The Tetrad of Conditions

Root Condition

1. A non-root state arises dependent on a non-root state by root condition - dependent on one non-root aggregate, three aggregates and consciousness-originated materiality arise... etc. dependent on two aggregates, two aggregates and consciousness-originated materiality arise; at the moment of conception... etc. (up to primary elements). A not non-root state arises dependent on a non-root state by root condition - dependent on non-root aggregates, roots arise; at the moment of conception... etc. Non-root and not non-root states arise dependent on a non-root state by root condition. (3)

A not non-root state arises dependent on a not non-root state by root condition. A non-root state arises dependent on a not non-root state by root condition. Non-root and not non-root states arise dependent on a not non-root state by root condition. (3)

A non-root state arises dependent on a non-root and not non-root state by root condition. A not non-root state arises dependent on a non-root and not non-root state by root condition. Non-root and not non-root states arise dependent on a non-root and not non-root state by root condition. (3) (Abbreviated.)

2. By way of root nine, by way of object nine... etc. by way of non-disappearance nine.

(The section on the conascence also... etc. the section on the associated also should be expanded similar to the section on the dependent, thus it should be expanded.)

Root and Object Conditions

3. A not non-root state is a condition for a not non-root state by way of root condition. A not non-root state is a condition for a non-root state by way of root condition. A not non-root state is a condition for a non-root and a not non-root state by way of root condition. (3)

A non-root state is a condition for a non-root state by way of object condition. A non-root state is a condition for a not non-root state by way of object condition. A non-root state is a condition for a non-root and a not non-root state by way of object condition. (3)

A not non-root state is a condition for a not non-root state by way of object condition.
A not non-root state is a condition for a non-root state by way of object condition.
A not non-root state is a condition for a non-root and a not non-root state by way of object condition. (3)

Non-root and not non-root states are a condition for a non-root state by way of object condition. Non-root and not non-root states are a condition for a not non-root state by way of object condition. Non-root and not non-root states are a condition for a non-root and a not non-root state by way of object condition. (3) (Abbreviated.)

4. By way of root three, by way of object nine... etc. by way of non-disappearance nine. (As the section on questions in the triad of wholesome, so it should be expanded.)

2. With-root Dyad

1-7. Section on the Dependent etc.

The Tetrad of Conditions

Root Condition

5. A non-with-root mental state arises dependent on a non-with-root mental state by root condition - dependent on delusion accompanied by sceptical doubt and accompanied by restlessness, consciousness-originated materiality arises; dependent on one primary element, three primary elements arise... etc. dependent on two primary elements, two primary elements arise; dependent on primary elements, consciousness-originated materiality, kamma-born materiality, and derivative materiality arise. A non-rootless mental state arises dependent on a non-with-root mental state by root condition - dependent on delusion accompanied by sceptical doubt and accompanied by restlessness, associated aggregates arise; at the moment of conception, dependent on the sense-base, aggregates with root arise. A non-with-root mental state and a non-rootless mental state arise dependent on a non-with-root mental state by root condition. (3)

A non-rootless mental state arises dependent on a non-rootless mental state by root condition... three.

A non-with-root mental state arises dependent on a non-with-root and a non-rootless mental state by root condition. A non-rootless mental state arises dependent on a non-with-root and a non-rootless mental state by root condition. A non-with-root mental state and a non-rootless mental state arise dependent on a non-with-root and a non-rootless mental state by root condition. (3) (Abbreviated.)

6. By way of root nine, by way of object six... etc. by way of non-disappearance nine.

(The section on the conascence also... etc. the section on the associated also should be expanded similar to the section on the dependent, thus it should be expanded.)

Root and Object Conditions

7. A non-with-root mental state is a condition for a non-with-root mental state by way of root condition. A non-with-root mental state is a condition for a non-rootless mental state by way of root condition. A non-with-root mental state is a condition for a non-

with-root and a non-rootless mental state by way of root condition. (3)

A non-rootless mental state is a condition for a non-rootless mental state by way of root condition... three.

A non-with-root mental state is a condition for a non-with-root mental state by way of object condition (in brief).

8. By way of root six, by way of object nine... etc.by way of non-disappearance nine.

(As the section on questions in the triad of wholesome, so it should be expanded.)

3. Associated with Root Dyad

1-7. Section on the Dependent etc.

9. A mental state not associated with non-root arises dependent on a mental state not associated with non-root by root condition. A mental state not dissociated from non-root arises dependent on a mental state not associated with non-root by root condition. Mental states not associated with non-root and not dissociated from non-root arise dependent on a mental state not associated with non-root by root condition. (3)

A mental state not dissociated from non-root arises dependent on a mental state not dissociated from non-root by root condition. A mental state not associated with non-root arises dependent on a mental state not dissociated from non-root by root condition. Mental states not associated with non-root and not dissociated from non-root arise dependent on a mental state not dissociated from non-root by root condition. (3)

A mental state not associated with non-root arises dependent on a mental state not associated with non-root and not dissociated from non-root by root condition... three. (Abbreviated.)

10. By way of root nine, by way of object six... etc.by way of non-disappearance nine. (In the section on conascence also... etc.in the section on questions also it should be expanded everywhere.)

4. Root-with Root Dyad

1-7. Section on the Dependent etc.

11. A mental state that is both non-root and non-rootless arises dependent on a mental state that is both non-root and non-rootless by root condition. A mental state that is both non-rootless and not non-root arises dependent on a mental state that is both non-root and non-rootless by root condition. Mental states that are both non-root and non-rootless and both non-rootless and not non-root arise dependent on a mental state that is both non-root and non-rootless by root condition. (3)

A mental state that is both non-rootless and not non-root arises dependent on a mental state that is both non-rootless and not non-root by root condition. A mental state that is both non-root and non-rootless arises dependent on a mental state that

is both non-rootless and not non-root by root condition. Mental states that are both non-root and non-rootless and both non-rootless and not non-root arise dependent on a mental state that is both non-rootless and not non-root by root condition. (3)

A mental state that is both non-root and non-rootless arises dependent on a mental state that is both non-root and non-rootless and both non-rootless and not non-root by root condition... three. (Abbreviated.)

By way of root nine, by way of object nine... etc. by way of non-disappearance nine.

(In the section on conascence also... etc. in the section on questions also everywhere in detail.)

5. Root-Associated with Root Dyad

1-7. Section on the Dependent etc.

