Root Condition

1. A mental knot state arises dependent on a mental knot state by root condition - dependent on adherence to moral rules and austerities, a bodily knot, the bodily knot of covetousness arises; dependent on the bodily knot of covetousness, adherence to moral rules and austerities, a bodily knot, arises; dependent on dogmatic belief that "This alone is the truth," a bodily knot, the bodily knot of covetousness arises; dependent on the bodily knot of covetousness, dogmatic belief that "This alone is the truth," a bodily knot, arises. (1)

A non-mental knot state arises dependent on a mental knot state by root condition - dependent on mental knots, associated aggregates and consciousness-originated materiality arise. (2)

Mental knot and non-mental knot states arise dependent on a mental knot state by root condition - dependent on adherence to moral rules and austerities, a bodily knot, the bodily knot of covetousness and associated aggregates and consciousness-originated materiality arise (wheel). (3)

2. A non-mental knot state arises dependent on a non-mental knot state by root condition - dependent on one non-mental knot aggregate, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. at the moment of conception... etc. dependent on aggregates, the sense-base arises; dependent on the sense-base, aggregates arise; dependent on one primary element... etc. (1)

A mental knot state arises dependent on a non-mental knot state by root condition - dependent on non-mental knot aggregates, mental knots arise. (2)

Mental knot and non-mental knot states arise dependent on a non-mental knot state by root condition - dependent on one non-mental knot aggregate, three aggregates and mental knots and consciousness-originated materiality arise... etc. two aggregates... etc. (3)

3. A mental knot state arises dependent on a mental knot and non-mental knot state by root condition - dependent on adherence to moral rules and austerities, a bodily knot, and associated aggregates, the bodily knot of covetousness arises (wheel). (1)

A non-mental knot state arises dependent on a mental knot and non-mental knot state by root condition - dependent on one non-mental knot aggregate and mental knots, three aggregates and consciousness-originated materiality arise... etc. and two

aggregates... etc. dependent on mental knots and associated aggregates, consciousness-originated materiality arises. (2)

Mental knot and non-mental knot states arise dependent on a mental knot and non-mental knot state by root condition - dependent on one non-mental knot aggregate and adherence to moral rules and austerities, a bodily knot, three aggregates and the bodily knot of covetousness and consciousness-originated materiality arise... etc. and two aggregates... etc. (Wheel. Abbreviated.) (3)

Root Condition

18. A mental knot state is a condition for a mental knot state by way of root condition - mental knot roots are a condition for associated mental knots by way of root condition. (1)

A mental knot state is a condition for a non-mental knot state by way of root condition - mental knot roots are a condition for associated aggregates and for consciousness-originated materiality by way of root condition. (2)

A mental knot state is a condition for a mental knot and a non-mental knot state by way of root condition - mental knot roots are a condition for associated aggregates and mental knots and for consciousness-originated materiality by way of root condition. (3)

19. A non-mental knot state is a condition for a non-mental knot state by way of root condition - non-mental knot roots are a condition for associated aggregates and for consciousness-originated materiality by way of root condition; at the moment of conception... etc. (1)

A non-mental knot state is a condition for a mental knot state by way of root condition - non-mental knot roots are a condition for associated mental knots by way of root condition. (2)

A non-mental knot state is a condition for a mental knot and a non-mental knot state by way of root condition - non-mental knot roots are a condition for associated aggregates and mental knots and for consciousness-originated materiality by way of root condition. (3)

20. A mental knot and a non-mental knot state is a condition for a mental knot state by way of root condition - mental knot and non-mental knot roots are a condition for associated mental knots by way of root condition. (1)

A mental knot and a non-mental knot state is a condition for a non-mental knot state by way of root condition - mental knot and non-mental knot roots are a condition for associated aggregates and for consciousness-originated materiality by way of root condition. (2)

A mental knot and a non-mental knot state is a condition for a mental knot and a non-mental knot state by way of root condition - mental knot and non-mental knot roots are a condition for associated aggregates and mental knots and for consciousness-originated materiality by way of root condition. (3)

Object condition

21. A mental knot state is a condition for a mental knot state by way of object condition - referring to mental knots, mental knots arise. (The root should be made) referring to mental knots, non-mental knot aggregates arise. (The root should be made) referring to mental knots, mental knots and associated aggregates arise. (3)

22. A non-mental knot state is a condition for a non-mental knot state by way of object condition - having given a gift, morality... etc. having performed the Observance practice, one reviews that; what was well practised before... etc. meditative absorptions... etc. noble ones, having emerged from the path, review the path, review fruition, review Nibbāna. Nibbāna is a condition by way of object condition for change-of-lineage, for cleansing, for the path, for fruition, for advertizing; noble ones review the non-mental knot abandoned defilements... etc. they review the suppressed defilements; formerly... etc. the eye... etc. the sense-base, non-mental knot aggregates as impermanent... etc. displeasure arises; One sees materiality with the divine eye, hears sound with the divine ear element. With the knowledge of others' mental states one knows the consciousness of one possessing non-mental knot consciousness; the plane of infinite space is a condition for the plane of infinite consciousness... etc. the plane of nothingness is a condition for the plane of neither-perception-nor-non-perception, etc. the visible form sense base for eye-consciousness... etc. the touch sense base for body-consciousness... etc. Non-mental knot aggregates are a condition by way of object condition for the knowledge of various kinds of supernormal power, for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of rebirth according to beings' actions, for the knowledge of future events, for advertizing. (1)

A non-mental knot state is a condition for a mental knot state by way of object condition - having given a gift, morality... etc. having performed the Observance practice, one enjoys that, delights in it; referring to that, lust arises, wrong view arises, displeasure arises; what was well practised before... etc. meditative absorptions... etc. the eye... etc. the sense-base, one enjoys the non-mental knot aggregates, delights in them; referring to that, lust arises... etc. Displeasure arises. (2)

A non-mental knot state is a condition for a mental knot and a non-mental knot state by way of object condition - having given a gift, morality... etc. having performed the Observance practice, one enjoys that, delights in it; referring to that, mental knots and associated aggregates arise; what was well practised before... etc. meditative absorptions... etc. the eye... etc. the sense-base, one enjoys the non-mental knot aggregates, delights in them; referring to that, mental knots and associated aggregates arise. (3)

A mental knot and a non-mental knot state is a condition for a mental knot state by way of object condition... three (should be done referring to).

Predominance condition

23. A mental knot state is a condition for a mental knot state by way of predominance condition... three (similar to object, weighty object should be done).

