Dyad-Dyad Conditional Relations of Mental States in the
Positive-Negative Method (Dhammānulomapaccanīye
dukadukapaṭṭhānaṃ)

PaliVerse

13. Conditional Relations-5

Dyad-Dyad Conditional Relations of Mental States in the Positive-Negative Method

1-1. Dyad of Root - Dyad of With Root

1. A non-root non-with-root state arises dependent on a root with root state by root condition. A non-root non-with-root state arises dependent on a non-root with root state by root condition. A non-root non-with-root state arises dependent on a root with root state and a non-root with root state by root condition. (Abbreviated.) By way of root three, by way of object one... etc. by way of non-disappearance five.

2. A non-non-root non-with-root state arises dependent on a non-root with root state by non-root condition... (Abbreviated.) By way of non-root one, by way of non-object three... etc. by way of non-disappearance three.

(The section on the conascence also... etc. the section on the associated also is similar to the section on the dependent.)

Root and Object Conditions

3. A root with root mental state is a condition for a non-root non-with-root mental state by way of root condition. (1)

A root with root mental state is a condition for a non-root non-with-root mental state by way of object condition. A root with root mental state is a condition for a not-non-root non-with-root mental state by way of object condition. A root with root mental state is a condition for a non-root non-with-root and a not-non-root non-with-root mental state by way of object condition. (3)

A non-root with root mental state is a condition for a not-non-root non-with-root mental state by way of object condition. A non-root with root mental state is a condition for a non-root non-with-root mental state by way of object condition. A non-root with root mental state is a condition for a non-root non-with-root and a not-non-root non-with-root mental state by way of object condition. (3) (Abbreviated.)

By way of root one, by way of object six, by way of predominance two... etc. by way of non-disappearance five. (The section on questions should be expanded.)

4. A non-root non-rootless mental state arises dependent on a root and rootless mental state by root condition. (1)

A not-non-root non-rootless mental state arises dependent on a non-root and rootless mental state by root condition... three. (Abbreviated.) By way of root four.

1-2. Root Dyad-Associated with Root Dyad

5. A non-root state not associated with root arises dependent on a root state associated with root by root condition... three. (Similar to with root.)

A non-root state dissociated from root arises dependent on a root state dissociated from root by root condition. (1)

A not-non-root state dissociated from root arises dependent on a non-root state dissociated from root by root condition... three. By way of root four.

1-3-5. Root Dyad - Root with Root Dyads and so on

6. A mental state that is both non-root and non-rootless arises dependent on a state that is both root and with root by root condition. By way of root one.

A mental state that is both not-non-root and non-rootless and also not-non-root arises dependent on a non-root state that is with root and not root by root condition. By way of root one.

7. A mental state that is both non-root and dissociated from root arises dependent on a mental state that is both root and associated with root by root condition. By way of root one.

A mental state that is both not-non-root and dissociated from root and not-non-root arises dependent on a non-root mental state that is associated with root and not root by root condition. By way of root one.

8. A non-root non-root non-with-root state arises dependent on a non-root non-root with root state by root condition. By way of root one, by way of predominance one.

A non-root non-root non-rootless state arises dependent on a non-root non-root rootless state by root condition. By way of root one.

1-6-12. Root Dyad - Minor Dyads and so on

9. A non-root without condition mental state is a condition for a not-non-root not-without-condition mental state by way of object condition... etc. A non-root without condition mental state is a condition for a not-root not-without-condition mental state by way of object condition. A non-root without condition mental state is a condition for a not-root not-without-condition and a not-non-root not-without-condition mental state by way of object condition... etc. (The unconditioned is similar to without condition.)

10. A non-root manifest phenomenon is a condition for a not-non-root not-manifest phenomenon by way of object condition. A non-root manifest phenomenon is a condition for a non-root not-manifest phenomenon by way of object condition. A non-root manifest phenomenon is a condition for a non-root not-manifest and a not-non-root not-manifest phenomenon by way of object condition. By way of object three.

A non-root non-non-manifest phenomenon arises dependent on a root non-manifest phenomenon by root condition... By way of root three.

11. A non-root non-impinging phenomenon arises dependent on a non-root impinging phenomenon by root condition... By way of root one.

