13. Conditional Relations-5

Triplet Conditional Relations of Mental States in the Positive-Negative Method

1. Wholesome Triplet

1-6. Section on the Dependent etc.

The Tetrad of Conditions

Root Condition

1. A not-wholesome mental state arises dependent on a wholesome mental state by root condition - dependent on wholesome aggregates, consciousness-originated materiality arises. A not-unwholesome mental state arises dependent on a wholesome mental state by root condition - dependent on one wholesome aggregate, three aggregates and consciousness-originated materiality arise... etc. A not-indeterminate mental state arises dependent on a wholesome mental state by root condition - dependent on one wholesome aggregate, three aggregates arise... etc. Not-unwholesome and not-indeterminate mental states arise dependent on a wholesome mental state by root condition - dependent on one wholesome aggregate, three aggregates arise... etc. Not-wholesome and not-unwholesome mental states arise dependent on a wholesome mental state by root condition - dependent on wholesome aggregates, consciousness-originated materiality arises. (5)

2. A not-unwholesome mental state arises dependent on an unwholesome mental state by root condition - dependent on unwholesome aggregates, consciousness-originated materiality arises. A not-wholesome mental state arises dependent on an unwholesome mental state by root condition - dependent on one unwholesome aggregate, three aggregates and consciousness-originated materiality arise, etc. a not-indeterminate mental state arises dependent on an unwholesome mental state by root condition. Not-wholesome and not-indeterminate mental states arise dependent on an unwholesome mental state by root condition. Not-wholesome and not-unwholesome mental states arise dependent on an unwholesome mental state by root condition. (5)

3. A not-wholesome mental state arises dependent on an indeterminate mental state by root condition - dependent on one resultant indeterminate or functional indeterminate aggregate, three aggregates and consciousness-originated materiality arise... etc. at the moment of conception... etc. dependent on one primary element, three primary elements arise... etc. dependent on two primary elements, two primary elements arise; dependent on primary elements, consciousness-originated materiality arises. A not-unwholesome mental state arises dependent on an indeterminate mental state by root condition - resultant indeterminate... etc. at the moment of conception... etc. primary element... etc. Not-wholesome and not-unwholesome mental states arise dependent on an indeterminate mental state by root condition - resultant indeterminate, functional indeterminate... etc. (3) (Abbreviated.)

4. A not-wholesome mental state arises dependent on a wholesome and indeterminate mental state by root condition - dependent on wholesome aggregates and primary elements, consciousness-originated materiality arises. A not-unwholesome mental state arises dependent on a wholesome and indeterminate mental state by root condition. Not-wholesome and not-unwholesome mental states arise dependent on a wholesome and indeterminate mental state by root condition. (3)

A not-wholesome mental state arises dependent on an unwholesome and indeterminate mental state by root condition. A not-unwholesome mental state arises dependent on an unwholesome and indeterminate mental state by root condition. Not-wholesome and not-unwholesome mental states arise dependent on an unwholesome and indeterminate mental state by root condition. (3) (Only consciousness-originated materiality applies here; nineteen questions should be made.)

Object condition

5. A not-unwholesome mental state arises dependent on a wholesome mental state by object condition. A not-indeterminate mental state arises dependent on a wholesome mental state by object condition. Not-unwholesome and not-indeterminate mental states arise dependent on a wholesome mental state by object condition. (3)

A not-wholesome mental state arises dependent on an unwholesome mental state by object condition. A not-indeterminate mental state arises dependent on an unwholesome mental state by object condition. Not-wholesome and not-indeterminate mental states arise dependent on an unwholesome mental state by object condition. (3)

A not-wholesome mental state arises dependent on an indeterminate mental state by object condition. A not-unwholesome mental state arises dependent on an indeterminate mental state by object condition. Not-wholesome and not-unwholesome mental states arise dependent on an indeterminate mental state by object condition. (3) (Abbreviated.)

By way of root nineteen, by way of object nine, by way of predominance nineteen, by way of proximity nine, by way of contiguity nine, by way of conscence nineteen... etc. by way of non-disappearance nineteen.

Negative.

Non-root-Non-object Conditions

6. A not-wholesome mental state arises dependent on an unwholesome mental state by non-root condition. A not-indeterminate mental state arises dependent on an unwholesome mental state by non-root condition. Not-wholesome and not-indeterminate mental states arise dependent on an unwholesome mental state by non-root condition. (3)

A not-wholesome mental state arises dependent on an indeterminate mental state by non-root condition. A not-unwholesome mental state arises dependent on an indeterminate mental state by non-root condition. Not-wholesome and not-unwholesome mental states arise dependent on an indeterminate mental state by non-root condition. (3)

7. A not-wholesome mental state arises dependent on a wholesome mental state by non-object condition. A not-unwholesome mental state arises dependent on a wholesome mental state by non-object condition. Not-wholesome and not-unwholesome mental states arise dependent on a wholesome mental state by non-object condition. (3)

A not-unwholesome mental state arises dependent on an unwholesome mental state by non-object condition. A not-wholesome mental state arises dependent on an unwholesome mental state by non-object condition. Not-wholesome and not-unwholesome mental states arise dependent on an unwholesome mental state by non-object condition. (3) (Abbreviated.)

By way of non-root six, by way of non-object fifteen, by way of non-predominance nineteen... etc. by way of non-disappearance fifteen.

(The negative should be expanded. The section on the conascence and the section on the conditions should also be expanded. In the section on the conditions also, by way of root twenty-six, by way of object eighteen... etc. by way of non-disappearance twenty-six. The section on the support, the section on the conjoined, and the section on the associated are also similar to the section on the dependent.)