A non-mental knot state is a condition for a non-mental knot state by way of predominance condition - object predominance, connascent predominance. Object predominance - giving... etc. morality... etc. the Observance practice... etc. formerly... etc. meditative absorptions... etc. noble paths... etc. fruition... etc. Nibbāna... etc. Nibbāna is a condition by way of predominance condition for change-of-lineage, for cleansing, for the path, for fruition; the eye... etc. having given weight to the sense-base, non-mental knot aggregates, one enjoys them, delights in them; having given weight to that, lust arises, wrong view arises. Connascent predominance - non-mental knot predominance is a condition for associated aggregates and for consciousness-originated materiality by way of predominance condition. (1)

A non-mental knot state is a condition for a mental knot state by way of predominance condition - object predominance, connascent predominance. Object predominance - giving... etc. morality... etc. the Observance practice... etc. What was well practised before... etc. meditative absorptions... etc. the eye... etc. having given weight to the sense-base, non-mental knot aggregates, one enjoys that, delights in it; having given weight to that, lust arises, wrong view arises. Connascent predominance - non-mental knot predominance is a condition for mental knots by way of predominance condition. (2)

A non-mental knot state is a condition for a mental knot and a non-mental knot state by way of predominance condition - object predominance, connascent predominance. Object predominance - giving... etc. having given weight to non-mental knot aggregates, one enjoys them, delights in them; having given weight to that, mental knots and associated aggregates arise. Connascent predominance - non-mental knot predominance is a condition for associated aggregates and mental knots and for consciousness-originated materiality by way of predominance condition. (3)

24. A mental knot and a non-mental knot state is a condition for a mental knot state by way of predominance condition - object predominance... three.

Proximity condition

25. A mental knot state is a condition for a mental knot state by way of proximity condition - the former and former mental knots are a condition for the latter and latter mental knots by way of proximity condition. (1)

A mental knot state is a condition for a non-mental knot state by way of proximity condition - the former and former mental knots are a condition for the latter and latter non-mental knot aggregates by way of proximity condition; mental knots are a condition for emergence by way of proximity condition. (2)

A mental knot state is a condition for a mental knot and a non-mental knot state by way of proximity condition - the former and former mental knots are a condition for the latter and latter mental knots and for associated aggregates by way of proximity condition. (3)

26. A non-mental knot state is a condition for a non-mental knot state by way of proximity condition... three (two advertings should be done, the first is absent).

A mental knot and a non-mental knot state is a condition for a mental knot state by way of proximity condition... three (even one emergence should be done, in the middle).

Contiguity Condition and so on

27. A mental knot state is a condition for a mental knot state by way of contiguity condition... nine... by way of conascence condition... nine... by way of mutuality condition... nine, by way of support condition... nine.

Decisive support condition

28. A mental knot state is a condition for a mental knot state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - mental knots are a condition for mental knots by way of decisive support condition... three.

29. A non-mental knot state is a condition for a non-mental knot state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith one gives a gift, etc. mutters conceit, takes wrong view; morality... etc. in dependence on lodging one gives a gift, etc. breaks the Community; faith, etc. lodging for faith, etc. for fruition attainment by way of decisive support condition.(1)

A non-mental knot state is a condition for a mental knot state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith one takes wrong view; morality... etc. in dependence on lodging one kills a living being, etc. breaks the Community; faith, etc. lodging is a condition for lust, etc. for longing by way of decisive support condition. (2)

A non-mental knot state is a condition for a mental knot and a non-mental knot state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith one mutters conceit, takes wrong view, morality, etc. in dependence on lodging, one kills a living being, etc. breaks the monastic community, faith, etc. lodging is a condition for mental knots and for associated aggregates by way of decisive support condition. (3)

A mental knot and a non-mental knot state is a condition for a mental knot state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support... three (should be done by way of object method).

Prenascence Condition and so on

30. A non-mental knot state is a condition for a non-mental knot state by way of prenascent condition - object prenascent, sense-organ prenascent. Object prenascent - the eye... etc. the sense-base as impermanent... etc. displeasure arises; sees materiality with the divine eye; hears sound with the divine ear element; the visible form sense base for eye-consciousness... etc. the touch sense base for body-consciousness... etc. Sense-organ prenascent - the eye sense base for eye-consciousness... etc. the body sense base for body-consciousness... etc. the sense-base is a condition for non-mental knot aggregates by way of prenascent condition. (1)

A non-mental knot state is a condition for a mental knot state by way of prenascent condition - object prenascent, sense-organ prenascent. Object prenascent - the eye... etc. one enjoys the sense-base, delights in it; referring to that, lust arises, wrong view arises, displeasure arises. Sense-organ prenascent - the sense-base is a condition for mental knots by way of prenascent condition. (2)

A non-mental knot state is a condition for a mental knot and a non-mental knot state by way of prenascent condition - object prenascent, sense-organ prenascent. Object prenascent - the eye... etc. one enjoys the sense-base, delights in it; referring to that, mental knots and associated aggregates arise. Sense-organ prenascent - the sense-base is a condition for mental knots and for associated aggregates by way of prenascent condition. (3)

By way of postnascent condition... three; by way of repetition condition... nine.

Kamma condition

31. A non-mental knot state is a condition for a non-mental knot state by way of kamma condition - conascent, asynchronous. Conascent - non-mental knot volition is a condition for associated aggregates and for consciousness-originated materiality by way of kamma condition; at the moment of conception... etc. Asynchronous - non-mental knot volition is a condition for resultant aggregates and for kamma-born materiality by way of kamma condition. (1)

A non-mental knot state is a condition for a mental knot state by way of kamma condition - non-mental knot volition is a condition for associated mental knots by way of kamma condition. (2)

A non-mental knot state is a condition for a mental knot and a non-mental knot state by way of kamma condition - non-mental knot volition is a condition for associated aggregates and mental knots and for consciousness-originated materiality by way of kamma condition. (3)

Result Condition etc.

32. A non-mental knot state is a condition for a non-mental knot state by way of result condition... one... by way of nutriment condition... three... by way of faculty condition... three... by way of condition of meditative absorption... three... by way of path condition... nine... by way of associated condition... nine.