A non-root non-non-impinging phenomenon arises dependent on a root non-impinging phenomenon by root condition... By way of root three.

12. A not-non-root non-material state arises dependent on a non-root material state by root condition... By way of root three.

A non-root non-immaterial state arises dependent on a root immaterial state by root condition... By way of root three.

13. A not-non-root not-non-mundane mental state arises conditioned by a non-root mundane mental state by root condition... By way of root three.

A non-root non-supramundane mental state arises dependent on a root supramundane mental state by root condition. A non-root non-supramundane mental state arises dependent on a non-root supramundane mental state by root condition. A non-root non-supramundane mental state arises dependent on a root supramundane and non-root supramundane mental state by root condition. By way of root three.

14. A non-root state not cognisable in any way arises dependent on a root state cognisable in some way by root condition... By way of root nine.

A non-root state not not cognisable in any way arises dependent on a root state not cognisable in any way by root condition... By way of root nine.

1-13-18. Root Dyad - Mental Corruption Group

15. A non-root non-mental corruption state arises dependent on a root mental corruption state by root condition... By way of root five.

A not-non-root not-non-mental corruption state arises dependent on a root non-mental corruption state by root condition... By way of root five.

16. A not-non-root not-with mental corruptions mental state arises conditioned by a non-root with mental corruptions mental state by root condition... By way of root three.

A non-root not-without mental corruptions state arises dependent on a root without mental corruptions state by root condition... By way of root three.

17. A non-root non-associated with mental corruptions mental state arises dependent on a root mental state associated with mental corruptions by root condition... By way of root nine.

A non-root non-dissociated from mental corruptions mental state arises dependent on a root mental state dissociated from mental corruptions by root condition... By way of root three.

18. A non-root non-mental corruption and non-without mental corruptions mental state arises dependent on a root mental state that is both mental corruption and with mental corruptions by root condition... By way of root five.

A not-non-root non-without mental corruptions and not non-mental corruption mental state arises dependent on a root mental state that is with mental corruptions and not mental corruption by root condition... By way of root five.

19. A non-root non-mental corruption and non-dissociated from mental corruptions mental state arises dependent on a root mental state that is both mental corruption and associated with mental corruptions by root condition... By way of root three.

A not-non-root non-dissociated from mental corruptions and not non-mental corruption mental state arises dependent on a non-root mental state that is associated with mental corruptions and not mental corruption by root condition... By way of root three.

20. A not-non-root dissociated from mental corruptions non-with mental corruptions mental state arises conditioned by a non-root dissociated from mental corruptions with mental corruptions mental state by root condition. (Similar to mundane.)

A non-root dissociated from mental corruptions non-without mental corruptions mental state arises dependent on a root dissociated from mental corruptions without mental corruptions mental state by root condition. A non-root dissociated from mental corruptions non-without mental corruptions mental state arises dependent on a non-root dissociated from mental corruptions without mental corruptions mental state by root condition. A non-root dissociated from mental corruptions non-without mental corruptions mental state arises dependent on a root dissociated from mental corruptions without mental corruptions and a non-root dissociated from mental corruptions without mental corruptions mental state by root condition. By way of root three.

1-19-53. Root Dyad - Mental Fetter Group and so on

21. A non-root non-mental fetter state arises dependent on a root mental fetter state by root condition... etc. By way of root three.

22. A non-root non-mental knot state arises dependent on a root mental knot state by root condition... etc. By way of root nine.

23. A non-root non-mental flood state arises dependent on a root mental flood state by root condition... By way of root five.

24. A non-root non-mental bond state arises dependent on a root mental bond state by root condition... etc. By way of root five.

25. A non-root non-mental hindrance state arises dependent on a root mental hindrance state by root condition... By way of root three.

26. A not-non-root non-adherence state arises dependent on a non-root adherence state by root condition... By way of root three.

1-54-81. Root Dyad - Major Dyads and so on

27. A non-root non-with-sense-object mental state arises dependent on a root mental state with sense-object by root condition... By way of root three.

A not-non-root not-without-sense-object mental state arises dependent on a non-root mental state without sense-object by root condition... By way of root three.

28. A not-non-root non-consciousness state arises dependent on a non-root mind state by root condition... By way of root three.

