Dyad-Dyad Conditional Relations of Mental States in the
Negative-Positive Method (Dhammapaccanīyānulome
dukadukapaṭṭhānaṃ)

PaliVerse

13. Conditional Relations-5

Dyad-Dyad Conditional Relations of Mental States in the Negative-Positive Method

1-1. Dyad of Root - Dyad of With Root

1. A root with root state arises dependent on a non-root non-with-root state by root condition. A non-root with root state arises dependent on a non-root non-with-root state by root condition. A root with root state and a non-root with root state arise dependent on a non-root non-with-root state by root condition. Three.

A non-root with root state arises dependent on a not-non-root non-with-root state by root condition. One.

By way of root four, by way of object four... etc.by way of non-disappearance four.

2. A non-root and non-rootless state is a condition for a non-root and rootless state by way of root condition.

By way of root one, by way of object six... etc.by way of non-disappearance five. (The section on questions should be expanded.)

3. A non-root and rootless state arises dependent on a non-root non-rootless state by root condition. One.

A non-root and rootless state arises dependent on a not-non-root non-rootless state by root condition. One.

A non-root and rootless state arises dependent on a non-root non-rootless and a not-non-root non-rootless state by root condition. One. By way of root three.

1-2-5. Dyad of Root - Dyads of Associated with Root and so on

4. A root associated with root mental state arises dependent on a non-root state not associated with root by root condition... By way of root four.

A non-root mental state dissociated from root arises dependent on a non-root state dissociated from root by root condition... By way of root three.

5. A state that is both root and with root arises dependent on a non-root state that is both non-root and rootless by root condition. By way of root one.

A non-root state that is with root and not root arises dependent on a not-non-root state that is both non-rootless and not-non-root by root condition. By way of root one.

6. A mental state that is both root and associated with root arises dependent on a mental state that is both non-root and non-root and dissociated from root by root condition. By way of root one.

A non-root mental state that is associated with root and not root arises dependent on a mental state that is both not-non-root and dissociated from root and not-non-root by root condition. By way of root one.

7. A non-root non-root with root state arises dependent on a non-root non-root non-with-root state by root condition. By way of root one.

A non-root non-root and rootless state arises dependent on a non-root non-root non-rootless state by root condition. By way of root one.

1-6-12. Dyad of Root - Minor Dyads

8. A non-root non-with-condition state is a condition for a root with condition state by way of object condition... By way of object three. (The conditioned is similar to with condition.)

9. A non-root manifest phenomenon arises dependent on a non-root non-manifest phenomenon by root condition... By way of root three.

A non-root non-non-manifest phenomenon is a condition for a root non-manifest phenomenon by way of object condition... By way of object three.

10. A non-root impinging phenomenon arises dependent on a non-root non-impinging phenomenon by root condition... By way of root three.

A non-root non-impinging phenomenon arises dependent on a non-root non-non-impinging phenomenon by root condition. By way of root one.

11. A root material state arises dependent on a non-root non-material state by root condition... By way of root three.

A root immaterial state arises dependent on a non-root non-immaterial state by root condition... By way of root three.

12. A non-root mundane mental state arises dependent on a non-root non-mundane mental state by root condition. A non-root mundane mental state arises dependent on a not-non-root non-mundane mental state by root condition (by calculation three.)

A root supramundane mental state arises conditioned by a non-root non-supramundane mental state by root condition... By way of root three.

13. A root state cognisable in some way arises dependent on a non-root state not cognisable in any way by root condition... By way of root nine.

A root state not cognisable in some way arises dependent on a non-root state not cognisable in any way by root condition... By way of root nine.

1-13-18. Dyad of Root - Groups of Mental Corruption

14. A root mental corruption state arises dependent on a non-root non-mental corruption state by root condition. A non-root mental corruption state arises dependent on a non-root non-mental corruption state by root condition. A root mental corruption state and a non-root mental corruption state arise dependent on a non-root non-mental corruption state by root condition. Three.

A root mental corruption state arises dependent on a not-non-root non-mental corruption state by root condition. One.

A root mental corruption state arises dependent on a non-root non-mental corruption and not-non-root non-mental corruption state by root condition. One. By way of root five.

A non-root non-mental corruption state arises dependent on a non-root non-non-mental corruption state by root condition. One.