1. Wholesome Triplet

7. Section on Questions

The Tetrad of Conditions

Root and Object Conditions

8. A wholesome mental state is a condition for a not-wholesome mental state by way of root condition. A wholesome mental state is a condition for a not-unwholesome mental state by way of root condition. A wholesome mental state is a condition for a not-indeterminate mental state by way of root condition. A wholesome mental state is a condition for a not-unwholesome and a not-indeterminate mental state by way of root condition. A wholesome mental state is a condition for a not-wholesome and a not-unwholesome mental state by way of root condition. (5)

9. An unwholesome mental state is a condition for a not-unwholesome mental state by way of root condition. An unwholesome mental state is a condition for a not-wholesome mental state by way of root condition. An unwholesome mental state is a condition for a not-indeterminate mental state by way of root condition. An unwholesome mental state is a condition for a not-wholesome and a not-indeterminate mental state by way of root condition. An unwholesome mental state is a condition for a not-wholesome and a not-unwholesome mental state by way of root condition. (5)

An indeterminate mental state is a condition for a not-wholesome mental state by way of root condition. An indeterminate mental state is a condition for a not-unwholesome mental state by way of root condition. An indeterminate mental state is a condition for a not-wholesome and a not-unwholesome mental state by way of root condition. (3)

10. A wholesome mental state is a condition for a not-wholesome mental state by way of object condition... (Six questions.)

An unwholesome mental state is a condition for a not-unwholesome mental state by way of object condition... (Six questions.)

An indeterminate mental state is a condition for a not-indeterminate mental state by way of object condition... (Six questions, abbreviated.)

11. By way of root thirteen, by way of object eighteen, by way of predominance seventeen, by way of proximity sixteen, by way of contiguity sixteen, by way of conscence nineteen, by way of mutuality nine, by way of support twenty-six, by way of decisive support eighteen, by way of prenatal six, by way of postnatal nine, by way of repetition nine, by way of action thirteen, by way of result three, by way of nutriment thirteen... etc. by way of path thirteen, by way of association nine, by way of dissociation twelve... etc. by way of non-disappearance twenty-six. (The section on questions should be expanded.)

2. Feeling Triplet

1-6. Section on the Dependent etc.

The Tetrad of Conditions

Root Condition

12. A non-pleasant feeling associated mental state arises dependent on a mental state associated with pleasant feeling by root condition - dependent on aggregates associated with pleasant feeling, pleasant feeling and consciousness-originated materiality arise; at the moment of conception... etc. (there are no primary elements). A non-unpleasant feeling associated mental state arises dependent on a mental state associated with pleasant feeling by root condition - dependent on one aggregate associated with pleasant feeling, three aggregates and consciousness-originated materiality arise... etc. a non-neither-unpleasant-nor-pleasant feeling associated mental state arises dependent on a mental state associated with pleasant feeling by root condition. A non-pleasant feeling associated mental state and a non-neither-unpleasant-nor-pleasant feeling associated mental state arise dependent on a mental state associated with pleasant feeling by root condition. A non-unpleasant feeling associated mental state and a non-neither-unpleasant-nor-pleasant feeling associated mental state arise dependent on a mental state associated with pleasant feeling by root condition. A non-pleasant feeling associated mental state and a non-unpleasant feeling associated mental state arise dependent on a mental state associated with pleasant feeling by root condition. A non-pleasant feeling associated mental state and a non-unpleasant feeling associated mental state and a non-neither-unpleasant-nor-pleasant feeling associated mental state arise dependent on a mental state associated with pleasant feeling by root condition. (7)

13. A non-unpleasant feeling associated mental state arises dependent on a mental state associated with unpleasant feeling by root condition. A non-pleasant feeling associated mental state arises dependent on a mental state associated with unpleasant feeling by root condition. A non-neither-unpleasant-nor-pleasant feeling associated mental state arises dependent on a mental state associated with unpleasant feeling by root condition. A non-pleasant feeling associated mental state and a non-neither-unpleasant-nor-pleasant feeling associated mental state arise dependent on a mental state associated with unpleasant feeling by root condition. A non-unpleasant feeling associated mental state and a non-neither-unpleasant-nor-pleasant feeling associated mental state arise dependent on a mental state associated with unpleasant feeling by root condition. A non-pleasant feeling associated mental state and a non-unpleasant feeling associated mental state arise dependent on a mental state associated with unpleasant feeling by root condition. A non-pleasant feeling associated mental state and a non-unpleasant feeling associated mental state and a non-neither-unpleasant-nor-pleasant feeling associated mental state arise dependent on a mental state associated with unpleasant feeling by root condition. (7)

14. A non-neither-unpleasant-nor-pleasant feeling associated mental state arises dependent on a mental state associated with neither-unpleasant-nor-pleasant feeling by root condition. A non-pleasant feeling associated mental state arises dependent on a mental state associated with neither-unpleasant-nor-pleasant feeling by root condition. A non-unpleasant feeling associated mental state arises dependent on a mental state associated with neither-unpleasant-nor-pleasant feeling by root condition. A non-pleasant feeling associated mental state and a non-neither-unpleasant-nor-pleasant feeling associated mental state arise dependent on a mental state associated with neither-unpleasant-nor-pleasant feeling by root condition. A non-unpleasant feeling associated mental state and a non-neither-unpleasant-nor-pleasant feeling associated mental state arise dependent on a mental state associated with neither-unpleasant-nor-pleasant feeling by root condition. A non-pleasant feeling associated mental state and a non-unpleasant feeling associated mental state arise dependent on a mental state associated with neither-unpleasant-nor-pleasant feeling by root condition. A non-pleasant feeling associated mental state and a non-unpleasant feeling associated mental state and a non-neither-unpleasant-nor-pleasant feeling associated mental state arise dependent on a mental state associated with neither-unpleasant-nor-pleasant feeling by root condition. (7) (Abbreviated.)

By way of root twenty-one, by way of object twenty-one... etc.by way of non-disappearance twenty-one.

Negative.

Non-root Condition

15. A mental state not associated with pleasant feeling arises dependent on a mental state associated with pleasant feeling by non-root condition. (Abbreviated.)

