Dyad-Dyad Conditional Relations of Mental States in the Positive Method

1-1. Dyad of Root - Dyad of With Root

The With Root Term

1-7. Section on the Dependent etc.

The Tetrad of Conditions

Root Condition

1. A root with root state arises dependent on a root with root state by root condition. A non-root with root state arises dependent on a root with root state by root condition. A root with root state and a non-root with root state arise dependent on a root with root state by root condition. (3)

2. A non-root with root state arises dependent on a non-root with root state by root condition. A root with root state arises dependent on a non-root with root state by root condition. A root with root state and a non-root with root state arise dependent on a non-root with root state by root condition. (3)

3. A root with root state arises dependent on a root with root state and a non-root with root state by root condition. A non-root with root state arises dependent on a root with root state and a non-root with root state by root condition. A root with root state and a non-root with root state arise dependent on a root with root state and a non-root with root state by root condition. (3)

4. By way of root nine, by way of object nine... etc.by way of non-disappearance nine. (Abbreviated.)

Negative.

Non-predominance condition

5. A root with root state arises dependent on a root with root state by non-predominance condition. (Abbreviated.)

By way of non-predominance nine, by way of non-prenascence nine, by way of non-postnascence nine, by way of non-kamma three, by way of non-resultant nine, by way of the not dissociated nine. (Abbreviated.)

By root condition: by way of non-predominance nine.(Abbreviated.)

By non-predominance condition: by way of root nine.(Abbreviated.)

(The section on the conascence, the section on the conditions, the section on the support, the section on the conjoined, and the section on the associated are also similar to the section on the dependent.)

Root and Object Conditions

6. A root with root state is a condition for a root with root state by way of root condition. A root with root state is a condition for a non-root with root state by way of root condition. A root with root state is a condition for a root with root state and a non-root with root state by way of root condition. (3)

7. A root with root state is a condition for a root with root state by way of object condition. A root with root state is a condition for a non-root with root state by way of object condition. A root with root state is a condition for a root with root state and a non-root with root state by way of object condition. (3)

A non-root with root state is a condition for a non-root with root state by way of object condition. A non-root with root state is a condition for a root with root state by way of object condition. A non-root with root state is a condition for a root with root state and a non-root with root state by way of object condition. (3)

A root with root state and a non-root with root state are a condition for a root with root state by way of object condition. A root with root state and a non-root with root state are a condition for a non-root with root state by way of object condition. A root with root state and a non-root with root state are a condition for a root with root state and a non-root with root state by way of object condition. (3) (Abbreviated.)

8. By way of root three, by way of object nine... etc. by way of decisive support nine, by way of non-disappearance nine. (Abbreviated.)

(As the section on questions in the triad of wholesome, so it should be expanded.)

The Rootless Term

The Tetrad of Conditions

9. A non-root and rootless state arises dependent on a root and rootless state by root condition. (1)

A non-root and rootless state arises dependent on a non-root and rootless state by root condition. (1)

A non-root and rootless state arises dependent on a root and rootless state and a non-root and rootless state by root condition. (1) (Abbreviated.)

By way of root three, by way of object one, by way of non-disappearance three. (Abbreviated. The section on the conascence also... etc. the section on the associated also is similar to the section on the dependent.)

10. A root and rootless state is a condition for a non-root and rootless state by way of root condition. (1)

A root and rootless state is a condition for a root and rootless state by way of object condition. A root and rootless state is a condition for a non-root and rootless state by way of object condition. (2)

A non-root and rootless state is a condition for a non-root and rootless state by way of object condition. A non-root and rootless state is a condition for a root and rootless state by way of object condition. (2) (Abbreviated.)

11. By way of root one, by way of object four, by way of non-disappearance four. (Abbreviated.)

(As the section on questions in the triad of wholesome, so it should be expanded.)

1-2. Root Dyad-Associated with Root Dyad

1-7. Section on the Dependent etc.

The Tetrad of Conditions

Root Condition

12. A root associated with root mental state arises dependent on a root associated with root mental state by root condition. A non-root associated with root mental state arises dependent on a root associated with root mental state by root condition. A root associated with root mental state and a non-root associated with root mental state arise dependent on a root associated with root mental state by root condition. (3)

A non-root associated with root mental state arises dependent on a non-root associated with root mental state by root condition... three.