A non-root non-mental corruption state arises dependent on a not-non-root non-non-mental corruption state by root condition. A root non-mental corruption state arises dependent on a not-non-root non-non-mental corruption state by root condition. A root non-mental corruption state and a non-root non-mental corruption state arise dependent on a not-non-root non-non-mental corruption state by root condition. Three.

A non-root non-mental corruption state arises dependent on a non-root non-non-mental corruption and not-non-root non-non-mental corruption state by root condition. One. By way of root five.

15. A non-root with mental corruptions state arises dependent on a non-root non-with mental corruptions state by root condition... By way of root three.

A root without mental corruptions state arises conditioned by a non-root non-without mental corruptions state by root condition... By way of root three.

16. A non-root associated with mental corruptions mental state arises dependent on a non-non-root non-associated with mental corruptions mental state by root condition... By way of root three.

A root dissociated from mental corruptions mental state arises dependent on a non-root non-dissociated from mental corruptions mental state by root condition... By way of root nine.

17. A root state that is both mental corruption and with mental corruptions arises dependent on a non-root non-mental corruption and non-without mental corruptions state by root condition... By way of root five.

A non-root state that is with mental corruptions and not mental corruption arises dependent on a non-root non-without mental corruptions and not mental corruption state by root condition... By way of root five.

18. A root mental state that is both mental corruption and associated with mental corruptions arises dependent on a non-root non-mental corruption and non-dissociated from mental corruptions state by root condition... By way of root three.

A non-root mental state that is associated with mental corruptions and not mental corruption arises dependent on a non-root non-dissociated from mental corruptions and not mental corruption state by root condition... By way of root three.

19. A non-root dissociated from mental corruptions and with mental corruptions mental state arises dependent on a non-root dissociated from mental corruptions and non-with mental corruptions mental state by root condition... By way of root three.

A root dissociated from mental corruptions and without mental corruptions mental state arises conditioned by a non-root dissociated from mental corruptions and non-without mental corruptions mental state by root condition... By way of root three.

1-19. Dyad of Root - Groups of Mental Fetter and so on

20. A root mental fetter state arises dependent on a non-root non-mental fetter state by root condition... By way of root three.

21. A root mental knot state arises dependent on a non-root non-mental knot state by root condition... By way of root nine.

22. A root mental flood state arises dependent on a non-root non-mental flood state by root condition... etc. By way of root five.

23. A root mental bond state arises dependent on a non-root non-mental bond state by root condition... By way of root five.

24. A root mental hindrance state arises dependent on a non-root non-mental hindrance state by root condition... By way of root three.

25. A non-root adherence state arises dependent on a non-root non-adherence state by root condition... By way of root three.

1-54. Root Dyad - Greater Dyad

26. A root mental state with sense-object arises dependent on a non-root non-with-sense-object state by root condition... By way of root three.

A non-root mental state without sense-object arises dependent on a non-root non-without-sense-object state by root condition... By way of root three.

27. A non-root mind state arises dependent on a non-root non-consciousness state by root condition... By way of root three.

A root non-consciousness state arises dependent on a non-root non-non-consciousness state by root condition... By way of root three.

28. A root mental factor state arises dependent on a non-root non-mental factor state by root condition... By way of root three.

A non-root not mental factor state arises dependent on a non-root non-not mental factor state by root condition... By way of root three.

29. A root state associated with consciousness arises dependent on a non-root non-associated with consciousness state by root condition... By way of root three.

A non-root state dissociated from consciousness arises dependent on a non-root non-dissociated from consciousness state by root condition... By way of root three.

30. A root state conjoined with consciousness arises dependent on a non-root non-conjoined with consciousness state by root condition... By way of root three.

A non-root state disjoined from consciousness arises dependent on a non-root non-disjoined from consciousness state by root condition... By way of root three.

31. A root consciousness-originated state arises dependent on a non-root not consciousness-originated state by root condition... By way of root three.

A root not consciousness-originated state arises dependent on a non-root non-not consciousness-originated state by root condition... By way of root three.

32. A root state concomitant with consciousness arises dependent on a non-root state not concomitant with consciousness by root condition... By way of root three.

A non-root state not concomitant with consciousness arises dependent on a non-root state not not concomitant with consciousness by root condition... By way of root three.

33. A root state consecutive to consciousness arises dependent on a non-root state not consecutive to consciousness by root condition... By way of root three.