Dissociation condition

33. A mental knot state is a condition for a non-mental knot state by way of dissociated condition - conascence, postnascence (in brief). (1)

A non-mental knot state is a condition for a non-mental knot state by way of dissociated condition - conascence, prenascence, postnascence (in brief). (1)

A non-mental knot state is a condition for a mental knot state by way of dissociated condition. Prenascence - the sense-base is a condition for mental knots by way of dissociated condition. (2)

A non-mental knot state is a condition for a mental knot and a non-mental knot state by way of dissociated condition. Prenascence - the sense-base is a condition for mental knots and for associated aggregates by way of dissociated condition. (3)

A mental knot and a non-mental knot state is a condition for a non-mental knot state by way of dissociated condition - conascence, postnascence (in brief). (1)

Presence condition

34. A mental knot state is a condition for a mental knot state by way of presence condition... one (similar to dependence).

A mental knot state is a condition for a non-mental knot state by way of presence condition - conascence, postnascence. Conascence - mental knots are a condition for associated aggregates and for consciousness-originated materiality by way of presence condition. Postnascence - mental knots are a condition for this prenascent body by way of presence condition. (2)

A mental knot state is a condition for a mental knot and a non-mental knot state by way of presence condition... one (similar to dependence). (3)

35. A non-mental knot state is a condition for a non-mental knot state by way of presence condition - conascence, prenascence, postnascence, nutriment, faculty (in brief). (1)

A non-mental knot state is a condition for a mental knot state by way of presence condition - conascence, prenascence. Conascence - non-mental knot aggregates are a condition for mental knots by way of presence condition. Prenascence - the eye...

etc. one enjoys the sense-base, delights in it; referring to that, lust arises, wrong view arises, displeasure arises; the sense-base is a condition for mental knots by way of presence condition. (2)

A non-mental knot state is a condition for a mental knot and a non-mental knot state by way of presence condition - conascence, prenascent. Conascence - one non-mental knot aggregate is a condition for three aggregates and mental knots and for consciousness-originated materiality by way of presence condition... etc. Prenascent - the eye... etc. one enjoys the sense-base, delights in it; referring to that, mental knots and associated aggregates arise; the sense-base is a condition for mental knots and for associated aggregates by way of presence condition. (3)

36. A mental knot and a non-mental knot state is a condition for a mental knot state by way of presence condition - conascence, prenascent. Conascence - the bodily knot of adherence to moral rules and austerities and associated aggregates are a condition for the bodily knot of covetousness by way of presence condition (wheel). Conascence - the bodily knot of adherence to moral rules and austerities and the sense-base are a condition for the bodily knot of covetousness by way of presence condition. (Wheel). (1)

A mental knot and a non-mental knot state is a condition for a non-mental knot state by way of presence condition - conascence, prenascent, postnascent, nutriment, faculty. Conascence - one non-mental knot aggregate and a mental knot are a condition for three aggregates and for consciousness-originated materiality by way of presence condition... etc. two aggregates and... etc. Conascence - mental knots and the sense-base are a condition for non-mental knot aggregates by way of presence condition. Conascence - mental knots and primary elements are a condition for consciousness-originated materiality by way of presence condition. Postnascent - mental knots and associated aggregates are a condition for this prenascent body by way of presence condition. Postnascent - mental knots and edible food are a condition for this body by way of presence condition. Postnascent - mental knots and the material life faculty are a condition for kamma-born materiality by way of presence condition. (2)

A mental knot and a non-mental knot state is a condition for a mental knot and a non-mental knot state by way of presence condition - conascence, prenascent. Conascence - one non-mental knot aggregate and the bodily knot of adherence to moral rules and austerities are a condition for three aggregates and for the bodily knot of covetousness and for consciousness-originated materiality by way of presence condition... etc. Conascence - the bodily knot of adherence to moral rules and austerities and the sense-base are a condition for the bodily knot of covetousness and for associated aggregates by way of presence condition (wheel). (3)

71. A mental state associated with mental knots and a mental state dissociated from mental knots are a condition for a mental state associated with mental knots by way of root condition - a root accompanied by greed dissociated from wrong view and greed are a condition for associated aggregates by way of root condition; a root accompanied by displeasure and aversion are a condition for associated aggregates by way of root condition. (1)

A mental state associated with mental knots and a mental state dissociated from mental knots are a condition for a mental state dissociated from mental knots by way of root condition - a root accompanied by greed dissociated from wrong view and greed are a condition for consciousness-originated materiality by way of root condition; a root accompanied by displeasure and aversion are a condition for consciousness-originated materiality by way of root condition. (2)

A mental state associated with mental knots and a mental state dissociated from mental knots are a condition for a mental state associated with mental knots and a mental state dissociated from mental knots by way of root condition - a root accompanied by greed dissociated from wrong view and greed are a condition for associated aggregates and for consciousness-originated materiality by way of root condition; a root accompanied by displeasure and aversion are a condition for associated aggregates and for consciousness-originated materiality by way of root condition. (3)

Object condition

72. A mental state associated with mental knots is a condition for a mental state associated with mental knots by way of object condition - referring to aggregates associated with mental knots, aggregates associated with mental knots arise. (The roots in all three should be asked) referring to aggregates associated with mental knots, aggregates dissociated from mental knots arise; referring to aggregates associated with mental knots, aggregates accompanied by greed dissociated from wrong view and greed arise; aggregates accompanied by displeasure and aversion arise. (3)

73. A mental state dissociated from mental knots is a condition for a mental state dissociated from mental knots by way of object condition - having given a gift, morality... etc. having performed the Observance practice, one reviews that; one reviews what was well practised before; having emerged from meditative absorption, one reviews the meditative absorption; noble ones, having emerged from the path, review the path, review fruition, review Nibbāna; Nibbāna is a condition by way of object condition for change-of-lineage, for cleansing, for the path, for fruition, for adverting; noble ones review the abandoned defilements dissociated from mental knots, they review the suppressed defilements, they know the defilements previously indulged in, the eye... etc. the sense-base, aggregates dissociated from mental knots and greed and aversion as impermanent... etc. one sees with insight, enjoys it, delights in it; referring to that, lust dissociated from mental knots arises, sceptical doubt... etc. restlessness, etc. displeasure arises; sees materiality with the divine eye; hears sound with the divine ear element; with the knowledge of others' mental states knows the consciousness of one possessing consciousness dissociated from mental knots; the plane of infinite space is a condition for the plane of infinite consciousness... etc. the plane of nothingness is a condition for the plane of neither-perception-nor-non-perception, etc. the visible form sense base for eye-consciousness... etc. the touch sense base for body-consciousness... etc. Aggregates dissociated from mental knots are a condition by way of object condition for the knowledge of various kinds of supernormal power, for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of rebirth according to beings' actions, for the knowledge of future events, for adverting. (1)