A root associated with root mental state arises dependent on a root associated with root mental state and a non-root associated with root mental state by root condition... three. (Abbreviated.)

13. By way of root nine, by way of object nine... etc.by way of non-disappearance nine. (Abbreviated.)

14. A root associated with root mental state is a condition for a root associated with root mental state by way of root condition... three. (Abbreviated.)

By way of root three... etc.by way of non-disappearance nine. (Abbreviated.)

(As the section on questions in the triad of wholesome, so it should be expanded.)

15. A non-root mental state dissociated from root arises dependent on a root mental state dissociated from root by root condition. (1)

A non-root mental state dissociated from root arises dependent on a non-root mental state dissociated from root by root condition. (1)

A non-root mental state dissociated from root arises dependent on a root mental state dissociated from root and a non-root mental state dissociated from root by root condition. (1) (Abbreviated.)

By way of root three, by way of object one... etc.by way of non-disappearance three.

(The section on the conascence also... etc.the section on the associated also should be expanded similar to the section on the dependent.)

16. A root mental state dissociated from root is a condition for a non-root mental state dissociated from root by way of root condition. (Abbreviated.)

By way of root one, by way of object four, etc.by way of non-disappearance four. (Abbreviated.)

(As the section on questions in the triad of wholesome, so it should be expanded.)

1-3. Root Dyad-Root With Root Dyad

1-7. Section on the Dependent etc.

The Tetrad of Conditions

Root Condition

17. A state that is both root and with root arises dependent on a state that is both root and with root by root condition. (Everywhere one.)

A non-root state that is with root and not root arises dependent on a non-root state that is with root and not root by root condition. (Everywhere one.)

1-4. Root Dyad-Root Associated with Root Dyad

1-7. Section on the Dependent etc.

The Tetrad of Conditions

Root Condition

18. A mental state that is both root and associated with root arises dependent on a mental state that is both root and associated with root by root condition. (Everywhere one.)

A non-root mental state that is associated with root and not root arises dependent on a non-root mental state that is associated with root and not root by root condition. (Everywhere one.)

1-5. Root Dyad-Non-root With Root Dyad

19. A non-root with root state arises dependent on a non-root with root state by root condition. (Everywhere one.)

A non-root and rootless state arises dependent on a non-root and rootless state by root condition. (Everywhere one.)

The root cluster is finished.

1-6. Root Dyad - With-Condition Dyad

1-7. Section on the Dependent etc.

The Tetrad of Conditions

20. A root with condition state arises dependent on a root with condition state by root condition... three.

A non-root with condition state arises dependent on a non-root with condition state by root condition... three.

A root with condition state arises dependent on a root with condition state and a non-root with condition state by root condition... three. (Abbreviated.)

By way of root nine, by way of object nine... etc.by way of non-disappearance nine. (Abbreviated.)

(The section on the conascence also... etc.the section on the associated also is similar to the section on the dependent.)

21. A root with condition state is a condition for a root with condition state by way of root condition. (Abbreviated.)

By way of root three. (Abbreviated. The section on questions also should be expanded thus.)

1-7. Root Dyad - Conditioned Dyad

22. A root conditioned phenomenon arises dependent on a root conditioned phenomenon by root condition.

By way of root nine... etc.by way of non-disappearance nine. (Similar to the with-condition dyad.)

1-8. Root Dyad - Manifest Dyad

23. A root non-manifest phenomenon arises dependent on a root non-manifest phenomenon by root condition... three.

A non-root non-manifest phenomenon arises dependent on a non-root non-manifest phenomenon by root condition... three.

A root non-manifest phenomenon arises dependent on a root non-manifest and a non-root non-manifest phenomenon by root condition... three. (Abbreviated.)

By way of root nine... etc.by way of non-disappearance nine. (Abbreviated.)

(The section on the conascence also... etc.the section on questions also should be expanded.)

1-9. Root Dyad - Impinging Dyad

24. A non-root impinging phenomenon arises dependent on a non-root impinging phenomenon by root condition. (Everywhere one.)

