1. The Life History of the Elder Tikaṇikārapupphiya

1. "The Perfectly Enlightened One named Sumedha, possessing the thirty-two excellent characteristics;
The Perfectly Enlightened One, desiring seclusion, approached the Himalayas.
2. "Having plunged into the Himalaya, the foremost compassionate sage;
Having bent into cross-legged posture, the highest of men sat down.
3. "A knower of charms then I was, one who moves through the sky;
Having grasped a well-made trident, I then go into the sky.
4. "Like a fire on a mountain peak, like the moon on the full moon day;
The Buddha shines in the forest, like a king of sal trees in full bloom.
5. "Having gone forth from the forest edge, running towards the Buddha's rays;
Resembling the colour of a reed fire, having seen, I gladdened my mind.
6. "Selecting, I saw a flower, kaṇikāra with divine fragrance;
Having taken three flowers, I honoured the foremost Buddha.
7. "By the Buddha's power, three flowers of mine then;
Stalks upward, petals downward, make shade for the Teacher.
8. "By that well-done action, and by volition and aspirations;
Having abandoned the human body, I went to Tāvatiṃsa.
9. "There my divine mansion was well made, known as 'Kaṇikārī';
Sixty yojanas in height, thirty yojanas in width.
10. "With a thousand storeys, a hundred pinnacles, adorned with flags, made of green gold;
With a hundred thousand turrets, divine mansions appeared to me.
11. "Made of gold, made of jewels, and also made of ruby;
And divans made of crystal, whatever one wishes, whichever one desires.
12. "And a very precious bed, furnished with a cotton-mattress covering;
With upward-facing hair exclusively, combined with a pillow.
13. "Having gone forth from the dwelling, wandering on a journey in heaven;
Whenever I wish for passage, honoured by a host of gods.

- 14.** "Below the flower I stand, above is my roof;
A hundred yojanas all around, covered with kaṇikāra flowers.
- 15.** "Sixty thousand musical instruments attended on me morning and evening;
They surround me constantly, unwearied night and day.
- 16.** "There with dancing, singing, cymbals, and music;
I delight in playful enjoyment, I rejoice, desiring sensual pleasures.
- 17.** "Having eaten and drunk there, I rejoice among the Thirty-three then;
Together with groups of women, I rejoice in the highest divine mansion.
- 18.** "Five hundred times I exercised divine kingship;
Three hundred times I was a universal monarch;

Principality over a district, extensive, incalculable by counting.

- 19.** "Wandering in the round of rebirths from existence to existence, I obtain great wealth;
There is no deficiency in my wealth, this is the fruit of honouring the Buddha.
- 20.** "I wander in two existences, in divinity and also in humanity;
I know no other destination, this is the fruit of honouring the Buddha.
- 21.** "I am born in two families, in the warrior caste and also in the brahmin caste;
I am not born in a low family, this is the fruit of honouring the Buddha.
- 22.** "Elephant vehicles, horse vehicles, palanquins and litters;
I obtain all this indeed, this is the fruit of honouring the Buddha.
- 23.** "A group of female slaves, a group of male slaves, women fully adorned;
I obtain all this indeed, this is the fruit of honouring the Buddha.
- 24.** "Silks and woollen blankets, linens and cottons too;
I obtain all this indeed, this is the fruit of honouring the Buddha.
- 25.** "New cloth, new fruit, food of new finest flavour;
I obtain all this indeed, this is the fruit of honouring the Buddha.
- 26.** "Eat this, enjoy this, lie on this bed;
I obtain all this indeed, this is the fruit of honouring the Buddha.
- 27.** "Everywhere I am venerated, my glory has arisen;
I always have a great following, always an assembly that cannot be divided;
I am the highest among relatives, this is the fruit of honouring the Buddha.
- 28.** "I do not know cold or heat, no fever is found;
And also mental suffering is not found in my heart.
- 29.** Having become golden-coloured, I wander in the round of rebirths from existence to existence;

I do not know of disfiguration, this is the fruit of honouring the Buddha.

- 30.** "Having fallen away from the world of the gods, urged on by wholesome root;
Formerly I was born in Sāvattṭhī, in a very wealthy great household.
- 31.** "Having abandoned the five types of sensual pleasure, I went forth into
homelessness;
Seven years old by birth, I attained arahantship.
- 32.** "The Buddha, the one with vision, gave me full ordination, having understood
my virtues;
Young, I am worthy of veneration, this is the fruit of honouring the Buddha.
- 33.** "The divine eye is pure in me, I am skilled in concentration;
Having reached the perfection of direct knowledge, this is the fruit of
honouring the Buddha.

Having attained perfection in the teachings, this is the fruit of honouring the
Buddha.

I do not know of an unfortunate realm, this is the fruit of honouring the
Buddha.
- 36.** "Mental defilements have been burnt by me, all existences have been
uprooted;
Like an elephant having cut the bond, I dwell without mental corruptions.

The three true knowledges have been attained, the Buddha's teaching has
been fulfilled.
