13. Conditional Relations-5

Dyad Conditional Relations of Mental States in the Positive-Negative Method

1. Root dyad

1-7. Section on the Dependent etc.

1. Positive Condition

Root Condition

1. A non-root state arises dependent on a root state by root condition -dependent on a root state, associated aggregates and consciousness-originated materiality arise; at the moment of conception... etc. A not-non-root state arises dependent on a root state by root condition. Non-root and not-non-root states arise dependent on a root state by root condition. (3)

A not-non-root state arises dependent on a non-root state by root condition. A non-root state arises dependent on a non-root state by root condition. Non-root and not-non-root states arise dependent on a non-root state by root condition. (3)

A non-root state arises dependent on a root and non-root state by root condition. A not-non-root state arises dependent on a root and non-root state by root condition. Non-root and not-non-root states arise dependent on a root and non-root state by root condition. (3) (Abbreviated.)

By way of root nine, by way of object nine... etc. by way of non-disappearance nine. (The section on the conascence also... etc. the section on the associated also is similar to the section on the dependent.)

Root and Object Conditions

2. A root state is a condition for a non-root state by way of root condition...three.

A root state is a condition for a non-root state by way of object condition...three.

A non-root state is a condition for a not-non-root state by way of object condition...three.

Root and non-root states are a condition for a non-root state by way of object condition... three. (Abbreviated.)

3. By way of root three, by way of object nine... etc. by way of non-disappearance nine. (The section on questions also should be expanded thus.)

2. With-root Dyad

1-7. Section on the Dependent etc.

4. A non-with-root state arises dependent on a state with root by root condition. A non-rootless state arises dependent on a state with root by root condition. A non-with-root state and a non-rootless state arise dependent on a state with root by root condition. (3)

A non-rootless state arises dependent on a rootless state by root condition. A non-with-root state arises dependent on a rootless state by root condition. A non-with-root state and a non-rootless state arise dependent on a rootless state by root condition. (3)

A non-with-root state arises dependent on a state with root and a rootless state by root condition. A non-rootless state arises dependent on a state with root and a rootless state by root condition. A non-with-root state and a non-rootless state arise dependent on a state with root and a rootless state by root condition. (3)
(Abbreviated.)

By way of root nine, by way of object six... etc. by way of non-disappearance nine. (The section on the conascence also... etc. the section on questions also should be expanded.)

3. Associated with Root Dyad

1-7. Section on the Dependent etc.

5. A mental state not associated with root arises dependent on a mental state associated with root by root condition. A mental state not dissociated from root arises dependent on a mental state associated with root by root condition. Mental states not associated with root and not dissociated from root arise dependent on a mental state associated with root by root condition. (3)

A mental state not dissociated from root arises dependent on a mental state dissociated from root by root condition. A mental state not associated with root arises dependent on a mental state dissociated from root by root condition. Mental states not associated with root and not dissociated from root arise dependent on a mental state dissociated from root by root condition. (3)

A mental state not associated with root arises dependent on a mental state associated with root and a mental state dissociated from root by root condition. A mental state not dissociated from root arises dependent on a mental state associated with root and a mental state dissociated from root by root condition. Mental states not associated with root and not dissociated from root arise dependent on a mental state associated with root and a mental state dissociated from root by root condition. (3)
(Abbreviated.)

By way of root nine. (The section on the conascence also... etc. the section on questions also should be expanded.)

4. Root-with Root Dyad

1-7. Section on the Dependent etc.

6. A state that is both non-root and non-rootless arises dependent on a state that is both root and with root by root condition. A state that is both non-rootless and not non-root arises dependent on a state that is both root and with root by root condition. States that are both non-root and non-rootless and both non-rootless and not non-root arise dependent on a state that is both root and with root by root condition. (3)

A state that is both non-rootless and not non-root arises dependent on a state that is with root and not root by root condition. A state that is both non-root and non-rootless arises dependent on a state that is with root and not root by root condition. States that are both non-root and non-rootless and both non-rootless and not non-root arise dependent on a state that is with root and not root by root condition. (3)

A state that is both non-root and non-rootless arises dependent on a state that is both root and with root and a state that is with root and not root by root condition. A state that is both non-rootless and not non-root arises dependent on a state that is both root and with root and a state that is with root and not root by root condition. States that are both non-root and non-rootless and both non-rootless and not non-root arise dependent on a state that is both root and with root and a state that is with root and not root by root condition. (3) (Abbreviated.)

