Root Condition

10. An adherence state arises conditioned by a non-adherence state by root condition - conditioned by adherence, associated aggregates and consciousness-originated materiality arise. (1)

A non-adherence state arises conditioned by a non-adherence state by root condition - conditioned by one non-adherence aggregate, three aggregates and consciousness-originated materiality arise... etc. two aggregates... etc. at the moment of conception... etc. (up to internal primary elements), conditioned by the sense-base, non-adherence aggregates arise. (1)

An adherence state arises conditioned by a non-adherence state by root condition - conditioned by non-adherence aggregates, adherence arises; conditioned by the sense-base, adherence arises. (2)

Adherence and non-adherence states arise conditioned by a non-adherence state by root condition - conditioned by one non-adherence aggregate, three aggregates and adherence and consciousness-originated materiality arise... etc. two aggregates... etc. conditioned by the sense-base, adherence arises; conditioned by primary elements, consciousness-originated materiality arises; conditioned by the sense-base, adherence and associated aggregates arise. (3)

11. A non-adherence state arises conditioned by an adherence and non-adherence state by root condition - conditioned by one non-adherence aggregate and adherence, three aggregates and consciousness-originated materiality arise... etc. and two aggregates... etc. conditioned by adherence and associated aggregates, consciousness-originated materiality arises; conditioned by adherence and primary elements, consciousness-originated materiality arises; conditioned by adherence and sense-base, non-adherence aggregates arise (abbreviated). 4. The Section on Support

(The section on the support is similar to the section on the conditions.)

5. The Section on the Conjoined

A non-adherence state arises conjoined with an adherence state by root condition - conjoined with adherence, associated aggregates arise (thus five questions should be made only in the immaterial-sphere of existence, the section on the conjoined and the section on the associated should also be made thus).

7. Section on Questions

1. Positive Condition

1. Section on Analysis

Root Condition

17. A non-adherence state is a condition for a non-adherence state by way of root condition - non-adherence roots are a condition for associated aggregates and for consciousness-originated materiality by way of root condition; at the moment of conception... etc. (1)

A non-adherence state is a condition for an adherence state by way of root condition - non-adherence roots are a condition for adherence by way of root condition.(2)

A non-adherence state is a condition for an adherence and a non-adherence state by way of root condition - non-adherence roots are a condition for associated aggregates and for adherence and for consciousness-originated materiality by way of root condition. (3)

Object condition

18. An adherence state is a condition for an adherence state by way of object condition - referring to adherence, adherence arises. (The root should be made) referring to adherence, non-adherence aggregates arise. (The root should be made) referring to adherence, adherence and associated aggregates arise. (3)

19. A non-adherence state is a condition for a non-adherence state by way of object condition - giving... etc. morality... etc. having performed the Observance practice, one reviews that, enjoys it, delights in it; referring to that, lust... etc. Sceptical doubt... Restlessness... displeasure arises; What was well practised before... etc. having emerged from meditative absorption, the meditative absorption... etc. noble ones, having emerged from the path, review the path, review fruition, review Nibbāna. Nibbāna is a condition by way of object condition for change-of-lineage, for cleansing, for the path, for fruition, for adverting; noble ones review the non-adherence abandoned defilements... etc. the suppressed defilements... etc. formerly... etc. the eye... etc. the sense-base, non-adherence aggregates as impermanent... etc. one sees with insight, enjoys it, delights in it; referring to that, lust... etc. Sceptical doubt... Restlessness... displeasure arises; One sees materiality with the divine eye, hears sound with the divine ear element. With the knowledge of others' mental states one knows the consciousness of one possessing non-adherence consciousness, the plane of infinite space is a condition for the plane of infinite consciousness... etc. the plane of nothingness is a condition for the plane of neither-perception-nor-non-perception, etc. the visible form sense base for eye-consciousness... etc. the touch sense base for body-consciousness... etc. Non-adherence aggregates are a condition by way of object condition for the knowledge of various kinds of supernormal power, for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of rebirth according to beings' actions, for the knowledge of future events, for adverting. (1)

A non-adherence state is a condition for an adherence state by way of object condition - giving... etc. morality... etc. the Observance practice... etc. one enjoys that, delights in it; referring to that, wrong view arises; formerly... etc. meditative absorptions... etc. the eye... etc. the sense-base, one enjoys the non-adherence aggregates, delights in them; referring to that, wrong view arises. (2)

A non-adherence state is a condition for an adherence and a non-adherence state by way of object condition - giving... etc. morality... etc. the Observance practice... etc. one enjoys that, delights in it; referring to that, adherence and associated aggregates arise; before... etc. meditative absorptions... etc. the eye... etc. the sense-base, one enjoys the non-adherence aggregates, delights in them; referring to that, adherence and associated aggregates arise. (3)

20. Adherence and non-adherence states are a condition for an adherence state by way of object condition - referring to adherence and associated aggregates, adherence arises... three.