A mental state dissociated from mental knots is a condition for a mental state associated with mental knots by way of object condition - having given a gift, morality... etc. the Observance practice... etc. formerly... etc. meditative absorptions... etc. one enjoys that, delights in it; referring to that, lust associated with mental knots arises... wrong view arises... displeasure arises (in brief). (2)

A mental state dissociated from mental knots is a condition for a mental state associated with mental knots and a mental state dissociated from mental knots by way of object condition - the eye... etc. referring to the sense-base, aggregates dissociated from mental knots and greed and aversion, aggregates accompanied by greed dissociated from wrong view and greed and aggregates accompanied by displeasure and aversion arise. (3)

74. A mental state associated with mental knots and a mental state dissociated from mental knots are a condition for a mental state associated with mental knots by way of object condition - referring to aggregates accompanied by greed dissociated from

wrong view and greed and aggregates accompanied by displeasure and aversion, aggregates associated with mental knots arise. (The root should be asked) referring to aggregates accompanied by greed dissociated from wrong view and greed and aggregates accompanied by displeasure and aversion, aggregates dissociated from mental knots arise; referring to aggregates accompanied by greed dissociated from wrong view and greed and aggregates accompanied by displeasure and aversion, aggregates accompanied by greed dissociated from wrong view and greed and aggregates accompanied by displeasure and aversion arise. (3)

Predominance condition

75. A mental state associated with mental knots is a condition for a mental state associated with mental knots by way of predominance condition - object predominance, connascent predominance. Object predominance - having honoured and respected aggregates associated with mental knots, aggregates associated with mental knots arise. Connascent predominance - predominance associated with mental knots is a condition for associated aggregates by way of predominance condition. (1)

A mental state associated with mental knots is a condition for a mental state dissociated from mental knots by way of predominance condition - object predominance, connascent predominance. Object predominance - having honoured and respected aggregates associated with mental knots, greed dissociated from wrong view arises. Connascent predominance - predominance associated with mental knots is a condition for consciousness-originated materiality by way of predominance condition; predominance accompanied by greed dissociated from wrong view is a condition for greed and for consciousness-originated materiality by way of predominance condition; predominance accompanied by displeasure is a condition for aversion and for consciousness-originated materiality by way of predominance condition. (2)

A mental state associated with mental knots is a condition for a mental state associated with mental knots and a mental state dissociated from mental knots by way of predominance condition - object predominance, connascent predominance. Object predominance - having honoured and respected aggregates associated with mental knots, aggregates accompanied by greed dissociated from wrong view and greed arise. Connascent predominance - predominance accompanied by greed dissociated from wrong view is a condition for associated aggregates and for greed and for consciousness-originated materiality by way of predominance condition; predominance accompanied by displeasure is a condition for associated aggregates and for aversion and for consciousness-originated materiality by way of predominance condition. (3)

76. A mental state dissociated from mental knots is a condition for a mental state dissociated from mental knots by way of predominance condition - object predominance, connascent predominance. Object predominance - giving... etc. morality... etc. having performed the Observance practice, having given weight to that, one reviews; having given weight to what was well practised before, one reviews; having emerged from meditative absorption, having given weight to the meditative absorption, one reviews; noble ones, having emerged from the path,

having given weight to the path, review; having emerged from fruition, having given weight to fruition, review; having given weight to Nibbāna, review; Nibbāna is a condition by way of predominance condition for change-of-lineage, for cleansing, for the path, for fruition; the eye... etc. having given weight to the sense-base, aggregates dissociated from mental knots and greed, one enjoys them, delights in them; having given weight to that, lust dissociated from mental knots arises. Connascent predominance - predominance dissociated from mental knots is a condition by way of predominance condition for associated aggregates and for consciousness-originated materiality. (1)

A mental state dissociated from mental knots is a condition for a mental state associated with mental knots by way of predominance condition. Object predominance - giving... etc. morality... etc. the Observance practice... etc. what was well practised before... etc. having emerged from meditative absorption, the meditative absorption... etc. the eye... etc. having given weight to the sense-base, aggregates dissociated from mental knots and greed, one enjoys them, delights in them; having given weight to that, lust associated with mental knots arises... wrong view arises. (2)

A mental state dissociated from mental knots is a condition for a mental state associated with mental knots and a mental state dissociated from mental knots by way of predominance condition. Object predominance - the eye... etc. having given weight to the sense-base, aggregates dissociated from mental knots and greed, aggregates accompanied by greed dissociated from wrong view and greed arise. (3)

77. A mental state associated with mental knots and a mental state dissociated from mental knots are a condition for a mental state associated with mental knots by way of predominance condition. Object predominance - having given weight to aggregates accompanied by greed dissociated from wrong view and greed, aggregates associated with mental knots arise. (The roots should be asked) having given weight to aggregates accompanied by greed dissociated from wrong view and greed, greed dissociated from wrong view arises. (The roots should be asked) having given weight to aggregates accompanied by greed dissociated from wrong view and greed, aggregates accompanied by greed dissociated from wrong view and greed arise. (3)

Proximity condition

78. A mental state associated with mental knots is a condition for a mental state associated with mental knots by way of proximity condition - the former and former aggregates associated with mental knots are a condition for the latter and latter aggregates associated with mental knots by way of proximity condition. (The roots should be asked) the former and former aggregates accompanied by greed dissociated from wrong view are a condition by way of proximity condition for the latter and latter greed dissociated from wrong view; the former and former aggregates accompanied by displeasure are a condition by way of proximity condition for the latter and latter aversion; aggregates associated with mental knots are a condition by way of proximity condition for emergence. (The roots should be asked) the former and former aggregates accompanied by greed dissociated from wrong view are a condition by way of proximity condition for the latter and latter aggregates accompanied by greed dissociated from wrong view and for greed; the former and

former aggregates accompanied by displeasure are a condition by way of proximity condition for the latter and latter aggregates accompanied by displeasure and for aversion. (3)

79. A mental state dissociated from mental knots is a condition for a mental state dissociated from mental knots by way of proximity condition - the former and former greed dissociated from wrong view is a condition by way of proximity condition for the latter and latter greed dissociated from wrong view; the former and former aversion is a condition by way of proximity condition for the latter and latter aversion; the former and former aggregates dissociated from mental knots are a condition by way of proximity condition for the latter and latter aggregates dissociated from mental knots; conformity for change-of-lineage, etc. is a condition for fruition attainment by way of proximity condition. (1)