By way of non-root twenty-one, by way of non-object twenty-one... etc.by way of the not dissociated fourteen... etc. by way of non-disappearance twenty-one.

(The section on the conascence, the section on the conditions, the section on the support, the section on the conjoined, and the section on the associated are also similar to the section on the dependent.)

2. Feeling Triplet

7. Section on Questions

The Tetrad of Conditions

Root Condition

16. A mental state associated with pleasant feeling is a condition for a non-pleasant feeling associated mental state by way of root condition. A mental state associated with pleasant feeling is a condition for a non-unpleasant feeling associated mental state by way of root condition. A mental state associated with pleasant feeling is a condition for a non-neither-unpleasant-nor-pleasant feeling associated mental state by way of root condition. A mental state associated with pleasant feeling is a condition for a non-pleasant feeling associated mental state and a non-neither-unpleasant-nor-pleasant feeling associated mental state by way of root condition. A mental state associated with pleasant feeling is a condition for a non-unpleasant feeling associated mental state and a non-neither-unpleasant-nor-pleasant feeling associated mental state by way of root condition. A mental state associated with pleasant feeling is a condition for a non-pleasant feeling associated mental state and a non-unpleasant feeling associated mental state by way of root condition. A mental state associated with pleasant feeling is a condition for a non-pleasant feeling associated mental state and a non-unpleasant feeling associated mental state and a non-neither-unpleasant-nor-pleasant feeling associated mental state by way of root condition. (7) (Abbreviated.)

By way of root twenty-one, by way of object twenty-one... etc.by way of non-disappearance twenty-one. (The section on questions should be expanded.)

3. Resultant Triplet

1-6. Section on the Dependent etc.

The Tetrad of Conditions

Root and Object Conditions

17. A non-resultant mental state arises dependent on a resultant mental state by root condition. A non-state that has resultant quality arises dependent on a resultant mental state by root condition. A non-state that is neither resultant nor has resultant quality arises dependent on a resultant mental state by root condition. A non-state that has resultant quality and a non-state that is neither resultant nor has resultant quality arise dependent on a resultant mental state by root condition. A non-resultant mental state and a non-state that has resultant quality arise dependent on a resultant mental state by root condition. (Five questions.)

18. A non-state that has resultant quality arises dependent on a state that has resultant quality by root condition. A non-resultant mental state arises dependent on a state that has resultant quality by root condition. A non-state that is neither

resultant nor has resultant quality arises dependent on a state that has resultant quality by root condition. A non-resultant mental state and a non-state that is neither resultant nor has resultant quality arise dependent on a state that has resultant quality by root condition. A non-resultant mental state and a non-state that has resultant quality arise dependent on a state that has resultant quality by root condition. (Five questions.)

19. A non-state that is neither resultant nor has resultant quality arises dependent on a state that is neither resultant nor has resultant quality by root condition. A non-resultant mental state arises dependent on a state that is neither resultant nor has resultant quality by root condition. A non-state that has resultant quality arises dependent on a state that is neither resultant nor has resultant quality by root condition. A non-state that has resultant quality and a non-state that is neither resultant nor has resultant quality arise dependent on a state that is neither resultant nor has resultant quality by root condition. A non-resultant mental state and a non-state that has resultant quality arise dependent on a state that is neither resultant nor has resultant quality by root condition. (Five questions.)

20. A non-resultant mental state arises dependent on a resultant and a state that is neither resultant nor has resultant quality by root condition. A non-state that has resultant quality arises dependent on a resultant and a state that is neither resultant nor has resultant quality by root condition. A non-state that is neither resultant nor has resultant quality arises dependent on a resultant and a state that is neither resultant nor has resultant quality by root condition. A non-state that has resultant quality and a non-state that is neither resultant nor has resultant quality arise dependent on a resultant and a state that is neither resultant nor has resultant quality by root condition. A non-resultant mental state and a non-state that has resultant quality arise dependent on a resultant and a state that is neither resultant nor has resultant quality by root condition. (5)

A non-resultant mental state arises dependent on a state that has resultant quality and a state that is neither resultant nor has resultant quality by root condition. A non-state that has resultant quality arises dependent on a state that has resultant quality and a state that is neither resultant nor has resultant quality by root condition. A non-resultant mental state and a non-state that has resultant quality arise dependent on a state that has resultant quality and a state that is neither resultant nor has resultant quality by root condition. (3)

21. A non-state that has resultant quality arises dependent on a resultant mental state by object condition... three.

A non-resultant mental state arises dependent on a state that has resultant quality by object condition... three.

A non-state that is neither resultant nor has resultant quality arises dependent on a state that is neither resultant nor has resultant quality by object condition... (Five questions.)

A non-state that has resultant quality arises dependent on a resultant and a state that is neither resultant nor has resultant quality by object condition... three. (Abbreviated.)

22. By way of root twenty-three, by way of object fourteen... etc. by way of non-disappearance twenty-three. (Abbreviated.)

By way of non-root eighteen, by way of non-object fifteen.

(The section on the conascence, the section on the conditions, the section on the support, the section on the conjoined, and the section on the associated should also be expanded.)