12. A mental state that is both non-root and dissociated from root arises dependent on a mental state that is both non-root and dissociated from root by root condition. A mental state that is both dissociated from root and not non-root arises dependent on a mental state that is both non-root and dissociated from root by root condition. Mental states that are both non-root and dissociated from root and both dissociated from root and not non-root arise dependent on a mental state that is both non-root and dissociated from root by root condition. (3)

A mental state that is both dissociated from root and not non-root arises dependent on a mental state that is both dissociated from root and not non-root by root condition. A mental state that is both non-root and dissociated from root arises dependent on a mental state that is both dissociated from root and not non-root by root condition. Mental states that are both non-root and dissociated from root and both dissociated from root and not non-root arise dependent on a mental state that is both dissociated from root and not non-root by root condition. (3)

A mental state that is both non-root and dissociated from root arises dependent on a mental state that is both non-root and dissociated from root and both dissociated from root and not non-root by root condition... three. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

6. Non-Root with Root Dyad

1-7. Section on the Dependent etc.

13. A non-root non-with-root mental state arises dependent on a non-root non-with-root mental state by root condition - dependent on one primary element, three primary elements arise... etc. A non-root non-rootless mental state arises dependent on a non-root non-with-root mental state by root condition - at the moment of conception, dependent on the sense-base, non-root with root aggregates arise. A non-root non-with-root mental state and a non-root non-rootless mental state arise dependent on a non-root non-with-root mental state by root condition. (3)

A non-root non-rootless mental state arises dependent on a non-root non-rootless mental state by root condition. A non-root non-with-root mental state arises dependent on a non-root non-rootless mental state by root condition. A non-root non-

with-root mental state and a non-root non-rootless mental state arise dependent on a non-root non-rootless mental state by root condition. (3)

A non-root non-with-root mental state arises dependent on a non-root non-with-root and a non-root non-rootless mental state by root condition. A non-root non-rootless mental state arises dependent on a non-root non-with-root and a non-root non-rootless mental state by root condition. A non-root non-with-root mental state and a non-root non-rootless mental state arise dependent on a non-root non-with-root and a non-root non-rootless mental state by root condition. (3) (Abbreviated.)

14. By way of root nine, by way of object four... etc.by way of non-disappearance nine.

(The section on the conascence also... etc.the section on the associated also is similar to the section on the dependent.)

Object condition

15. A non-root non-with-root mental state is a condition for a non-root non-with-root mental state by way of object condition. A non-root non-with-root mental state is a condition for a non-root non-rootless mental state by way of object condition. (2)

A non-root non-rootless mental state is a condition for a non-root non-rootless mental state by way of object condition. A non-root non-rootless mental state is a condition for a non-root non-with-root mental state by way of object condition. (2) (Abbreviated.)

16. By way of object four... etc.by way of non-disappearance seven.

The root cluster is finished.

7. With Condition Dyad

1-7. Section on the Dependent etc.

17. A non-condition mental state arises dependent on a non-condition mental state by root condition.

By way of root one. (Everywhere in detail.)

18. A non-condition mental state is a condition for a non-condition mental state by way of root condition.

A with-condition mental state is a condition for a non-condition mental state by way of object condition. (Abbreviated.)

By way of root one, by way of object two.(Everywhere in detail.)

8. Conditioned Dyad

1-7. Section on the Dependent etc.

19. A non-unconditioned mental state arises dependent on a non-unconditioned mental state by root condition. By way of root one. (Similar to the with-condition dyad.)

9. Manifest Dyad

1-7. Section on the Dependent etc.

20. A non-manifest mental state arises dependent on a non-manifest mental state by root condition. A non-non-manifest mental state arises dependent on a non-manifest mental state by root condition. A non-manifest and a non-non-manifest mental state arise dependent on a non-manifest mental state by root condition. (3) (Abbreviated.)

By way of root three.

10. Dyad of impinging

1-7. Section on the Dependent etc.

21. A non-impinging mental state arises dependent on a non-impinging mental state by root condition. A non-non-impinging mental state arises dependent on a non-impinging mental state by root condition. Non-impinging and non-non-impinging mental states arise dependent on a non-impinging mental state by root condition. (3)

A non-non-impinging mental state arises dependent on a non-non-impinging mental state by root condition... three.

A non-impinging mental state arises dependent on a non-impinging and a non-non-impinging mental state by root condition... three. (Abbreviated.)

By way of root nine, by way of object one.

(The section on the conascence also... etc. the section on the associated also is similar to the section on the dependent.)

22. A non-impinging mental state is a condition for a non-impinging mental state by way of root condition. A non-impinging mental state is a condition for a non-non-impinging mental state by way of root condition. A non-impinging mental state is a condition for a non-impinging and a non-non-impinging mental state by way of root condition. (3)

A non-impinging mental state is a condition for a non-impinging mental state by way of object condition. A non-non-impinging mental state is a condition for a non-impinging mental state by way of object condition. (2) (Abbreviated.)

23. By way of root three, by way of object two, by way of predominance four... etc. by way of non-disappearance nine.

11. Material dyad

1-7. Section on the Dependent etc.

24. A non-material state arises dependent on a non-material state by root condition. A non-immaterial state arises dependent on a non-material state by root condition. Non-material and non-immaterial states arise dependent on a non-material state by root condition. (3)

A non-immaterial state arises dependent on a non-immaterial state by root condition. A non-material state arises dependent on a non-immaterial state by root condition. Non-material and non-immaterial states arise dependent on a non-immaterial state by root condition. (3)

A non-material state arises dependent on a non-material and a non-immaterial state by root condition. A non-immaterial state arises dependent on a non-material and a non-immaterial state by root condition. Non-material and non-immaterial states arise dependent on a non-material and a non-immaterial state by root condition. (3) (Abbreviated.)

25. By way of root nine, by way of object three... etc.by way of non-disappearance nine.

(In the section on conascence also... etc.in the section on questions also everywhere in detail.)

12. Mundane Dyad

1-7. Section on the Dependent etc.

26. A non-mundane mental state arises dependent on a non-mundane mental state by root condition. A non-supramundane mental state arises dependent on a non-mundane mental state by root condition. Non-mundane and non-supramundane mental states arise dependent on a non-mundane mental state by root condition. (3)

A non-supramundane mental state arises dependent on a non-supramundane mental state by root condition.

A non-supramundane mental state arises dependent on a non-mundane and a non-supramundane mental state by root condition. (2) (Abbreviated.)

By way of root five, by way of object two... etc.by way of non-disappearance five. (Everywhere in detail.)

13. Cognisable in some way dyad

1-7. Section on the Dependent etc.

