith, etc. for fruition attainment and for delusion by way of decisive support condition. (1)

A mental state dissociated from mental fetters is a condition for a mental state associated with mental fetters by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith, one mutters conceit, takes wrong view; morality... etc. wisdom... bodily pleasure, etc. bodily pain, etc. climate, etc. food, etc. in dependence on lodging and delusion one kills a living being, etc. breaks the Community; faith, etc. lodging and delusion are conditions for lust, etc. for longing by way of decisive support condition. (2)

A mental state dissociated from mental fetters is a condition for a mental state associated with mental fetters and a mental state dissociated from mental fetters by way of decisive support condition - proximity decisive support, natural decisive support, etc. Natural decisive support - faith, etc. wisdom... bodily pleasure, etc. lodging and delusion are conditions for the aggregates accompanied by restlessness and for delusion by way of decisive support condition. (3)

79. Mental states associated with mental fetters and dissociated from mental fetters are a condition for a mental state associated with mental fetters by way of decisive support condition - proximity decisive support, natural decisive support, etc. Natural decisive support - aggregates accompanied by restlessness and delusion are conditions for aggregates associated with mental fetters by way of decisive support condition. (1)

Mental states associated with mental fetters and dissociated from mental fetters are a condition for a mental state dissociated from mental fetters by way of decisive support condition - proximity decisive support, natural decisive support, etc. Natural decisive support - aggregates accompanied by restlessness and delusion are conditions for aggregates dissociated from mental fetters and for delusion by way of decisive support condition. (2)

Mental states associated with mental fetters and dissociated from mental fetters are a condition for a mental state associated with mental fetters and a mental state dissociated from mental fetters by way of decisive support condition - proximity decisive support, natural decisive support, etc. Natural decisive support - aggregates accompanied by restlessness and delusion are conditions for the aggregates accompanied by restlessness and for delusion by way of decisive support condition. (3)

Prenascence condition

80. A mental state dissociated from mental fetters is a condition for a mental state dissociated from mental fetters by way of prenascent condition - object prenascent, sense-organ prenascent. Object prenascent - the eye... etc. the sense-base as impermanent... etc. sees with insight; sees materiality with the divine eye; hears sound with the divine ear element; the visible form sense base for eye-consciousness... etc. the touch sense base for body-consciousness... etc. Sense-organ prenascent - the eye sense base for eye-consciousness... etc. the body sense base for body-consciousness... etc. the sense-base is a condition for aggregates dissociated from mental fetters and for delusion by way of prenascent condition. (1)

A mental state dissociated from mental fetters is a condition for a mental state associated with mental fetters by way of prenascent condition - object prenascent, sense-organ prenascent. Object prenascent - the eye... etc. One enjoys the sense-base, delights in it; referring to that, lust arises... etc. Displeasure arises. Sense-organ prenascent - the sense-base is a condition for aggregates associated with mental fetters by way of prenascent condition. (2)

A mental state dissociated from mental fetters is a condition for a mental state associated with mental fetters and a mental state dissociated from mental fetters by way of prenascent condition - object prenascent, sense-organ prenascent. Object prenascent - the eye... etc. referring to the sense-base, aggregates accompanied by restlessness and delusion arise. Sense-organ prenascent - the sense-base is a condition for aggregates accompanied by restlessness and for delusion by way of prenascent condition. (3)

Postnascent condition

81. A mental state associated with mental fetters is a condition for a mental state dissociated from mental fetters by way of postnascent condition - postnascent aggregates associated with mental fetters are a condition for this prenascent body by way of postnascent condition. (1)

A mental state dissociated from mental fetters is a condition for a mental state dissociated from mental fetters by way of postnascence condition - postnascent aggregates dissociated from mental fetters and delusion are a condition for this prenascent body by way of postnascence condition. (1)

Mental states associated with mental fetters and dissociated from mental fetters are a condition for a mental state dissociated from mental fetters by way of postnascence condition - postnascent aggregates accompanied by restlessness and delusion are a condition for this prenascent body by way of postnascence condition. (1)

Repetition condition

82. A mental state associated with mental fetters is a condition for a mental state associated with mental fetters by way of repetition condition... nine (there is neither adverting nor emergence).

Kamma condition

83. A mental state associated with mental fetters is a condition for a mental state associated with mental fetters by way of kamma condition - volition associated with mental fetters is a condition for aggregates associated with mental fetters by way of kamma condition. (1)

A mental state associated with mental fetters is a condition for a mental state dissociated from mental fetters by way of kamma condition - conascence, asynchronous. Conascence - volition associated with mental fetters is a condition for consciousness-originated materiality by way of kamma condition; volition accompanied by restlessness is a condition for delusion and for consciousness-originated materiality by way of kamma condition. Asynchronous - volition associated with mental fetters is a condition for resultant aggregates and for kamma-born materiality by way of kamma condition. (2)

A mental state associated with mental fetters is a condition for a mental state associated with mental fetters and a mental state dissociated from mental fetters by way of kamma condition - volition associated with mental fetters is a condition for associated aggregates and for consciousness-originated materiality by way of kamma condition; volition accompanied by restlessness is a condition for associated aggregates and for delusion and for consciousness-originated materiality by way of kamma condition. (3)

A mental state dissociated from mental fetters is a condition for a mental state dissociated from mental fetters by way of kamma condition - conascence, asynchronous. Conascence - volition dissociated from mental fetters is a condition for associated aggregates and for consciousness-originated materiality by way of kamma condition; at the moment of conception... etc. Asynchronous - volition dissociated from mental fetters is a condition for resultant aggregates and for kamma-born materiality by way of kamma condition.