A non-root state not consecutive to consciousness arises dependent on a non-root state not not consecutive to consciousness by root condition... By way of root three.

34. A root state that originates conjoined with consciousness arises dependent on a non-root state that does not originate conjoined with consciousness by root condition... By way of root three.

A non-root state that does not originate conjoined with consciousness arises dependent on a non-root state that is not a state that does not originate conjoined with consciousness by root condition... By way of root three.

35. A root state that originates conjoined with consciousness and arises together with it arises dependent on a non-root state that does not originate conjoined with consciousness and arise together with it by root condition... By way of root three.

A non-root state that does not originate conjoined with consciousness and arise together with it arises dependent on a non-root state that does not not originate conjoined with consciousness and arise together with it by root condition... By way of root three.

36. A root state that originates conjoined with consciousness and follows it arises dependent on a non-root state that does not originate conjoined with consciousness and follow it by root condition... By way of root three.

A non-root state that does not originate conjoined with consciousness and follow it arises dependent on a non-root state that does not not originate conjoined with consciousness and follow it by root condition... By way of root three.

37. A non-root internal state arises dependent on a non-root non-internal state by root condition... By way of root three.

A root external state arises dependent on a non-root non-external state by root condition... By way of root three.

38. A non-root derived mental state arises dependent on a non-root non-derived mental state by root condition... By way of root three.

A root non-derived mental state arises dependent on a non-root non-non-derived mental state by root condition... By way of root three.

39. A non-root not clung-to mental state arises dependent on a non-root non-not-clung-to mental state by root condition... By way of root three.

1-68. Root Dyad - Clinging Group

40. A root clinging state arises dependent on a non-root non-clinging state by root condition... By way of root nine.

1-74. Root Dyad - Mental Defilement Cluster

41. A root mental defilement state arises dependent on a non-root non-mental defilement state by root condition... By way of root three.

1-82. Root Dyad - Back Dyad

42. A root mental state to be abandoned through vision arises conditioned by a non-root mental state not to be abandoned by seeing by root condition... By way of root three.

A non-root mental state not to be abandoned by seeing arises dependent on a non-root mental state not not to be abandoned by seeing by root condition... By way of root three.

43. A root mental state to be abandoned by meditative development arises conditioned by a non-root mental state not to be abandoned by meditative development by root condition... By way of root three.

A non-root mental state not to be abandoned by meditative development arises dependent on a non-root mental state not not to be abandoned by meditative development by root condition... By way of root three.

44. A non-root mental state connected with a root to be abandoned through vision arises dependent on a not-non-root mental state connected with a root not to be abandoned by seeing by root condition... By way of root one.

A non-root mental state not to be abandoned by seeing arises dependent on a non-root mental state connected with a root not not to be abandoned by seeing by root condition... By way of root three.

45. A non-root mental state connected with a root to be abandoned by meditative development arises dependent on a not-non-root mental state connected with a root not to be abandoned by meditative development by root condition... By way of root one.

A non-root mental state not to be abandoned by meditative development arises dependent on a non-root mental state not not to be abandoned by meditative development by root condition... By way of root three.

46. A root with applied thought state arises dependent on a non-root non-with-applied-thought state by root condition... By way of root three. (Abbreviated everywhere.)

47. A root state with conflict arises conditioned by a non-root non-conflicting state by root condition... By way of root three.

A non-root state without conflict arises dependent on a non-root state without non-conflict by root condition. A non-root state without conflict arises dependent on a not-non-root state without non-conflict by root condition. A non-root state without conflict arises dependent on a non-root state without non-conflict and a not-non-root state without non-conflict by root condition. By way of root three.

2-1. With Root and so on Dyads - Root Dyad

48. A root state that is with root arises dependent on a non-with-root non-root state by root condition. A root state that is with root arises dependent on a non-rootless non-root state by root condition. A root state that is with root arises dependent on a non-with-root non-root and a non-rootless non-root state by root condition. By way of root three.

A non-root state that is with root arises dependent on a non-with-root non-non-root state by root condition... three.

A non-root state that is rootless arises dependent on a non-rootless non-non-root state by root condition... three. By way of root six.

49. A root state associated with root arises dependent on a non-root state not associated with root by root condition... three. (Similar to the with-root dyad.)