A non-root non-non-consciousness state arises dependent on a root non-consciousness state by root condition... By way of root three.

29. A non-root non-mental factor state arises dependent on a root mental factor state by root condition... By way of root three.

A not-non-root non-not mental factor state arises dependent on a non-root not mental factor state by root condition... By way of root three.

30. A non-root non-associated with consciousness state arises dependent on a root state associated with consciousness by root condition... By way of root three.

A not-non-root non-dissociated from consciousness state arises dependent on a non-root state dissociated from consciousness by root condition... By way of root three.

31. A non-root state not conjoined with consciousness arises dependent on a root state conjoined with consciousness by root condition... By way of root three.

A not-non-root state not disjoined from consciousness arises dependent on a non-root state disjoined from consciousness by root condition... By way of root three.

32. A non-root not consciousness-originated state arises dependent on a root consciousness-originated state by root condition... By way of root three.

A not-non-root not-not-consciousness-originated state arises dependent on a non-root not consciousness-originated state by root condition... By way of root three.

33. A non-root state not concomitant with consciousness arises dependent on a root state concomitant with consciousness by root condition... By way of root three.

A not-non-root state not-not concomitant with consciousness arises dependent on a non-root state not concomitant with consciousness by root condition... By way of root three.

34. A non-root state not consecutive to consciousness arises dependent on a root state consecutive to consciousness by root condition... By way of root three.

A not-non-root not-not-consecutive-to-consciousness state arises dependent on a non-root state not consecutive to consciousness by root condition... By way of root three.

35. A non-root state that does not originate conjoined with consciousness arises dependent on a root state that originates conjoined with consciousness by root condition... By way of root three.

A not-non-root state that does not not-originate conjoined with consciousness arises dependent on a non-root state that does not originate conjoined with consciousness by root condition... By way of root three.

36. A non-root state that does not originate conjoined with consciousness and arise together with it arises dependent on a root state that originates conjoined with consciousness and arises together with it by root condition... By way of root three.

A not-non-root state that does not not-originate conjoined with consciousness and arise together with it arises dependent on a non-root state that does not originate conjoined with consciousness and arise together with it by root condition... By way of root three.

37. A non-root state that does not originate conjoined with consciousness and follow it arises dependent on a root state that originates conjoined with consciousness and follows it by root condition... By way of root three.

A not-non-root state that does not not-originate conjoined with consciousness and follow it arises dependent on a non-root state that does not originate conjoined with consciousness and follow it by root condition... By way of root three (abbreviated. Should be expanded by method).

1-82-98. Root Dyad - To Be Abandoned Through Vision Dyads and so on

38. A non-root mental state not to be abandoned by seeing arises dependent on a root mental state to be abandoned through vision by root condition... By way of root three.

A not-non-root mental state not not to be abandoned by seeing arises conditioned by a non-root mental state not to be abandoned by seeing by root condition... Three only.

39. A non-root mental state not to be abandoned by seeing arises dependent on a root mental state connected with a root to be abandoned through vision by root condition... By way of root three.

A not-non-root mental state not not to be abandoned by seeing arises dependent on a non-root mental state connected with a root not to be abandoned by seeing by root condition... By way of root one.

1-99. Root Dyad - Conflicting Dyad

40. A non-root non-conflicting state arises dependent on a root state with conflict by root condition. A non-root non-conflicting state arises dependent on a non-root state with conflict by root condition. A non-root non-conflicting state arises dependent on a root state with conflict and a non-root state with conflict by root condition. By way of root three.

A not-non-root state without non-conflict arises conditioned by a non-root state without conflict by root condition. A non-root state without non-conflict arises conditioned by a non-root state without conflict by root condition. A non-root state without non-conflict and a not-non-root state without non-conflict arise conditioned by a non-root state without conflict by root condition. By way of root three.

2-1. With Root Dyad - Root Dyad

41. A non-with-root non-root state arises dependent on a root state that is with root by root condition... three.

A non-rootless non-root state arises dependent on a root state that is rootless by root condition... three... By way of root six.

A non-rootless non-non-root state arises dependent on a non-root state that is with root by root condition... By way of root three.

3-1. Associated with Root Dyad - Root Dyad

42. A non-root state not associated with root arises dependent on a root state associated with root by root condition... three.