25. A root non-impinging phenomenon arises dependent on a root non-impinging phenomenon by root condition. A non-root non-impinging phenomenon arises dependent on a root non-impinging phenomenon by root condition. A root non-impinging phenomenon and a non-root non-impinging phenomenon arise dependent on a root non-impinging phenomenon by root condition. (3)

A non-root non-impinging phenomenon arises dependent on a non-root non-impinging phenomenon by root condition... three.

A root non-impinging phenomenon arises dependent on a root non-impinging and a non-root non-impinging phenomenon by root condition... three. (Abbreviated.)

By way of root nine, by way of object nine... etc.by way of non-disappearance nine. (Abbreviated.)

(The section on the conascence also... etc. the section on questions also should be expanded.)

1-10. Root Dyad - Material Dyad

26. A non-root material state arises dependent on a non-root material state by root condition. (Everywhere one.)

27. A root immaterial state arises dependent on a root immaterial state by root condition... three.

A non-root immaterial state arises dependent on a non-root immaterial state by root condition... three.

A root immaterial state arises dependent on a root immaterial and non-root immaterial state by root condition... three. (Abbreviated.)

By way of root nine, by way of object nine... etc. by way of non-disappearance nine. (Abbreviated.)

(The section on the conascence also... etc. the section on questions also should be expanded.)

1-11. Root Dyad - Mundane Dyad

28. A root mundane mental state arises dependent on a root mundane mental state by root condition... three.

A non-root mundane mental state arises dependent on a non-root mundane mental state by root condition... three.

A root mundane mental state arises dependent on a root mundane and a non-root mundane mental state by root condition... three. (Abbreviated.)

By way of root nine, by way of object nine... etc. by way of non-disappearance nine. (Abbreviated.)

(The section on the conascence also... etc. the section on questions also should be expanded thus.)

29. A root supramundane mental state arises dependent on a root supramundane mental state by root condition... three.

A non-root supramundane mental state arises dependent on a non-root supramundane mental state by root condition... three.

A root supramundane mental state arises dependent on a root supramundane and non-root supramundane mental state by root condition... three. (Abbreviated.)

By way of root nine, by way of object nine... etc. by way of non-disappearance nine. (Abbreviated.)

(The section on the conascence also... etc. the section on the associated also and the section on questions also should be expanded similar to the section on the dependent.)

1-12. Root Dyad - Cognisable-in-Some-Way Dyad

30. A root state cognisable in some way arises dependent on a root state cognisable in some way by root condition. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Abbreviated.)

(The section on the conascence also... etc. the section on questions also should be expanded.)

31. A root state not cognisable in some way arises dependent on a root state not cognisable in some way by root condition. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

The Minor Intermediate Dyads are finished.

1-13. Root Dyad - Mental Corruption Dyad

32. A root mental corruption state arises dependent on a root mental corruption state by root condition. A non-root mental corruption state arises dependent on a root mental corruption state by root condition. A root mental corruption state and a non-root mental corruption state arise dependent on a root mental corruption state by root condition. (3)

A non-root mental corruption state arises dependent on a non-root mental corruption state by root condition. (1)

A root mental corruption state arises dependent on a root mental corruption state and a non-root mental corruption state by root condition. (1) (Abbreviated.)

By way of root five, by way of object five... etc. by way of non-disappearance five. (Everywhere in detail.)

33. A root non-mental corruption state arises dependent on a root non-mental corruption state by root condition... three.

A non-root non-mental corruption state arises dependent on a non-root non-mental corruption state by root condition... three.

A root non-mental corruption state arises dependent on a root non-mental corruption and non-root non-mental corruption state by root condition... three. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

1-14. Root Dyad - With-Mental-Corruptions Dyad

34. A root with mental corruptions state arises dependent on a root with mental corruptions state by root condition... three.

A non-root with mental corruptions state arises dependent on a non-root with mental corruptions state by root condition... three.

A root with mental corruptions state arises dependent on a root with mental corruptions and a non-root with mental corruptions state by root condition... three. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

35. A root without mental corruptions state arises dependent on a root without mental corruptions state by root condition... three.

A non-root without mental corruptions state arises dependent on a non-root without mental corruptions state by root condition... three.