50. A state that is both root and with root arises dependent on a state that is both non-root and non-rootless and non-root by root condition. By way of root one.

A non-root state that is with root and not root arises dependent on a state that is both non-rootless and not root and not-non-root by root condition. By way of root one.

51. A root mental state that is both root and associated with root arises dependent on a non-root mental state that is both non-root and dissociated from root by root condition. By way of root one.

A non-root mental state that is associated with root and not root arises dependent on a not-non-root mental state that is both dissociated from root and not non-root by root condition. By way of root one. (The final dyad is not obtainable.)

7-13-1. Minor Dyads - Root Dyad

52. A root with condition state arises dependent on a non-root non-condition state by root condition. By way of root one.

A non-root with condition state arises dependent on a not-non-root non-condition state by root condition. By way of root one. (The conditioned is similar to with condition.)

53. A non-manifest root state arises dependent on a non-manifest non-root state by root condition. By way of root one.

A manifest non-root state arises dependent on a non-manifest not-non-root state by root condition. By way of root three.

54. A non-impinging root state arises dependent on a non-impinging non-root state by root condition. By way of root one.

An impinging non-root state arises dependent on a non-impinging not-non-root state by root condition... By way of root three.

55. A root immaterial state arises dependent on a non-root non-material state by root condition... By way of root three.

A non-root immaterial state arises dependent on a not-non-root non-material state by root condition... By counting three.

56. A supramundane root state arises dependent on a non-root non-mundane state by root condition. One.

A mundane root state arises dependent on a non-root non-supramundane state by root condition. One. By way of root two.

A mundane non-root state arises dependent on a not-non-root non-mundane state by root condition... three.

A mundane non-root state arises dependent on a not-non-root non-supramundane state by root condition. One. By way of root four.

57. A root state cognisable in some way arises dependent on a non-root state not cognisable in any way by root condition... By way of root nine.

A non-root state not cognisable in some way arises dependent on a not-non-root state not not cognisable in any way by root condition... By way of root nine.

14-1. Mental Corruption Cluster - Root Dyad

58. A mental corruption root state arises dependent on a non-mental corruption non-root state by root condition... three.

A mental corruption root state arises dependent on a non-non-mental corruption non-root state by root condition. One.

A mental corruption root state arises dependent on a non-mental corruption non-root and non-non-mental corruption non-root state by root condition. One. By way of root five.

A non-mental corruption non-root state arises dependent on a non-mental corruption not-non-root state by root condition. One.

A non-mental corruption non-root state arises dependent on a non-non-mental corruption not-non-root state by root condition... three.

A non-mental corruption non-root state arises dependent on a non-mental corruption not-non-root and non-non-mental corruption not-non-root state by root condition. One. By way of root five.

55-1. Major Intermediate Dyad - Root Dyad

59. A root state with sense-object arises dependent on a non-with-sense-object non-root state by root condition... By way of root three.

A non-root state with sense-object arises dependent on a non-without-sense-object not-non-root state by root condition... By way of root three. (Abbreviated.)

100-1. Conflicting Dyad - Root Dyad

60. A root state without conflict arises dependent on a non-root state without conflict by root condition. A root state with conflict arises dependent on a non-root state without non-conflict by root condition. By way of root two.

A non-root state without conflict arises dependent on a not-non-root state without conflict by root condition. (1)

A non-root state without conflict arises dependent on a not-non-root state without non-conflict by root condition. A non-root state with conflict arises dependent on a not-non-root state without non-conflict by root condition. Non-root states with conflict and without conflict arise dependent on a not-non-root state without non-conflict by root condition... three. (Abbreviated.)

100-2. Conflicting Dyad - With-Root Dyad

61. A state without conflict with root arises dependent on a non-conflicting non-with-root state by root condition. A state with conflict with root arises dependent on a non-without-conflict non-with-root state by root condition. By way of root two.

62. A rootless state without conflict arises dependent on a non-conflicting non-rootless state by root condition. A rootless state without conflict arises dependent on a state without non-conflict and non-rootless by root condition. By way of root two.

100-3. Conflicting Dyad - Associated-with-Root Dyad

63. A mental state without conflict associated with root arises dependent on a non-conflicting mental state not associated with root by root condition. A mental state with conflict associated with root arises dependent on a non-non-conflicting mental state not associated with root by root condition. By way of root two.