27. A state not cognisable in any way arises dependent on a state not cognisable in any way by root condition. A state not not cognisable in any way arises dependent on a state not cognisable in any way by root condition. A state not cognisable in any way and a state not not cognisable in any way arise dependent on a state not cognisable in any way by root condition. (3)

A state not not cognisable in any way arises dependent on a state not not cognisable in any way by root condition... three.

A state not cognisable in any way arises dependent on a state not cognisable in any way and a state not not cognisable in any way by root condition... three. (Abbreviated.)

By way of root nine... etc.by way of non-disappearance nine. (Everywhere in detail.)

The Minor Intermediate Dyads are finished.

14. Mental Corruptions Dyad

1-7. Section on the Dependent etc.

28. A non-mental corruption state arises dependent on a non-mental corruption state by root condition. A non-non-mental corruption state arises dependent on a non-mental corruption state by root condition. Non-mental corruption and non-non-mental corruption states arise dependent on a non-mental corruption state by root condition. (3)

A non-non-mental corruption state arises dependent on a non-non-mental corruption state by root condition... three.

A non-mental corruption state arises dependent on a non-mental corruption and non-non-mental corruption state by root condition. A non-non-mental corruption state arises dependent on a non-mental corruption and non-non-mental corruption state by root condition. Non-mental corruption and non-non-mental corruption states arise dependent on a non-mental corruption and non-non-mental corruption state by root condition. (3) (Abbreviated.)

By way of root nine, by way of object nine... etc.by way of non-disappearance nine (everywhere in detail).

15. With mental corruptions dyad

1-7. Section on the Dependent etc.

29. A non-with mental corruptions mental state arises dependent on a non-with mental corruptions mental state by root condition. A non-without mental corruptions mental state arises dependent on a non-with mental corruptions mental state by root condition. A non-with mental corruptions mental state and a non-without mental corruptions mental state arise dependent on a non-with mental corruptions mental state by root condition. (3)

A non-without mental corruptions mental state arises dependent on a non-without mental corruptions mental state by root condition. (1)

A non-without mental corruptions mental state arises dependent on a non-with mental corruptions mental state and a non-without mental corruptions mental state by root condition. (1) (Abbreviated.)

By way of root five, by way of object two... etc.by way of non-disappearance five (everywhere in detail).

16. Associated with mental corruptions dyad

1-7. Section on the Dependent etc.

30. A non-associated with mental corruptions mental state arises dependent on a non-associated with mental corruptions mental state by root condition. A non-dissociated from mental corruptions mental state arises dependent on a non-associated with mental corruptions mental state by root condition. Non-associated with mental corruptions and non-dissociated from mental corruptions mental states arise dependent on a non-associated with mental corruptions mental state by root condition. (3)

A non-dissociated from mental corruptions mental state arises dependent on a non-dissociated from mental corruptions mental state by root condition. A non-associated with mental corruptions mental state arises dependent on a non-dissociated from mental corruptions mental state by root condition. Non-associated with mental corruptions and non-dissociated from mental corruptions mental states arise dependent on a non-dissociated from mental corruptions mental state by root condition. (3)

A non-associated with mental corruptions mental state arises dependent on a non-associated with mental corruptions and a non-dissociated from mental corruptions mental state by root condition. A non-dissociated from mental corruptions mental state arises dependent on a non-associated with mental corruptions and a non-dissociated from mental corruptions mental state by root condition. Non-associated with mental corruptions and non-dissociated from mental corruptions mental states arise dependent on a non-associated with mental corruptions and a non-dissociated from mental corruptions mental state by root condition. (3) (Abbreviated.)

By way of root nine, by way of object six... etc.by way of non-disappearance nine. (Everywhere in detail.)

17. Mental Corruption-With Mental Corruptions Dyad

1-7. Section on the Dependent etc.

31. A non-mental corruption and non-without mental corruptions mental state arises dependent on a non-mental corruption and non-without mental corruptions mental state by root condition. A non-without mental corruptions and not mental corruption mental state arises dependent on a non-mental corruption and non-without mental corruptions mental state by root condition. A non-mental corruption and non-without mental corruptions mental state and a non-without mental corruptions and not mental corruption mental state arise dependent on a non-mental corruption and non-without mental corruptions mental state by root condition. (3)

A non-without mental corruptions and not mental corruption mental state arises dependent on a non-without mental corruptions and not mental corruption mental state by root condition. A non-mental corruption and non-without mental corruptions mental state arises dependent on a non-without mental corruptions and not mental corruption mental state by root condition. A non-mental corruption and non-without mental corruptions mental state and a non-without mental corruptions and not mental corruption mental state arise dependent on a non-without mental corruptions and not mental corruption mental state by root condition. (3)

A non-mental corruption and non-without mental corruptions mental state arises dependent on a non-mental corruption and non-without mental corruptions mental state and a non-without mental corruptions and not non-mental corruption mental state by root condition. A non-without mental corruptions and not mental corruption mental state arises dependent on a non-mental corruption and non-without mental corruptions mental state and a non-without mental corruptions and not mental corruption mental state by root condition. A non-mental corruption and non-without mental corruptions mental state and a non-without mental corruptions and not

mental corruption mental state arise dependent on a non-mental corruption and non-without mental corruptions mental state and a non-without mental corruptions and not non-mental corruption mental state by root condition. (3) (Abbreviated.)

By way of root nine, by way of object nine... etc.by way of non-disappearance nine (everywhere in detail).

18. Mental Corruption-Associated with Mental Corruptions Dyad

1-7. Section on the Dependent etc.

32. A non-mental corruption and non-dissociated from mental corruptions mental state arises dependent on a non-mental corruption and non-dissociated from mental corruptions mental state by root condition. A non-dissociated from mental corruptions and not mental corruption mental state arises dependent on a non-mental corruption and non-dissociated from mental corruptions mental state by root condition. A non-mental corruption and non-dissociated from mental corruptions mental state and a non-dissociated from mental corruptions and not non-mental corruption mental state arise dependent on a non-mental corruption and non-dissociated from mental corruptions mental state by root condition. (3)

A non-dissociated from mental corruptions and not non-mental corruption mental state arises dependent on a non-dissociated from mental corruptions and not non-mental corruption mental state by root condition. A non-mental corruption and non-dissociated from mental corruptions mental state arises dependent on a non-dissociated from mental corruptions and not non-mental corruption mental state by root condition. A non-mental corruption and non-dissociated from mental corruptions mental state and a non-dissociated from mental corruptions and not mental corruption mental state arise dependent on a non-dissociated from mental corruptions and not mental corruption mental state by root condition. (3)

A non-mental corruption and non-dissociated from mental corruptions mental state arises dependent on a non-mental corruption and non-dissociated from mental corruptions mental state and a non-dissociated from mental corruptions and not non-mental corruption mental state by root condition. A non-dissociated from mental corruptions and not mental corruption mental state arises dependent on a non-mental corruption and non-dissociated from mental corruptions mental state and a non-dissociated from mental corruptions and not mental corruption mental state by root condition. A non-mental corruption and non-dissociated from mental corruptions mental state and a non-dissociated from mental corruptions and not mental corruption mental state arise dependent on a non-mental corruption and non-dissociated from mental corruptions mental state and a non-dissociated from mental corruptions and not mental corruption mental state by root condition. (3) (Abbreviated.)