A root without mental corruptions state arises dependent on a root without mental corruptions and a non-root without mental corruptions state by root condition... three. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

1-15. Root Dyad - Associated-with-Mental-Corruptions Dyad

36. A root mental state associated with mental corruptions arises dependent on a root mental state associated with mental corruptions by root condition. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

37. A root dissociated from mental corruptions arises dependent on a root dissociated from mental corruptions mental state by root condition. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

1-16. Root Dyad - Mental-Corruption-and-With-Mental-Corruptions Dyad

38. A mental state that is both root and mental corruption and with mental corruptions arises dependent on a mental state that is both root and mental corruption and with mental corruptions by root condition. (Abbreviated.)

By way of root five... etc. by way of non-disappearance five. (Everywhere in detail.)

39. A root state that is with mental corruptions and not mental corruption arises dependent on a root state that is with mental corruptions and not mental corruption by root condition. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

1-17. Root Dyad - Mental-Corruption-and-Associated-with-Mental-Corruptions Dyad

40. A mental state that is both root and mental corruption and associated with mental corruptions arises dependent on a mental state that is both root and mental corruption and associated with mental corruptions by root condition. (Abbreviated.)

By way of root five... etc. by way of non-disappearance five. (Everywhere in detail.)

41. A root mental state that is associated with mental corruptions and not mental corruption arises dependent on a root mental state that is associated with mental corruptions and not mental corruption by root condition.

By way of root five... etc. by way of non-disappearance five. (Everywhere in detail.)

1-18. Root Dyad - Dissociated-from-Mental-Corruptions-but-With-Mental-Corruptions Dyad

42. A root dissociated from mental corruptions and with mental corruptions mental state arises dependent on a root dissociated from mental corruptions and with mental corruptions mental state by root condition. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

A root dissociated from mental corruptions and without mental corruptions mental state arises dependent on a root dissociated from mental corruptions and without mental corruptions mental state by root condition. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

The root dyad with the mental corruption cluster is finished.

1-19-53. Root Dyad - Mental Fetter and so on Dyads

43. Dependent on a root mental fetter state... etc. Dependent on a root mental knot state... etc. Dependent on a root mental flood state... etc. Dependent on a root mental bond state... etc. Dependent on a root mental hindrance state... etc. A root non-adherence state arises dependent on a root non-adherence state by root condition. (Abbreviated.)

By way of root nine... etc. By way of non-disappearance nine (the group should be expanded everywhere.)

The root dyad with the adherence cluster is finished.

1-54. Root Dyad - With Sense-Object Dyad

44. A root mental state with sense-object arises dependent on a root mental state with sense-object by root condition... three.

A non-root mental state with sense-object arises dependent on a non-root mental state with sense-object by root condition... three.

A root mental state with sense-object arises dependent on a root mental state with sense-object and a non-root mental state with sense-object by root condition... three. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

A non-root mental state without sense-object arises dependent on a non-root mental state without sense-object by root condition. (Everywhere one.)

1-55. Root Dyad - Consciousness Dyad

45. A root non-consciousness state arises dependent on a root non-consciousness state by root condition. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

1-56. Root Dyad - Mental Factor Dyad

46. A root mental factor state arises dependent on a root mental factor state by root condition. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

A non-root not mental factor state arises dependent on a non-root not mental factor state by root condition. (Everywhere one.)

1-57. Root Dyad - Associated with Consciousness Dyad

47. A root state associated with consciousness arises dependent on a root state associated with consciousness by root condition. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

A non-root state dissociated from consciousness arises dependent on a non-root state dissociated from consciousness by root condition. (Everywhere one.)

1-58. Root Dyad - Conjoined with Consciousness Dyad

48. A root state conjoined with consciousness arises dependent on a root state conjoined with consciousness by root condition. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

A non-root state disjoined from consciousness arises dependent on a non-root state disjoined from consciousness by root condition. (Everywhere one.)

1-59. Root Dyad - Consciousness-Originated Dyad

49. A root consciousness-originated state arises dependent on a root consciousness-originated state by root condition. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

A non-root not consciousness-originated state arises dependent on a non-root not consciousness-originated state by root condition. (Everywhere one.)

1-60. Root Dyad - Concomitant with Consciousness Dyad

50. A root state concomitant with consciousness arises dependent on a root state concomitant with consciousness by root condition. (Everywhere nine.)