64. A mental state dissociated from root without conflict arises dependent on a non-conflicting mental state not dissociated from root by root condition. A mental state dissociated from root without conflict arises dependent on a mental state without non-conflict not dissociated from root by root condition. By way of root two.

100-4. Conflicting Dyad - Root-With-Root Dyad and so on

65. A state without conflict that is both root and with root arises dependent on a state without conflict that is both non-root and non-rootless by root condition. A state with conflict that is both root and with root arises dependent on a state without non-conflict that is both non-root and non-rootless by root condition. By way of root two.

A state without conflict that is with root and not root arises dependent on a state without conflict that is both non-rootless and not non-root by root condition. A state with conflict that is with root and not root arises dependent on a state without non-conflict that is both non-rootless and not non-root by root condition. By way of root two. (The root-associated with root dyad is abbreviated.)

100-6. Conflicting Dyad - Non-Root-With-Root Dyad

66. A non-root with root state without conflict arises dependent on a non-conflicting non-root non-with-root state by root condition. By way of root one.

A non-root and rootless state without conflict arises dependent on a non-conflicting non-root non-rootless state by root condition. One.

A non-root and rootless state without conflict arises dependent on a non-non-conflicting non-root non-rootless state by root condition. One. By way of root two.

100-7. Conflicting Dyad - Minor Intermediate Dyad

67. A non-conflicting state without condition is a condition for a state without conflict with condition by way of object condition. By way of object one.

68. A non-conflicting and non-conditioned mental state... (Abbreviated).

69. A non-conflicting manifest phenomenon arises dependent on a non-conflicting non-manifest phenomenon by root condition... By way of root three.

A non-conflicting non-non-manifest phenomenon is a condition for a conflicting non-manifest phenomenon by way of object condition. A non-conflicting non-non-manifest phenomenon is a condition for a non-conflicting non-manifest phenomenon by way of object condition. By way of object two.

70. A non-conflicting impinging phenomenon arises dependent on a non-conflicting non-impinging phenomenon by root condition... By way of root three.

71. A state without conflict that is material arises dependent on a state that is non-conflicting and non-material by root condition. A state without conflict that is material arises dependent on a state that is not without conflict and non-material by root condition. By way of root two.

A state with conflict that is immaterial arises conditioned by a state that is non-conflicting and non-immaterial by root condition. A state without conflict that is immaterial arises conditioned by a state that is non-conflicting and non-immaterial by root condition. By way of root two.

72. A mundane state without conflict arises dependent on a non-conflicting non-mundane mental state by root condition. By way of root one.

A supramundane state without conflict arises conditioned by a non-conflicting non-supramundane mental state by root condition. By way of root one.

73. A state without conflict cognisable in some way arises dependent on a non-conflicting state not cognisable in any way cognisable in some way by root condition etc. By way of root five.

A state without conflict not cognisable in some way arises dependent on a non-conflicting state not cognisable in any way not cognisable in some way by root condition etc. By way of root five.

100-14-54. Conflicting Dyad - Mental Corruption Group and so on

74. A state with conflict that is a mental corruption arises dependent on a state without non-conflict that is not a mental corruption by root condition. By way of root one.

75. A state with conflict and mental fetter arises dependent on a state without non-conflict and non-mental fetter by root condition. By way of root one.

76. A state with conflict and mental knot arises dependent on a state without non-conflict and non-mental knot by root condition. By way of root one.

77. A state with conflict that is a mental flood arises dependent on a state without non-conflict that is a non-mental flood by root condition. By way of root one.

78. A state with conflict that is a mental bond arises dependent on a state without non-conflict that is a non-mental bond by root condition. By way of root one.

79. A state with conflict, a mental hindrance state arises dependent on a state without non-conflict, a non-mental hindrance state by root condition. By way of root one.

80. A state with conflict that is adherence arises dependent on a state without non-conflict that is non-adherence by root condition. By way of root one.

100-55-82. Refuge Dyad-Greater Dyad etc.

81. A state without conflict with sense-object arises dependent on a non-conflicting non-with-sense-object mental state by root condition. By way of root one.

A state without conflict without sense-object arises dependent on a non-conflicting non-without-sense-object mental state by root condition. A state without conflict without sense-object arises dependent on a non-without-conflict non-without-sense-object mental state by root condition. By way of root two.