Predominance condition

21. An adherence state is a condition for an adherence state by way of predominance condition - having honoured and respected adherence, adherence arises... three (only object predominance should be done).

22. A non-adherence state is a condition for a non-adherence state by way of predominance condition - object predominance, connascent predominance. Object predominance - giving... etc. morality... etc. the Observance practice... etc. having given weight to that, one reviews, enjoys, delights in it; having given weight to that, lust arises; formerly... etc. meditative absorptions... etc. noble ones, having emerged from the path, having given weight to the path... etc. having given weight to fruition... etc. having given weight to Nibbāna... etc. Nibbāna is a condition by way of predominance condition for change-of-lineage, for cleansing, for the path, for fruition; the eye... etc. having given weight to the sense-base, non-adherence aggregates, one enjoys, delights in them; having given weight to that, lust arises. Connascent predominance - non-adherence predominance is a condition by way of predominance condition for associated aggregates and for consciousness-originated materiality. (1)

A non-adherence state is a condition for an adherence state by way of predominance condition - object predominance, connascent predominance. Object predominance - giving... etc. morality... etc. the Observance practice... etc. formerly... etc. meditative absorptions... etc. the eye... etc. having given weight to the sense-base, non-adherence aggregates, one enjoys, delights in them; having given weight to that, wrong view arises. Connascent predominance - non-adherence predominance is a condition for adherence by way of predominance condition. (2)

A non-adherence state is a condition for an adherence and a non-adherence state by way of predominance condition - object predominance, connascent predominance. Object predominance - giving... etc. morality... etc. the Observance practice... etc. formerly... etc. meditative absorptions... etc. the eye... etc. having given weight to the sense-base, non-adherence aggregates, one enjoys them, delights in them; having given weight to that, adherence and associated aggregates arise. Connascent predominance - non-adherence predominance is a condition for associated aggregates and for adherence and for consciousness-originated materiality by way of predominance condition. (3)

Adherence and non-adherence states are a condition for an adherence state by way of predominance condition. Object predominance - having given weight to adherence and associated aggregates, adherence... three.

Proximity condition

23. An adherence state is a condition for an adherence state by way of proximity condition - the former and former adherence is a condition by way of proximity condition for the latter and latter adherence. (The root should be made) the former and former adherence is a condition by way of proximity condition for the latter and latter non-adherence aggregates; adherence is a condition by way of proximity

condition for emergence. (The root should be made) the former and former adherence is a condition by way of proximity condition for the latter and latter adherence and for associated aggregates. (3)

24. A non-adherence state is a condition for a non-adherence state by way of proximity condition - the former and former non-adherence aggregates are a condition by way of proximity condition for the latter and latter non-adherence aggregates, etc. conformity is a condition by way of proximity condition for fruition attainment. (The root should be made) the former and former non-adherence aggregates are a condition by way of proximity condition for the latter and latter adherence; adverting is a condition by way of proximity condition for adherence. (The root should be made) the former and former non-adherence aggregates are a condition by way of proximity condition for the latter and latter adherence and for associated aggregates; adverting is a condition by way of proximity condition for adherence and for associated aggregates. (3)

25. Adherence and non-adherence states are a condition for an adherence state by way of proximity condition - the former and former adherence and associated aggregates are a condition by way of proximity condition for the latter and latter adherence. (The root should be made) the former and former adherence and associated aggregates are a condition by way of proximity condition for the latter and latter non-adherence aggregates; adherence and associated aggregates are a condition for emergence by way of proximity condition. (The root should be made) the former and former adherence and associated aggregates are a condition by way of proximity condition for the latter and latter adherence and for associated aggregates. (3)

Contiguity Condition and so on

26. An adherence state is a condition for an adherence state by way of contiguity condition... by way of conscence condition... by way of mutuality condition... by way of support condition... five.

Decisive support condition

27. An adherence state is a condition for an adherence state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - adherence is a condition for adherence by way of decisive support condition... three.