By way of root nine. (The section on the conascence also... etc. the section on questions also should be expanded.)

5. Root-Associated with Root Dyad

1-7. Section on the Dependent etc.

7. A mental state that is both non-root and dissociated from root arises dependent on a mental state that is both root and associated with root by root condition. A mental state that is both dissociated from root and not non-root arises dependent on a mental state that is both root and associated with root by root condition. Mental states that are both non-root and dissociated from root and both dissociated from root and not non-root arise dependent on a mental state that is both root and associated with root by root condition. (3)

A mental state that is both dissociated from root and not non-root arises dependent on a mental state that is associated with root and not root by root condition. A mental state that is both non-root and dissociated from root arises dependent on a mental state that is associated with root and not root by root condition. Mental states that are both non-root and dissociated from root and both dissociated from root and not non-root arise dependent on a mental state that is associated with root and not root by root condition. (3)

A mental state that is both non-root and dissociated from root arises dependent on a mental state that is both root and associated with root and a mental state that is associated with root and not root by root condition. A mental state that is both dissociated from root and not non-root arises dependent on a mental state that is both root and associated with root and a mental state that is associated with root and not root by root condition. Mental states that are both non-root and dissociated from

root and both dissociated from root and not non-root arise dependent on a mental state that is both root and associated with root and a mental state that is associated with root and not root by root condition. (3) (Abbreviated.)

By way of root nine. (The section on the conascence also... etc. the section on questions also should be expanded.)

6. Non-Root with Root Dyad

1-7. Section on the Dependent etc.

8. A non-root non-with-root state arises dependent on a non-root with root state by root condition. (Abbreviated.)

By way of root nine. (The section on the conascence also... etc. the section on questions also should be expanded.)

The root cluster is finished.

7-8. With Condition Dyad etc.

1-7. Section on the Dependent etc.

9. A non-condition mental state arises dependent on a mental state with condition by root condition. (Abbreviated.) By way of root one.

10. A mental state with condition is a condition for a non-without-condition mental state by way of object condition.

A mental state without condition is a condition for a non-without-condition mental state by way of object condition. (The conditioned is similar to with condition.)

9. Manifest Dyad

1-7. Section on the Dependent etc.

11. A non-non-manifest phenomenon arises dependent on a non-manifest phenomenon by root condition. A non-manifest phenomenon arises dependent on a non-manifest phenomenon by root condition. A non-manifest and a non-non-manifest phenomenon arise dependent on a non-manifest phenomenon by root condition. (3) (Abbreviated.)

By way of root three. (Everywhere in detail.)

10. Dyad of impinging

1-7. Section on the Dependent etc.

12. A non-impinging phenomenon arises dependent on an impinging phenomenon by root condition. A non-non-impinging phenomenon arises dependent on an impinging phenomenon by root condition. Non-impinging and non-non-impinging phenomena arise dependent on an impinging phenomenon by root condition. (3)

A non-non-impinging phenomenon arises dependent on a non-impinging phenomenon by root condition. A non-impinging phenomenon arises dependent on a non-impinging phenomenon by root condition. Non-impinging and non-non-impinging phenomena arise dependent on a non-impinging phenomenon by root condition. (3)

A non-impinging phenomenon arises dependent on an impinging and a non-impinging phenomenon by root condition. A non-non-impinging phenomenon arises dependent on an impinging and a non-impinging phenomenon by root condition. Non-impinging and non-non-impinging phenomena arise dependent on an impinging and a non-impinging phenomenon by root condition. (3) (Abbreviated.)

By way of root nine. (Everywhere in detail.)

11. Material dyad

1-7. Section on the Dependent etc.

13. A non-material state arises dependent on a material state by root condition. (Abbreviated.)

By way of root nine. (Everywhere in detail.)

12. Mundane Dyad

1-7. Section on the Dependent etc.

14. A non-supramundane mental state arises dependent on a mundane mental state by root condition. (1)

A non-supramundane mental state arises dependent on a supramundane mental state by root condition. A non-mundane mental state arises dependent on a supramundane mental state by root condition. (Non-mundane and non-supramundane mental states arise dependent on a supramundane mental state by root condition.) (3)

A non-supramundane mental state arises dependent on a mundane and supramundane mental state by root condition. (1) (Abbreviated.)

By way of root five. (Everywhere five.)

13. Cognisable in some way dyad

1-7. Section on the Dependent etc.

