The Universe of Buddha's Wisdom

The Triple Canon (Tipiṭaka)

3. The Canon of Higher Teaching (3. Abhidhamma Piṭaka)

13. Conditional Relations-5 (13. Paṭṭhānapāli-5)

Dyad Conditional Relations of Mental States in the
Negative-Positive Method (Dhammapaccanīyānulome
dukapaṭṭhānaṃ)

PaliVerse

13. Conditional Relations-5

Dyad Conditional Relations of Mental States in the Negative-Positive Method

1-6. Root Cluster

1-7. Section on the Dependent etc.

1. A root state arises dependent on a non-root state by root condition. A non-root state arises dependent on a non-root state by root condition. Root and non-root states arise dependent on a non-root state by root condition. (3)

A root state arises dependent on a not-non-root state by root condition. A non-root state arises dependent on a not-non-root state by root condition. Root and non-root states arise dependent on a not-non-root state by root condition. (3)

A root state arises dependent on a non-root and not-non-root state by root condition. A non-root state arises dependent on a non-root and not-non-root state by root condition. Root and non-root states arise dependent on a non-root and not-non-root state by root condition. (3) (Abbreviated.) By way of root nine, by way of object nine... etc. by way of non-disappearance nine.

(The section on the conascence also... etc. the section on questions also should be expanded.)

2. A state with root arises dependent on a non-with-root state by root condition. A rootless state arises dependent on a non-with-root state by root condition. States with root and rootless states arise dependent on a non-with-root state by root condition. Three.

A rootless state arises dependent on a non-rootless state by root condition. A state with root arises dependent on a non-rootless state by root condition. States with root and rootless states arise dependent on a non-rootless state by root condition. Three.

A state with root arises dependent on a non-with-root and a non-rootless state by root condition. A rootless state arises dependent on a non-with-root and a non-rootless state by root condition. States with root and rootless states arise dependent on a non-with-root and a non-rootless state by root condition. Three. By way of root nine.

3. A mental state associated with root arises dependent on a mental state not associated with root by root condition... By way of root nine.

4. A state that is both root and with root arises dependent on a state that is both non-root and rootless by root condition... By way of root nine.

5. A mental state that is both root and associated with root arises dependent on a mental state that is both non-root and dissociated from root by root condition... By way of root nine.

6. A non-root with root state arises dependent on a non-root non-with-root state by root condition... By way of root nine.

7-13. Minor Intermediate Dyad etc.

7. A mental state with condition arises dependent on a mental state without condition by root condition. By way of root one.

8. A conditioned phenomenon arises dependent on a non-unconditioned phenomenon by root condition. By way of root one.

9. A manifest phenomenon arises dependent on a non-manifest phenomenon by root condition. A non-manifest phenomenon arises dependent on a non-manifest phenomenon by root condition. Manifest and non-manifest phenomena arise dependent on a non-manifest phenomenon by root condition. By way of root three.

A non-manifest phenomenon is a condition for a manifest phenomenon by way of root condition... three.

A non-manifest phenomenon is a condition for a non-manifest phenomenon by way of object condition. A non-non-manifest phenomenon is a condition for a non-manifest phenomenon by way of object condition.

10. An impinging phenomenon arises dependent on a non-impinging phenomenon by root condition. A non-impinging phenomenon arises dependent on a non-impinging phenomenon by root condition. Impinging and non-impinging phenomena arise dependent on a non-impinging phenomenon by root condition. Three.

A non-impinging phenomenon arises dependent on a non-non-impinging phenomenon by root condition. An impinging phenomenon arises dependent on a non-non-impinging phenomenon by root condition. Impinging and non-impinging phenomena arise dependent on a non-non-impinging phenomenon by root condition. Three.

An impinging phenomenon arises dependent on a non-impinging and a non-non-impinging phenomenon by root condition... three. By way of root nine.

11. A material state arises dependent on a non-material state by root condition...By way of root nine.

12. A mundane mental state arises dependent on a non-mundane mental state by root condition. A supramundane mental state arises dependent on a non-mundane mental state by root condition. Mundane and supramundane mental states arise dependent on a non-mundane mental state by root condition. (3)

A mundane mental state arises dependent on a non-supramundane mental state by root condition. (1)

A mundane mental state arises dependent on a non-mundane and a non-supramundane mental state by root condition. (1). By way of root five.

13. A state cognisable in some way arises dependent on a state not cognisable in any way by root condition... By way of root nine.

14-19. Mental Corruptions Cluster

14. A mental corruption state arises dependent on a non-mental corruption state by root condition. A non-mental corruption state arises dependent on a non-mental corruption state by root condition. Mental corruption and non-mental corruption

states arise dependent on a non-mental corruption state by root condition. Three.