Result condition

84. A mental state dissociated from mental fetters is a condition for a mental state dissociated from mental fetters by way of result condition... one.

Nutriments condition and so on

85. A mental state associated with mental fetters is a condition for a mental state associated with mental fetters by way of nutriment condition... four... by way of faculty condition... four... by way of condition of meditative absorption... four... by way of path condition... four... by way of associated condition... six.

Dissociation condition

86. A mental state associated with mental fetters is a condition for a mental state dissociated from mental fetters by way of dissociated condition - conascence, postnascence (in brief). (1)

A mental state dissociated from mental fetters is a condition for a mental state dissociated from mental fetters by way of dissociated condition - conascence, prenascent, postnascence (in brief). (1)

A mental state dissociated from mental fetters is a condition for a mental state associated with mental fetters by way of dissociated condition. Prenascent - the sense-base is a condition for aggregates associated with mental fetters by way of dissociated condition. (2)

A mental state dissociated from mental fetters is a condition for a mental state associated with mental fetters and a mental state dissociated from mental fetters by way of dissociated condition. Prenascent - the sense-base is a condition for aggregates accompanied by restlessness and for delusion by way of dissociated condition. (3)

Mental states associated with mental fetters and dissociated from mental fetters are a condition for a mental state dissociated from mental fetters by way of dissociated condition - conascence, postnascence (in brief). (1)

Presence Condition and so on

87. A mental state associated with mental fetters is a condition for a mental state associated with mental fetters by way of presence condition... one (similar to the section on the dependent). (1)

A mental state associated with mental fetters is a condition for a mental state dissociated from mental fetters by way of presence condition - conascence, postnascence. Conascence - aggregates associated with mental fetters are a condition for consciousness-originated materiality by way of presence condition; aggregates accompanied by restlessness are a condition for delusion and for consciousness-originated materiality by way of presence condition. Postnascence - aggregates associated with mental fetters are a condition for this prenascent body by way of presence condition. (2)

A mental state associated with mental fetters is a condition for a mental state associated with mental fetters and a mental state dissociated from mental fetters by way of presence condition - one aggregate associated with mental fetters is a condition for three aggregates and for consciousness-originated materiality by way of

presence condition... etc. two aggregates... etc. one aggregate accompanied by restlessness is a condition for three aggregates and for delusion and for consciousness-originated materiality by way of presence condition... etc. (3)

88. A mental state dissociated from mental fetters is a condition for a mental state dissociated from mental fetters by way of presence condition - conascence, prenasence, postnascence, nutriment, faculty (in brief. To be expanded). (1)

A mental state dissociated from mental fetters is a condition for a mental state associated with mental fetters by way of presence condition - conascence, prenasence. Conascence - delusion accompanied by restlessness is a condition for associated aggregates by way of presence condition. Prenasence - the eye... etc. One enjoys the sense-base, delights in it; referring to that, lust arises... etc. displeasure arises; the sense-base is a condition for aggregates associated with mental fetters by way of presence condition. (2)

A mental state dissociated from mental fetters is a condition for a mental state associated with mental fetters and a mental state dissociated from mental fetters by way of presence condition - conascence, prenasence. Conascence - delusion accompanied by restlessness is a condition for associated aggregates and for consciousness-originated materiality by way of presence condition. Prenasence - The eye... etc. referring to the sense-base, aggregates accompanied by restlessness and delusion arise; the sense-base is a condition for aggregates accompanied by restlessness and for delusion by way of presence condition. (3)

89. Mental states associated with mental fetters and dissociated from mental fetters are a condition for a mental state associated with mental fetters by way of presence condition - conascence, prenasence. Conascence - one aggregate associated with mental fetters and the sense-base are a condition for three aggregates by way of presence condition... etc. two aggregates and... etc. one aggregate accompanied by restlessness and delusion are a condition for three aggregates by way of presence condition... etc. two aggregates and... etc. (1)

Mental states associated with mental fetters and dissociated from mental fetters are a condition for a mental state dissociated from mental fetters by way of presence condition - conascence, prenasence, postnascence, nutriment, faculty. Conascence - aggregates associated with mental fetters and delusion and the primary elements are a condition for consciousness-originated materiality by way of presence condition; aggregates accompanied by restlessness and delusion are a condition for consciousness-originated materiality by way of presence condition; aggregates accompanied by restlessness and the sense-base are a condition for delusion by way of presence condition. Postnascence - aggregates accompanied by restlessness and delusion are a condition for this prenascent body by way of presence condition. Postnascence - aggregates associated with mental fetters and edible food are a condition for this body by way of presence condition. Postnascence - aggregates associated with mental fetters and the material life faculty are a condition for kamma-born materiality by way of presence condition. (2)