15. A state not cognisable in any way arises dependent on a state cognisable in some way by root condition. A state not not cognisable in any way arises dependent on a state cognisable in some way by root condition. A state not cognisable in any way and a state not not cognisable in any way arise dependent on a state cognisable in some way by root condition. (3)

A state not not cognisable in any way arises dependent on a state not cognisable in any way by root condition... three.

A state not cognisable in any way arises dependent on a state cognisable in some way and a state not cognisable in any way by root condition... three. (Abbreviated.)

By way of root nine. (Everywhere nine.)

The Minor Intermediate Dyads are finished.

14. Mental Corruptions Dyad

1-7. Section on the Dependent etc.

16. A non-mental corruption state arises dependent on a mental corruption state by root condition. A non-non-mental corruption state arises dependent on a mental corruption state by root condition. Non-mental corruption and non-non-mental corruption states arise dependent on a mental corruption state by root condition. (3)

A non-non-mental corruption state arises dependent on a non-mental corruption state by root condition. A non-mental corruption state arises dependent on a non-mental corruption state by root condition. Non-mental corruption and non-non-mental corruption states arise dependent on a non-mental corruption state by root condition. (3)

A non-mental corruption state arises dependent on a mental corruption and non-mental corruption state by root condition. A non-non-mental corruption state arises dependent on a mental corruption and non-mental corruption state by root condition. Non-mental corruption and non-non-mental corruption states arise dependent on a mental corruption and non-mental corruption state by root condition. (3)
(Abbreviated.) By way of root nine. (Everywhere nine.)

15. With mental corruptions dyad

1-7. Section on the Dependent etc.

17. A non-without mental corruptions mental state arises dependent on a mental state with mental corruptions by root condition. (1)

A non-without mental corruptions mental state arises dependent on a mental state without mental corruptions by root condition. A non-with mental corruptions mental state arises dependent on a mental state without mental corruptions by root condition. A non-with mental corruptions mental state and a non-without mental corruptions mental state arise dependent on a mental state without mental corruptions by root condition. (3)

A non-without mental corruptions mental state arises dependent on a mental state with mental corruptions and without mental corruptions by root condition. (1)
(Abbreviated.)

By way of root five. (Everywhere in detail.)

16. Associated with mental corruptions dyad

1-7. Section on the Dependent etc.

18. A non-associated with mental corruptions mental state arises dependent on a mental state associated with mental corruptions by root condition. A non-dissociated from mental corruptions mental state arises dependent on a mental state associated with mental corruptions by root condition. Non-associated with mental corruptions and non-dissociated from mental corruptions mental states arise dependent on a mental state associated with mental corruptions by root condition. (3)

A non-dissociated from mental corruptions mental state arises dependent on a mental state dissociated from mental corruptions by root condition. A non-associated with mental corruptions mental state arises dependent on a mental state dissociated

from mental corruptions by root condition. Non-associated with mental corruptions and non-dissociated from mental corruptions mental states arise dependent on a mental state dissociated from mental corruptions by root condition. (3)

A non-associated with mental corruptions mental state arises dependent on a mental state associated with mental corruptions and a mental state dissociated from mental corruptions by root condition. A non-dissociated from mental corruptions mental state arises dependent on a mental state associated with mental corruptions and a mental state dissociated from mental corruptions by root condition. Non-associated with mental corruptions and non-dissociated from mental corruptions mental states arise dependent on a mental state associated with mental corruptions and a mental state dissociated from mental corruptions by root condition. (3) (Abbreviated.)

By way of root nine. (Everywhere nine.)

17. Mental Corruption-With Mental Corruptions Dyad

1-7. Section on the Dependent etc.

19. A non-mental corruption and non-without mental corruptions mental state arises dependent on a mental state that is both mental corruption and with mental corruptions by root condition. A non-without mental corruptions and not non-mental corruption mental state arises dependent on a mental state that is both mental corruption and with mental corruptions by root condition. A non-mental corruption and non-without mental corruptions mental state and a non-without mental corruptions and not non-mental corruption mental state arise dependent on a mental state that is both mental corruption and with mental corruptions by root condition. (3)

A non-without mental corruptions and not non-mental corruption mental state arises dependent on a mental state that is with mental corruptions and not mental corruption by root condition... three.

A non-mental corruption and non-without mental corruptions mental state arises dependent on a mental state that is both mental corruption and with mental corruptions and with mental corruptions and not mental corruption by root condition... three. By way of root nine. (Everywhere nine.)