3. Resultant Triplet

7. Section on Questions

The Tetrad of Conditions

Root and Object Conditions

23. A resultant state is a condition for a non-resultant state by way of root condition. A resultant state is a condition for a non-state that has resultant quality by way of root condition. A resultant state is a condition for a non-state that is neither resultant nor has resultant quality by way of root condition. A resultant state is a condition for a non-state that has resultant quality and a non-state that is neither resultant nor has resultant quality by way of root condition. A resultant state is a condition for a non-resultant state and a non-state that has resultant quality by way of root condition. (5)

24. A resultant state is a condition for a non-resultant state by way of object condition. A resultant state is a condition for a non-state that has resultant quality by way of object condition. A resultant state is a condition for a non-state that is neither resultant nor has resultant quality by way of object condition. A resultant state is a condition for a non-resultant state and a non-state that is neither resultant nor has resultant quality by way of object condition. A resultant state is a condition for a non-state that has resultant quality and a non-state that is neither resultant nor has resultant quality by way of object condition. A resultant state is a condition for a non-resultant state and a non-state that has resultant quality by way of object condition. (6)

A state that has resultant quality is a condition for a non-state that has resultant quality by way of object condition. A state that has resultant quality is a condition for a non-resultant state by way of object condition. A state that has resultant quality is a condition for a non-state that is neither resultant nor has resultant quality by way of object condition. A state that has resultant quality is a condition for a non-resultant state and a non-state that is neither resultant nor has resultant quality by way of object condition. A state that has resultant quality is a condition for a non-state that has resultant quality and a non-state that is neither resultant nor has resultant quality by way of object condition. A state that has resultant quality is a condition for a non-resultant state and a non-state that has resultant quality by way of object condition. (6)

A state that is neither resultant nor has resultant quality is a condition for a non-state that is neither resultant nor has resultant quality by way of object condition... etc. six. (Abbreviated.)

25. By way of root thirteen, by way of object eighteen, by way of predominance seventeen, by way of proximity sixteen... etc. by way of prenatal six, by way of postnatal nine, by way of repetition six, by way of action fourteen, by way of result five, by way of faculty eighteen... etc. by way of dissociation twelve... etc. by way of non-disappearance twenty-six. (The section on questions should be expanded.)

4. (kammically) Clung-to Triplet

1-6. Section on the Dependent etc.

The Tetrad of Conditions

Root Condition

26. A non-clung-to and subject to clinging mental state arises dependent on a clung-to and subject to clinging mental state by root condition. A non-not clung-to but subject to clinging mental state arises dependent on a clung-to and subject to clinging mental state by root condition. A non-neither clung-to nor subject to clinging mental state arises dependent on a clung-to and subject to clinging mental state by root condition. Non-clung-to and subject to clinging and non-neither clung-to nor subject to clinging mental states arise dependent on a clung-to and subject to clinging mental state by root condition. Non-not clung-to but subject to clinging and non-neither clung-to nor subject to clinging mental states arise dependent on a clung-to and subject to clinging mental state by root condition. (5)

A non-clung-to and subject to clinging mental state arises dependent on a not clung-to but subject to clinging mental state by root condition. A non-neither clung-to nor subject to clinging mental state arises dependent on a not clung-to but subject to clinging mental state by root condition. Non-clung-to and subject to clinging and non-neither clung-to nor subject to clinging mental states arise dependent on a not clung-to but subject to clinging mental state by root condition. (3)

A non-neither clung-to nor subject to clinging mental state arises dependent on a neither clung-to nor subject to clinging mental state by root condition. A non-clung-to and subject to clinging mental state arises dependent on a neither clung-to nor subject to clinging mental state by root condition. A non-not clung-to but subject to clinging mental state arises dependent on a neither clung-to nor subject to clinging mental state by root condition. Non-clung-to and subject to clinging and non-neither clung-to nor subject to clinging mental states arise dependent on a neither clung-to nor subject to clinging mental state by root condition. Non-clung-to and subject to clinging and non-not clung-to but subject to clinging mental states arise dependent on a neither clung-to nor subject to clinging mental state by root condition. (5)

A non-clung-to and subject to clinging mental state arises dependent on a not clung-to but subject to clinging and a neither clung-to nor subject to clinging mental state by root condition. A non-neither clung-to nor subject to clinging mental state arises dependent on a not clung-to but subject to clinging and a neither clung-to nor subject to clinging mental state by root condition. Non-clung-to and subject to clinging and

non-neither clung-to nor subject to clinging mental states arise dependent on a not clung-to but subject to clinging and a neither clung-to nor subject to clinging mental state by root condition. (3)

A non-clung-to and subject to clinging mental state arises dependent on a clung-to and subject to clinging and a not clung-to but subject to clinging mental state by root condition. A non-neither clung-to nor subject to clinging mental state arises dependent on a clung-to and subject to clinging and a not clung-to but subject to clinging mental state by root condition. Non-clung-to and subject to clinging and non-neither clung-to nor subject to clinging mental states arise dependent on a clung-to and subject to clinging and a not clung-to but subject to clinging mental state by root condition. (3) (Abbreviated.)

27. By way of root nineteen, by way of object nine, by way of predominance eleven... etc. by way of conascence nineteen. (The section on the conascence, the section on the conditions, the section on the support, the section on the conjoined, and the section on the associated should also be expanded.)

4. (kammically) Clung-to Triplet

7. Section on Questions

The Tetrad of Conditions

Root and Object Conditions

28. A clung-to and subject to clinging mental state is a condition for a not-clung-to and subject to clinging mental state by way of root condition. A clung-to and subject to clinging mental state is a condition for a not-not-clung-to but subject to clinging mental state by way of root condition... etc.

29. A clung-to and subject to clinging mental state is a condition for a not-clung-to and subject to clinging mental state by way of object condition. A clung-to and subject to clinging mental state is a condition for a not-not-clung-to but subject to clinging mental state by way of object condition. A clung-to and subject to clinging mental state is a condition for a not-neither-clung-to-nor-subject-to-clinging mental state by way of object condition. A clung-to and subject to clinging mental state is a condition for a not-clung-to and subject to clinging mental state and a not-neither-clung-to-nor-subject-to-clinging mental state by way of object condition. A clung-to and subject to clinging mental state is a condition for a not-not-clung-to but subject to clinging mental state and a not-neither-clung-to-nor-subject-to-clinging mental state by way of object condition. (5)

A not clung-to but subject to clinging mental state is a condition for a not-not-clung-to but subject to clinging mental state by way of object condition. A not clung-to but subject to clinging mental state is a condition for a not-clung-to and subject to clinging mental state by way of object condition. A not clung-to but subject to clinging mental state is a condition for a not-neither-clung-to-nor-subject-to-clinging mental state by way of object condition. A not clung-to but subject to clinging mental state is a condition for a not-clung-to and subject to clinging mental state and a not-neither-clung-to-nor-subject-to-clinging mental state by way of object condition. A not clung-

to but subject to clinging mental state is a condition for a not-not-clung-to but subject to clinging mental state and a not-neither-clung-to-nor-subject-to-clinging mental state by way of object condition. (5)

A neither clung-to nor subject to clinging mental state is a condition for a not-neither-clung-to-nor-subject-to-clinging mental state by way of object condition... etc. five. (Abbreviated.)