28. A non-adherence state is a condition for a non-adherence state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith one gives a gift, etc. produces attainment... one mutters conceit... morality... etc. wisdom... lust... hate... delusion... conceit... longing... bodily pleasure, etc. in dependence on lodging one gives a gift, etc. produces attainment... kills a living being, etc. breaks the Community; faith, etc. lodging, for faith, etc. for wisdom, for lust, etc. for longing... for bodily pleasure, etc. for the path, for fruition attainment by way of decisive support condition. (1)

A non-adherence state is a condition for an adherence state by way of decisive support condition - object decisive support, proximity decisive support, natural

decisive support, etc. Natural decisive support - in dependence on faith one takes wrong view, morality, etc. wisdom, lust, etc. longing, bodily pleasure, etc. in dependence on lodging one takes wrong view; faith, etc. lodging is a condition for adherence by way of decisive support condition. (2)

A non-adherence state is a condition for an adherence and a non-adherence state by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith one takes wrong view, morality, etc. in dependence on lodging one takes wrong view; faith, etc. lodging is a condition for adherence and for associated aggregates by way of decisive support condition. (3)

29. Adherence and non-adherence states are a condition for an adherence state by way of decisive support condition - three decisive supports: adherence and associated aggregates are a condition for adherence by way of decisive support condition... three.

Prenascence condition

30. A non-adherence state is a condition for a non-adherence state by way of prenascent condition - object prenascent, sense-organ prenascent. Object prenascent - the eye... etc. the sense-base as impermanent... etc. one sees with insight, enjoys it, delights in it; referring to that, lust... etc. sceptical doubt, etc. restlessness, etc. displeasure arises; One sees materiality with the divine eye, hears sound with the divine ear element. The visible form sense base is a condition by way of object condition for eye-consciousness... etc. the touch sense base for body-consciousness... etc. Sense-organ prenascent - the eye sense base for eye-consciousness... etc. the body sense base for body-consciousness... etc. the sense-base is a condition for non-adherence aggregates by way of prenascent condition. (1)

A non-adherence state is a condition for an adherence state by way of prenascent condition - object prenascent, sense-organ prenascent. Object prenascent - the eye... etc. one enjoys the sense-base, delights in it; referring to that, wrong view arises. Sense-organ prenascent - the sense-base is a condition for adherence by way of prenascent condition. (2)

A non-adherence state is a condition for an adherence and a non-adherence state by way of prenascent condition - object prenascent, sense-organ prenascent. Object prenascent - the eye... etc. one enjoys the sense-base, delights in it; referring to that, adherence and associated aggregates arise. Sense-organ prenascent - the sense-base is a condition for adherence and for associated aggregates by way of prenascent condition. (3)

Postnascent and Repetition Conditions

31. An adherence state is a condition for a non-adherence state by way of postnascent condition... three (postnascent should be done)... by way of repetition condition... nine.

Kamma condition

32. A non-adherence state is a condition for a non-adherence state by way of kamma condition - conascence, asynchronous. Conascence - non-adherence volition is a condition for associated aggregates and for consciousness-originated materiality by way of kamma condition; at the moment of conception... etc. Asynchronous - non-adherence volition is a condition for resultant aggregates and for kamma-born materiality by way of kamma condition. (The root should be made) non-adherence volition is a condition for adherence by way of kamma condition. (The root should be made) non-adherence volition is a condition for adherence and for associated aggregates and for consciousness-originated materiality by way of kamma condition. (3)

Result Condition etc.

33. A non-adherence state is a condition for a non-adherence state by way of result condition... one... by way of nutriment condition... three, by way of faculty condition... three... by way of condition of meditative absorption...three.

An adherence state is a condition for a non-adherence state by way of path condition - adherence path factors... etc. (thus five questions should be made) by way of associated condition... five.