18. Mental Corruption-Associated with Mental Corruptions Dyad

1-7. Section on the Dependent etc.

20. A non-mental corruption and non-dissociated from mental corruptions mental state arises dependent on a mental state that is both mental corruption and associated with mental corruptions by root condition... three.

A non-dissociated from mental corruptions and not mental corruption mental state arises dependent on a mental state that is associated with mental corruptions and not mental corruption by root condition... three.

A non-mental corruption and non-dissociated from mental corruptions mental state arises dependent on a mental state that is both mental corruption and associated with mental corruptions and dissociated from mental corruptions and not mental

corruption by root condition... three. (Abbreviated.) By way of root nine. (Everywhere nine.)

19. Dyad of Dissociated from Mental Corruptions-With Mental Corruptions

1-7. Section on the Dependent etc.

21. A dissociated from mental corruptions non-without mental corruptions mental state arises dependent on a dissociated from mental corruptions and with mental corruptions mental state by root condition. (1)

A dissociated from mental corruptions non-without mental corruptions mental state arises dependent on a dissociated from mental corruptions and without mental corruptions mental state by root condition... three.

A dissociated from mental corruptions non-not-without mental corruptions mental state arises dependent on a dissociated from mental corruptions and with mental corruptions and a dissociated from mental corruptions and without mental corruptions mental state by root condition. (1)

By way of root five... etc. by way of non-disappearance five. (Everywhere in detail.)

The mental corruption group is finished.

20-49. Mental Fetter Dyads etc.

1-7. Section on the Dependent etc.

22. A non-mental fetter state arises dependent on a mental fetter state by root condition... etc. A non-mental knot state arises dependent on a mental knot state by root condition... etc. A non-mental flood state arises dependent on a mental flood state by root condition... etc. A non-mental bond state arises dependent on a mental bond state by root condition... etc. A non-mental hindrance state arises dependent on a mental hindrance state by root condition.

50-54. Adherence Dyads

1-7. Section on the Dependent etc.

23. A non-adherence state arises dependent on an adherence state by root condition. (Similar to the mental corruption group.)

55. With Object Dyad

1-7. Section on the Dependent etc.

24. A non-with-sense-object mental state arises dependent on a mental state with sense-object by root condition... three.

A non-without-sense-object mental state arises dependent on a mental state without sense-object by root condition... three.

A non-with-sense-object mental state arises dependent on a mental state with sense-object and a mental state without sense-object by root condition... three. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

56. The Consciousness Dyad

1-7. Section on the Dependent etc.

25. A non-consciousness state arises dependent on a mind state by root condition. One.

A non-non-consciousness state arises dependent on a non-consciousness state by root condition... three.

A non-consciousness state arises dependent on a mind state and a non-consciousness state by root condition. (1) (In brief. Five).

57-68. Mental Factor Dyad etc.

1-7. Section on the Dependent etc.

26. A non-mental factor state arises dependent on a mental factor state by root condition.

27. A non-associated with consciousness state arises dependent on a state associated with consciousness by root condition... etc.

A state not conjoined with consciousness arises dependent on a state conjoined with consciousness by root condition.

28. A non-consciousness-originated state arises dependent on a consciousness-originated state by root condition.

29. A non-concomitant with consciousness state arises dependent on a state concomitant with consciousness by root condition... etc. A non-consecutive to consciousness state arises dependent on a state consecutive to consciousness by root condition... etc. A state that does not originate conjoined with consciousness arises dependent on a state that originates conjoined with consciousness by root condition... etc. A state not arising together with that which originates conjoined with consciousness arises dependent on a state that originates conjoined with consciousness and arises together with it by root condition... etc. A state not following that which originates conjoined with consciousness arises dependent on a state that originates conjoined with consciousness and follows it by root condition.

30. A non-internal state arises dependent on an internal state by root condition... three.

A non-external state arises dependent on an external phenomenon by root condition... three.

A non-internal state arises dependent on an internal and external state by root condition... three.

31. A non-derived mental state arises dependent on a derived mental state by root condition. (1)

A non-non-derived mental state arises dependent on a non-derived mental state by root condition etc. three.

A non-derived mental state arises dependent on derived and non-derived mental states by root condition. (1)

32. A non-clung-to mental state arises dependent on a clung-to mental state by root condition... three.

A non-not-clung-to mental state arises dependent on a not clung-to mental state by root condition. (1)

A non-clung-to mental state arises dependent on a clung-to and not clung-to mental state by root condition. (1) (Abbreviated.)