30. By way of root thirteen, by way of object fifteen, by way of predominance eleven. (The section on questions also should be expanded.)

5. Defiled Triplet

1-7. Section on the Dependent etc.

1. Positive Condition

Root Condition

31. A non-defiled and subject to defilement mental state arises dependent on a mental state that is defiled and subject to defilement by root condition. A non-undefiled but subject to defilement mental state arises dependent on a mental state that is defiled and subject to defilement by root condition. A non-undefiled and not subject to defilement mental state arises dependent on a mental state that is defiled and subject to defilement by root condition. A non-defiled and subject to defilement mental state and a non-undefiled and not subject to defilement mental state arise dependent on a mental state that is defiled and subject to defilement by root condition. A non-undefiled but subject to defilement mental state and a non-undefiled and not subject to defilement mental state arise dependent on a mental state that is defiled and subject to defilement by root condition. (5)

A non-defiled and subject to defilement mental state arises dependent on a mental state that is undefiled but subject to defilement by root condition. A non-undefiled and not subject to defilement mental state arises dependent on a mental state that is undefiled but subject to defilement by root condition. A non-defiled and subject to defilement mental state and a non-undefiled and not subject to defilement mental state arise dependent on a mental state that is undefiled but subject to defilement by root condition. (3)

A non-undefiled and not subject to defilement mental state arises dependent on a mental state that is undefiled and not subject to defilement by root condition. A non-defiled and subject to defilement mental state arises dependent on a mental state that is undefiled and not subject to defilement by root condition. A non-undefiled but subject to defilement mental state arises dependent on a mental state that is undefiled and not subject to defilement by root condition. A non-defiled and subject to defilement mental state and a non-undefiled and not subject to defilement mental state arise dependent on a mental state that is undefiled and not subject to defilement by root condition. A non-defiled and subject to defilement mental state and a non-undefiled but subject to defilement mental state arise dependent on a mental state that is undefiled and not subject to defilement by root condition. (5)

A non-defiled and subject to defilement mental state arises dependent on a mental state that is undefiled but subject to defilement and a mental state that is undefiled

and not subject to defilement by root condition... three.

A non-defiled and subject to defilement mental state arises dependent on a mental state that is defiled and subject to defilement and a mental state that is undefiled but subject to defilement by root condition... etc. three. (Abbreviated.)

By way of root nineteen, by way of object nine... etc. by way of non-disappearance nineteen. (The section on the conascence, the section on the conditions, the section on the support, the section on the conjoined, and the section on the associated should also be expanded. In the section on questions it is not similar.)

32. By way of root thirteen, by way of object fifteen, by way of predominance fifteen, by way of proximity sixteen... etc. by way of prenatal six, by way of postnatal nine, by way of repetition eight, by way of action thirteen, by way of result eight, by way of nutriment thirteen... etc. by way of path thirteen, by way of dissociation twelve... etc. by way of non-disappearance twenty-six.

6. Applied Thought Triplet

1-7. Section on the Dependent etc.

1. Positive Condition

Root Condition

33. A non-with applied and sustained thought mental state arises dependent on a mental state with applied and sustained thought by root condition. A non-without applied but sustained thought only mental state arises dependent on a mental state with applied and sustained thought by root condition. A non-without applied and sustained thought mental state arises dependent on a mental state with applied and sustained thought by root condition. A non-with applied and sustained thought mental state and a non-without applied and sustained thought mental state arise dependent on a mental state with applied and sustained thought by root condition. A non-without applied but sustained thought only mental state and a non-without applied and sustained thought mental state arise dependent on a mental state with applied and sustained thought by root condition. A non-with applied and sustained thought mental state and a non-without applied but sustained thought only mental state arise dependent on a mental state with applied and sustained thought by root condition. A non-with applied and sustained thought mental state and a non-without applied but sustained thought only mental state arise dependent on a mental state with applied and sustained thought by root condition. (7)

34. A non-without applied but sustained thought only mental state arises dependent on a mental state without applied but sustained thought only by root condition. A non-with applied and sustained thought mental state arises dependent on a mental state without applied but sustained thought only by root condition. A non-without applied and sustained thought mental state arises dependent on a mental state without applied but sustained thought only by root condition. A non-with applied and sustained thought mental state and a non-without applied and sustained thought mental state arise dependent on a mental state without applied but sustained thought only by root condition. A non-without applied but sustained thought only

mental state and a non-without applied and sustained thought mental state arise dependent on a mental state without applied but sustained thought only by root condition. A non-with applied and sustained thought mental state and a non-without applied but sustained thought only mental state arise dependent on a mental state without applied but sustained thought only by root condition. A non-with applied and sustained thought mental state and a non-without applied but sustained thought only mental state and a non-without applied and sustained thought mental state arise dependent on a mental state without applied but sustained thought only by root condition. (7)

A non-without applied and sustained thought mental state arises dependent on a mental state without applied and sustained thought by root condition... etc. seven.

A non-with applied and sustained thought mental state arises dependent on a mental state with applied and sustained thought and without applied and sustained thought by root condition... etc. seven.

A non-with applied and sustained thought mental state arises dependent on a mental state without applied but sustained thought only and without applied and sustained thought by root condition... etc. seven.

A non-with applied and sustained thought mental state arises dependent on a mental state with applied and sustained thought and without applied but sustained thought only by root condition... etc. seven.