A mental state dissociated from mental knots is a condition for a mental state associated with mental knots by way of proximity condition - the former and former greed dissociated from wrong view is a condition by way of proximity condition for the latter and latter aggregates accompanied by greed dissociated from wrong view; the former and former aversion is a condition by way of proximity condition for the latter and latter aggregates accompanied by displeasure; adverting is a condition by way of proximity condition for aggregates associated with mental knots. (3)

80. A mental state associated with mental knots and a mental state dissociated from mental knots are a condition for a mental state associated with mental knots by way of proximity condition - the former and former aggregates accompanied by greed dissociated from wrong view and greed are a condition by way of proximity condition for the latter and latter aggregates accompanied by greed dissociated from wrong view; the former and former aggregates accompanied by displeasure and aversion are a condition by way of proximity condition for the latter and latter aggregates accompanied by displeasure. (The roots should be asked) the former and former aggregates accompanied by greed dissociated from wrong view and greed are a condition by way of proximity condition for the latter and latter greed dissociated from wrong view; the former and former aggregates accompanied by displeasure and aversion are a condition by way of proximity condition for the latter and latter aversion; aggregates accompanied by greed dissociated from wrong view and greed and aggregates accompanied by displeasure and aversion are a condition by way of proximity condition for emergence. (The roots should be asked) the former and former aggregates accompanied by greed dissociated from wrong view and greed are a condition by way of proximity condition for the latter and latter aggregates

accompanied by greed dissociated from wrong view and for greed; the former and former aggregates accompanied by displeasure and aversion are a condition by way of proximity condition for the latter and latter aggregates accompanied by displeasure and for aversion. (3)

Contiguity Condition and so on

81. A mental state associated with mental knots is a condition for a mental state associated with mental knots by way of contiguity condition... by way of conascence condition... by way of mutuality condition... by way of support condition.

Decisive support condition

82. A mental state associated with mental knots is a condition for a mental state associated with mental knots by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - aggregates associated with mental knots are a condition for aggregates associated with mental knots by way of decisive support condition. (The root should be asked, all three decisive supports) aggregates associated with mental knots are a condition for aggregates dissociated from mental knots by way of decisive support condition. (The root, all three decisive supports) aggregates associated with mental knots are a condition for aggregates accompanied by greed dissociated from wrong view and for greed by way of decisive support condition; a condition for aggregates accompanied by displeasure and for aversion by way of decisive support condition. (3)

83. A mental state dissociated from mental knots is a condition for a mental state dissociated from mental knots by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith one gives a gift, etc. produces attainment... one mutters conceit... morality... etc. wisdom... lust... hate... delusion... conceit... longing... bodily pleasure, etc. bodily pain, etc. climate, etc. food, etc. in dependence on lodging one gives a gift, etc. produces attainment... kills a living being, etc. breaks the Community; faith, etc. wisdom, lust, etc. longing, etc. lodging for faith, etc. with wisdom... for lust... for hate... of delusion... of conceit... for longing, etc. for fruition attainment by way of decisive support condition. (1)

A mental state dissociated from mental knots is a condition for a mental state associated with mental knots by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith, one mutters conceit, takes wrong view; morality... etc. wisdom... lust, etc. conceit... longing, etc. in dependence on lodging one kills a living being, etc. breaks the Community; faith, etc. lodging is a condition for lust... for hate... of delusion... of conceit... for wrong view... for longing by way of decisive support condition. (2)

A mental state dissociated from mental knots is a condition for a mental state associated with mental knots and a mental state dissociated from mental knots by way of decisive support condition (three decisive supports); in dependence on faith, one mutters conceit; morality... etc. wisdom... lust... hate... delusion... conceit... longing... bodily pleasure, etc. in dependence on lodging one kills a living being, etc.

breaks the Community; faith, etc. wisdom... lust... Hate... Delusion... conceit... longing, etc. lodging is a condition for aggregates accompanied by greed dissociated from wrong view and for greed, and for aggregates accompanied by displeasure and for aversion by way of decisive support condition. (3)

84. A mental state associated with mental knots and a mental state dissociated from mental knots are a condition for a mental state associated with mental knots by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - aggregates accompanied by greed dissociated from wrong view and greed and aggregates accompanied by displeasure and aversion are a condition for aggregates associated with mental knots by way of decisive support condition. (The root should be made) aggregates accompanied by greed dissociated from wrong view and greed and aggregates accompanied by displeasure and aversion are a condition for aggregates dissociated from mental knots and for greed dissociated from wrong view and for aversion by way of decisive support condition. (The root should be asked) aggregates accompanied by greed dissociated from wrong view and greed and aggregates accompanied by displeasure and aversion are a condition for aggregates accompanied by greed dissociated from wrong view and for greed and for aggregates accompanied by displeasure and for aversion by way of decisive support condition. (3)

Prenascence condition

85. A mental state dissociated from mental knots is a condition for a mental state dissociated from mental knots by way of pre-nascence condition - object pre-nascence, sense-organ pre-nascence. Object pre-nascence - the eye... etc. one sees with insight the sense-base as impermanent, enjoys it, delights in it; referring to that, lust dissociated from mental knots arises, sceptical doubt... etc. restlessness, etc. displeasure arises; One sees materiality with the divine eye, hears sound with the divine ear element. The visible form sense base is a condition by way of object condition for eye-consciousness... etc. the touch sense base for body-consciousness... etc. Sense-organ pre-nascence - the eye sense base for eye-consciousness... etc. the body sense base for body-consciousness... etc. the sense-base is a condition for aggregates dissociated from mental knots and for greed dissociated from wrong view and for aversion by way of pre-nascence condition. (1)

A mental state dissociated from mental knots is a condition for a mental state associated with mental knots by way of pre-nascence condition - object pre-nascence, sense-organ pre-nascence. Object pre-nascence - the eye... etc. one enjoys the sense-base, delights in it; referring to that, lust associated with mental knots arises, wrong view... etc. Displeasure arises. Sense-organ pre-nascence - the sense-base is a condition for aggregates associated with mental knots by way of pre-nascence condition. (2)

A mental state dissociated from mental knots is a condition for a mental state associated with mental knots and a mental state dissociated from mental knots by way of pre-nascence condition - object pre-nascence, sense-organ pre-nascence. Object pre-nascence - the eye... etc. referring to the sense-base, aggregates accompanied by greed dissociated from wrong view and greed and aggregates accompanied by

displeasure and aversion arise. Sense-organ prenatal condition - the sense-base is a condition for aggregates accompanied by greed dissociated from wrong view and for greed and for aggregates accompanied by displeasure and for aversion by way of prenatal condition. (3)

Postnatal condition

86. A mental state associated with mental knots is a condition for a mental state dissociated from mental knots by way of postnatal condition... one.