A non-mental corruption state arises dependent on a non-non-mental corruption state by root condition. A mental corruption state arises dependent on a non-non-mental corruption state by root condition. Mental corruption and non-mental corruption states arise dependent on a non-non-mental corruption state by root condition. Three.

A mental corruption state arises dependent on a non-mental corruption and non-non-mental corruption state by root condition... three. By way of root nine.

15. A mental state with mental corruptions arises dependent on a non-with mental corruptions mental state by root condition. A mental state without mental corruptions arises dependent on a non-with mental corruptions mental state by root condition. Mental states with mental corruptions and without mental corruptions arise dependent on a non-with mental corruptions mental state by root condition. Three.

A mental state with mental corruptions arises dependent on a non-without mental corruptions mental state by root condition. One.

A mental state with mental corruptions arises dependent on a non-with mental corruptions mental state and a non-without mental corruptions mental state by root condition. One. (Abbreviated.) By way of root five.

16. A mental state associated with mental corruptions arises dependent on a non-associated with mental corruptions mental state by root condition... By way of root nine.

17. A mental state that is both mental corruption and with mental corruptions arises dependent on a mental state that is both non-mental corruption and without mental corruptions by root condition... By way of root nine.

18. A mental state that is both mental corruption and associated with mental corruptions arises dependent on a mental state that is both non-mental corruption and non-dissociated from mental corruptions by root condition... By way of root nine.

19. A mental state dissociated from mental corruptions and with mental corruptions arises dependent on a mental state dissociated from mental corruptions and non-with mental corruptions by root condition... By way of root five.

20-54. Six Clusters beginning with Mental Fetters etc.

20. A mental fether state arises dependent on a non-mental fether state by root condition... etc.

A mental knot state arises dependent on a non-mental knot state by root condition... etc.

A mental flood state arises dependent on a non-mental flood state by root condition... by root condition... etc.

A mental bond state arises dependent on a non-mental bond state by root condition... etc.

A mental hindrance state arises dependent on a non-mental hindrance state by root condition...

21. An adherence state arises dependent on a non-adherence state by root condition etc.

55-68. Greater Intermediate Dyads etc.

22. A mental state with sense-object arises dependent on a non-with-sense-object mental state by root condition. A mental state without sense-object arises dependent on a non-with-sense-object mental state by root condition. Mental states with sense-object and without sense-object arise dependent on a non-with-sense-object mental state by root condition. Three.

A mental state without sense-object arises dependent on a non-without-sense-object mental state by root condition... three.

A mental state with sense-object arises dependent on a non-with-sense-object and non-without-sense-object mental state by root condition... three. By way of root nine.

23. A mind state arises dependent on a non-consciousness state by root condition. A non-consciousness state arises dependent on a non-consciousness state by root condition. A mind state and a non-consciousness state arise dependent on a non-consciousness state by root condition. Three.

A non-consciousness state arises dependent on a non-non-consciousness state by root condition. One.

A non-consciousness state arises dependent on a non-consciousness and non-non-consciousness state by root condition. One. By way of root five.

24. A mental factor state arises dependent on a non-mental factor state by root condition. A not mental factor state arises dependent on a non-mental factor state by root condition. Mental factor and not mental factor states arise dependent on a non-mental factor state by root condition. By way of root nine.

25. A state associated with consciousness arises dependent on a non-associated with consciousness state by root condition. A state dissociated from consciousness arises dependent on a non-associated with consciousness state by root condition. States associated with consciousness and dissociated from consciousness arise dependent on a non-associated with consciousness state by root condition. (3)

A state dissociated from consciousness arises dependent on a non-dissociated from consciousness state by root condition. A state associated with consciousness arises dependent on a non-dissociated from consciousness state by root condition. States associated with consciousness and dissociated from consciousness arise dependent on a non-dissociated from consciousness state by root condition. (3)

A state associated with consciousness arises dependent on a non-associated with consciousness and non-dissociated from consciousness state by root condition... three. By way of root nine.

26. A state conjoined with consciousness arises dependent on a state not conjoined with consciousness by root condition. A state disjoined from consciousness arises dependent on a state not conjoined with consciousness by root condition. States

conjoined with consciousness and disjoined from consciousness arise dependent on a state not conjoined with consciousness by root condition... By way of root nine.

27. A consciousness-originated state arises dependent on a non-consciousness-originated state by root condition. A not consciousness-originated state arises dependent on a non-consciousness-originated state by root condition. Consciousness-originated and not consciousness-originated states arise dependent on a non-consciousness-originated state by root condition... By way of root nine.