By way of root five... etc. by way of non-disappearance five. (Everywhere in detail.)

The greater dyad is finished.

69-74. Clinging Cluster

33. A non-clinging state arises dependent on a clinging state by root condition... By way of root nine.

75-82. Mental Defilement Cluster

34. A non-mental defilement state arises dependent on a mental defilement state by root condition... By way of root nine.

83. To Be Abandoned Through Vision Dyad

35. A mental state not to be abandoned by seeing arises dependent on a mental state to be abandoned through vision by root condition. A mental state not not to be abandoned by seeing arises dependent on a mental state to be abandoned through vision by root condition. Mental states not to be abandoned by seeing and not not to be abandoned by seeing arise dependent on a mental state to be abandoned through vision by root condition. (3)

A mental state not to be abandoned by seeing arises dependent on a mental state not to be abandoned by seeing by root condition. (1)

A mental state not to be abandoned by seeing arises dependent on a mental state to be abandoned through vision and not to be abandoned by seeing by root condition. (1) (Abbreviated.)

By way of root five... etc. by way of non-disappearance five.

84. To Be Abandoned Through Meditative Development Dyad

36. A mental state not to be abandoned by meditative development arises dependent on a mental state to be abandoned by meditative development by root condition. A mental state not not to be abandoned by meditative development arises dependent on a mental state to be abandoned by meditative development by root condition. Mental states not to be abandoned by meditative development and not not to be abandoned by meditative development arise dependent on a mental state to be abandoned by meditative development by root condition. (3)

A mental state not to be abandoned by meditative development arises dependent on a mental state not to be abandoned by meditative development by root condition. (1)

A mental state not to be abandoned by meditative development arises dependent on a mental state to be abandoned by meditative development and a mental state not to be abandoned by meditative development by root condition. (1)

By way of root five.

85. Dyad of Connected with a Root to be Abandoned through Vision

37. A mental state not to be abandoned by seeing arises dependent on a mental state connected with a root to be abandoned through vision by root condition. A mental state connected with a root not not to be abandoned by seeing arises dependent on a mental state connected with a root to be abandoned through vision by root condition. (Abbreviated.)

By way of root nine.

86. Dyad of Connected with a Root to be Abandoned through Meditative Development

38. A mental state connected with a root not to be abandoned by meditative development arises dependent on a mental state connected with a root to be abandoned by meditative development by root condition. A mental state connected with a root not not to be abandoned by meditative development arises dependent on a mental state connected with a root to be abandoned by meditative development by root condition... By way of root nine.

87-88. With Applied Thought Dyad etc.

39. A non-with-applied-thought mental state arises dependent on a mental state with applied thought by root condition... three.

A non-without-applied-thought mental state arises dependent on a mental state without applied thought by root condition. (Abbreviated.) By way of root nine.

40. A non-with-sustained-thought mental state arises dependent on a mental state with sustained thought by root condition... three.

A non-without-sustained-thought mental state arises dependent on a mental state without sustained thought by root condition. (Abbreviated.) By way of root nine.

89-92. With Rapture Dyad etc.

41. A non-with-rapture mental state arises dependent on a mental state with rapture by root condition... three.

A non-without-rapture mental state arises dependent on a mental state without rapture by root condition... By way of root nine.

42. A mental state not accompanied by rapture arises dependent on a mental state accompanied by rapture by root condition... three.

A mental state not not-accompanied by rapture arises dependent on a mental state not accompanied by rapture by root condition... By way of root nine.

43. A mental state not accompanied by pleasure arises dependent on a mental state accompanied by pleasure by root condition... three.

A mental state not-not-accompanied by pleasure arises dependent on a mental state not accompanied by pleasure by root condition... By way of root nine.

44. A mental state not accompanied by equanimity arises dependent on a mental state accompanied by equanimity by root condition... three.

A mental state not not-accompanied by equanimity arises dependent on a mental state not accompanied by equanimity by root condition... By way of root nine.

93-95. Sensual-Sphere of Existence Dyads etc.

45. A non-sensual-sphere mental state arises dependent on a sensual-sphere mental state by root condition... three.

A not-non-sensual-sphere mental state arises dependent on a non-sensual-sphere mental state by root condition... By way of root nine.

46. A non-fine-material-sphere mental state arises dependent on a fine-material-sphere mental state by root condition... three.