A mental state dissociated from mental knots is a condition for a mental state dissociated from mental knots by way of postnatal condition... one.

A mental state associated with mental knots and a mental state dissociated from mental knots are a condition for a mental state dissociated from mental knots by way of postnatal condition - postnatal aggregates accompanied by greed dissociated from wrong view and greed and aggregates accompanied by displeasure and aversion are a condition for this prenatal body by way of postnatal condition. (1)

Repetition condition

87. A mental state associated with mental knots is a condition for a mental state associated with mental knots by way of repetition condition (similar to proximity, there is neither adverting nor emergence).

Kamma condition

88. A mental state associated with mental knots is a condition for a mental state associated with mental knots by way of kamma condition - volition associated with mental knots is a condition for associated aggregates by way of kamma condition. (1)

A mental state associated with mental knots is a condition for a mental state dissociated from mental knots by way of kamma condition - conascence, asynchronous. Conascence - volition associated with mental knots is a condition for consciousness-originated materiality by way of kamma condition; volition accompanied by greed dissociated from wrong view is a condition for greed and for consciousness-originated materiality by way of kamma condition; volition accompanied by displeasure is a condition for aversion and for consciousness-originated materiality by way of kamma condition. Asynchronous - volition associated with mental knots is a condition for resultant aggregates and for kamma-born materiality by way of kamma condition. (2)

A mental state associated with mental knots is a condition for a mental state associated with mental knots and a mental state dissociated from mental knots by way of kamma condition - volition associated with mental knots is a condition for associated aggregates and for consciousness-originated materiality by way of kamma condition; volition accompanied by greed dissociated from wrong view is a condition for associated aggregates and for greed and for consciousness-originated materiality by way of kamma condition; volition accompanied by displeasure is a condition for associated aggregates and for aversion and for consciousness-originated materiality by way of kamma condition. (3)

89. A mental state dissociated from mental knots is a condition for a mental state dissociated from mental knots by way of kamma condition - conascence, asynchronous. Conascence - volition dissociated from mental knots is a condition for associated aggregates and for consciousness-originated materiality by way of kamma condition; at the moment of conception... etc. Asynchronous - volition dissociated from mental knots is a condition for resultant aggregates and for kamma-born materiality by way of kamma condition. (1)

Result Condition etc.

90. A mental state dissociated from mental knots is a condition for a mental state dissociated from mental knots by way of result condition... one.

A mental state associated with mental knots is a condition for a mental state associated with mental knots by way of nutriment condition... four... by way of faculty condition... four... by way of condition of meditative absorption... four... by way of path condition... four... by way of associated condition... six.

Dissociation condition

91. A mental state associated with mental knots is a condition for a mental state dissociated from mental knots by way of dissociated condition - conascence, postnascence (in brief, to be analysed). (1)

A mental state dissociated from mental knots is a condition for a mental state dissociated from mental knots by way of dissociated condition - conascence, prenascence, postnascence (in brief). (1)

A mental state dissociated from mental knots is a condition for a mental state associated with mental knots by way of dissociated condition. Prenascence - the sense-base is a condition for aggregates associated with mental knots by way of dissociated condition. (2)

A mental state dissociated from mental knots is a condition for a mental state associated with mental knots and a mental state dissociated from mental knots by way of dissociated condition. Prenascence - the sense-base is a condition for aggregates accompanied by greed dissociated from wrong view and for greed and for aggregates accompanied by displeasure and for aversion by way of dissociated condition. (3)

92. A mental state associated with mental knots and a mental state dissociated from mental knots are a condition for a mental state dissociated from mental knots by way of dissociated condition - conascence, postnascence. Conascence - aggregates accompanied by greed dissociated from wrong view and greed are a condition for consciousness-originated materiality by way of dissociated condition; aggregates accompanied by displeasure and aversion are a condition for consciousness-originated materiality by way of dissociated condition. Postnascence - aggregates accompanied by greed dissociated from wrong view and greed and aggregates accompanied by displeasure and aversion are a condition for this prenascent body by way of dissociated condition. (1)

Presence condition

93. A mental state associated with mental knots is a condition for a mental state associated with mental knots by way of presence condition... one (similar to dependence). (1)

A mental state associated with mental knots is a condition for a mental state dissociated from mental knots by way of presence condition - conascence, postnascence (in brief, to be analysed). (2)

A mental state associated with mental knots is a condition for a mental state associated with mental knots and a mental state dissociated from mental knots by way of presence condition... one (similar to dependence). (3)

94. A mental state dissociated from mental knots is a condition for a mental state dissociated from mental knots by way of presence condition - conascence, prenascence, postnascence, nutriment, faculty (in brief, to be analysed). (1)

A mental state dissociated from mental knots is a condition for a mental state associated with mental knots by way of presence condition - conascence, prenascence. Conascence - greed dissociated from wrong view is a condition for associated aggregates by way of presence condition; aversion accompanied by displeasure is a condition for associated aggregates by way of presence condition. Prenascence - the eye... etc. one enjoys the sense-base, delights in it; referring to that, lust associated with mental knots... etc. wrong view... etc. displeasure arises; the sense-base is a condition for aggregates associated with mental knots by way of presence condition. (2)

A mental state dissociated from mental knots is a condition for a mental state associated with mental knots and a mental state dissociated from mental knots by way of presence condition - conascence, prenascence. Conascence - greed dissociated from wrong view is a condition for associated aggregates and for consciousness-originated materiality by way of presence condition; aversion is a condition for associated aggregates and for consciousness-originated materiality by way of presence condition. Prenascence - the eye... etc. referring to the sense-base, aggregates accompanied by greed dissociated from wrong view and greed and aggregates accompanied by displeasure and aversion arise; the sense-base is a condition for aggregates accompanied by greed dissociated from wrong view and for greed and for aggregates accompanied by displeasure and for aversion by way of presence condition. (3)

95. A mental state associated with mental knots and a mental state dissociated from mental knots are a condition for a mental state associated with mental knots by way of presence condition - conascence, prenascence. Conascence - one aggregate associated with mental knots and the sense-base are a condition for three aggregates by way of presence condition... etc. two aggregates and... etc. Conascence - one aggregate accompanied by greed dissociated from wrong view and greed are a condition for three aggregates by way of presence condition... etc. two aggregates and... etc. one aggregate accompanied by displeasure and aversion are a condition for three aggregates by way of presence condition... etc. two aggregates and... etc. (1)