A non-with applied and sustained thought mental state arises dependent on a mental state with applied and sustained thought and without applied but sustained thought only and without applied and sustained thought by root condition... etc. seven. (Abbreviated.)

By way of root forty-nine, by way of object forty-nine, etc. by way of non-disappearance forty-nine. (The section on the conascence also... etc. the section on questions also should be expanded.)

7. Rapture Triplet

1-7. Section on the Dependent etc.

1. Positive Condition

Root Condition

35. A mental state not accompanied by rapture arises dependent on a mental state accompanied by rapture by root condition. A mental state not accompanied by pleasure arises dependent on a mental state accompanied by rapture by root condition. A mental state not accompanied by equanimity arises dependent on a mental state accompanied by rapture by root condition. Mental states not accompanied by rapture and not accompanied by equanimity arise dependent on a mental state accompanied by rapture by root condition. Mental states not accompanied by pleasure and not accompanied by equanimity arise dependent on a mental state accompanied by rapture by root condition. Mental states not accompanied by rapture and not accompanied by pleasure arise dependent on a mental state accompanied by rapture by root condition. Mental states not

accompanied by rapture and not accompanied by pleasure and not accompanied by equanimity arise dependent on a mental state accompanied by rapture by root condition. (7)

A mental state not accompanied by pleasure arises dependent on a mental state accompanied by pleasure by root condition... etc. seven.

A mental state not accompanied by equanimity arises dependent on a mental state accompanied by equanimity by root condition... etc. seven.

A mental state not accompanied by rapture arises dependent on a mental state accompanied by rapture and accompanied by pleasure by root condition... etc. seven. (Abbreviated.)

By way of root twenty-eight, by way of object twenty-four... etc. by way of non-disappearance twenty-eight.

(The section on the consciousness also... etc. the section on the associated also and the section on questions also should be expanded everywhere.)

8. Seeing Triplet

1-7. Section on the Dependent etc.

1. Positive Condition

Root Condition

36. A mental state not to be abandoned by seeing arises dependent on a mental state to be abandoned through vision by root condition. A mental state not to be abandoned by meditative development arises dependent on a mental state to be abandoned through vision by root condition. A mental state not to be abandoned neither by seeing nor by meditative development arises dependent on a mental state to be abandoned through vision by root condition. Mental states not to be abandoned by meditative development and not to be abandoned neither by seeing nor by meditative development arise dependent on a mental state to be abandoned through vision by root condition. Mental states not to be abandoned by seeing and not to be abandoned by meditative development arise dependent on a mental state to be abandoned through vision by root condition. (5)

A mental state not to be abandoned by meditative development arises dependent on a mental state to be abandoned by meditative development by root condition... five.

A mental state not to be abandoned by seeing arises dependent on a mental state to be abandoned neither by seeing nor by meditative development by root condition... three.

A mental state not to be abandoned by seeing arises dependent on a mental state to be abandoned through vision and to be abandoned neither by seeing nor by meditative development by root condition... three.

A mental state not to be abandoned by seeing arises dependent on a mental state to be abandoned by meditative development and to be abandoned neither by seeing nor by meditative development by root condition... three. (Abbreviated.)

By way of root nineteen... etc. by way of non-disappearance nineteen. (The section on the conascence also... etc. the section on the associated also and the section on questions also should be expanded.)

9. Triplet of Root for Seeing

1-7. Section on the Dependent etc.

37. A mental state not to be abandoned by seeing arises dependent on a mental state connected with a root to be abandoned through vision by root condition. (Abbreviated.)

By way of root twenty-six... etc. by way of non-disappearance twenty-six. (Should be expanded.)

10. Triplet of State Leading to Accumulation (of Rebirth)

1-7. Section on the Dependent etc.

1. Positive Condition

Root Condition

38. A non-leading to accumulation mental state arises dependent on a mental state leading to accumulation by root condition. A non-leading to non-accumulation mental state arises dependent on a mental state leading to accumulation by root condition. A non-leading to neither accumulation nor to non-accumulation mental state arises dependent on a mental state leading to accumulation by root condition. A non-leading to non-accumulation mental state and a non-leading to neither accumulation nor to non-accumulation mental state arise dependent on a mental state leading to accumulation by root condition. A non-leading to accumulation mental state and a non-leading to non-accumulation mental state arise dependent on a mental state leading to accumulation by root condition. (5)

A non-leading to non-accumulation mental state arises dependent on a mental state leading to non-accumulation by root condition. A non-leading to accumulation mental state arises dependent on a mental state leading to non-accumulation by root condition. A non-leading to neither accumulation nor to non-accumulation mental state arises dependent on a mental state leading to non-accumulation by root condition. A non-leading to accumulation mental state and a non-leading to neither accumulation nor to non-accumulation mental state arise dependent on a mental state leading to non-accumulation by root condition. A non-leading to accumulation mental state and a non-leading to non-accumulation mental state arise dependent on a mental state leading to non-accumulation by root condition. (5)

A non-leading to accumulation mental state arises dependent on a mental state leading to neither accumulation nor to non-accumulation by root condition. A non-leading to non-accumulation mental state arises dependent on a mental state leading to neither accumulation nor to non-accumulation by root condition. A non-leading to accumulation mental state and a non-leading to non-accumulation mental state arise dependent on a mental state leading to neither accumulation nor to non-accumulation by root condition. (3)

A non-leading to accumulation mental state arises dependent on a mental state leading to accumulation and a mental state leading to neither accumulation nor to non-accumulation by root condition. A non-leading to non-accumulation mental state arises dependent on a mental state leading to accumulation and a mental state leading to neither accumulation nor to non-accumulation by root condition. A non-leading to accumulation mental state and a non-leading to non-accumulation mental state arise dependent on a mental state leading to accumulation and a mental state leading to neither accumulation nor to non-accumulation by root condition. (3)

A non-leading to accumulation mental state arises dependent on a mental state leading to non-accumulation and a mental state leading to neither accumulation nor to non-accumulation by root condition. A non-leading to non-accumulation mental state arises dependent on a mental state leading to non-accumulation and a mental state leading to neither accumulation nor to non-accumulation by root condition. A non-leading to accumulation mental state and a non-leading to non-accumulation mental state arise dependent on a mental state leading to non-accumulation and a mental state leading to neither accumulation nor to non-accumulation by root condition. (3) (Abbreviated.)