Dissociation condition

34. An adherence state is a condition for a non-adherence state by way of dissociated condition - conascence, postnascence (in brief). (1)

A non-adherence state is a condition for a non-adherence state by way of dissociated condition - conascence, prenascence, postnascence (in brief). (1)

A non-adherence state is a condition for an adherence state by way of dissociated condition. Prenascence - the sense-base is a condition for adherence by way of dissociated condition. (2)

A non-adherence state is a condition for an adherence and a non-adherence state by way of dissociated condition. Prenascence - the sense-base is a condition for adherence and for associated aggregates by way of dissociated condition. (3)

An adherence and a non-adherence state are conditions for a non-adherence state by way of dissociated condition - conascence, postnascence (in brief). (1)

Presence condition

35. An adherence state is a condition for a non-adherence state by way of presence condition - conascence, postnascence. Conascence - adherence is a condition for associated aggregates and for consciousness-originated materiality by way of presence condition. Postnascence - adherence is a condition for this prenascent body by way of presence condition. (1)

36. A non-adherence state is a condition for a non-adherence state by way of presence condition - conascence, prenascence, postnascence, nutriment, faculty (in brief). (1)

A non-adherence state is a condition for an adherence state by way of presence condition - conascence, prenascent. Conascence - non-adherence aggregates are a condition for adherence by way of presence condition. Prenascent - the eye... etc. one enjoys the sense-base, delights in it; referring to that, wrong view arises; the sense-base is a condition for adherence by way of presence condition. (2)

A non-adherence state is a condition for an adherence and a non-adherence state by way of presence condition - conascence, prenascent. Conascence - one non-adherence aggregate is a condition for three aggregates and for adherence and for consciousness-originated materiality by way of presence condition... etc. Prenascent - the eye... etc. one enjoys the sense-base, delights in it; referring to that, adherence and associated aggregates arise; the sense-base is a condition for adherence and for associated aggregates by way of presence condition. (3)

37. An adherence and a non-adherence state are conditions for a non-adherence state by way of presence condition - conascence, prenascent, postnascent, nutriment, faculty. Conascence - one non-adherence aggregate and adherence are a condition for three aggregates and for consciousness-originated materiality by way of presence condition... etc. two aggregates and... etc. adherence and associated aggregates are a condition for consciousness-originated materiality by way of presence condition; adherence and the primary elements are a condition for consciousness-originated materiality by way of presence condition; adherence and the sense-base are a condition for non-adherence aggregates by way of presence condition. Postnascent - adherence and associated aggregates are a condition for this prenascent body by way of presence condition. Postnascent - adherence and associated aggregates and edible food are a condition for this body by way of presence condition. Postnascent - adherence and associated aggregates and the material life faculty are a condition for kamma-born materiality by way of presence condition. (1)

Root Condition

63. A mental state associated with adherence is a condition for a mental state associated with adherence by way of root condition - roots associated with adherence are a condition for associated aggregates by way of root condition. (The root should be made) roots associated with adherence are a condition for consciousness-originated materiality by way of root condition. (The root should be made) roots associated with adherence are a condition for associated aggregates and for consciousness-originated materiality by way of root condition. (3)

A mental state dissociated from adherence is a condition for a mental state dissociated from adherence by way of root condition - roots dissociated from adherence are a condition for associated aggregates and for consciousness-originated materiality by way of root condition; at the moment of conception... etc. (1)

Object condition

64. A mental state associated with adherence is a condition for a mental state associated with adherence by way of object condition - one enjoys lust, delights in it; referring to that, lust associated with adherence arises; one enjoys the aggregates

associated with adherence, delights in them; referring to that, lust associated with adherence arises. (1)

A mental state associated with adherence is a condition for a mental state dissociated from adherence by way of object condition - noble ones review the abandoned defilements associated with adherence, they know the defilements previously indulged in, they see with insight the aggregates associated with adherence as impermanent... etc. one sees with insight, enjoys it, delights in it; referring to that, lust dissociated from adherence... etc. sceptical doubt, etc. restlessness, etc. displeasure arises; with the knowledge of others' mental states one knows the consciousness of one possessing consciousness associated with adherence; aggregates associated with adherence are a condition by way of object condition for the knowledge of others' mental states, for the knowledge of recollecting past lives, for the knowledge of rebirth according to beings' actions, for the knowledge of future events, for advertizing. (2)