A mental state associated with mental knots and a mental state dissociated from mental knots are a condition for a mental state dissociated from mental knots by way of presence condition - conascence, prenascence, postnascence, nutriment, faculty. Conascence - aggregates associated with mental knots and the primary elements are a condition for consciousness-originated materiality by way of presence condition. Conascence - aggregates accompanied by greed dissociated from wrong view and greed are a condition for consciousness-originated materiality by way of presence condition. Conascence - aggregates accompanied by displeasure and aversion are a condition for consciousness-originated materiality by way of presence condition; aggregates accompanied by greed dissociated from wrong view and the sense-base are a condition for greed by way of presence condition; aggregates accompanied by displeasure and the sense-base are a condition for aversion by way of presence condition. Postnascence - aggregates accompanied by greed dissociated from wrong view and greed and aggregates accompanied by displeasure and aversion are a condition for this prenascent body by way of presence condition. Postnascence - aggregates associated with mental knots and edible food are a condition for this body by way of presence condition. Postnascence - aggregates associated with mental knots and the material life faculty are a condition for kamma-born materiality by way of presence condition. (2)

A mental state associated with mental knots and a mental state dissociated from mental knots are a condition for a mental state associated with mental knots and a mental state dissociated from mental knots by way of presence condition - conascence, prenascence. Conascence - one aggregate accompanied by greed dissociated from wrong view and greed are a condition for three aggregates and for consciousness-originated materiality by way of presence condition... etc. two aggregates and... etc. Conascence - one aggregate accompanied by displeasure and aversion are a condition for three aggregates and for consciousness-originated materiality by way of presence condition... etc. two aggregates and... etc. Conascence - one aggregate accompanied by greed dissociated from wrong view and the sense-base are a condition for three aggregates and for greed by way of presence condition... etc. two aggregates and... etc. Conascence - one aggregate accompanied by displeasure and the sense-base are a condition for three aggregates and for aversion by way of presence condition... etc. two aggregates and... etc. (3)

29. Dyad of Mental Knot and Subject to Mental Knots

1. Section on the Dependent

Root Condition

103. A mental state that is both mental knot and subject to mental knots arises dependent on a mental state that is both mental knot and subject to mental knots by root condition - dependent on adherence to moral rules and austerities, a bodily knot, the bodily knot of covetousness arises; dependent on the bodily knot of covetousness, adherence to moral rules and austerities, a bodily knot, arises; dependent on dogmatic belief that "This alone is the truth," a bodily knot, the bodily knot of covetousness arises; dependent on the bodily knot of covetousness, dogmatic belief that "This alone is the truth," a bodily knot, arises. (1)

A mental state that is subject to mental knots and not mental knot arises dependent on a mental state that is both mental knot and subject to mental knots by root condition - dependent on mental knots, associated aggregates and consciousness-originated materiality arise. (2)

Mental states that are both mental knot and subject to mental knots and subject to mental knots and not mental knot arise dependent on a mental state that is both mental knot and subject to mental knots by root condition. (1)

2-6. Conascence-Condition-Support-Conjoined-Associated Sections

(The section on the dependent and also the section on the conascence and also the section on the conditions and also the support section and also the conjoined section and also the associated section are similar to the mental knot dyad, the difference.)

7. Section on Questions

1. Section on Analysis

Root Condition

104. A mental state that is both mental knot and subject to mental knots is a condition for a mental state that is both mental knot and subject to mental knots by way of root condition - mental knot roots are a condition for associated mental knots by way of root condition (thus nine questions should be expanded).

Object condition

105. A mental state that is both mental knot and subject to mental knots is a condition for a mental state that is both mental knot and subject to mental knots by way of object condition - referring to mental knots, mental knots arise. (The root should be asked) referring to mental knots, aggregates that are subject to mental knots and not mental knots arise. (The root should be asked) referring to mental knots, mental knots and associated aggregates arise. (3)

106. A mental state that is subject to mental knots and not mental knot is a condition for a mental state that is subject to mental knots and not mental knot by way of object condition - giving... etc. morality... etc. having performed the Observance practice, one reviews that; what was well practised before... etc. meditative absorptions... etc. noble ones review the change-of-lineage; they review the cleansing; the abandoned defilements... etc. they review the suppressed defilements; they know the defilements previously indulged in; the eye... etc. the sense-base, the aggregates that are subject to mental knots and not mental knots as impermanent... etc. displeasure arises; One sees materiality with the divine eye, hears sound with the divine ear element. (All should be expanded) is a condition for advertizing by way of object condition. (1)

A mental state that is subject to mental knots and not mental knot is a condition for a mental state that is both mental knot and subject to mental knots by way of object condition - giving... etc. morality... etc. having performed the Observance practice, one enjoys that, delights in it; referring to that, lust arises, wrong view... etc. sceptical doubt, etc. displeasure arises; what was well practised before... etc. having emerged from meditative absorption, the meditative absorption... etc. the eye... etc. the sense-base, one enjoys the aggregates that are subject to mental knots and not mental knots, delights in them; referring to that, lust arises, wrong view... etc. Displeasure arises. (2)

A mental state that is subject to mental knots and not mental knot is a condition for a mental state that is both mental knot and subject to mental knots and subject to mental knots and not mental knot by way of object condition - giving... etc. morality... etc. the Observance practice... etc. what was well practised before... etc. having emerged from meditative absorption, the meditative absorption... etc. the eye... etc. the sense-base, one enjoys the aggregates that are subject to mental knots and not mental knots, delights in them; referring to that, mental knots and associated aggregates arise (thus the other three should also be expanded). (3)

(Should be done referring to. In this dyad there is no supramundane, similar to the mental knot dyad, the difference. 'Subject to mental knots' should be specified, nine questions should be made regarding the path.)

The dyad of mental knot and subject to mental knots is finished.