82. A mind state without conflict arises dependent on a non-conflicting non-consciousness state by root condition. A mind state with conflict arises dependent on a non-non-conflicting non-consciousness state by root condition. By way of root two. (Abbreviated.)

83. A state without conflict that is mental factor arises dependent on a non-conflicting non-mental factor state by root condition. A state with conflict that is mental factor arises dependent on a non-state without conflict non-mental factor state by root condition. By way of root two.

84. A state without conflict associated with consciousness arises dependent on a non-conflicting non-associated with consciousness state by root condition. A state with conflict associated with consciousness arises dependent on a non-state without conflict non-associated with consciousness state by root condition. By way of root two.

85. A state without conflict conjoined with consciousness arises dependent on a state without conflict not conjoined with consciousness by root condition. A state with conflict conjoined with consciousness arises dependent on a state without non-conflict not conjoined with consciousness by root condition. By way of root two.

100-83. Refuge Dyad-Final Dyad

86. A mental state with conflict to be abandoned through vision arises dependent on a non-conflicting mental state not to be abandoned by seeing by root condition. By way of root one.

A non-conflicting mental state not to be abandoned by seeing arises dependent on a state without non-conflict not to be abandoned by seeing by root condition. By way of root one. (Abbreviated.)

87. A state without conflict that is surpassed arises dependent on a non-conflicting non-surpassed mental state by root condition. By way of root one.

(The section on the conascence, the section on the conditions, the section on the support, the section on the conjoined, and the section on the associated are also similar to the section on the dependent.)

Section on Questions

Root and Object Conditions

88. A non-conflicting non-surpassed mental state is a condition for a state without conflict that is surpassed by way of root condition. One.

A non-conflicting non-surpassed mental state is a condition for a state without conflict that is surpassed by way of object condition. One. By way of root one.

Negative Extraction

89. A non-conflicting non-surpassed mental state is a condition for a state without conflict that is surpassed by way of object condition... by way of conascence condition... by way of decisive support condition... by way of postnascence condition... (Abbreviated.) By way of non-root one, by way of non-object one.

By root condition, by way of non-object one. (Abbreviated.)

By non-root condition, by way of object one. (Abbreviated.)

(As the section on questions in the triad of wholesome, so it should be expanded.)

The Unsurpassed Term

Root and Proximity Conditions

90. A non-conflicting unsurpassed mental state arises conditioned by a non-conflicting non-unsurpassed mental state by root condition. By way of root one... etc. by way of non-disappearance one.

91. A non-conflicting non-unsurpassed mental state is a condition for a state without conflict and unsurpassed by way of proximity condition. By way of proximity one, by way of contiguity one, by way of decisive support two, by way of prenascence one, by way of repetition one, by way of dissociation one, by way of presence one, by way of absence one, by way of disappearance one, by way of non-disappearance one.

Negative Extraction

92. A non-conflicting non-unsurpassed mental state is a condition for a state without conflict and unsurpassed by way of decisive support condition... by way of pre-nascence condition.

A non-state without conflict non-unsurpassed mental state is a condition for a state without conflict and unsurpassed by way of decisive support condition. By way of non-root two, by way of non-object two... etc. by way of non-decisive support one, by way of non-pre-nascence two... etc. by way of non-non-disappearance two.

By decisive support condition, by way of non-root two.(Abbreviated.)

By non-root condition, by way of decisive support two, by way of pre-nascence one... etc. by way of presence one... etc. by way of non-disappearance one. (Abbreviated.)

(As the section on questions in the triad of wholesome, so it should be expanded.)

From the Conformity Dyad-Triad Conditional Relations onwards up to the end, the Conditional Relations consists of about thirty recitation sections.

The Conditional Relations of Dyads and Dyads in Negative-Positive with States is concluded.

The Negative-Positive Conditional Relations is concluded.

The Paṭṭhāna treatise is concluded.

ABOUT THIS TRANSLATION

This translation is part of the PaliVerse Project - the first complete, unified English translation of the Pāli Canon together with its Commentaries (Aṭṭhakathā) and Subcommentaries (Tīkā), accompanied by interactive study tools. PaliVerse is an ongoing project. The AI translations are continuously improved through experts' revisions and feedback. This text is the latest translation as of the date of download.

PDF Creation Date: 16 August 2026