65. A mental state dissociated from adherence is a condition for a mental state dissociated from adherence by way of object condition - giving... etc. morality... etc. having performed the Observance practice, one reviews that, enjoys it, delights in it; referring to that, lust dissociated from adherence... etc. sceptical doubt, etc. restlessness, etc. displeasure arises; what was well practised before... etc. meditative absorptions... etc. noble ones, having emerged from the path, review the path, fruition... etc. Nibbāna... etc. Nibbāna is a condition by way of object condition for change-of-lineage, for cleansing, for the path, for fruition, for advertizing; noble ones review the abandoned defilements dissociated from adherence... etc. the suppressed defilements... etc. formerly... etc. the eye... etc. the sense-base, aggregates dissociated from adherence as impermanent... etc. one sees with insight, enjoys it, delights in it; referring to that, lust dissociated from adherence... etc. sceptical doubt, etc. restlessness, etc. displeasure arises; One sees materiality with the divine eye, hears sound with the divine ear element. A mental state dissociated from adherence is a condition for a mental state associated with adherence by way of object condition - giving... etc. morality... etc. the Observance practice... etc. formerly... etc. meditative absorptions... etc. the eye... etc. the sense-base, one enjoys the aggregates dissociated from adherence, delights in them. Referring to that, lust associated with adherence arises. (2)

Predominance condition

66. A mental state associated with adherence is a condition for a mental state associated with adherence by way of predominance condition - object predominance, connascent predominance. Object predominance - having given weight to lust, one enjoys it, delights in it; having given weight to that, lust associated with adherence arises; having given weight to aggregates associated with adherence, one enjoys them, delights in them; having given weight to that, lust associated with adherence arises. Connascent predominance - predominance associated with adherence is a condition for associated aggregates by way of predominance condition. (1)

A mental state associated with adherence is a condition for a mental state dissociated from adherence by way of predominance condition - object predominance, connascent predominance. Object predominance - having given weight to aggregates associated with adherence, one enjoys them, delights in them; having given weight to that, lust dissociated from adherence arises. Connascent predominance - predominance associated with adherence is a condition for consciousness-originated materiality by way of predominance condition. (2)

A mental state associated with adherence is a condition for a mental state associated with adherence and a mental state dissociated from adherence by way of predominance condition. Connascent predominance - predominance associated with adherence is a condition for associated aggregates and for consciousness-originated materiality by way of predominance condition. (3)

67. A mental state dissociated from adherence is a condition for a mental state dissociated from adherence by way of predominance condition - object predominance, connascent predominance. Object predominance - giving... etc. morality... etc. having performed the Observance practice, having given weight to that, one reviews, enjoys, delights in it; having given weight to that, lust dissociated from adherence arises; formerly... etc. meditative absorptions... etc. noble ones, having emerged from the path, having given weight to the path... etc. fruition... etc. Nibbāna... etc. Nibbāna is a condition by way of predominance condition for change-of-lineage, for cleansing, for the path, for fruition; the eye... etc. the sense-base, having given weight to aggregates dissociated from adherence, one enjoys them, delights in them; having given weight to that, lust dissociated from adherence arises. Connascent predominance - predominance dissociated from adherence is a condition for associated aggregates and for consciousness-originated materiality by way of predominance condition. (1)

A mental state dissociated from adherence is a condition for a mental state associated with adherence by way of predominance condition. Object predominance - giving... etc. morality... etc. having performed the Observance practice, having given weight to that, one enjoys it, delights in it; having given weight to that, lust associated with adherence arises; formerly... etc. meditative absorptions... etc. the eye... etc. the sense-base, having given weight to aggregates dissociated from adherence, one enjoys them, delights in them; having given weight to that, lust associated with adherence arises. (2)

Proximity-contiguity conditions

68. A mental state associated with adherence is a condition for a mental state associated with adherence by way of proximity condition - the former and former

aggregates associated with adherence are a condition for the latter and latter aggregates associated with adherence by way of proximity condition. (1)

A mental state associated with adherence is a condition for a mental state dissociated from adherence by way of proximity condition - aggregates associated with adherence are a condition by way of proximity condition for emergence. (2)

69. A mental state dissociated from adherence is a condition for a mental state dissociated from adherence by way of proximity condition - the former and former aggregates dissociated from adherence are a condition for the latter and latter aggregates dissociated from adherence by way of proximity condition; conformity... etc. is a condition for fruition attainment by way of proximity condition. (1)

A mental state dissociated from adherence is a condition for a mental state associated with adherence by way of proximity condition - advertizing is a condition for aggregates associated with adherence by way of proximity condition... is a condition by way of contiguity condition. (2)

Conascence Condition and so on

70. A mental state associated with adherence is a condition for a mental state associated with adherence by way of conascence condition... five... by way of mutuality condition... two... by way of support condition... seven.