By way of root nine, by way of object nine... etc.by way of non-disappearance nine. (Everywhere in detail.)

19. Dyad of Dissociated from Mental Corruptions-With Mental Corruptions

1-7. Section on the Dependent etc.

33. A dissociated from mental corruptions non-with mental corruptions mental state arises dependent on a dissociated from mental corruptions non-with mental corruptions mental state by root condition. A dissociated from mental corruptions non-without mental corruptions mental state arises dependent on a dissociated from mental corruptions non-with mental corruptions mental state by root condition. A dissociated from mental corruptions non-with mental corruptions mental state and a dissociated from mental corruptions non-without mental corruptions mental state arise dependent on a dissociated from mental corruptions non-with mental corruptions mental state by root condition. (3)

A dissociated from mental corruptions non-without mental corruptions mental state arises dependent on a dissociated from mental corruptions non-without mental corruptions mental state by root condition. (1)

A dissociated from mental corruptions non-without mental corruptions mental state arises dependent on a dissociated from mental corruptions non-with mental corruptions mental state and a dissociated from mental corruptions non-without mental corruptions mental state by root condition. (Abbreviated.)

By way of root five, by way of object two... etc.by way of non-disappearance five. (Everywhere in detail.)

The mental corruption group is finished.

20. Mental Fetter Dyad

34. A non-mental fetter state arises dependent on a non-mental fetter state by root condition. A non-non-mental fetter state arises dependent on a non-mental fetter state by root condition. Non-mental fetter and non-non-mental fetter states arise dependent on a non-mental fetter state by root condition. (3)

A non-non-mental fetter state arises dependent on a non-non-mental fetter state by root condition. A non-mental fetter state arises dependent on a non-non-mental fetter state by root condition. Non-mental fetter and non-non-mental fetter states arise dependent on a non-non-mental fetter state by root condition. (3)

A non-mental fetter state arises dependent on a non-mental fetter and non-non-mental fetter state by root condition. A non-non-mental fetter state arises dependent on a non-mental fetter and non-non-mental fetter state by root condition. Non-mental fetter and non-non-mental fetter states arise dependent on a non-mental fetter and non-non-mental fetter state by root condition. (3) (Abbreviated.)

By way of root nine, by way of object nine... etc.by way of non-disappearance nine. (Everywhere in detail.)

21. Dyad of Subject to Mental Fetters

35. A non-subject to mental fetters mental state arises dependent on a non-subject to mental fetters mental state by root condition. A non-not subject to mental fetters mental state arises dependent on a non-subject to mental fetters mental state by root condition. A non-subject to mental fetters mental state and a non-not subject to mental fetters mental state arise dependent on a non-subject to mental fetters mental state by root condition. (3)

A non-not subject to mental fetters mental state arises dependent on a non-not subject to mental fetters mental state by root condition. (1)

A non-not subject to mental fetters mental state arises dependent on a non-subject to mental fetters mental state and a non-not subject to mental fetters mental state by root condition. (1) (Abbreviated.)

By way of root five, by way of object two... etc.by way of non-disappearance five. (Everywhere in detail.)

22. Dyad of Associated with Mental Fetters

36. A mental state not associated with mental fetters arises dependent on a mental state not associated with mental fetters by root condition. A mental state not dissociated from mental fetters arises dependent on a mental state not associated with mental fetters by root condition. Mental states not associated with mental fetters and not dissociated from mental fetters arise dependent on a mental state not associated with mental fetters by root condition. (3)

A mental state not dissociated from mental fetters arises dependent on a mental state not dissociated from mental fetters by root condition. A mental state not associated with mental fetters arises dependent on a mental state not dissociated from mental fetters by root condition. Mental states not associated with mental fetters and not dissociated from mental fetters arise dependent on a mental state not dissociated from mental fetters by root condition. (3)

A mental state not associated with mental fetters arises dependent on a mental state not associated with mental fetters and a mental state not dissociated from mental fetters by root condition. A mental state not dissociated from mental fetters arises dependent on a mental state not associated with mental fetters and a mental state not dissociated from mental fetters by root condition. Mental states not associated with mental fetters and not dissociated from mental fetters arise dependent on a mental state not associated with mental fetters and a mental state not dissociated from mental fetters by root condition. (3) (Abbreviated.)

By way of root nine, by way of object six... etc.by way of non-disappearance nine. (Everywhere in detail.)

23. The dyad of mental fetter-subject to mental fetters

37. A non-mental fetter and non-not subject to mental fetters mental state arises dependent on a non-mental fetter and non-not subject to mental fetters mental state by root condition. A non-not subject to mental fetters and non-non-mental fetter mental state arises dependent on a non-mental fetter and non-not subject to mental fetters mental state by root condition. Mental states that are non-mental fetter and non-not subject to mental fetters and non-not subject to mental fetters and non-mental fetter arise dependent on a non-mental fetter and non-not subject to mental fetters mental state by root condition. (3)

A non-not subject to mental fetters and non-mental fetter mental state arises dependent on a non-not subject to mental fetters and non-mental fetter mental state by root condition... three.

A non-mental fetter and non-not subject to mental fetters mental state arises dependent on a non-mental fetter and non-not subject to mental fetters mental state and a non-not subject to mental fetters and non-non-mental fetter mental state by root condition... three. (Abbreviated.)

By way of root nine, by way of object nine... etc.by way of non-disappearance nine. (Everywhere in detail.)