By way of root nineteen. (Everywhere in detail.)

11. Trainees Triplet

1-7. Section on the Dependent etc.

1. Positive Condition

Root Condition

39. A non-trainee state arises dependent on a trainee state by root condition. A non-state of one beyond training arises dependent on a trainee state by root condition. A non-state of neither trainee nor one beyond training arises dependent on a trainee state by root condition. A non-state of one beyond training and a non-state of neither trainee nor one beyond training arise dependent on a trainee state by root condition. A non-trainee state and a non-state of one beyond training arise dependent on a trainee state by root condition. (5)

A non-state of one beyond training arises dependent on a state of one beyond training by root condition. A non-trainee state arises dependent on a state of one beyond training by root condition. A non-state of neither trainee nor one beyond training arises dependent on a state of one beyond training by root condition. A non-trainee state and a non-state of neither trainee nor one beyond training arise dependent on a state of one beyond training by root condition. A non-trainee state and a non-state of one beyond training arise dependent on a state of one beyond training by root condition. (5)

A non-trainee state arises dependent on a state of neither trainee nor one beyond training by root condition. A non-state of one beyond training arises dependent on a state of neither trainee nor one beyond training by root condition. A non-trainee state and a non-state of one beyond training arise dependent on a state of neither trainee nor one beyond training by root condition. (3)

A non-trainee state arises dependent on a trainee state and a state of neither trainee nor one beyond training by root condition. A non-state of one beyond training arises dependent on a trainee state and a state of neither trainee nor one beyond training by root condition. A non-trainee state and a non-state of one beyond training arise dependent on a trainee state and a state of neither trainee nor one beyond training by root condition. (3)

A non-trainee state arises dependent on a state of one beyond training and a state of neither trainee nor one beyond training by root condition. A non-state of one beyond training arises dependent on a state of one beyond training and a state of neither trainee nor one beyond training by root condition. A non-trainee state and a non-state of one beyond training arise dependent on a state of one beyond training and a state of neither trainee nor one beyond training by root condition. (3) (Abbreviated.)

By way of root nineteen. (Everywhere in detail.)

12. Limited Triplet

1-7. Section on the Dependent etc.

1. Positive Condition

Root Condition

40. A non-limited state arises dependent on a limited state by root condition. A non-exalted state arises dependent on a limited state by root condition. A non-immeasurable state arises dependent on a limited state by root condition. Non-limited and non-immeasurable states arise dependent on a limited state by root condition. Non-exalted and non-immeasurable states arise dependent on a limited state by root condition. (5)

A non-exalted state arises dependent on an exalted state by root condition. A non-limited state arises dependent on an exalted state by root condition. A non-immeasurable state arises dependent on an exalted state by root condition. Non-limited and non-immeasurable states arise dependent on an exalted state by root condition. Non-exalted and non-immeasurable states arise dependent on an exalted state by root condition. (5)

A non-immeasurable state arises dependent on an immeasurable state by root condition. A non-limited state arises dependent on an immeasurable state by root condition. A non-exalted state arises dependent on an immeasurable state by root condition. Non-exalted and non-immeasurable states arise dependent on an immeasurable state by root condition. Non-limited and non-exalted states arise dependent on an immeasurable state by root condition. (5)

A non-exalted state arises dependent on a limited and immeasurable state by root condition. A non-immeasurable state arises dependent on a limited and immeasurable state by root condition. Non-exalted and non-immeasurable states arise dependent on a limited and immeasurable state by root condition. (3)

A non-limited state arises dependent on a limited and exalted state by root condition. A non-exalted state arises dependent on a limited and exalted state by root condition. A non-immeasurable state arises dependent on a limited and exalted state by root

condition. Non-limited and non-immeasurable states arise dependent on a limited and exalted state by root condition. Non-exalted and non-immeasurable states arise dependent on a limited and exalted state by root condition. (5) (Abbreviated.)

By way of root twenty-three, by way of object fourteen. (It should be expanded everywhere.)

13. Limited Object Triplet

1-7. Section on the Dependent etc.

41. A non-limited object mental state arises dependent on a mental state with a limited object by root condition...

By way of root twenty-one... etc. by way of non-disappearance twenty-one.

14. Low Triplet

1-7. Section on the Dependent etc.

42. A non-inferior state arises dependent on an inferior state by root condition. (Similar to the defiled and subject to defilement triad.)

By way of root nineteen... etc. by way of non-disappearance nineteen.

15. Wrong Course Triplet

1-7. Section on the Dependent etc.

1. Positive Condition

Root Condition

43. A non-mental state with fixed course of the wrong path arises dependent on a mental state with fixed course of the wrong path by root condition. A non-mental state with fixed course of the right path arises dependent on a mental state with fixed course of the wrong path by root condition. A non-unfixed mental state arises dependent on a mental state with fixed course of the wrong path by root condition. A non-mental state with fixed course of the right path and a non-unfixed mental state arise dependent on a mental state with fixed course of the wrong path by root condition. A non-mental state with fixed course of the wrong path and a non-mental state with fixed course of the right path arise dependent on a mental state with fixed course of the wrong path by root condition. (5)

A non-mental state with fixed course of the right path arises dependent on a mental state with fixed course of the right path by root condition. A non-mental state with fixed course of the wrong path arises dependent on a mental state with fixed course of the right path by root condition. A non-unfixed mental state arises dependent on a mental state with fixed course of the right path by root condition. A non-mental state with fixed course of the wrong path and a non-unfixed mental state arise dependent on a mental state with fixed course of the right path by root condition. A non-mental state with fixed course of the wrong path and a non-mental state with fixed course of the right path arise dependent on a mental state with fixed course of the right path by root condition. (5)

A non-mental state with fixed course of the wrong path arises dependent on an unfixed mental state by root condition... three.