A non-root state not dissociated from root arises dependent on a root state dissociated from root by root condition... three... By way of root six.

A not-non-root state not dissociated from root arises dependent on a non-root state associated with root by root condition... By way of root three.

4-1. Root With Root Dyad - Root Dyad

43. A state that is both non-root and non-rootless arises dependent on a state that is both root and with root by root condition. By way of root one.

A state that is both non-rootless and not root arises dependent on a state that is with root and not root and non-root by root condition. By way of root one.

5-1. Root Associated with Root Dyad - Root Dyad

44. A non-root mental state that is both non-root and dissociated from root arises dependent on a root mental state that is both root and associated with root by root condition. By way of root one.

A non-root mental state that is both dissociated from root and not root arises dependent on a non-root mental state that is associated with root and not root by root condition. By way of root one.

7-13-1. Minor Intermediate Dyads and so on - Root Dyad

45. A non-condition non-root state arises dependent on a root with condition state by root condition. By way of root one.

A non-condition not-non-root state arises dependent on a non-root with condition state by root condition. By way of root one. (The conditioned is similar to with condition.)

46. A non-non-manifest non-root state arises dependent on a non-manifest root state by root condition... By way of root three.

A non-manifest non-non-root state arises dependent on a non-manifest non-root state by root condition. By way of root one.

47. A non-non-impinging non-root state arises dependent on a non-impinging root state by root condition... By way of root three.

A non-impinging non-non-root state arises dependent on a non-impinging non-root state by root condition. By way of root one.

48. A non-immaterial non-root state arises dependent on a root immaterial state by root condition... By way of root three.

A non-material not-non-root state arises dependent on a non-root material state by root condition.

A non-immaterial not-non-root state arises dependent on a non-root immaterial state by root condition... By way of root three.

49. A non-supramundane non-root state arises dependent on a mundane root state by root condition. One.

A non-supramundane non-root state arises dependent on a supramundane root state by root condition... three... By way of root four.

A non-supramundane not-non-root state arises dependent on a mundane non-root state by root condition. One.

A non-mundane not-non-root state arises dependent on a supramundane non-root state by root condition one... by way of root two.

50. A non-root state not cognisable in any way arises dependent on a root state cognisable in some way by root condition... three.

A not-non-root state not not cognisable in any way arises dependent on a root state not cognisable in any way by root condition... three.

A non-root state not cognisable in any way arises dependent on a root state cognisable in some way and a root state not cognisable in any way by root condition... By way of root nine.

A not-non-root state not cognisable in any way arises dependent on a non-root state cognisable in some way by root condition... By way of root nine.

14-1. Mental Corruption Dyad - Root Dyad

51. A non-mental corruption non-root state arises dependent on a mental corruption root state by root condition... three.

A non-non-mental corruption non-root state arises dependent on a non-mental corruption root state by root condition. One.

A non-mental corruption non-root state arises dependent on a mental corruption root and non-mental corruption root state by root condition. One (everywhere five.)

A non-non-mental corruption not-non-root state arises dependent on a non-mental corruption non-root state by root condition... By way of root five.

15-1. With Mental Corruptions Dyad - Root Dyad

52. A non-without mental corruptions non-root state arises dependent on a root state with mental corruptions by root condition. One.

A non-without mental corruptions non-root state arises dependent on a root state without mental corruptions by root condition... three... By way of root four. (Similar to the mundane dyad.)

16-1. Associated with Mental Corruptions Dyad - Root Dyad

53. A non-associated with mental corruptions non-root state arises dependent on a root state associated with mental corruptions by root condition... three.

A non-dissociated from mental corruptions non-root state arises dependent on a root state dissociated from mental corruptions by root condition... three.

A non-associated with mental corruptions non-root state arises dependent on a root state associated with mental corruptions and a root state dissociated from mental corruptions by root condition... three... By way of root nine.

A non-associated with mental corruptions not-non-root state arises dependent on a non-root state associated with mental corruptions by root condition... three.

A non-associated with mental corruptions not-non-root state arises dependent on a non-root state dissociated from mental corruptions by root condition. One... By way of root four.