24. The Dyad of Mental Fetter-Associated with Mental Fetters

38. A non-mental fetter and not dissociated from mental fetters mental state arises dependent on a non-mental fetter and not dissociated from mental fetters mental state by root condition. A not dissociated from mental fetters and non-non-mental fetter mental state arises dependent on a non-mental fetter and not dissociated from mental fetters mental state by root condition. Mental states that are non-mental fetter and not dissociated from mental fetters and not dissociated from mental fetters and non-mental fetter arise dependent on a non-mental fetter and not dissociated from mental fetters mental state by root condition. (3)

A not dissociated from mental fetters and non-mental fetter mental state arises dependent on a not dissociated from mental fetters and non-mental fetter mental state by root condition. A non-mental fetter and not dissociated from mental fetters mental state arises dependent on a not dissociated from mental fetters and non-mental fetter mental state by root condition. Mental states that are non-mental fetter and not dissociated from mental fetters and not dissociated from mental fetters and non-mental fetter arise dependent on a not dissociated from mental fetters and non-mental fetter mental state by root condition. (3)

A non-mental fetter and not dissociated from mental fetters mental state arises dependent on a non-mental fetter and not dissociated from mental fetters mental state and a not dissociated from mental fetters and non-mental fetter mental state by root condition... three. (Abbreviated.)

By way of root nine... etc.by way of non-disappearance nine. (Everywhere in detail.)

25. Dyad of Dissociated from Mental Fetters-Subject to Mental Fetters

39. A dissociated from mental fetters non-subject to mental fetters mental state arises dependent on a dissociated from mental fetters non-subject to mental fetters mental state by root condition. A dissociated from mental fetters non-not subject to mental fetters mental state arises dependent on a dissociated from mental fetters non-subject to mental fetters mental state by root condition. A dissociated from mental fetters non-subject to mental fetters mental state and a dissociated from mental fetters non-not subject to mental fetters mental state arise dependent on a dissociated from mental fetters non-subject to mental fetters mental state by root condition. (3)

A dissociated from mental fetters non-not subject to mental fetters mental state arises dependent on a dissociated from mental fetters non-not subject to mental fetters mental state by root condition. (1)

A dissociated from mental fetters non-not subject to mental fetters mental state arises dependent on a dissociated from mental fetters non-subject to mental fetters mental state and a dissociated from mental fetters non-not subject to mental fetters mental state by root condition. (1) (Abbreviated.)

By way of root five... etc.by way of non-disappearance five. (Everywhere in detail.)

The mental fetter group is finished.

26. Mental Knot Dyad

40. A non-mental knot state arises dependent on a non-mental knot state by root condition. A non-non-mental knot state arises dependent on a non-mental knot state by root condition. Non-mental knot and non-non-mental knot states arise dependent on a non-mental knot state by root condition. (3)

A non-non-mental knot state arises dependent on a non-non-mental knot state by root condition. A non-mental knot state arises dependent on a non-non-mental knot state by root condition. Non-mental knot and non-non-mental knot states arise dependent on a non-non-mental knot state by root condition. (3)

A non-mental knot state arises dependent on a non-mental knot and non-non-mental knot state by root condition. A non-non-mental knot state arises dependent on a non-mental knot and non-non-mental knot state by root condition. Non-mental knot and non-non-mental knot states arise dependent on a non-mental knot and non-non-mental knot state by root condition. (3) (Abbreviated.)

By way of root nine... etc.by way of non-disappearance nine. (Everywhere nine.)

27. Dyad of Subject to Mental Knots

41. A non-subject to mental knots mental state arises dependent on a non-subject to mental knots mental state by root condition. A non-not subject to mental knots mental state arises dependent on a non-subject to mental knots mental state by root condition. A non-subject to mental knots mental state and a non-not subject to mental knots mental state arise dependent on a non-subject to mental knots mental state by root condition. (3)

A non-not subject to mental knots mental state arises dependent on a non-not subject to mental knots mental state by root condition. (1)

A non-not subject to mental knots mental state arises dependent on a non-subject to mental knots mental state and a non-not subject to mental knots mental state by root condition. (1) (Abbreviated.)

By way of root five... etc.by way of non-disappearance five. (Everywhere five.)

28. Dyad of Associated with Mental Knots

42. A mental state not associated with mental knots arises dependent on a mental state not associated with mental knots by root condition. A mental state not dissociated from mental knots arises dependent on a mental state not associated

with mental knots by root condition. Mental states not associated with mental knots and not dissociated from mental knots arise dependent on a mental state not associated with mental knots by root condition. (3)

A mental state not dissociated from mental knots arises dependent on a mental state not dissociated from mental knots by root condition. A mental state not associated with mental knots arises dependent on a mental state not dissociated from mental knots by root condition. Mental states not associated with mental knots and not dissociated from mental knots arise dependent on a mental state not dissociated from mental knots by root condition. (3)

A mental state not associated with mental knots arises dependent on a mental state not associated with mental knots and not dissociated from mental knots by root condition. A mental state not dissociated from mental knots arises dependent on a mental state not associated with mental knots and not dissociated from mental knots by root condition. Mental states not associated with mental knots and not dissociated from mental knots arise dependent on a mental state not associated with mental knots and not dissociated from mental knots by root condition. (3) (Abbreviated.)

By way of root nine, by way of object six, by way of predominance nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

29. Dyad of Mental Knot and Subject to Mental Knots

43. A non-mental knot and non-not subject to mental knots mental state arises dependent on a non-mental knot and non-not subject to mental knots mental state by root condition. A non-not subject to mental knots and not mental knot mental state arises dependent on a non-mental knot and non-not subject to mental knots mental state by root condition. Mental states that are non-mental knot and non-not subject to mental knots and non-not subject to mental knots and not mental knot arise dependent on a non-mental knot and non-not subject to mental knots mental state by root condition. (3)

A non-not subject to mental knots and not mental knot mental state arises dependent on a non-not subject to mental knots and not mental knot mental state by root condition. A non-mental knot and non-not subject to mental knots mental state arises dependent on a non-not subject to mental knots and not mental knot mental state by root condition. Mental states that are non-mental knot and non-not subject to mental knots and non-not subject to mental knots and not mental knot arise dependent on a non-not subject to mental knots and not mental knot mental state by root condition. (3)

A non-mental knot and non-not subject to mental knots mental state arises dependent on a non-mental knot and non-not subject to mental knots mental state and a non-not subject to mental knots and not mental knot mental state by root condition... three. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

30. Dyad of Mental Knot and Associated with Mental Knots

44. A non-mental knot and not dissociated from mental knots mental state arises dependent on a non-mental knot and not dissociated from mental knots mental state

by root condition. A not dissociated from mental knots and not mental knot mental state arises dependent on a non-mental knot and not dissociated from mental knots mental state by root condition. Mental states that are non-mental knot and not dissociated from mental knots and not dissociated from mental knots and not mental knot arise dependent on a non-mental knot and not dissociated from mental knots mental state by root condition. (3)