A non-mental state with fixed course of the wrong path arises dependent on a mental state with fixed course of the wrong path and an unfixed mental state by root condition... three.

A non-mental state with fixed course of the wrong path arises dependent on a mental state with fixed course of the right path and an unfixed mental state by root condition... three. (Abbreviated.)

By way of root nineteen. (It should be expanded everywhere.)

16. Path-as-object Triplet

1-7. Section on the Dependent etc.

44. A mental state without path as object arises dependent on a mental state with path as object by root condition. A mental state not connected with the path as root arises dependent on a mental state with path as object by root condition. A mental state without path predominance arises dependent on a mental state with path as object by root condition. Mental states without path as object and without path predominance arise dependent on a mental state with path as object by root condition. Mental states not connected with the path as root and without path predominance arise dependent on a mental state with path as object by root condition. Mental states without path as object and not connected with the path as root arise dependent on a mental state with path as object by root condition. Mental states without path as object, not connected with the path as root, and without path predominance arise dependent on a mental state with path as object by root condition. (7) (Abbreviated.)

By way of root thirty-five... etc. by way of non-disappearance thirty-five. (It should be expanded everywhere.)

17. Arisen Triplet

7. Section on Questions

45. An arisen mental state is a condition for a non-unarisen mental state by way of root condition. (Abbreviated.)

By way of root three, by way of object nine.

18. Past Triplet

7. Section on Questions

46. A present state is a condition for a non-past state by way of root condition. (Abbreviated.)

By way of root three, by way of object nine.

19. Past Object Triplet

1-7. Section on the Dependent etc.

47. A non-past object mental state arises dependent on a mental state with a past object by root condition. A non-future object mental state arises dependent on a mental state with a past object by root condition. A non-present object mental state arises dependent on a mental state with a past object by root condition. A non-past object mental state and a non-present object mental state arise dependent on a mental state with a past object by root condition. A non-future object mental state and a non-present object mental state arise dependent on a mental state with a past object by root condition. A non-past object mental state and a non-future object mental state arise dependent on a mental state with a past object by root condition. A non-past object mental state and a non-future object mental state and a non-present object mental state arise dependent on a mental state with a past object by root condition. (7) (Abbreviated.)

By way of root twenty-one... etc. by way of non-disappearance twenty-one.

20. Internal Triplet

1-7. Section on the Dependent etc.

48. A non-external phenomenon arises dependent on an internal phenomenon by root condition. (1)

A non-internal phenomenon arises dependent on an external phenomenon by root condition... by way of root two. (Everywhere in detail.)

21. Internal Object Triplet

1-7. Section on the Dependent etc.

49. A non-internal object mental state arises dependent on an internal object mental state by root condition.

By way of root six.

22. Manifest Triad

1-7. Section on the Dependent etc.

1. Positive Condition

Root Condition

50. A non-non-manifest but impinging phenomenon arises dependent on a non-manifest but impinging phenomenon by root condition. A non-manifest and impinging phenomenon arises dependent on a non-manifest but impinging phenomenon by root condition. A non-non-manifest and non-impinging phenomenon arises dependent on a non-manifest but impinging phenomenon by root condition. A non-manifest and impinging phenomenon and a non-non-manifest and non-impinging phenomenon arise dependent on a non-manifest but impinging phenomenon by root condition. A non-non-manifest but impinging phenomenon and a non-non-manifest and non-impinging phenomenon arise dependent on a non-manifest but impinging phenomenon by root condition. A non-manifest and impinging phenomenon and a non-non-manifest but impinging phenomenon arise dependent on a non-manifest but impinging phenomenon by root condition. (6)

A non-non-manifest and non-impinging phenomenon arises dependent on a non-manifest and non-impinging phenomenon by root condition... six.

A non-manifest and impinging phenomenon arises dependent on a non-manifest but impinging and a non-manifest and non-impinging phenomenon by root condition... six. (Abbreviated.)

By way of root eighteen, by way of object three... etc.by way of non-disappearance eighteen. (Everywhere expansion. The section on the conascence also... etc. the section on the associated also should be expanded.)

Root and Object Conditions

51. A non-manifest and non-impinging phenomenon is a condition for a non-non-manifest and non-impinging phenomenon by way of root condition. A non-manifest and non-impinging phenomenon is a condition for a non-manifest and impinging phenomenon by way of root condition. A non-manifest and non-impinging phenomenon is a condition for a non-non-manifest but impinging phenomenon by way of root condition. A non-manifest and non-impinging phenomenon is a condition for a non-manifest and impinging and a non-non-manifest and non-impinging phenomenon by way of root condition. A non-non-manifest and non-impinging phenomenon is a condition for a non-non-manifest but impinging and a non-non-manifest and non-impinging phenomenon by way of root condition. A non-manifest and non-impinging phenomenon is a condition for a non-manifest and impinging and a non-non-manifest but impinging phenomenon by way of root condition. (6)

A manifest and impinging phenomenon is a condition for a non-manifest and impinging phenomenon by way of object condition... three. (Abbreviated.)

52. By way of root six, by way of object nine.(The section on questions should be expanded.)

The Conditional Relations of Triads in Conformity with States and Negative is concluded.

ABOUT THIS TRANSLATION

This translation is part of the PaliVerse Project - the first complete, unified English translation of the Pāli Canon together with its Commentaries (Aṭṭhakathā) and Subcommentaries (Tīkā), accompanied by interactive study tools. PaliVerse is an ongoing project. The AI translations are continuously improved through experts' revisions and feedback. This text is the latest translation as of the date of download.

PDF Creation Date: 16 August 2026