Decisive support condition

71. A mental state associated with adherence is a condition for a mental state associated with adherence by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - lust associated with adherence... Delusion... longing is a condition for lust associated with adherence... of delusion... for longing by way of decisive support condition. (1)

A mental state associated with adherence is a condition for a mental state dissociated from adherence by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on lust associated with adherence one gives a gift, etc. produces attainment, mutters conceit; in dependence on delusion associated with adherence... in dependence on longing one gives a gift, etc. produces attainment, mutters conceit, kills a living being, etc. breaks the Community; lust associated with adherence... Delusion... longing is a condition for faith, etc. for wisdom, for lust... for hate... of delusion... of conceit... for longing... for bodily pleasure, etc. for fruition attainment by way of decisive support condition. (2)

72. A mental state dissociated from adherence is a condition for a mental state dissociated from adherence by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith one gives a gift, etc. produces attainment, mutters conceit; morality... etc. wisdom, lust, etc. Conceit, etc. in dependence on longing one gives a gift, etc. produces attainment, kills a living being, etc. breaks the Community; bodily pleasure, etc. in dependence on lodging one gives a gift, etc. breaks the

Community; faith, etc. wisdom, lust, etc. conceit... longing... bodily pleasure, etc. lodging for faith, etc. for wisdom, for lust, etc. of conceit... for longing... for bodily pleasure, etc. for fruition attainment by way of decisive support condition.(1)

A mental state dissociated from adherence is a condition for a mental state associated with adherence by way of decisive support condition - object decisive support, proximity decisive support, natural decisive support, etc. Natural decisive support - in dependence on faith lust associated with adherence arises; morality... etc. in dependence on lodging lust associated with adherence arises; faith, etc. lodging is a condition for lust associated with adherence, etc. for longing by way of decisive support condition. (2)

Prenascence condition

73. A mental state dissociated from adherence is a condition for a mental state dissociated from adherence by way of prenascent condition - object prenascent, sense-organ prenascent. Object prenascent - the eye... etc. the sense-base as impermanent... etc. one sees with insight, enjoys it, delights in it; referring to that, lust dissociated from adherence... etc. sceptical doubt, etc. restlessness, etc. displeasure arises; One sees materiality with the divine eye, hears sound with the divine ear element. The visible form sense base is a condition by way of object condition for eye-consciousness... etc. The touch sense base is a condition for body-consciousness by way of prenascent condition. Sense-organ prenascent - the eye sense base for eye-consciousness... etc. the body sense base for body-consciousness... etc. the sense-base is a condition for aggregates dissociated from adherence by way of prenascent condition. (1)

A mental state dissociated from adherence is a condition for a mental state associated with adherence by way of prenascent condition - object prenascent, sense-organ prenascent. Object prenascent - the eye... etc. one enjoys the sense-base, delights in it; referring to that, lust associated with adherence arises. Sense-organ prenascent - the sense-base is a condition for aggregates associated with adherence by way of prenascent condition. (2)

Postnascent and Repetition Conditions

74. A mental state associated with adherence is a condition for a mental state dissociated from adherence by way of postnascent condition (in brief). (1)

A mental state dissociated from adherence is a condition for a mental state dissociated from adherence by way of postnascent condition (in brief). (1)

A mental state associated with adherence is a condition for a mental state associated with adherence by way of repetition condition... two.

Kamma Condition, etc.

75. A mental state associated with adherence is a condition for a mental state associated with adherence by way of kamma condition - volition associated with adherence is a condition for associated aggregates by way of kamma condition. (1)

A mental state associated with adherence is a condition for a mental state dissociated from adherence by way of kamma condition - conascence, asynchronous.

Conascence - volition associated with adherence is a condition for consciousness-originated materiality by way of kamma condition. Asynchronous - volition associated with adherence is a condition for resultant aggregates and for kamma-born materiality by way of kamma condition. (The root should be made) volition associated with adherence is a condition for associated aggregates and for consciousness-originated materiality by way of kamma condition. (3)

A mental state dissociated from adherence is a condition for a mental state dissociated from adherence by way of kamma condition - conascence, asynchronous. Conascence - volition dissociated from adherence is a condition for associated aggregates and for consciousness-originated materiality by way of kamma condition; at the moment of conception... etc. Asynchronous - volition dissociated from adherence is a condition for resultant aggregates and for kamma-born materiality by way of kamma condition. (1)

By way of result condition... one, by way of nutriment condition... four, by way of faculty condition... four, by way of condition of meditative absorption... four, by way of path condition... four, by way of associated condition... two.