A not dissociated from mental knots and not mental knot mental state arises dependent on a not dissociated from mental knots and not mental knot mental state by root condition. A non-mental knot and not dissociated from mental knots mental state arises dependent on a not dissociated from mental knots and not mental knot mental state by root condition. Mental states that are non-mental knot and not dissociated from mental knots and not dissociated from mental knots and not mental knot arise dependent on a not dissociated from mental knots and not mental knot mental state by root condition. (3)

A non-mental knot and not dissociated from mental knots mental state arises dependent on a non-mental knot and not dissociated from mental knots mental state and a not dissociated from mental knots and not mental knot mental state by root condition. A not dissociated from mental knots and not mental knot mental state arises dependent on a non-mental knot and not dissociated from mental knots mental state and a not dissociated from mental knots and not mental knot mental state by root condition. Mental states that are non-mental knot and not dissociated from mental knots and not dissociated from mental knots and not mental knot arise dependent on a non-mental knot and not dissociated from mental knots mental state and a not dissociated from mental knots and not mental knot mental state by root condition. (3) (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

31. Dyad of Dissociated from Mental Knots and Subject to Mental Knots

45. A dissociated from mental knots non-subject to mental knots mental state arises dependent on a dissociated from mental knots non-subject to mental knots mental state by root condition. A dissociated from mental knots non-not subject to mental knots mental state arises dependent on a dissociated from mental knots non-subject to mental knots mental state by root condition. A dissociated from mental knots non-subject to mental knots mental state and a dissociated from mental knots non-not subject to mental knots mental state arise dependent on a dissociated from mental knots non-subject to mental knots mental state by root condition. (3)

A dissociated from mental knots non-not subject to mental knots mental state arises dependent on a dissociated from mental knots non-not subject to mental knots mental state by root condition. (1)

A dissociated from mental knots non-not subject to mental knots mental state arises dependent on a dissociated from mental knots non-subject to mental knots mental state and a dissociated from mental knots non-not subject to mental knots mental state by root condition. (1) (Abbreviated.)

By way of root five, by way of object two... etc. by way of non-disappearance five.
(Everywhere in detail.)

The group of mental knots is finished.

32-49. Mental Flood and so on Dyads

46. Dependent on a non-mental flood state... etc. Dependent on a non-mental bond state... etc. (In the mental flood group and mental bond group, the touching is similar to the touching in the mental corruption group.)

47. A non-mental hindrance state dependent on... etc. (In the mental hindrance group, the touching is similar to the touching in the mental fetter group.)

The mental hindrance group is finished.

50-54. Adherence and so on Dyads

48. A non-adherence state arises dependent on a non-adherence state by root condition. (Abbreviated.)

49. A non-adhered to mental state arises dependent on a non-adhered to mental state by root condition. (Abbreviated.)

50. A mental state not associated with adherence arises dependent on a mental state not associated with adherence by root condition.

51. A non-adherence and non-not adhered to mental state arises dependent on a non-adherence and non-not adhered to mental state by root condition. A non-not adhered to and not non-adherence mental state arises dependent on a non-adherence and non-not adhered to mental state by root condition. A non-adherence and non-not adhered to mental state and a non-not adhered to and not non-adherence mental state arise dependent on a non-adherence and non-not adhered to mental state by root condition. (3)

A non-adherence and non-not adhered to mental state arises dependent on a non-not adhered to and not non-adherence mental state by root condition. (1)

A non-adherence and non-not adhered to mental state arises dependent on a non-adherence and non-not adhered to mental state and a non-not adhered to and not non-adherence mental state by root condition. (1) (Abbreviated.)

52. A dissociated from adherence non-adhered to mental state arises dependent on a dissociated from adherence non-adhered to mental state by root condition. A dissociated from adherence non-not adhered to mental state arises dependent on a dissociated from adherence non-adhered to mental state by root condition. A dissociated from adherence non-adhered to mental state and a dissociated from adherence non-not adhered to mental state arise dependent on a dissociated from adherence non-adhered to mental state by root condition. (3)

A dissociated from adherence non-not adhered to mental state arises dependent on a dissociated from adherence non-not adhered to mental state by root condition. (1)

A dissociated from adherence non-not adhered to mental state arises dependent on a dissociated from adherence non-adhered to mental state and a dissociated from adherence non-not adhered to mental state by root condition. (1)

By way of root five, by way of object two... etc. By way of non-disappearance five.

The adherence group is finished.

55. With Object Dyad

53. A non-with-sense-object mental state arises dependent on a non-with-sense-object mental state by root condition. A non-without-sense-object mental state arises dependent on a non-with-sense-object mental state by root condition. Non-with-sense-object and non-without-sense-object mental states arise dependent on a non-with-sense-object mental state by root condition. (3)

A non-without-sense-object mental state arises dependent on a non-without-sense-object mental state by root condition. A non-with-sense-object mental state arises dependent on a non-without-sense-object mental state by root condition. Non-with-sense-object and non-without-sense-object mental states arise dependent on a non-without-sense-object mental state by root condition. (3)

A non-with-sense-object mental state arises dependent on a non-with-sense-object and non-without-sense-object mental state by root condition. A non-without-sense-object mental state arises dependent on a non-with-sense-object and non-without-sense-object mental state by root condition. Non-with-sense-object and non-without-sense-object mental states arise dependent on a non-with-sense-object and non-without-sense-object mental state by root condition. (3) (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

56. The Consciousness Dyad

54. A non-consciousness state arises dependent on a non-consciousness state by root condition. A non-non-consciousness state arises dependent on a non-consciousness state by root condition. Non-consciousness and non-non-consciousness states arise dependent on a non-consciousness state by root condition. (3)

A non-consciousness state arises dependent on a non-non-consciousness state by root condition. (1)

A non-consciousness state arises dependent on a non-consciousness and non-non-consciousness state by root condition. (1) (Abbreviated.)

By way of root five... etc. (Everywhere five.)