17-1. Mental Corruption-With Mental Corruptions Dyad - Root Dyad

54. A non-mental corruption and non-without mental corruptions non-root state arises dependent on a root state that is both mental corruption and with mental corruptions by root condition... three.

A non-mental corruption and non-without mental corruptions non-root state arises dependent on a root state that is with mental corruptions and not mental corruption by root condition... one.

A non-mental corruption and non-without mental corruptions non-root state arises dependent on a root state that is both mental corruption and with mental corruptions and a root state that is with mental corruptions and not mental corruption by root condition. One... By way of root five.

A non-without mental corruptions and not non-mental corruption not-non-root state arises dependent on a non-root state that is both mental corruption and with mental corruptions by root condition... By way of root five.

18-1. Mental Corruption-Associated with Mental Corruptions Dyad - Root Dyad

55. A non-mental corruption and non-dissociated from mental corruptions non-root mental state arises dependent on a root mental state that is both mental corruption and associated with mental corruptions by root condition... three.

A non-mental corruption and non-dissociated from mental corruptions non-root mental state arises dependent on a root mental state that is associated with mental corruptions and not mental corruption by root condition. One... By way of root four.

A non-dissociated from mental corruptions and not non-mental corruption not-non-root mental state arises dependent on a non-root mental state that is both mental corruption and associated with mental corruptions by root condition. One.

A non-dissociated from mental corruptions and not non-mental corruption not-non-root mental state arises dependent on a non-root mental state that is associated with mental corruptions and not mental corruption by root condition... three... By way of root four.

19-1. Dissociated from Mental Corruptions-With Mental Corruptions Dyad - Root Dyad

56. A non-without mental corruptions non-root mental state dissociated from mental corruptions arises dependent on a root mental state dissociated from mental corruptions and with mental corruptions by root condition. One.

A non-without mental corruptions non-root mental state dissociated from mental corruptions arises dependent on a root mental state dissociated from mental corruptions and without mental corruptions by root condition... three... By way of root four.

A non-without mental corruptions not-non-root mental state dissociated from mental corruptions arises dependent on a non-root mental state dissociated from mental corruptions and with mental corruptions by root condition. A non-with mental corruptions not-non-root mental state dissociated from mental corruptions arises dependent on a non-root mental state dissociated from mental corruptions and without mental corruptions by root condition. By way of root two.

20-54-1. Mental Fetter Group and so on - Root Dyad

57. A non-mental fetter non-root state arises dependent on a mental fetter root state by root condition.

58. A non-mental knot non-root state arises dependent on a mental knot root state by root condition.

59. A non-mental flood non-root state arises dependent on a mental flood root state by root condition.

60. A non-mental bond non-root state arises dependent on a mental bond root state by root condition.

61. A non-mental hindrance non-root state arises dependent on a mental hindrance root state by root condition.

62. A not non-adherence non-root state arises dependent on a non-adherence root state by root condition... By way of root three.

55-68-1. Greater Intermediate Dyads and so on - Root Dyad

63. A non-with-sense-object non-root state arises dependent on a root state with sense-object by root condition... By way of root three.

A non-without-sense-object not-non-root state arises dependent on a non-root state with sense-object by root condition. A non-without-sense-object not-non-root state arises dependent on a non-root state without sense-object by root condition. A non-without-sense-object not-non-root state arises dependent on a non-root state with sense-object and a non-root state without sense-object by root condition. By way of root three.

64. A non-non-consciousness non-root state arises dependent on a non-consciousness root state by root condition... By way of root three.

A non-consciousness non-non-root state arises dependent on a consciousness non-root state by root condition... By way of root three.

65. A non-mental factor non-root state arises dependent on a mental factor root state by root condition... By way of root three.

A non-not mental factor not-non-root state arises dependent on a mental factor non-root state by root condition... By way of root three.

66. A non-associated with consciousness non-root state arises dependent on a root state associated with consciousness by root condition... By way of root three.
(Abbreviated.)

67. A non-root state not conjoined with consciousness arises dependent on a root state conjoined with consciousness by root condition... By way of root three.

68. A non-root not consciousness-originated state arises dependent on a root consciousness-originated state by root condition... By way of root three.

69. A non-root state not concomitant with consciousness arises dependent on a root state concomitant with consciousness by root condition... By way of root three.