A non-non-fine-material-sphere mental state arises dependent on a non-fine-material-sphere mental state by root condition... By way of root nine.

47. A not of immaterial-sphere mental state arises dependent on an immaterial-sphere mental state by root condition... three.

A not not of immaterial-sphere mental state arises dependent on a not of immaterial-sphere mental state by root condition. (1)

A not of immaterial-sphere mental state arises dependent on an immaterial-sphere and a not of immaterial-sphere mental state by root condition. (1) By way of root five.

96. The Included Dyad

48. A non-not-included mental state arises dependent on an included mental state by root condition. (1)

A non-not-included mental state arises dependent on a not included mental state by root condition. A non-included mental state arises dependent on a not included mental state by root condition. Non-included and non-not-included mental states arise dependent on a not included mental state by root condition. (3)

A non-not-included mental state arises dependent on an included and a not included mental state by root condition. (1) (Abbreviated.) By way of root five.

97. The Leading-to-Liberation Dyad

49. A non-state leading to liberation arises dependent on a state leading to liberation by root condition... three.

A non-state leading to liberation arises dependent on a state not leading to liberation by root condition. (1)

A non-state leading to liberation arises dependent on a state leading to liberation and a state not leading to liberation by root condition. (1) By way of root five.

98. Fixed-in-Destination Dyad

50. A non-fixed state arises dependent on a fixed state by root condition...three.

A non-fixed state arises dependent on an unfixed state by root condition.(1)

A non-fixed state arises dependent on a fixed state and an unfixed state by root condition. (1) By way of root five.

99. Surpassed Dyad

51. A non-unsurpassed mental state arises dependent on a surpassed mental state by root condition. (1)

A non-unsurpassed mental state arises dependent on an unsurpassed mental state by root condition. A non-surpassed mental state arises dependent on an unsurpassed mental state by root condition. Non-surpassed and non-unsurpassed mental states arise dependent on an unsurpassed mental state by root condition. (3)

A non-unsurpassed mental state arises dependent on a surpassed and an unsurpassed mental state by root condition. (1) By way of root five.

100. Conflicting Dyad

1-6. Section on the Dependent etc.

52. A non-conflicting mental state arises dependent on a state with conflict by root condition. A state without non-conflict arises dependent on a state with conflict by root condition. Non-conflicting and states without non-conflict arise dependent on a state with conflict by root condition. (3)

A state without non-conflict arises dependent on a state without conflict by root condition. (1)

A non-conflicting mental state arises dependent on a state with conflict and a state without conflict by root condition. (1) By way of root five, by way of object two... etc. by way of non-disappearance five.

Negative.

Non-root Condition

53. A non-conflicting mental state arises dependent on a state with conflict by non-root condition. (1)

A non-non-conflicting mental state arises dependent on a state without conflict by non-root condition. (Abbreviated.)

By way of non-root two, by way of non-object three... etc.by way of non-disappearance three.

(The section on the conascence, the section on the conditions, the section on the support, the section on the conjoined, and the section on the associated should also be expanded similar to the section on the dependent.)

100. Conflicting Dyad

7. Section on Questions

54. A state with conflict is a condition for a non-state with conflict by way of root condition. A state with conflict is a condition for a non-state without conflict by way of root condition. A state with conflict is a condition for a non-state with conflict and a non-state without conflict by way of root condition. (3)

A state without conflict is a condition for a non-state with conflict by way of root condition. (1)

55. A state with conflict is a condition for a non-state with conflict by way of object condition. A state with conflict is a condition for a non-state without conflict by way of object condition. (Abbreviated.)

By way of root four, by way of object four, by way of predominance five, by way of proximity four... etc. by way of non-disappearance seven.

Negative Extraction

56. A state with conflict is a condition for a non-state with conflict by way of object condition, by way of conascence condition, by way of decisive support condition, by way of postnascence condition, by way of kamma condition.

A state with conflict is a condition for a non-state without conflict by way of object condition, by way of conascence condition, by way of decisive support condition. (Abbreviated.)

57. By way of non-root seven, by way of non-object seven, by way of non-predominance seven, by way of non-proximity seven... etc. by way of non-disappearance four.

By root condition, by way of non-object four. (Abbreviated.)

By non-root condition, by way of object four. (Abbreviated.)

(As the section on questions in the triad of wholesome, so it should be expanded.)

The Conditional Relations of Dyads in Positive-Negative with States is concluded.