57. The Mental Factor Dyad

55. A non-mental factor state arises dependent on a non-mental factor state by root condition. A non-not mental factor state arises dependent on a non-mental factor state by root condition. Non-mental factor and non-not mental factor states arise dependent on a non-mental factor state by root condition. (3)

A non-not mental factor state arises dependent on a non-not mental factor state by root condition. A non-mental factor state arises dependent on a non-not mental factor

state by root condition. Non-mental factor and non-not mental factor states arise dependent on a non-not mental factor state by root condition. (3)

A non-mental factor state arises dependent on a non-mental factor and a non-not mental factor state by root condition. A non-not mental factor state arises dependent on a non-mental factor and a non-not mental factor state by root condition. Non-mental factor and non-not mental factor states arise dependent on a non-mental factor and a non-not mental factor state by root condition. (3)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

58. Associated with Consciousness Dyad

56. A non-associated with consciousness mental state arises dependent on a non-associated with consciousness mental state by root condition - dependent on consciousness, consciousness-originated materiality arises. A non-dissociated from consciousness mental state arises dependent on a non-associated with consciousness mental state by root condition - dependent on consciousness, aggregates associated with consciousness arise.

(For the negative dyads only, to complete the not to be said mental state, one should make nine times nine questions.)

59. Conjoined with Consciousness Dyad

57. A state not conjoined with consciousness arises dependent on a state not conjoined with consciousness by root condition... By way of root nine.

60. Consciousness-originated Dyad

58. A non-consciousness-originated state arises dependent on a non-consciousness-originated state by root condition...

By way of root nine.

61. Concomitant with Consciousness Dyad

59. A non-concomitant with consciousness mental state arises dependent on a non-concomitant with consciousness mental state by root condition...

By way of root nine.

62. Consecutive to Consciousness Dyad

60. A non-consecutive to consciousness mental state arises dependent on a non-consecutive to consciousness mental state by root condition... By way of root nine.

63. Conjoined with Consciousness and Originated Dyad

61. A state that does not originate conjoined with consciousness arises dependent on a state that does not originate conjoined with consciousness by root condition... By way of root nine.

64. The Dyad of States that Originate Conjoined with Consciousness and are Coexistent

62. A state not arising together with that which originates conjoined with consciousness arises dependent on a state not arising together with that which originates conjoined with consciousness by root condition... By way of root nine.

65. The Dyad of States that Originate Conjoined with Consciousness and Follow Along

63. A state that does not originate conjoined with consciousness and does not follow it arises dependent on a state that does not originate conjoined with consciousness and does not follow it by root condition...

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

66. Internal Dyad

64. A non-internal state arises dependent on a non-internal state by root condition... three.

A non-external state arises dependent on a non-external state by root condition -at the moment of conception, dependent on consciousness, internal kamma-born materiality arises. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

67. Derived Dyad

65. A non-derived mental state arises dependent on a non-derived mental state by root condition. A non-non-derived mental state arises dependent on a non-derived mental state by root condition. Non-derived and non-non-derived mental states arise dependent on a non-derived mental state by root condition. (3)

A non-derived mental state arises dependent on a non-non-derived mental state by root condition. (1)

A non-derived mental state arises dependent on non-derived and non-non-derived mental states by root condition. (1) (Abbreviated.)

By way of root five.

68. Clung-to Dyad

66. A non-clung-to mental state arises dependent on a non-clung-to mental state by root condition. (1)

A non-not-clung-to mental state arises dependent on a non-not-clung-to mental state by root condition. A non-clung-to mental state arises dependent on a non-not-clung-to mental state by root condition. Non-clung-to and non-not-clung-to mental states arise dependent on a non-not-clung-to mental state by root condition. (3)

A non-clung-to mental state arises dependent on a non-clung-to and non-not-clung-to mental state by root condition. (1) (Abbreviated.)

By way of root five. (Everywhere in detail.)

The greater dyad is finished.

69-74. Clinging Cluster

67. A non-clinging mental state arises dependent on a non-clinging mental state by root condition. (Abbreviated.)

75. Mental Defilement Dyad

68. A non-mental defilement state arises dependent on a non-mental defilement state by root condition. A non-non-mental defilement state arises dependent on a non-mental defilement state by root condition. A non-mental defilement state and a non-non-mental defilement state arise dependent on a non-mental defilement state by root condition. (3)

A non-non-mental defilement state arises dependent on a non-non-mental defilement state by root condition... three.

A non-mental defilement state arises dependent on a non-mental defilement and non-non-mental defilement state by root condition... three. (Abbreviated.)

By way of root nine. (Everywhere nine.)

76. Subject to Defilement Dyad

69. A non-subject to defilement mental state arises dependent on a non-subject to defilement mental state by root condition. A non-not subject to mental defilement mental state arises dependent on a non-subject to defilement mental state by root condition. A non-subject to defilement mental state and a non-not subject to mental defilement mental state arise dependent on a non-subject to defilement mental state by root condition. (3)

A non-not subject to mental defilement mental state arises dependent on a non-not subject to mental defilement mental state by root condition. (1)

A non-not subject to mental defilement mental state arises dependent on a non-subject to defilement and a non-not subject to mental defilement mental state by root condition. (1) (Abbreviated.)

By way of root five... etc. by way of non-disappearance five. (Everywhere in detail.)

77. Defiled Dyad

70. A non-defiled mental state arises dependent on a non-defiled mental state by root condition. (1)

A non-undefiled mental state arises dependent on a non-undefiled mental state by root condition. A non-defiled mental state arises dependent on a non-undefiled mental state by root condition. Non-defiled and non-undefiled mental states arise dependent on a non-undefiled mental state by root condition. (3)

A non-defiled mental state arises dependent on a non-defiled and non-undefiled mental state by root condition. (1) (Abbreviated.)

By way of root five... etc. by way of non-disappearance five. (Everywhere in detail.)

78. Associated with Mental Defilements Dyad

71. A mental state not associated with mental defilements arises dependent on a mental state not associated with mental defilements by root condition. (1)

A mental state not dissociated from mental defilements arises dependent on a mental state not dissociated from mental defilements by root condition... three.

A mental state not associated with mental defilements arises dependent on a mental state not associated with mental defilements and a mental state not dissociated from mental defilements by root condition. (1) (Abbreviated.)

By way of root five... etc. by way of non-disappearance five. (Everywhere in detail.)

79. The Mental Defilement and Subject to Defilement Dyad

72. A non-mental defilement and non-not subject to mental defilement mental state arises dependent on a non-mental defilement and non-not subject to mental defilement mental state by root condition... three.

A non-not subject to mental defilement and not mental defilement mental state arises dependent on a non-not subject to mental defilement and not mental defilement mental state by root condition... three.

A non-mental defilement and non-not subject to mental defilement mental state arises dependent on a non-mental defilement and non-not subject to mental defilement mental state and a non-not subject to mental defilement and not mental defilement mental state by root condition... three. (Abbreviated.)