70. A not-consecutive-to-consciousness non-root state arises dependent on a root state consecutive to consciousness by root condition... By way of root three.

71. A non-root state that does not originate conjoined with consciousness arises dependent on a root state that originates conjoined with consciousness by root condition... By way of root three.

72. A non-root state that does not originate conjoined with consciousness and arise together with it arises dependent on a root state that originates conjoined with consciousness and arises together with it by root condition... By way of root three.

73. A non-root state that does not originate conjoined with consciousness and follow it arises dependent on a root state that originates conjoined with consciousness and follows it by root condition... By way of root three.

74. A non-external non-root state arises dependent on an external root state by root condition... By way of root three.

A non-internal not-non-root state arises dependent on an internal non-root state by root condition... By way of root three.

75. A not-non-derived not-non-root state arises dependent on a non-derived root state by root condition... By way of root three.

A non-derived not-non-root state arises dependent on a derived non-root state by root condition... By way of root three.

76. A non-clung-to non-root mental state arises dependent on a root clung-to mental state by root condition... three.

A non-clung-to non-root mental state arises dependent on a root not clung-to mental state by root condition. One... By way of root four.

A non-not-clung-to not-non-root mental state arises dependent on a non-root clung-to mental state by root condition. One.

A non-clung-to not-non-root mental state arises dependent on a non-root not clung-to mental state by root condition. One... by way of root two.

69-82-1. Clinging Group and so on - Root Dyad

77. A non-clinging non-root state arises dependent on a clinging root state by root condition.

78. A non-mental defilement non-root state arises dependent on a mental defilement root state by root condition.

83-1. Back Dyad - Root Dyad

79. A non-root mental state not to be abandoned by seeing arises dependent on a root mental state to be abandoned through vision by root condition... three.

A non-root mental state not to be abandoned by seeing arises dependent on a root mental state not to be abandoned by seeing by root condition. One... By way of root four.

A not-non-root mental state not not to be abandoned by seeing arises dependent on a non-root mental state to be abandoned through vision by root condition. One.

A not-non-root mental state not to be abandoned by seeing arises dependent on a non-root mental state not to be abandoned by seeing by root condition. One... by way of root two.

80. A non-root mental state not to be abandoned by meditative development arises dependent on a root mental state to be abandoned by meditative development by root condition... three. A non-root mental state not to be abandoned by meditative development arises dependent on a root mental state not to be abandoned by meditative development by root condition. One... By way of root four.

A not-non-root mental state not not to be abandoned by meditative development arises dependent on a non-root mental state to be abandoned by meditative development by root condition. One.

A not-non-root mental state not to be abandoned by meditative development arises dependent on a non-root mental state not to be abandoned by meditative development by root condition. One... by way of root two.

81. A non-root mental state not connected with a root to be abandoned by seeing arises dependent on a root mental state connected with a root to be abandoned through vision by root condition... three.

A non-root mental state not not connected with a root to be abandoned by seeing arises dependent on a root mental state connected with a root not to be abandoned by seeing by root condition... three. (Everywhere in the questions abbreviated.)

A not-non-root mental state not not connected with a root to be abandoned by seeing arises dependent on a non-root mental state connected with a root to be abandoned through vision by root condition. A not-non-root mental state not connected with a

root to be abandoned by seeing arises dependent on a non-root mental state connected with a root not to be abandoned by seeing by root condition. By way of root two. (Abbreviated.)

100-1-6. Conflict Dyad - Root Dyad and so on

82. A non-conflicting non-root state arises dependent on a root state with conflict by root condition... three.

A non-conflicting non-root state arises dependent on a root state without conflict by root condition. One... By way of root four.

A state without non-conflict not-non-root state arises dependent on a non-root state with conflict by root condition. One.

A non-conflicting not-non-root state arises dependent on a non-root state without conflict by root condition. One... by way of root two.

83. A non-conflicting non-with-root state arises dependent on a conflicting with root state by root condition. One.

A non-conflicting non-with-root state arises dependent on a non-conflict with root state by root condition. One... by way of root two.

A state without non-conflict non-rootless state arises dependent on a conflicting rootless state by root condition. One.

A non-conflicting non-rootless state arises dependent on a non-conflict rootless state by root condition. One... by way of root two.