A non-root state not concomitant with consciousness arises dependent on a non-root state not concomitant with consciousness by root condition. (Everywhere one, everywhere in detail.)

1-61. Root Dyad - Consecutive to Consciousness Dyad

51. A root state consecutive to consciousness arises dependent on a root state consecutive to consciousness by root condition. (Everywhere nine.)

A non-root state not consecutive to consciousness arises dependent on a non-root state not consecutive to consciousness by root condition. (Everywhere one, everywhere in detail.)

1-62. Root Dyad - Conjoined with and Originated from Consciousness Dyad

52. A root state that originates conjoined with consciousness arises dependent on a root state that originates conjoined with consciousness by root condition. (Everywhere nine.)

A non-root state that does not originate conjoined with consciousness arises dependent on a non-root state that does not originate conjoined with consciousness by root condition. (Everywhere one, everywhere in detail.)

1-63. Root Dyad - Conjoined with, Originated from and Concomitant with Consciousness Dyad

53. A root state that originates conjoined with consciousness and arises together with it arises dependent on a root state that originates conjoined with consciousness and arises together with it by root condition. (Everywhere nine.)

A non-root state that does not originate conjoined with consciousness and arise together with it arises dependent on a non-root state that does not originate conjoined with consciousness and arise together with it by root condition. (Everywhere one, everywhere in detail.)

1-64. Root Dyad - Conjoined with, Originated from and Consecutive to Consciousness Dyad

54. A root state that originates conjoined with consciousness and follows it arises dependent on a root state that originates conjoined with consciousness and follows it by root condition. (Everywhere nine.)

A non-root state that does not originate conjoined with consciousness and follow it arises dependent on a non-root state that does not originate conjoined with consciousness and follow it by root condition. (Everywhere one, everywhere in detail.)

1-65. Root Dyad - Internal Dyad

55. A non-root internal state arises dependent on a non-root internal state by root condition. (Everywhere one, everywhere in detail.)

A root external state arises dependent on a root external state by root condition. (Everywhere nine, everywhere in detail.)

1-66. Root Dyad - Derived Dyad

56. A root non-derived mental state arises dependent on a root non-derived mental state by root condition. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Abbreviated. Everywhere in detail.)

1-67. Root Dyad - Grasped Dyad

57. A root clung-to mental state arises dependent on a root clung-to mental state by root condition. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

A root not clung-to mental state arises dependent on a root not clung-to mental state by root condition. (Abbreviated.)

By way of root nine... etc. by way of non-disappearance nine. (Everywhere in detail.)

The root dyad with the greater dyad is finished.

1-68-72. Root Dyad - Clinging Group

58. A non-root clinging state arises dependent on a root clinging state by root condition.

By way of root two... etc. by way of non-disappearance two. (Abbreviated.)

1-74-81. Root Dyad - Mental Defilement Cluster

59. A root mental defilement state arises dependent on a root mental defilement state by root condition.

By way of root nine... etc. by way of non-disappearance nine. (Abbreviated.)

1-82. Root Dyad - Back Dyad

60. A root mental state to be abandoned through vision arises dependent on a root mental state to be abandoned through vision by root condition. (Everywhere nine, there is no result.)

A root mental state not to be abandoned by seeing arises dependent on a root mental state not to be abandoned by seeing by root condition. (Everywhere nine, there is no result.)

61. A root mental state to be abandoned by meditative development arises dependent on a root mental state to be abandoned by meditative development by root condition. (Everywhere nine, there is no result.)

A root mental state not to be abandoned by meditative development arises dependent on a root mental state not to be abandoned by meditative development by root condition. (Everywhere nine, there is no result.)

62. A root mental state connected with a root to be abandoned through vision arises dependent on a root mental state connected with a root to be abandoned through vision by root condition. (Everywhere nine.)

A root mental state connected with a root not to be abandoned by seeing arises dependent on a root mental state connected with a root not to be abandoned by seeing by root condition. (Everywhere nine.)

63. A root mental state connected with a root to be abandoned by meditative development arises dependent on a root mental state connected with a root to be abandoned by meditative development by root condition. (Everywhere nine.)

A root mental state connected with a root not to be abandoned by meditative development arises dependent on a root mental state connected with a root not to be abandoned by meditative development by root condition. (Everywhere nine.)