30. Dyad of Mental Knot and Associated with Mental Knots

1. Section on the Dependent

1-4. The Tetrad of Conditions

Root Condition

107. A mental state that is both mental knot and associated with mental knots arises dependent on a mental state that is both mental knot and associated with mental knots by root condition - dependent on adherence to moral rules and austerities, a bodily knot, the bodily knot of covetousness arises; dependent on the bodily knot of covetousness, adherence to moral rules and austerities, a bodily knot, arises; dependent on dogmatic belief that "This alone is the truth," a bodily knot, the bodily knot of covetousness arises; dependent on the bodily knot of covetousness, dogmatic belief that "This alone is the truth," a bodily knot, arises. (1)

A mental state that is associated with mental knots and not mental knot arises dependent on a mental state that is both mental knot and associated with mental knots by root condition - dependent on mental knots, associated aggregates arise. (2)

Mental states that are both mental knot and associated with mental knots and associated with mental knots and not mental knot arise dependent on a mental state that is both mental knot and associated with mental knots by root condition - dependent on adherence to moral rules and austerities, a bodily knot, the bodily knot of covetousness and associated aggregates arise (wheel). (3)

108. A mental state that is associated with mental knots and not mental knot arises dependent on a mental state that is associated with mental knots and not mental knot by root condition - dependent on one aggregate that is associated with mental knots and not mental knot, three aggregates arise... etc. two aggregates... etc. (1)

A mental state that is both mental knot and associated with mental knots arises dependent on a mental state that is associated with mental knots and not mental knot by root condition - dependent on aggregates that are associated with mental knots and not mental knots, mental knots arise. (2)

Mental states that are both mental knot and associated with mental knots and associated with mental knots and not mental knot arise dependent on a mental state that is associated with mental knots and not mental knot by root condition - dependent on one aggregate that is associated with mental knots and not mental knot, three aggregates and mental knots arise... etc. two aggregates... etc. (3)

109. A mental state that is both mental knot and associated with mental knots arises dependent on a mental state that is both mental knot and associated with mental knots and associated with mental knots and not mental knot by root condition - dependent on mental knots and associated aggregates, mental knots arise. (1)

A mental state that is associated with mental knots and not mental knot arises dependent on a mental state that is both mental knot and associated with mental knots and associated with mental knots and not mental knot by root condition - dependent on one aggregate that is associated with mental knots and not mental knot and mental knots, three aggregates arise... etc. and two aggregates... etc. (2)

Mental states that are both mental knot and associated with mental knots and associated with mental knots and not mental knot arise dependent on a mental state that is both mental knot and associated with mental knots and associated with mental knots and not mental knot by root condition - dependent on one aggregate that is associated with mental knots and not mental knot and adherence to moral rules and austerities, a bodily knot, three aggregates and the bodily knot of covetousness arise... etc. and two aggregates... etc. (wheel should be bound. Abbreviated). (3)

110. By way of root nine, by way of object nine (everywhere nine), by way of action nine, by way of nutriment nine... etc. by way of non-disappearance nine.

Positive.

2. Negative Condition

111. A mental state that is both mental knot and associated with mental knots arises dependent on a mental state that is both mental knot and associated with mental knots by non-predominance condition (in brief).

(Here there is no non-root condition) by way of non-predominance nine, by way of non-prenascence nine, by way of non-postnascence nine, by way of non-repetition nine, by way of non-kamma three, by way of non-resultant nine, by way of the not dissociated nine.

2-6. Conascence-Condition-Support-Conjoined-Associated Sections

(Thus the other two countings and also the section on the conascence, the section on the conditions, the section on the support, the section on the conjoined, and the section on the associated are also similar to the section on the dependent.)

7. Section on Questions

1. Positive Condition

1. Section on Analysis

Root Condition

112. A mental state that is both mental knot and associated with mental knots is a condition for a mental state that is both mental knot and associated with mental knots by way of root condition - mental knots and roots associated with mental knots are a condition for associated mental knots by way of root condition. (1)

A mental state that is both mental knot and associated with mental knots is a condition for a mental state that is associated with mental knots and not mental knot by way of root condition - mental knots and roots associated with mental knots are a condition for associated aggregates by way of root condition. (2)

A mental state that is both mental knot and associated with mental knots is a condition for a mental state that is both mental knot and associated with mental knots and a mental state that is associated with mental knots and not mental knot by way of root condition - mental knots and roots associated with mental knots are a condition for associated aggregates and mental knots by way of root condition. (3)

113. A mental state that is associated with mental knots and not mental knot is a

condition for a mental state that is associated with mental knots and not mental knot by way of root condition - roots that are associated with mental knots and not mental knots are a condition for associated mental knots by way of root condition. (1)

A mental state that is associated with mental knots and not mental knot is a condition for a mental state that is both mental knot and associated with mental knots by way of root condition - roots that are associated with mental knots and not mental knots are a condition for associated mental knots by way of root condition. (2)

A mental state that is associated with mental knots and not mental knot is a condition for a mental state that is both mental knot and associated with mental knots and a mental state that is associated with mental knots and not mental knot by way of root condition - roots that are associated with mental knots and not mental knots are a condition for associated aggregates and mental knots by way of root condition. (3)

114. Mental states that are both mental knot and associated with mental knots and associated with mental knots and not mental knot are a condition for a mental state that is both mental knot and associated with mental knots by way of root condition - mental knots and roots associated with mental knots and associated with mental knots and not mental knots are a condition for associated aggregates by way of root condition. (1)

Mental states that are both mental knot and associated with mental knots and associated with mental knots and not mental knot are a condition for a mental state that is associated with mental knots and not mental knot by way of root condition - mental knots and roots associated with mental knots and associated with mental knots and not mental knots are a condition for associated aggregates by way of root condition. (2)

Mental states that are both mental knot and associated with mental knots and associated with mental knots and not mental knot are a condition for a mental state that is both mental knot and associated with mental knots and a mental state that is associated with mental knots and not mental knot by way of root condition - mental knots and roots associated with mental knots and associated with mental knots and not mental knots are a condition for associated aggregates and mental knots by way of root condition. (3)

Object condition and so on

115. A mental state that is both mental knot and associated with mental knots is a condition for a mental state that is both mental knot and associated with mental knots by way of object condition - referring to mental knots, mental knots arise. (The root should be made) referring to mental knots, aggregates that are associated with mental knots and not mental knots arise. (The root should be made) referring to mental knots, mental knots and associated aggregates arise. (3)

A mental state that is associated with mental knots and not mental knot is a condition for a mental state that is associated with mental knots and not mental knot by way of object condition - referring to aggregates that are associated with mental knots and not mental knots, aggregates that are associated with mental knots and not mental knots arise. (The root should be made) referring to aggregates that are associated with mental knots and not mental knots, mental knots arise. (The root should be

made) referring to aggregates that are associated with mental knots and not mental knots, mental knots and associated aggregates arise. (3)

(Thus the other three questions should also be made, similar to object only. In predominance, proximity, and decisive support also, there is no classification.)