84. A non-conflicting mental state not associated with non-root arises dependent on a conflicting mental state associated with root by root condition. One. A non-conflicting mental state not associated with non-root arises dependent on a non-conflicting mental state associated with root by root condition. One... by way of root two. (Similar to the with-root dyad.)

85. A state that is both non-conflict and non-root and non-rootless arises dependent on a state that is both with conflict and root and with root by root condition. One.

A state that is both non-conflicting and non-root and non-rootless arises dependent on a state that is both without conflict and root and with root by root condition. One... by way of root two.

A state that is both non-conflict and non-rootless and not root arises dependent on a state that is both with conflict and with root and not root by root condition. One.

A state that is both non-conflicting and non-rootless and not root arises dependent on a state that is both without conflict and with root and not root by root condition. One... by way of root two.

86. A mental state that is both without non-conflict and both non-root and dissociated from root arises dependent on a mental state that is both with conflict and both root and associated with root by root condition. (Similar to the root-with root dyad.)

87. A non-conflicting non-root non-with-root mental state arises dependent on a conflicting non-root with root state by root condition. One.

A non-conflicting non-root non-with-root mental state arises dependent on a non-conflicting non-root with root state by root condition. One... by way of root two.

A non-conflicting non-root non-rootless mental state arises dependent on a non-conflicting non-root and rootless state by root condition. By way of root one.

100-7-13. Conflict Dyad - Minor Intermediate Dyads and so on

88. A mental state without conflict and without condition is a condition for a non-with-conflict and non-without-condition mental state by way of object condition.

89. A non-conflicting unconditioned state is a condition for a non-state with conflict non-unconditioned state by way of object condition.

90. A non-conflict manifest phenomenon is a condition for a non-non-conflict non-manifest phenomenon by way of object condition. A non-conflict manifest phenomenon is a condition for a non-with-conflict non-manifest phenomenon by way of object condition. (Abbreviated.)

100-14-54. Refuge Dyad-Mental Corruption etc. Groups

91. A non-conflicting non-mental corruption state arises dependent on a conflicting mental corruption state by root condition. A state without non-conflict non-mental corruption state arises dependent on a conflicting mental corruption state by root condition. A non-conflicting non-mental corruption state and a state without non-conflict non-mental corruption state arise dependent on a conflicting mental corruption state by root condition.

A state without non-conflict non-non-mental corruption state arises dependent on a conflicting non-mental corruption state by root condition. By way of root one.

92. A non-conflicting non-with mental corruptions mental state arises conditioned by a non-conflict with mental corruptions mental state by root condition.

A non-conflicting non-without mental corruptions mental state arises dependent on a non-conflict without mental corruptions mental state by root condition. By way of root one. (By this method it should be expanded everywhere.)

100-55-82. Refuge Dyad-Greater Dyad etc.

93. A non-conflicting non-with-sense-object mental state arises dependent on a conflicting mental state with sense-object by root condition. A non-conflicting non-with-sense-object mental state arises dependent on a non-conflicting mental state with sense-object by root condition. (Abbreviated.)

100-83. Refuge Dyad-Final Dyad

94. A non-conflicting mental state not to be abandoned by seeing arises dependent on a mental state with conflict to be abandoned through vision by root condition. By way of root one.

A state without non-conflict not not to be abandoned by seeing arises conditioned by a state without conflict not to be abandoned by seeing by root condition.
(Abbreviated.)

95. A non-conflicting non-surpassed mental state arises conditioned by a non-conflict surpassed mental state by root condition.

A non-conflicting non-unsurpassed mental state arises dependent on a non-conflict unsurpassed mental state by root condition. (The section on the conascence also... etc. the section on questions also should be expanded.)

The Conditional Relations of Dyads and Dyads in Positive-Negative with States is concluded.

The Positive-Negative Conditional Relations is concluded.

ABOUT THIS TRANSLATION

This translation is part of the PaliVerse Project - the first complete, unified English translation of the Pāli Canon together with its Commentaries (Aṭṭhakathā) and Subcommentaries (Tīkā), accompanied by interactive study tools. PaliVerse is an ongoing project. The AI translations are continuously improved through experts' revisions and feedback. This text is the latest translation as of the date of download.