64. A root with applied thought state arises dependent on a root with applied thought state by root condition. (Everywhere nine.)

A root without applied thought state arises dependent on a root without applied thought state by root condition. (Everywhere nine.)

65. A root with sustained thought state arises dependent on a root with sustained thought state by root condition. (Everywhere nine.)

A root without sustained thought state arises dependent on a root without sustained thought state by root condition. (Everywhere nine.)

66. Dependent on a root mental state with rapture... etc.dependent on a root mental state without rapture... etc.

Dependent on a root mental state accompanied by rapture... etc.dependent on a root mental state not accompanied by rapture... etc.

Dependent on a root mental state accompanied by pleasure... etc.dependent on a root mental state not accompanied by pleasure... etc.

Dependent on a root mental state accompanied by equanimity... etc.dependent on a root mental state not accompanied by equanimity... etc.

Dependent on a root sensual-sphere mental state... etc.dependent on a root non-sensual-sphere mental state... etc.

Dependent on a root fine-material-sphere mental state... etc.dependent on a root non-fine-material-sphere mental state... etc.

Dependent on a root immaterial-sphere mental state... etc.dependent on a root not of immaterial-sphere mental state... etc.

Dependent on a root included mental state... etc.dependent on a root not included mental state... etc.

Dependent on a root state leading to liberation... etc.dependent on a root state not leading to liberation... etc.

Dependent on a root fixed state... etc.dependent on a root unfixed state... etc.

Dependent on a root surpassed mental state... etc.dependent on a root unsurpassed mental state... etc.

Dependent on a root state with conflict... etc.a root state without conflict arises dependent on a root state without conflict by root condition. (Abbreviated.)

By way of root nine... etc.by way of non-disappearance nine. (Abbreviated. Everywhere in detail.)

The root dyad with the back dyad is finished.

2-1. With Root Dyad - Root Dyad

67. A root state that is with root arises dependent on a root state that is with root by root condition. (Everywhere one.)

A non-root state that is with root arises dependent on a non-root state that is with root by root condition.

By way of root nine.

3-1. Associated with Root Dyad - Root Dyad

68. A root state associated with root arises dependent on a root state associated with root by root condition. (Everywhere one.)

A non-root state associated with root arises dependent on a non-root state associated with root by root condition. (Abbreviated.)

By way of root nine.

4-1. Root With Root Dyad - Root Dyad

69. A state that is both root and with root arises dependent on a state that is both root and with root by root condition. (Everywhere one.)

A non-root state that is with root and not root arises dependent on a non-root state that is with root and not root by root condition. (Everywhere one.)

5-1. Root Associated with Root Dyad - Root Dyad

70. A mental state that is both root and associated with root arises dependent on a mental state that is both root and associated with root by root condition. (Everywhere one.)

A non-root mental state that is associated with root and not root arises dependent on a non-root mental state that is associated with root and not root by root condition. (Everywhere one.)

6-1. Non-Root With Root Dyad - Root Dyad

71. A non-root state that is non-root with root arises dependent on a non-root state that is non-root with root by root condition.

A non-root and rootless non-root state arises dependent on a non-root and rootless non-root state by root condition.

7-1. Minor Intermediate Dyad - Root Dyad

1-7. Section on the Dependent etc.

The Tetrad of Conditions

72. A root with condition state arises dependent on a root with condition state by root condition. (Everywhere one.)

A non-root with condition state arises dependent on a non-root with condition state by root condition. (Everywhere one.)

73. A conditioned root state arises dependent on a conditioned root state by root condition. (Everywhere one.)

A conditioned non-root state arises dependent on a conditioned non-root state by root condition. (Everywhere one.)

74. A non-manifest root state arises dependent on a non-manifest root state by root condition. (Everywhere one.)

A non-manifest non-root state arises dependent on a non-manifest non-root state by root condition. (Abbreviated.)

By way of root three, by way of object one... etc.by way of non-disappearance three. (Abbreviated.)

75. An impinging root state arises dependent on a non-impinging root state by root condition. (Everywhere one.)

An impinging non-root state arises dependent on an impinging non-root state by root condition... three.

A non-impinging non-root state arises dependent on a non-impinging non-root state by root condition... three.