Mental states associated with mental fetters and dissociated from mental fetters are a condition for a mental state associated with mental fetters and a mental state dissociated from mental fetters by way of presence condition - conascence,

prenascence. Conascence - one aggregate accompanied by restlessness and delusion are a condition for three aggregates and for consciousness-originated materiality by way of presence condition... etc. two aggregates and... etc. Conascence - one aggregate accompanied by restlessness and the sense-base are a condition for three aggregates and for delusion by way of presence condition... etc. two aggregates... etc. (3)

2-6. Conascence-Condition-Support-Conjoined-Associated Sections

(Thus the other two countings and also the section on the conascence should be done. The section on the conditions, the section on the support, the section on the conjoined, and the section on the associated are also similar to the section on the dependent.)

7. Section on Questions

1. Positive Condition

1. Section on Analysis

Root Condition

106. A mental state that is both mental fetter and associated with mental fetters is a condition for a mental state that is both mental fetter and associated with mental fetters by way of root condition - the mental fetter of sensual lust is a condition for the mental fetter of wrong view and the mental fetter of ignorance by way of root condition (wheel). (1)

A mental state that is both mental fetter and associated with mental fetters is a condition for a mental state that is associated with mental fetters and not mental fetter by way of root condition - mental fetters and roots associated with mental fetters are a condition for associated aggregates by way of root condition. (2)

A mental state that is both mental fetter and associated with mental fetters is a condition for a mental state that is both mental fetter and associated with mental fetters and a mental state that is associated with mental fetters and not mental fetter by way of root condition - the mental fetter of sensual lust is a condition for the mental fetter of wrong view and the mental fetter of ignorance and for associated aggregates by way of root condition (wheel). (3)

Object condition

107. A mental state that is both mental fetter and associated with mental fetters is a condition for a mental state that is both mental fetter and associated with mental fetters by way of object condition - referring to a mental fetter, mental fetters arise. (The root should be made) referring to a mental fetter, aggregates that are associated with mental fetters and not mental fetters arise. (The root should be made) referring to a mental fetter, mental fetters and aggregates associated with mental fetters arise. (1)

A mental state that is associated with mental fetters and not mental fetter is a condition for a mental state that is associated with mental fetters and not mental fetter by way of object condition - referring to aggregates that are associated with

mental fetters and not mental fetters, aggregates that are associated with mental fetters and not mental fetters arise. (1)

A mental state that is associated with mental fetters and not mental fetter is a condition for a mental state that is both mental fetter and associated with mental fetters by way of object condition - referring to aggregates that are associated with mental fetters and not mental fetters, mental fetters arise. (2)

A mental state that is associated with mental fetters and not mental fetter is a condition for a mental state that is both mental fetter and associated with mental fetters and a mental state that is associated with mental fetters and not mental fetter by way of object condition - referring to aggregates that are associated with mental fetters and not mental fetters, mental fetters and aggregates associated with mental fetters arise. (3)

Mental states that are both mental fetter and associated with mental fetters and associated with mental fetters and not mental fetter are a condition for a mental state that is both mental fetter and associated with mental fetters by way of object condition... three.

Predominance condition

108. A mental state that is both mental fetter and associated with mental fetters is a condition for a mental state that is both mental fetter and associated with mental fetters by way of predominance condition - object predominance... three.

A mental state that is associated with mental fetters and not mental fetter is a condition for a mental state that is associated with mental fetters and not mental fetter by way of predominance condition - object predominance, connascent predominance... three (in all three questions both object predominance and connascent predominance should be done).

Mental states that are both mental fetter and associated with mental fetters and associated with mental fetters and not mental fetter are a condition for a mental state that is both mental fetter and associated with mental fetters by way of predominance condition - object predominance... three.

Proximity condition and so on

109. 1. Section on Analysis

116. A mental state dissociated from mental fetters and subject to mental fetters arises dependent on a mental state dissociated from mental fetters and subject to mental fetters by root condition - dependent on one aggregate dissociated from mental fetters and subject to mental fetters, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. at the moment of conception... etc. (up to non-percipient beings, primary elements).

A mental state dissociated from mental fetters and not subject to mental fetters arises dependent on a mental state dissociated from mental fetters and not subject to mental fetters by root condition - dependent on one aggregate dissociated from mental fetters and not subject to mental fetters, three aggregates arise... etc. two aggregates... etc.

A mental state dissociated from mental fetters and not subject to mental fetters... etc. (two questions should be made).

(This dyad is similar to the mundane dyad in the Minor Intermediate Dyads, the difference.)

The dyad of dissociated from mental fetters-subject to mental fetters is finished.

The mental fetter group is finished.