28. A state concomitant with consciousness arises dependent on a state not concomitant with consciousness by root condition. A state not concomitant with consciousness arises dependent on a state not concomitant with consciousness by root condition. States concomitant with consciousness and not concomitant with consciousness arise dependent on a state not concomitant with consciousness by root condition... By way of root nine.

29. A mental state consecutive to consciousness arises dependent on a non-consecutive to consciousness mental state by root condition. A non-consecutive to consciousness mental state arises dependent on a non-consecutive to consciousness mental state by root condition. Mental states consecutive to consciousness and non-consecutive to consciousness arise dependent on a non-consecutive to consciousness mental state by root condition... By way of root nine.

30. A state that originates conjoined with consciousness arises dependent on a state that does not originate conjoined with consciousness by root condition... By way of root nine.

31. A state that originates conjoined with consciousness and arises together with it arises dependent on a state not arising together with that which originates conjoined with consciousness by root condition... By way of root nine.

32. A state that originates conjoined with consciousness and follows it arises dependent on a state that does not originate conjoined with consciousness and does not follow it by root condition... By way of root nine.

33. A non-internal state arises dependent on a non-internal state by root condition... three.

A non-external state arises dependent on a non-external state by root condition... three.

An internal state arises dependent on a non-internal and non-external state by root condition... three. By way of root nine.

34. A derived mental state arises dependent on a non-derived mental state by root condition... By way of root five.

35. A not clung-to mental state arises dependent on a non-clung-to mental state by root condition... By way of root five.

69-74. Clinging Cluster

36. A clinging state arises dependent on a non-clinging state by root condition... (Abbreviated).

75-82. Mental Defilement Cluster

37. A mental defilement state arises dependent on a non-mental defilement state by root condition... (Abbreviated).

83-99. Last Dyad

38. A mental state not to be abandoned by seeing arises dependent on a mental state not to be abandoned by seeing by root condition. One.

A mental state to be abandoned through vision arises dependent on a mental state not not to be abandoned by seeing by root condition. A mental state not to be abandoned by seeing arises dependent on a mental state not not to be abandoned by seeing by root condition. Mental states to be abandoned through vision and not to be abandoned by seeing arise dependent on a mental state not not to be abandoned by seeing by root condition. Three.

A mental state not to be abandoned by seeing arises dependent on a mental state not to be abandoned by seeing and not not to be abandoned by seeing by root condition. One. By way of root five.

39. A mental state not to be abandoned by meditative development arises dependent on a mental state not to be abandoned by meditative development by root condition etc. By way of root five.

40. A mental state connected with a root to be abandoned through vision arises dependent on a mental state connected with a root not to be abandoned by seeing by root condition... By way of root nine.

41. A mental state connected with a root to be abandoned by meditative development arises dependent on a mental state connected with a root not to be abandoned by meditative development by root condition... By way of root nine.

42. A mental state with applied thought arises dependent on a non-with-applied-thought mental state by root condition. A mental state without applied thought arises dependent on a non-with-applied-thought mental state by root condition. Mental states with applied thought and without applied thought arise dependent on a non-with-applied-thought mental state by root condition. Three.

A mental state without applied thought arises dependent on a non-without-applied-thought mental state by root condition. A mental state with applied thought arises dependent on a non-without-applied-thought mental state by root condition. Mental states with applied thought and without applied thought arise dependent on a non-without-applied-thought mental state by root condition. (3)

A mental state with applied thought arises dependent on a non-with-applied-thought and non-without-applied-thought mental state by root condition. A mental state without applied thought arises dependent on a non-with-applied-thought and non-without-applied-thought mental state by root condition. Mental states with applied thought and without applied thought arise dependent on a non-with-applied-thought and non-without-applied-thought mental state by root condition. (3) By way of root nine.

43. A mental state with sustained thought arises dependent on a non-with-sustained-thought mental state by root condition... By way of root nine.

44. A mental state with rapture arises dependent on a non-with-rapture mental state by root condition... By way of root nine.

45. A mental state accompanied by rapture arises dependent on a mental state not accompanied by rapture by root condition... By way of root nine.

46. A mental state accompanied by pleasure arises dependent on a mental state not accompanied by pleasure by root condition... By way of root nine.

47. A mental state accompanied by equanimity arises dependent on a mental state not accompanied by equanimity by root condition. A mental state not accompanied by equanimity arises dependent on a mental state not accompanied by equanimity by root condition. Mental states accompanied by equanimity and not accompanied by equanimity arise dependent on a mental state not accompanied by equanimity by root condition. Three.

A mental state not accompanied by equanimity arises dependent on a mental state not not-accompanied by equanimity by root condition... three.