By way of root nine.

80. The Mental Defilement and Defiled Dyad

73. A non-mental defilement and non-undefiled mental state arises dependent on a non-mental defilement and non-undefiled mental state by root condition... three.

A non-undefiled and not mental defilement mental state arises dependent on a non-undefiled and not mental defilement mental state by root condition... three.

A non-mental defilement and non-undefiled mental state arises dependent on a non-mental defilement and non-undefiled mental state and a non-undefiled and not mental defilement mental state by root condition... three. (Abbreviated.)

By way of root nine.

81. Mental Defilement and Associated with Mental Defilements Dyad

74. A non-mental defilement and not dissociated from mental defilements mental state arises dependent on a non-mental defilement and not dissociated from mental defilements mental state by root condition... three.

A not dissociated from mental defilements and not mental defilement mental state arises dependent on a not dissociated from mental defilements and not mental defilement mental state by root condition... three.

A non-mental defilement and not dissociated from mental defilements mental state arises dependent on a non-mental defilement and not dissociated from mental defilements mental state and a not dissociated from mental defilements and not

mental defilement mental state by root condition... three. (Abbreviated.)

By way of root nine.

82. Dissociated from Mental Defilements and Subject to Defilement Dyad

75. A dissociated from mental defilements non-subject to defilement mental state arises dependent on a dissociated from mental defilements non-subject to defilement mental state by root condition. A dissociated from mental defilements non-not subject to mental defilement mental state arises dependent on a dissociated from mental defilements non-subject to defilement mental state by root condition. A dissociated from mental defilements non-subject to defilement mental state and a dissociated from mental defilements non-not subject to mental defilement mental state arise dependent on a dissociated from mental defilements non-subject to defilement mental state by root condition. (3)

A dissociated from mental defilements non-not subject to mental defilement mental state arises dependent on a dissociated from mental defilements non-not subject to mental defilement mental state by root condition. (1)

A dissociated from mental defilements non-not subject to mental defilement mental state arises dependent on a dissociated from mental defilements non-subject to defilement and a dissociated from mental defilements non-not subject to mental defilement mental state by root condition. (1) (Abbreviated.)

By way of root five. (Everywhere in detail.)

83. To Be Abandoned Through Vision Dyad

76. A mental state not to be abandoned by seeing arises dependent on a mental state not to be abandoned by seeing by root condition. (1)

A mental state not not to be abandoned by seeing arises dependent on a mental state not not to be abandoned by seeing by root condition... three.

A mental state not to be abandoned by seeing arises dependent on a mental state not to be abandoned by seeing and not not to be abandoned by seeing by root condition. (1) (Abbreviated.)

By way of root five, by way of object two.

84. To Be Abandoned Through Meditative Development Dyad

77. A mental state not to be abandoned by meditative development arises dependent on a mental state not to be abandoned by meditative development by root condition. (1)

A mental state not not to be abandoned by meditative development arises dependent on a mental state not not to be abandoned by meditative development by root condition... three.

A mental state not to be abandoned by meditative development arises dependent on a mental state not to be abandoned by meditative development and a mental state not not to be abandoned by meditative development by root condition. (1) (Abbreviated.)

By way of root five.

85. Dyad of Connected with a Root to be Abandoned through Vision

78. A mental state connected with a root not to be abandoned by seeing arises dependent on a mental state connected with a root not to be abandoned by seeing by root condition... three.

A mental state connected with a root not not to be abandoned by seeing arises dependent on a mental state connected with a root not not to be abandoned by seeing by root condition... three.

A mental state connected with a root not to be abandoned by seeing arises dependent on a mental state connected with a root not to be abandoned by seeing and a mental state connected with a root not not to be abandoned by seeing by root condition... three. (Abbreviated.)

By way of root nine.

86. Dyad of Connected with a Root to be Abandoned through Meditative Development

79. A mental state connected with a root not to be abandoned by meditative development arises dependent on a mental state connected with a root not to be abandoned by meditative development by root condition... three.

A mental state connected with a root not not to be abandoned by meditative development arises dependent on a mental state connected with a root not not to be abandoned by meditative development by root condition... three.

A mental state connected with a root not to be abandoned by meditative development arises dependent on a mental state connected with a root not to be abandoned by meditative development and a mental state connected with a root not not to be abandoned by meditative development by root condition... three. (Abbreviated.)

By way of root nine.

87. Dyad of With Applied Thought

80. A non-with-applied-thought mental state arises dependent on a non-with-applied-thought mental state by root condition... three.

A non-without-applied-thought mental state arises dependent on a non-without-applied-thought mental state by root condition... three.

A non-with-applied-thought mental state arises dependent on a non-with-applied-thought and non-without-applied-thought mental state by root condition... three. (Abbreviated.)

By way of root nine.

88. Dyad of With Sustained Thought

81. A non-with-sustained-thought mental state arises dependent on a non-with-sustained-thought mental state by root condition... three.

A non-without-sustained-thought mental state arises dependent on a non-without-sustained-thought mental state by root condition... three.

A non-with-sustained-thought mental state arises dependent on a non-with-sustained-thought and a non-without-sustained-thought mental state by root condition... three. (Abbreviated.)

By way of root nine.

89. Dyad of With Rapture

82. A non-with-rapture mental state arises dependent on a non-with-rapture mental state by root condition... three.

A non-without-rapture mental state arises dependent on a non-without-rapture mental state by root condition... three.

A non-with-rapture mental state arises dependent on a non-with-rapture and non-without-rapture mental state by root condition... three. (Abbreviated.)

By way of root nine.

90. Accompanied by Rapture Dyad

83. A mental state not accompanied by rapture arises dependent on a mental state not accompanied by rapture by root condition... three.

A mental state not not-accompanied by rapture arises dependent on a mental state not not-accompanied by rapture by root condition... three.

A mental state not accompanied by rapture arises dependent on a mental state not accompanied by rapture and a mental state not not-accompanied by rapture by root condition... three. (Abbreviated.)

By way of root nine.

91. Accompanied by Pleasure Dyad

84. A mental state not accompanied by pleasure arises dependent on a mental state not accompanied by pleasure by root condition... three.

A mental state not-not-accompanied by pleasure arises dependent on a mental state not-not-accompanied by pleasure by root condition... three.

A mental state not accompanied by pleasure arises dependent on a mental state not accompanied by pleasure and a mental state not-not-accompanied by pleasure by root condition... three. (Abbreviated.)

By way of root nine.