A mental state accompanied by equanimity arises dependent on a mental state not accompanied by equanimity and a mental state not not-accompanied by equanimity by root condition. A mental state not accompanied by equanimity arises dependent on a mental state not accompanied by equanimity and a mental state not not-accompanied by equanimity by root condition. Mental states accompanied by equanimity and not accompanied by equanimity arise dependent on a mental state not accompanied by equanimity and a mental state not not-accompanied by equanimity by root condition. Three. By way of root nine.

48. A sensual-sphere mental state arises dependent on a non-sensual-sphere mental state by root condition. A non-sensual-sphere mental state arises dependent on a non-sensual-sphere mental state by root condition. Sensual-sphere and non-sensual-sphere mental states arise dependent on a non-sensual-sphere mental state by root condition... three.

A non-sensual-sphere mental state arises dependent on a not-non-sensual-sphere mental state by root condition... three.

A sensual-sphere mental state arises dependent on a non-sensual-sphere and not-non-sensual-sphere mental state by root condition... three. By way of root nine.

49. A fine-material-sphere mental state arises dependent on a non-fine-material-sphere mental state by root condition... By way of root nine.

50. A not of immaterial-sphere mental state arises dependent on a not of immaterial-sphere mental state by root condition... By way of root five.

51. An included mental state arises dependent on a non-included mental state by root condition... three.

An included mental state arises dependent on a non-not-included mental state by root condition. One.

An included mental state arises dependent on a non-included and a non-not-included mental state by root condition. One. By way of root five.

52. A state not leading to liberation arises dependent on a non-state leading to liberation by root condition. One.

A state not leading to liberation arises dependent on a non-state not leading to liberation by root condition etc. three.

A state not leading to liberation arises dependent on a non-state leading to liberation and a non-state not leading to liberation by root condition. One. By way of root five.

53. An unfixed state arises dependent on a non-fixed mental state by root condition. One.

An unfixed state arises dependent on a non-unfixed mental state by root condition... three.

An unfixed state arises dependent on a non-fixed mental state and a non-unfixed mental state by root condition. One. By way of root five.

54. A surpassed mental state arises dependent on a non-surpassed mental state by root condition. An unsurpassed mental state arises dependent on a non-surpassed mental state by root condition. Surpassed and unsurpassed mental states arise dependent on a non-surpassed mental state by root condition. Three.

A surpassed mental state arises dependent on a non-unsurpassed mental state by root condition. One.

A surpassed mental state arises dependent on a non-surpassed and non-unsurpassed mental state by root condition... By way of root five.

100. Conflicting Dyad

1-7. Section on the Dependent etc.

55. A state without conflict arises dependent on a non-conflicting mental state by root condition. One.

A state without conflict arises dependent on a state without non-conflict by root condition... three.

A state without conflict arises dependent on a non-conflicting and a state without non-conflict by root condition. One. By way of root five, by way of object two... etc.by way of non-disappearance five.

Negative.

Non-root Condition

56. A state without conflict arises dependent on a non-conflicting state by non-root condition. A state with conflict arises dependent on a non-state without conflict by non-root condition (abbreviated).

By way of non-root two, by way of non-object three... etc.by way of non-disappearance three.

(The section on the conascence also... etc. the section on the associated also is similar to the section on the dependent.)

Root and Object Conditions

57. A non-conflicting state is a condition for a state without conflict by way of root condition. (1)

A state without non-conflict is a condition for a state without conflict by way of root condition. A state without non-conflict is a condition for a state with conflict by way of root condition. A state without non-conflict is a condition for a state with conflict and a state without conflict by way of root condition. (3)

58. A non-conflicting state is a condition for a state with conflict by way of object condition. A non-conflicting state is a condition for a state without conflict by way of object condition. Two.

A state without non-conflict is a condition for a state without conflict by way of object condition. A state without non-conflict is a condition for a state with conflict by way of object condition. Two.

59. By way of root four, by way of object four... etc. by way of non-disappearance seven.

Negative Extraction

60. A non-conflicting state is a condition for a state with conflict by way of object condition, by way of decisive support condition, by way of prenascence condition (abbreviated).

By non-root seven, by way of non-object seven, etc. by way of non-disappearance four.

(Just as the positive, negative, positive-negative and negative-positive of the section on questions in the triad of wholesome was counted, so it should be counted.)

The Conditional Relations of Dyads in Negative-Positive with States is concluded.

ABOUT THIS TRANSLATION

This translation is part of the PaliVerse Project - the first complete, unified English translation of the Pāli Canon together with its Commentaries (Aṭṭhakathā) and Subcommentaries (Tīkā), accompanied by interactive study tools. PaliVerse is an ongoing project. The AI translations are continuously improved through experts' revisions and feedback. This text is the latest translation as of the date of download.
